ARTICLE I
Offices

The registered office of Becton, Dickinson and Company ("Company") shall be in the Borough of Franklin Lakes, County of Bergen, State of New Jersey or such other place within or without the State of New Jersey as the Board of Directors may designate. The Company may also establish and have such other offices within or without the State of New Jersey, as the Board of Directors may designate or its business may require.

ARTICLE II
Meetings of Shareholders

SECTION 1. PLACE OF MEETINGS. Meetings of the shareholders shall be held at the registered office of the Company in New Jersey, or at such other place, within or without the State of New Jersey, as may be designated by the Board of Directors and stated in the notice of the meeting.

SECTION 2.A. ANNUAL MEETINGS. The annual meeting of shareholders for the election of Directors and the transaction of such other business as may be related to the purposes set forth in the notice of the meeting shall be held at such time as may be fixed by the Board of Directors.

B. SPECIAL MEETING FOR ELECTION OF DIRECTORS. If the annual meeting of shareholders is not held on the date designated, the Board of Directors may call a special meeting of the shareholders for the election of Directors and the transaction of other business.

C. SPECIAL MEETINGS. Special meetings of the shareholders may be called by the Board of Directors or by the Chairman of the Board or by the President, and shall be called by the Chairman of the Board or by the President upon written request of a majority of the Directors then in office, which request shall state the time, place and purpose of the meeting.

D. ADVANCE NOTICE OF NOMINATIONS AND BUSINESS TO BE TRANSACTED AT ANNUAL MEETINGS OF SHAREHOLDERS. No business may be transacted at an annual meeting of shareholders, other than business that is either (a) specified in the notice of meeting (or any supplement thereto) given by or at the direction of the Board of Directors (or any duly authorized committee thereof), (b) otherwise properly brought before the annual meeting by or at the direction of the Board of Directors (or any duly authorized committee thereof) or (c) otherwise properly brought before the annual meeting by any shareholder of the Company (i) who is a shareholder of record on the date of the giving of the notice provided for in this Section 2.D. and on the record date for the determination of shareholders entitled to vote at such annual meeting and (ii) who complies with the notice procedures set forth in this Section 2.D.

In addition to any other applicable requirements, for nominations of persons for election to the Board of Directors or for other business to be properly brought before an annual meeting by a shareholder, such shareholder must have given timely notice thereof in proper written form to the Secretary of the Company.

To be timely, a shareholder's notice to the Secretary must be delivered to or mailed and received at the principal executive offices of the Company not less than 90 days nor more than 120 days prior to the anniversary date of the immediately preceding annual meeting of shareholders; provided however, that in the event that the annual meeting is called for on a date that is not within 30 days before or after such anniversary date, notice by the shareholder in order to be timely must be so received not earlier than the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the tenth day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure of the date of the annual meeting was made, whichever first occurs. In no event shall the public announcement of an adjournment of an annual meeting commence a new time period for the giving of shareholder's notice as described above.

Notwithstanding anything in the first sentence of the preceding paragraph to the contrary, in the event that the number of Directors to be elected to the Board of Directors is increased and there is no notice or public disclosure by the Company naming all of the nominees for Director or specifying the size of the increased Board of Directors at least 70 days prior to the first anniversary of the preceding year's annual meeting, a stockholder's notice required by this Section 2.D. shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary at the principal executive offices of the Company not later than the close of business on the tenth day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure of the date of the annual meeting was made.

To be in proper written form, a shareholder's notice to the Secretary must set forth (a) as to each person whom the shareholder proposes to nominate for election or reelection as a Director all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended and Rule 14a-11 thereunder (including such person's written consent to being named in the proxy statement as a nominee and to serving as a Director if elected), (b) as to each matter such shareholder proposes to bring before the annual meeting, a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, (c) the name and record address of such shareholder, (d) the class or series and number of shares of capital stock of the Company that are owned beneficially or of record by such shareholder, (e) a description of all arrangements or understandings between such shareholder and any other person or persons (including their names) in connection with such nomination or proposal of such business by such shareholder and any material interest of such shareholder in such business and (f) a representation that such shareholder intends to appear in person or by proxy at the annual meeting to bring such business before the meeting.

No business shall be conducted at the annual meeting of shareholders except business brought before the annual meeting in accordance with the procedures set forth in this Section 2.D; provided, however, that, once business has been properly brought before the annual meeting in accordance with such procedures, nothing in Section 2.D. shall be deemed to preclude discussion by any shareholder of any such business. If the Chairman of an annual meeting determines that business was not properly brought before the annual meeting in accordance with the foregoing procedures, the Chairman shall declare to the meeting that the business was not properly brought before the meeting and such business shall not be transacted.

SECTION 3. QUORUM. The presence, in person or by proxy, of the holders of shares representing a majority of the votes entitled to be cast at a meeting shall constitute a quorum. The shareholders present in person or by proxy at a duly organized meeting may continue to do business until adjournment, notwithstanding the withdrawal of enough shareholders to leave less than a quorum. If a quorum not be present or represented at any meeting, the Chairman of the meeting or a majority of the shareholders present in person, or by proxy, shall have power to adjourn the meeting without notice until the required voting shares shall be represented. At such adjourned meeting with the requisite amount of voting shares represented, any business may be transacted which might have been transacted at the meeting as originally notified.

SECTION 4. NOTICE OF MEETINGS. A written notice of each annual or special meeting of the shareholders of the Company, signed by the Chairman of the Board or the President or the Secretary, which shall state the time, place and purpose of such meeting, shall be delivered personally or mailed, not less than 10 days nor more than 60 days before the date of any such meeting, to each shareholder of record entitled to vote at such meeting. If mailed, the notice shall be directed to the shareholder at his address as it appears on the records of the stock transfer agent. Any shareholder, in person or by proxy, may at any time by a duly signed statement in writing to that effect, waive any statutory or other notice of any meeting, whether such statement be signed before or after such meeting.

SECTION 5. VOTING. At all meetings of the shareholders, each holder of common stock having the right to vote, and present at the meeting in person or by proxy, shall be entitled to one vote for each full share of common stock of the Company entitled to vote and registered in his name. Each holder of preferred stock of any series shall have such voting powers, if any, as the Board of Directors shall have fixed by resolution prior to the issuance of any shares of such series. Whenever any action is to be taken by vote of the shareholders, it shall be authorized by a majority of the votes cast at a meeting of the shareholders by the holders of shares entitled to vote, unless a greater plurality is required by law or the Certificate of Incorporation.

SECTION 6. PROXIES. Any shareholder of record entitled to vote may be represented at any annual or special meeting of the shareholders by a duly appointed proxy. All proxies shall be written and properly signed, but shall require no other attestation, and shall be filed with the Secretary of the meeting before being voted.

SECTION 7. ORGANIZATION. The Chairman of the Board, or in the absence of the Chairman of the Board, the President, shall act as chairman of the meeting

chairman of the meeting at all meetings of the shareholders. The Secretary, or in his absence one of the Assistant Secretaries, shall act as secretary of the meeting. In case none of the officers above designated to act as Chairman or Secretary of the meeting shall be present, a chairman or a secretary of the meeting, as the case may be, shall be chosen by a vote of the shareholders.

SECTION 8. ORDER OF BUSINESS. The order of business at all meetings of the shareholders shall be as determined by the Chairman of the meeting, but the order of business to be followed at any meeting at which a quorum is present may be changed by a vote of the shareholders.

SECTION 9. RECORD DATE FOR ACTION BY WRITTEN CONSENT. In order that the Company may determine the shareholders entitled to consent to corporate action in writing without a meeting, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which date shall not be more than 10 days after the date upon which the resolution fixing the record date is adopted by the Board of Directors. Any shareholder of record seeking to have the shareholders authorize or take corporate action by written consent shall, by written notice to the Secretary, request the Board of Directors to fix a record date. The Board of Directors shall promptly, but in all events within 10 days after the date on which such a request is received, adopt a resolution fixing the record date. If no record date has been fixed by the Board of Directors within 10 days of the date on which such a request is received, the record date for determining shareholders entitled to consent to corporate action in writing without a meeting, when no prior action by the Board of Directors is required by applicable law, shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Company by delivery to its registered office in New Jersey, its principal place of business or to any officer or agent of the Company having custody of the book in which proceedings of meetings of shareholders are recorded. Delivery made to the Company's registered office shall be by hand or by certified or registered mail, return receipt requested. If no record date has been fixed by the Board of Directors and prior action by the Board of Directors is required by applicable law, the record date for determining shareholders entitled to consent to corporate action in writing without a meeting shall be at the close of business on the date on which the Board of Directors adopts the resolution taking such prior action. Nothing in this Article II, Section 9 shall require the Board of Directors to take any action with respect to any proposed action or other proposal for which consent is sought other than to fix a record date as provided for herein; and the fixing of any such record date shall not be deemed to be an action taken by the Board of Directors with respect to any such proposed action or other proposal for which consent is sought for any other purpose.

SECTION 10. INSPECTORS OF WRITTEN CONSENT. In the event of the delivery, in the manner provided by Article II, Section 9, to the Company of the requisite written consent or consents to take corporate action and/or any related revocation or revocations, the Company shall engage nationally recognized independent inspectors of elections for the purpose of promptly performing a ministerial review of the validity of the consents and revocations. For the purpose of permitting the inspectors to perform such review, no action by written consent without a meeting shall be effective until such

date as the independent inspectors certify to the Company that the consents delivered to the Company in accordance with Article II, Section 9 represent at least the minimum number of votes that would be necessary to take the corporate action. Nothing contained in this paragraph shall in any way be construed to suggest or imply that the Board of Directors or any shareholder shall not be entitled to contest the validity of any consent or revocation thereof, whether before or after such certification by the independent inspectors, or to take any other action (including, without limitation, the commencement, prosecution or defense of any litigation with respect thereto, and the seeking of injunctive relief in such litigation).

SECTION 11. EFFECTIVENESS OF WRITTEN CONSENT. Every written consent shall bear the date of signature of each shareholder who signs the consent and no written consent shall be effective to take the corporate action referred to therein unless, within 60 days of the earliest dated written consent received in accordance with Article II, Section 9, a written consent or consents signed by a sufficient number of holders to take such action are delivered to the Company in the manner prescribed in Article II, Section 9.

ARTICLE III
Directors

SECTION 1. QUALIFICATIONS. Each Director shall be at least 21 years of age and shall be elected in the manner provided by these By-Laws.

SECTION 2. DUTIES AND POWERS. The Board of Directors shall control and manage the business and affairs of the Company, and shall exercise all powers of the Company and perform all acts which are not required to be exercised or performed by the shareholders. The Board of Directors may adopt such rules and regulations for the conduct of its meetings and the management of the Company as it may deem proper.

SECTION 3. PLACE OF MEETINGS. Meetings of the Board of Directors shall be held at the principal office of the Company or at such other place within or without the State of New Jersey, as the Chairman of the Board or the Board of Directors may designate.

SECTION 4. TELEPHONE MEETINGS. Any or all Directors may participate in a meeting of the Board of Directors or a committee thereof by means of conference telephone or any means of communication by which all persons participating in the meeting are able to hear each other.

SECTION 5. NOTICE OF MEETINGS. There shall be an annual meeting of the Board of Directors held without notice on the date of the annual meeting of shareholders, or as soon thereafter as convenient, at the same place as the annual meeting of shareholders unless some other location is designated by the Chairman of the Board or by the President. Regular meetings, without notice, may be held at such time and place as the Board of Directors may designate. The Chairman of the Board or the President may call any special meeting of the Board of Directors, and shall do so whenever

requested in writing by at least one-third of the Directors. Notice of each special meeting shall be mailed to each director at least four days before the date on which the meeting is to be held, or be telephoned or sent to each Director by telegraph, telex, TWX, cable, wireless or similar means of communication, or be delivered in person, not later than the day before the date on which such meeting is to be held. The Board of Directors may meet to transact business at any time and place without notice, provided that each director shall be present, or that any Director or Directors not present shall waive notice in writing, either before or after such meeting. The attendance of any Director at a meeting without protesting prior to the conclusion of the meeting the lack of notice of such meeting shall constitute a waiver of notice by him. Neither the business to be transacted at, nor the purpose of, any meeting of the Board of Directors need be specified in the notice or waiver of notice of such meeting. Notice of an adjourned meeting need not be given if the time and place are fixed at the meeting adjourning and if the period of adjournment does not exceed 10 days in any one adjournment.

SECTION 6. QUORUM. A majority of the Directors then in office shall constitute a quorum for the transaction of business, but the Director or Directors present, if less than a quorum, may adjourn any meeting from time to time until such quorum shall be present. All questions coming before the Board of Directors shall be determined and decided by a majority vote of the Directors present, unless the vote of a greater number is required by statute, the Certificate of Incorporation or these By-Laws.

SECTION 7. ACTION WITHOUT A MEETING. The Board of Directors may act without a meeting if, prior or subsequent to such action, each Director shall consent in writing to such action. Such written consent or consents shall be filed with the minutes of the proceedings of the Board of Directors.

SECTION 8. COMPENSATION OF DIRECTORS. The Board may, by the affirmative vote of a majority of the Directors then in office, fix reasonable fees or compensation of the Directors for services to the Company, including attendance at meetings of the Board of Directors or committees thereof. Nothing herein contained shall be construed to preclude any Director from serving the Company in any other capacity and receiving compensation therefor. Each Director shall be entitled to receive reimbursement for reasonable expenses incurred in the performance of his duties.

ARTICLE IV Committees

SECTION 1. HOW CONSTITUTED AND POWERS. The Board of Directors, by resolution of a majority of the Directors then in office, shall appoint from among its members the committees enumerated in these By-laws and may appoint one or more other committees. The Board of Directors shall designate one member of each committee its chairman. To the extent provided in these By-laws or any resolution conferring or limiting its powers each committee shall have and may exercise all the authority of the Board of Directors, except that no committee shall:

- (a) make, alter, or repeal any By-law of the Company;

- (b) elect, appoint or remove any Director, or elect, appoint or remove any corporate officer;
- (c) submit to shareholders any action that requires approval of shareholders;
- (d) amend or repeal any resolution adopted by the Board of Directors which by its terms is amendable or repealable only by the Board of Directors;
- (e) act on matters assigned to other committees appointed by the Board of Directors;
- (f) declare or pay any dividends or issue any additional shares of authorized and unissued capital stock; or
- (g) create, dissolve or fill any vacancy on any committee appointed by the Board of Directors.

The Board of Directors, by resolution of a majority of the Directors then in office may fill any vacancy in any committee; appoint one or more alternate members of any committee to act in the absence or disability of members of such committees with all the powers of such absent or disabled members; or remove any Director from membership on any committee.

SECTION 2. AUDIT COMMITTEE.

Purpose

The Audit Committee is created by the Board of Directors of the Company to:

- assist the Board of Directors in its oversight of
 - the integrity of the financial statements of the Company;

 - compliance by the Company with legal and regulatory requirements; and
- prepare the audit committee report that Securities and Exchange Commission rules require to be included in the Company's annual proxy statement.

Membership

The Audit Committee shall consist of at least three members, comprised solely of independent Directors meeting the independence and experience requirements of the New York Stock Exchange. The Corporate Governance and Nominating Committee shall recommend nominees for appointment to the Audit Committee annually and as vacancies or newly created positions occur. Audit Committee members shall be appointed by the Board of Directors and may be removed by the Board of Directors at any time. The Corporate Governance and Nominating Committee shall recommend to the Board of Directors, and the Board of Directors shall designate, the Chair of the Audit Committee.

Authority and Responsibilities

In addition to any other responsibilities which may be assigned from time to time by the Board of Directors, the Audit Committee is responsible for the following matters:

Independent Auditors

- The Audit Committee has the sole authority to appoint, compensate, retain and terminate the independent auditors of the Company, including sole authority to approve all audit engagement fees and terms and pre-approve all non-audit services to be provided by the Company's independent auditors. The Audit Committee may consult with management in the decision making process, but may not delegate this authority to management. The Audit Committee may, from time to time, delegate its authority to pre-approve non-audit services to one or more Audit Committee members, provided that such designees present any such approvals to the full Audit Committee at the next Audit Committee meeting. The independent auditors shall report directly to the Audit Committee.
- The Audit Committee shall review and approve the scope of the independent auditors' annual audit plan(s) and shall oversee the audit and audit-related work of the independent auditors, including resolution of disagreements, if any, between management and the auditor regarding financial reporting.
- The Audit Committee shall evaluate the independent auditors' qualifications, performance and independence, and shall present its conclusions with respect to the independent auditors to the full Board of Directors on at least an annual basis. As part of such evaluation, at least annually, the Audit Committee shall:
 - obtain and review a report or reports from the Company's independent auditors:
 - describing the independent auditors' internal quality-control procedures;
 - describing any material issues raised by (i) the most recent internal quality-control review or peer review of the auditing firm, or (ii) any inquiry or investigation by governmental or professional authorities, within the preceding five years, regarding one or more independent audits carried out by the auditing firm; and any steps taken to deal with any such issues;

 - review and evaluate the partners of the independent auditor team(s), particularly the lead audit and reviewing partners;

- consider whether to rotate the independent auditors; and
- obtain the opinion of management and the internal auditors on the independent auditors' performance.
- The Audit Committee shall establish policies for the Company's hiring of current or former employees of the independent auditors.

Internal Auditors

- At least annually, the Audit Committee shall evaluate the performance, responsibilities, budget and staffing of the Company's internal audit function and review the internal audit plan. Such evaluation shall include a review of the responsibilities, budget and staffing of the Company's internal audit function with the independent auditors. The Audit Committee shall meet privately with the Director of Internal Audit at least three (3) times per year, and the Director of Internal Audit shall otherwise have full access to the Audit Committee.

Financial Statements; Disclosure and Other Risk Management and Compliance Matters

- The Audit Committee shall review and discuss with management and the independent auditors, in separate meetings if the Audit Committee deems it appropriate:

 - the critical accounting policies and practices of the Company;
 - off-balance sheet transactions and structures;
 - any major issues regarding accounting principles and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles; and
 - regulatory and accounting initiatives or actions applicable to the Company (including any SEC investigations or proceedings).
- The Audit Committee shall review and discuss, in conjunction with management, the Company's policies with respect to the Company's earnings press releases and all financial information, such as earnings guidance, provided to analysts and rating agencies, including the types of information to be disclosed and the types of

presentation to be made and paying particular attention to the use of “pro forma” or “adjusted” non-GAAP information.

- The Audit Committee shall, in conjunction with the Chief Executive Officer and Chief Financial Officer of the Company, review the Company’s internal controls and disclosure controls and procedures, including whether there are any significant deficiencies in the design or operation of such controls and procedures, material weaknesses in such controls and procedures, any corrective actions taken with regard to such deficiencies and weaknesses and any fraud involving management or other employees with a significant role in such controls and procedures.
- The Audit Committee shall review and discuss with the independent auditors any audit problems or difficulties and management’s response thereto, including those matters required to be discussed with the Audit Committee by the auditors pursuant to Statement on Auditing Standards No. 61, Communications with Audit Committees, as amended, such as:
 - any restrictions on the scope of the independent auditors’ activities or access to requested information;
 - any accounting adjustments that were noted or proposed by the auditors but were “passed” (as immaterial or otherwise);
 - any communications between the audit team and the audit firm’s national office regarding auditing or accounting issues presented by the engagement;

- The Audit Committee shall establish, maintain and review procedures for:
 - the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and
 - the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

- The Audit Committee shall review any significant complaints regarding accounting, internal accounting controls or auditing matters received pursuant to such procedures.
- The Audit Committee shall prepare the audit committee report that Securities and Exchange Commission rules require to be included in the Company's annual proxy statement.

Reporting to the Board of Directors

- The Audit Committee shall report to the Board of Directors periodically. This report shall include a review of any issues that arise with respect to the quality or integrity of the Company's financial statements, the Company's compliance with legal and regulatory requirements, the qualifications, independence and performance of the Company's independent auditors, the performance of the internal audit function, compliance by the Company with legal and regulatory requirements, and any other matters that the Audit Committee deems appropriate or is requested to be included by the Board of Directors. Additionally, the Audit Committee shall review and discuss with the Board of Directors management's enterprise risk assessment and plans for any risk mitigation or remediation.
- At least annually, the Audit Committee shall evaluate its own performance and report to the Board on such evaluation.
- The Audit Committee shall periodically review and assess the adequacy of this charter and recommend any proposed changes to the Corporate Governance and Nominating Committee.

Procedures

The Audit Committee shall meet as often as it determines is appropriate to carry out its responsibilities under this charter, but not less frequently than quarterly. The Chair of the Audit Committee, in consultation with the other committee members and management, shall determine the frequency and length of the committee meetings and shall determine meeting agendas consistent with this charter.

The Audit Committee shall meet separately, periodically, with management, with internal auditors or other personnel responsible for the internal audit function and with the independent auditors.

The Audit Committee is authorized to retain special legal, accounting or other advisors, as it determines necessary to carry out its duties, and may request any officer or employee of the Company or the Company's outside counsel or independent auditors to meet with any members of, or advisors to, the Audit Committee.

The Company shall provide for appropriate funding, as determined by the Audit Committee, for payment of (i) compensation to the independent auditors (ii) compensation to any advisors employed by the Audit Committee and (iii) ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties.

The Audit Committee may delegate its authority to subcommittees or the Chair of the Audit Committee when it deems appropriate and in the best interests of the Company.

Limitations Inherent in the Audit Committee's Role

While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the independent auditor. Nor is it the duty of the Audit Committee to conduct investigations, to ensure compliance with laws and regulations and the Company's Code of Conduct, or to assess and manage the Company's exposure to risk. This is the responsibility of management, subject to oversight by the Board of Directors.

SECTION 3. COMPENSATION AND BENEFITS COMMITTEE.

Purpose

The Compensation and Benefits Committee (the "Compensation Committee") is created by the Board of Directors of the Company to:

- oversee the Company's compensation and benefits policies applicable to "senior executives" (as defined below);
- oversee the Performance Incentive Plan, savings incentive plans, employee deferred compensation plans, health and welfare plans, retirement (including supplemental retirement) plans and equity-based plans maintained by the Company (the "Covered Plans");
- oversee and set compensation for the Company's senior executives, as described below; and
- prepare the report on executive compensation that Securities and Exchange Commission rules require to be included in the Company's annual proxy statement.

Membership

The Compensation Committee shall consist of at least three members, comprised solely of independent Directors meeting the independence requirements of the New York Stock Exchange, all of whom also shall be "nonemployee directors" within the meaning of Rule 16b-3(b)(3) under the Securities Exchange Act of 1934, as amended. The Corporate Governance and Nominating Committee shall recommend nominees for appointment to the Compensation Committee annually and as vacancies or newly created positions occur. Compensation Committee members shall be appointed by the Board of Directors and may be removed by the Board of Directors at any time. The Corporate Governance and Nominating Committee shall recommend to the Board of Directors, and the Board of Directors shall designate, the Chair of the Compensation Committee.

Authority and Responsibilities

In addition to any other responsibilities which may be assigned from time to time by the Board of Directors, the Compensation Committee is responsible for the following matters.

Compensation and Benefit Policies and Administration

- The Compensation Committee shall review and approve the Company's compensation and benefits policies generally under the Covered Plans (subject, if applicable, to shareholder ratification or approval), including reviewing and making recommendations to the Board of Directors with respect to any such plans of the Company. In reviewing compensation and benefits policies, the Compensation Committee may consider any factors that it deems appropriate.
- The Compensation Committee shall recommend to the Board of Directors the appointment of employee committees to administer the Covered Plans, to the extent provided in the Covered Plan.
- The Compensation Committee shall serve as the granting and administrative committee for the Company's stock option and other equity-based plans; provided, that the Compensation Committee may delegate to one of more officers of the Company the authority to make grants and awards to any non-Section 16 officer of the Company under such of the Company's incentive compensation or other equity-based plans as the Compensation Committee deems appropriate and in accordance with the terms of such plans.
- The Compensation Committee shall review and recommend to the Board of Directors, as appropriate, share retention and ownership guidelines for senior management and any modifications to such guidelines, and shall periodically review compliance with such guidelines.

Executive Compensation

- The Compensation Committee shall oversee the compensation of the Chief Executive Officer, the four most highly compensated executive officers in addition to the Chief Executive, and any other direct report of the Chief Executive Officer (collectively, the "senior executives"). For purposes of this charter, "compensation" shall include (i) annual base salary, (ii) annual incentive compensation, (iii) long-term incentive compensation, (iv) employment, severance and change-in-control agreements, if any, with the Company or any subsidiary and (v) any other compensation or ongoing perquisites. In connection with this oversight, the Compensation Committee shall, among other things:
 - Review and approve corporate goals and objectives relevant to executive compensation;
 - evaluate the Chief Executive Officer's performance in light of previously-established goals and objectives, and recommend the Chief Executive Officer's compensation for approval by the full Board of Directors (excluding the non-independent members of the Board of Directors) based on such evaluation and such other factors as may be deemed appropriate and in the best interests of the Company; and
