FRANKLIN LAKES, N.J., May 19, 2020 /PRNewswire/ -- BD (Becton, Dickinson and Company) (NYSE:BDX) announced today that it has commenced registered offerings of \$1.5 billion of common stock, par value \$1.00 per share, and \$1.5 billion of depositary shares, each representing a 1/20th interest in its mandatory convertible preferred stock, par value \$1.00 per share, Series B. Pursuant to the offerings, BD intends to grant the underwriters an option to purchase from BD up to an additional \$225 million of common stock and up to an additional \$225 million of depositary shares.

BD intends to use the proceeds from the offerings for general corporate purposes, which may include, without limitation and in our sole discretion, funding our growth strategy through organic investments and acquisitions, working capital, capital expenditures, and repayment of outstanding indebtedness.

Each depositary share entitles the holder of such depositary share to a proportional fractional interest in the rights and preferences of the mandatory convertible preferred stock, including conversion, dividend, liquidation and voting rights, subject to the terms of the deposit agreement. The conversion rates, dividend rate and other terms of the mandatory convertible preferred stock will be determined at the time of pricing of the offering of the depositary shares.
