Becton, Dickinson and Company  
Debt Securities and Warrants  
to Purchase Debt Securities

Underwriting Agreement

July 23, 1997

To the Representatives of the  
several Underwriters named in the  
respective Pricing Agreements  
hereinafter described.

Dear Sirs:

From time to time Becton, Dickinson and Company, a New Jersey corporation (the "Company"), proposes to enter into one or more Pricing Agreements (each a "Pricing Agreement") in the form of Annex I hereto, with such additions and deletions as the parties thereto may determine, and, subject to the terms and conditions stated herein and therein, to issue and sell to the firms named in Schedule I to the applicable Pricing Agreement (such firms constituting the "Underwriters" with respect to such Pricing Agreement and the securities specified therein) certain of its debt securities (the "Securities") and/or warrants (the "Warrants") to purchase such Securities, in each case as specified in Schedule II to such Pricing Agreement (with respect to such Pricing Agreement, the "Designated Securities").

The terms and rights of any particular issuance of Designated Securities shall be as specified in the Pricing Agreement relating thereto and in or pursuant to the indenture (the "Indenture") or warrant agreement (the "Warrant Agreement") identified in such Pricing Agreement.

1. Particular sales of Designated Securities may be made from time to time to the Underwriters of such Securities or Warrants, for whom the firms designated as representatives of the Underwriters of such Securities or Warrants in the Pricing Agreement relating thereto will act as representatives (the "Representatives"). The term "Representatives" also refers to a single firm acting as sole representative of the Underwriters and to Underwriters who act without any firm being designated as their representative. This Underwriting Agreement shall not be construed as an obligation of the Company to sell any of the Securities or Warrants or as an obligation of any of the Underwriters to purchase the Securities or Warrants. The obligation of the Company to issue and sell any of the Securities or Warrants and the obligation of any of the Underwriters to purchase any of the Securities or Warrants shall be evidenced by the Pricing Agreement with respect to the Designated Securities specified therein. Each Pricing Agreement shall specify the aggregate principal amount of such Designated Securities, the initial public offering price of such Designated Securities, the purchase price to the Underwriters of such Designated Securities, the names of the Underwriters of such Designated Securities, the names of the Representatives of such Underwriters and the principal amount of such Designated Securities to be purchased by each Underwriter and shall set forth the date, time and manner of delivery of such Designated Securities and payment therefor. The Pricing Agreement shall also specify (to the extent not set forth in the Indenture, the Warrant Agreement and the registration statement and prospectus with respect thereto) the terms of such Designated Securities. A Pricing Agreement shall be in the form of an executed writing (which may be in counterparts), and may be evidenced by an exchange of telegraphic communications or any other rapid transmission device designed to produce a written record of communications transmitted. The obligations of the Underwriters under this Agreement and each Pricing Agreement shall be several and not joint.

2. The Company represents and warrants to, and agrees with, each of the Underwriters that:

(a) A registration statement in respect of the Securities (including any Securities issuable upon exercise of Warrants) and Warrants has been filed with the Securities and Exchange Commission (the "Commission"); such registration statement and any post-effective amendment thereto, each in the form heretofore delivered or to be delivered to the Representatives and, excluding exhibits to such registration statement, but including all documents incorporated by reference in the prospectus contained therein (except for any document or portions thereof which are deemed under Rule 412 under the Securities Act of 1933, as amended, (the "Act") not to be incorporated by reference therein), the Representatives for each of the other Underwriters, have been declared effective by the Commission in such form; no other document with respect to such registration statement or document incorporated by reference therein has heretofore been filed or transmitted

for filing with the Commission; and no stop order suspending the effectiveness of such registration statement has been issued and no proceeding for that purpose has been initiated or threatened by the Commission (any preliminary prospectus included in such registration statement or filed with the Commission pursuant to Rule 424(a) of the rules and regulations of the Commission under the Act being hereinafter called a "Preliminary Prospectus"; the various parts of such registration statement, including all exhibits thereto and the documents incorporated by reference in the prospectus contained in the registration statement at the time such part of the registration statement became effective but excluding Form T-1, each as amended at the time such part of the registration statement became effective, being hereinafter called the "Registration Statement"; the prospectus relating to the Securities and Warrants, in the form in which it has most recently been filed, or transmitted for filing, with the Commission on or prior to the date of this Agreement, being hereinafter called the "Prospectus"; any reference herein to any Preliminary Prospectus or the Prospectus shall be deemed to refer to and include the documents incorporated by reference therein pursuant to the applicable form under the Act, as of the date of such Preliminary Prospectus or Prospectus, as the case may be; any reference to any amendment or supplement to any Preliminary Prospectus or the Prospectus shall be deemed to refer to and include any documents filed after the date of such Preliminary Prospectus or Prospectus, as the case may be, under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and incorporated by reference in such Preliminary Prospectus or Prospectus, as the case may be; any reference to any amendment to the Registration Statement shall be deemed to refer to and include any annual report of the Company filed pursuant to Section 13(a) or 15(d) of the Exchange Act after the effective date of the Registration Statement that is incorporated by reference in the Registration Statement; and any reference to the Prospectus as amended or supplemented shall be deemed to refer to the Prospectus as amended or supplemented in relation to the applicable Designated Securities in the form in which it is filed with the Commission pursuant to Rule 424(b) under the Act in accordance with Section 5(a) hereof, including any documents incorporated by reference therein as of the date of such filing);

(b) The documents incorporated by reference in the Prospectus, when they became effective or were filed with the Commission, as the case may be, conformed in all material respects to the requirements of the Act or the Exchange Act, as applicable, and the rules and regulations of the Commission thereunder, and none of such documents contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and any further documents so filed and incorporated by reference in the Prospectus or any further amendment or supplement thereto, when such documents become effective or are filed with the Commission, as the case may be, will conform in all material respects to the requirements of the Act or the Exchange Act, as applicable, and the rules and regulations of the Commission thereunder and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that this representation and warranty shall not apply to any statements or omissions made in reliance upon and in conformity with

-2-

information furnished in writing to the Company by an Underwriter of Designated Securities through the Representatives expressly for use in the Prospectus as amended or supplemented relating to such Securities or Warrants;

(c) The Registration Statement and the Prospectus conforms, and any further amendments or supplements to the Registration Statement or the Prospectus will conform, in all material respects to the requirements of the Act and the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act") and the rules and regulations of the Commission thereunder and do not and will not, as of the applicable effective date as to the Registration Statement and any amendment thereto and as of the applicable filing date as to the Prospectus and any amendment or supplement thereto, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that this representation and warranty shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Company by an Underwriter of Designated Securities through the Representatives expressly for use in the Prospectus as amended or supplemented relating to such Securities or Warrants;

(d) Neither the Company nor any of its subsidiaries has sustained since the date of the latest audited financial statements included or incorporated by reference in the Prospectus any loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree, otherwise than as set forth or contemplated in the Prospectus, which event is material to the Company and its subsidiaries, taken as a whole; and, since the respective dates as of which information is given in

the Registration Statement and the Prospectus, there has not been any change in the capital stock (other than the repurchase of shares pursuant to Rule 10b-18 of the Exchange Act and the issuance of shares under the Company's stock option, stock award, restricted stock, dividend reinvestment, or savings plans or upon conversion of outstanding convertible debt of the Company) or long-term obligations of the Company or any of its subsidiaries which are material to the Company and its subsidiaries taken as a whole or any material adverse change, or any development involving a prospective material adverse change, in or affecting the general affairs, management, financial position, stockholders' equity or results of operations of the Company and its subsidiaries taken as a whole, otherwise than as set forth or contemplated in the Prospectus;

(e) The Company has been duly incorporated and is validly existing as a corporation in good standing under the laws of the State of New Jersey, with power and authority (corporate and other) to own its properties and conduct its business as described in the Prospectus and is duly qualified as a foreign corporation for the transaction of business and in good standing under the laws of each other jurisdiction in which it owns or leases properties, or conducts any business, so as to require such qualification; and each subsidiary of the Company has been duly incorporated and is validly existing as a corporation in good standing under the laws of its jurisdiction of incorporation and is duly qualified as a foreign corporation for the transaction of business and in good standing under the laws of each other jurisdiction in which it owns or leases properties, or conducts any business, so as to require such qualification except in those instances with respect to the Company and its subsidiaries where failure to be so qualified would not have a material adverse effect on the business or financial condition of the Company and its subsidiaries taken as a whole;

(f) The Company has an authorized capitalization as set forth in the Prospectus, and all of the issued shares of capital stock of the Company have been duly and validly authorized and issued and are fully paid and non-assessable and all of the issued shares of capital stock of each subsidiary of the Company have been duly and validly authorized and issued, are fully paid and non-assessable and (except for directors' qualifying shares and minority interests reflected in the Company's consolidated financial statements included or incorporated in the Prospectus) are

-3-

owned directly or indirectly by the Company, free and clear of all liens, encumbrances, equities or claims;

(g) The Securities and Warrants have been duly authorized, and, when Designated Securities are issued and delivered pursuant to this Agreement and the Pricing Agreement with respect to such Designated Securities, such Designated Securities will have been duly executed, authenticated, issued and delivered and will constitute valid and legally binding obligations of the Company entitled to the benefits provided by the Indenture or the Warrant Agreement, as the case may be, which will be substantially in the forms filed as exhibits to the Registration Statement or such other form as shall have previously been agreed to by the Representatives; the Indenture has been duly authorized and duly qualified under the Trust Indenture Act and, at the Time of Delivery (as defined in Section 4 hereof) for such Designated Securities, the Indenture will constitute a valid and legally binding instrument, enforceable in accordance with its terms, subject, as to enforcement, to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights and to general equity principles; when Securities have been issued and delivered upon exercise of the Warrants pursuant to the Warrant Agreement, such Securities will have been duly executed, authenticated, issued and delivered and will constitute valid and legally binding obligations of the Company entitled to the benefits provided by the Indenture; at the Time of Delivery for such Designated Securities (as defined in Section 4 hereof), the Warrant Agreement will constitute a valid and legally binding instrument, enforceable in accordance with its terms, subject, as to enforcement, to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights and to general equity principles; and the Indenture and Warrant Agreement conform, and the Designated Securities will conform, to the descriptions thereof contained in the Prospectus as amended or supplemented with respect to such Designated Securities;

(h) The issue and sale of the Securities and Warrants and the compliance by the Company with all of the provisions of the Securities, the Indenture, the Warrants, the Warrant Agreement, this Agreement and any Pricing Agreement, and the consummation of the transactions herein and therein contemplated will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of its subsidiaries is subject, nor will such action result in any violation of the provisions of the Certificate of Incorporation, as amended, or By-laws of the Company or any statute or any

order, rule or regulation of any court or governmental agency or body having jurisdiction over the Company or any of its subsidiaries or any of their respective properties; and no consent, approval, authorization, order, registration or qualification of or with any such court or governmental agency or body is required for the issue and sale of the Securities or the Warrants or the consummation by the Company of the transactions contemplated by this Agreement or any Pricing Agreement, the Indenture or the Warrant Agreement, except such as have been, or will have been prior to the Time of Delivery, obtained under the Act and the Trust Indenture Act and such consents, approvals, authorizations, registrations or qualifications as may be required under state securities or Blue Sky laws in connection with the purchase and distribution of the Securities or Warrants by the Underwriters; and

(i) Other than as set forth in the Prospectus, there are no legal or governmental proceedings pending to which the Company or any of its subsidiaries is a party or of which any property of the Company or any of its subsidiaries is the subject (other than litigation incidental to the kind of business conducted by the Company and its subsidiaries) which, if determined adversely to the Company or any of its subsidiaries, would individually or in the aggregate have a material adverse effect on the consolidated financial position, stockholders' equity or results of operations of the Company and its subsidiaries taken as a whole; and, to the best of the Company's knowledge, no

-4-

such proceedings are threatened or contemplated by governmental authorities or threatened by others.

3. Upon the execution of the Pricing Agreement applicable to any Designated Securities and authorization by the Representatives of the release of such Designated Securities, the several Underwriters propose to offer such Designated Securities for sale upon the terms and conditions set forth in the Prospectus as amended or supplemented.

4. Designated Securities to be purchased by each Underwriter pursuant to the Pricing Agreement relating thereto, in definitive form to the extent practicable, and in such authorized denominations and registered in such names as the Representatives may request upon at least forty-eight hours' prior notice to the Company, shall be delivered by or on behalf of the Company to the Representatives for the account of such Underwriter, against payment by such Underwriter or on its behalf of the purchase price therefor by certified or official bank check or checks, payable to the order of the Company in the funds specified in such Pricing Agreement, all at the place and time and date specified in such Pricing Agreement or at such other place and time and date as the Representatives and the Company may agree upon in writing, such time and date being herein called the "Time of Delivery" for such Securities.

5. The Company agrees with each of the Underwriters of any Designated Securities:

(a) To prepare the Prospectus as amended and supplemented in relation to the applicable Designated Securities in a form approved by the Representatives and to file such Prospectus pursuant to Rule 424(b) under the Act not later than the Commission's close of business on the second business day following the execution and delivery of the Pricing Agreement relating to the applicable Designated Securities or, if applicable, such earlier time as may be required by Rule 424(b); to make no further amendment or any supplement to the Registration Statement or Prospectus as amended or supplemented after the date of the Pricing Agreement relating to such Securities and prior to the Time of Delivery for such Designated Securities which shall be disapproved by the Representatives for such Designated Securities promptly after reasonable notice thereof; to advise the Representatives promptly of any such amendment or supplement after such Time of Delivery and furnish the Representatives with copies thereof; to file promptly all reports and any definitive proxy or information statements required to be filed by the Company with the Commission pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act for so long as the delivery of a prospectus is required in connection with the offering or sale of such Designated Securities, and during such same period to advise the Representatives, promptly after it receives notice thereof, of the time when any amendment to the Registration Statement has been filed or becomes effective or any supplement to the Prospectus or any amended Prospectus has been filed with the Commission, of the issuance by the Commission of any stop order or of any order preventing or suspending the use of any prospectus relating to the Securities or Warrants, of the suspension of the qualification of such Securities or Warrants for offering or sale in any jurisdiction, of the initiation or threatening of any proceeding for any such purpose, or of any request by the Commission for the amending or supplementing of the Registration Statement or Prospectus or for additional information; and, in the event of the issuance of any such stop order or of any such order preventing or suspending the use of any prospectus relating to the Securities or Warrants or suspending any such qualification, to use promptly its best efforts to obtain its withdrawal;

(b) Promptly from time to time to take such action as the Representatives may reasonably request to qualify such Securities and Warrants for offering and sale under the securities laws of such jurisdictions as the Representatives may request and to comply with such laws so as to permit the continuance of sales and dealings therein in such jurisdictions for as long as may be necessary to complete the distribution of such Securities and Warrants, provided that in connection therewith the Company shall not be required to qualify as a foreign corporation or to file a general consent to service of process in any jurisdiction;

-5-

(c) To furnish the Underwriters with copies of the Prospectus as amended or supplemented in such quantities as the Representatives may from time to time reasonably request, and, if the delivery of a prospectus is required at any time in connection with the offering or sale of the Designated Securities and if at such time any event shall have occurred as a result of which the Prospectus as then amended or supplemented would include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made when such Prospectus is delivered, not misleading, or, if for any other reason it shall be necessary during such same period to amend or supplement the Prospectus or to file under the Exchange Act any document incorporated by reference in the Prospectus in order to comply with the Act, the Exchange Act or the Trust Indenture Act, to notify the Representatives and upon their request to file such document and to prepare and furnish without charge to each Underwriter and to any dealer in securities as many copies as the Representatives may from time to time reasonably request of an amended Prospectus or a supplement to the Prospectus which will correct such statement or omission or effect such compliance and in case the Representatives or any of the Underwriters or any dealer in securities is required to deliver a prospectus in connection with sales of any Designated Securities at any time nine months or more after the time of issue of the Prospectus as amended or supplemented relating to such Designated Securities, then upon the request of the Representatives, but at the expense of the Representatives, the relevant Underwriters or the relevant dealers in securities, as the case may be, the Company shall prepare and deliver to the Representatives, such Underwriters or such dealers in securities as many copies as the Representatives may request of any amended or supplemented prospectus complying with Section 10(a)(3) of the Act;

(d) To make generally available to its securityholders as soon as practicable, but in any event not later than eighteen months after the effective date of the Registration Statement (as defined in Rule 158(c)), an earnings statement of the Company and its subsidiaries (which need not be audited) complying with Section 11 (a) of the Act and the rules and regulations of the Commission thereunder (including at the option of the Company Rule 158); and

(e) During the period beginning from the date of the Pricing Agreement for such Designated Securities and continuing to and including the earlier of (i) the termination of trading restrictions for such Designated Securities, as notified to the Company by the Representatives and (ii) the Time of Delivery for such Designated Securities, not to offer, sell, contract to sell or otherwise dispose of any debt securities of the Company which mature more than one year after such Time of Delivery and which are substantially similar to such Designated Securities, without the prior written consent of the Representatives.

6. The Company covenants and agrees with the several Underwriters that the Company will pay or cause to be paid the following: (i) the fees, disbursements and expenses of the Company's counsel and accountants in connection with the registration of the Securities and Warrants under the Act and all other expenses in connection with the preparation, printing and filing of the Registration Statement, any Preliminary Prospectus and the Prospectus and amendments and supplements thereto and the mailing and delivering of copies thereof to the Underwriters and dealers; (ii) the cost of printing or producing this Agreement, any Pricing Agreement, any Indenture, any Blue Sky and Legal Investment Memoranda and any other documents in connection with the offering, purchase, sale and delivery of the Securities and Warrants; (iii) all expenses in connection with the qualification of the Securities and Warrants for offering and sale under state securities laws as provided in Section 5(b) hereof, including the reasonable fees and disbursements of counsel for the Underwriters in connection with such qualification and in connection with the Blue Sky and legal investment surveys; (iv) any fees charged by securities rating services for rating the Securities; (v) the cost of preparing the Securities or Warrants; (vi) the fees and expenses of any Trustee or Warrant Agent and any agent of any Trustee or Warrant Agent and the fees and disbursements of counsel for any Trustee or Warrant Agent in connection with any Indenture, Warrant Agreement, the Securities and the Warrants; and (vii) all other

costs and expenses incident to the Company's performance of its obligations

hereunder which are not otherwise specifically provided for in this Section. It is understood, however, that, except as provided in this Section, Section 8 and Section 11 hereof, the Underwriters will pay all of their own costs and expenses, including the fees of their counsel, transfer taxes on resale of any of the Securities by them, and any advertising expenses connected with any offers they may make.

7. The obligations of the Underwriters of any Designated Securities under the Pricing Agreement relating to such Designated Securities shall be subject, in the discretion of the Representatives, to the condition that all representations and warranties and other statements of the Company in or incorporated by reference in the Pricing Agreement relating to such Designated Securities are, at and as of the Time of Delivery for such Designated Securities, true and correct, the condition that the Company shall have performed all of its obligations hereunder theretofore to be performed, and the following additional conditions:

(a) The Prospectus as amended or supplemented in relation to the applicable Designated Securities shall have been filed with the Commission pursuant to Rule 424(b) within the applicable time period prescribed for such filing by the rules and regulations under the Act and in accordance with Section 5(a) hereof; no stop order suspending the effectiveness of the Registration Statement or any part thereof shall have been issued and no proceeding for that purpose shall have been initiated or threatened by the Commission; and all requests for additional information on the part of the Commission shall have been complied with to the Representatives' reasonable satisfaction;

(b) Counsel for the Underwriters shall have furnished to the Representatives such opinion or opinions, dated the Time of Delivery for such Designated Securities, with respect to the incorporation of the Company, the validity of the Indenture and any Warrant Agreement, the Designated Securities, the Registration Statement, the Prospectus as amended or supplemented and other related matters as the Representatives may reasonably request, and such counsel shall have received such papers and information as they may reasonably request to enable them to pass upon such matters;

(c) The General Counsel for the Company or Counsel for the Company satisfactory to the Representatives shall have furnished to the Representatives their written opinion, dated the Time of Delivery for such Designated Securities, in form and substance reasonably satisfactory to the Representatives, to the effect that:

matters of fact upon certificates of officers of the Company or its subsidiaries, provided that such counsel shall state that such counsel believes that both the Representatives and such counsel are justified in relying upon such opinions and certificates);

(v) To the best of such counsel's knowledge and other than as set forth in the Prospectus, there are no legal or governmental proceedings pending to which the Company or any of its subsidiaries is a party or of which any property of the Company or any of its subsidiaries is the subject (other than litigation incident to the kind of business conducted by the Company and its subsidiaries) which, if determined adversely to the Company or any of its subsidiaries, would individually or in the aggregate have a material adverse effect on the Company and its subsidiaries taken as a whole; and, to the best of such counsel's knowledge, no such proceedings are threatened or contemplated by governmental authorities or threatened by others;

(vii) The Designated Securities have been duly authorized, executed, authenticated or countersigned, issued and delivered and constitute valid and legally binding obligations of the Company entitled to the benefits provided by the Indenture or the Warrant Agreement; and the Designated Securities and the Indenture conform to the descriptions thereof in the Prospectus as amended or supplemented;

(ix) When Securities have been issued and delivered upon exercise of the Warrants pursuant to the Warrant Agreement, such Securities will have been duly executed, authenticated, issued and delivered and will constitute valid and legally binding obligations of the Company entitled to the benefits provided by the Indenture; the Warrant Agreement constitutes a valid and legally binding instrument, enforceable in accordance with its terms, subject, as to enforcement, to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights and to general equity principles; and the Warrant Agreement conforms, and the Securities issuable upon exercise of the Warrants will conform, to the descriptions thereof contained in the Prospectus as amended or supplemented with respect to such Designated Securities;

(x) The issue and sale of the Designated Securities and the compliance by the Company with all of the provisions of the Designated Securities, the Indenture, the Warrant Agreement, this Agreement and the Pricing Agreement with respect to the Designated Securities and the consummation of the transactions herein and therein contemplated will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, any indenture, mortgage, deed of trust, loan agreement or other agreement or

instrument known to such counsel to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of its subsidiaries is subject, nor will such actions result in any violation of the provisions of the Certificate of Incorporation, as amended, or By-laws of the Company or any statute or any order, rule or regulation known to such counsel of any court or governmental agency or body having jurisdiction over the Company or any of its subsidiaries or any of their properties;

(xi) No consent, approval, authorization, order, registration or qualification of or with any such court or governmental agency or body is required for the issue and sale of the Designated Securities or the consummation by the Company of the transactions contemplated by this Agreement or such Pricing Agreement, the Indenture or the Warrant Agreement, except such as have been obtained under the Act and the Trust Indenture Act and such consents, approvals, authorizations, registrations or qualifications as may be required under state securities or Blue Sky laws in connection with the purchase and distribution of the Designated Securities by the Underwriters;

(xiii) The Registration Statement and the Prospectus as amended or supplemented and any further amendments and supplements thereto made by the Company prior to the Time of Delivery for the Designated Securities (other than the financial statements and related schedules or other financial data included or incorporated by reference therein, as to which such counsel need express no opinion) comply as to form in all material respects with the requirements of the Act and the Trust Indenture Act and the rules and regulations thereunder; such counsel has no reason to believe that, as of its effective date, the Registration Statement or any further amendment thereto made by the Company prior to the Time of Delivery (other than the financial statements and related schedules or other financial data included or incorporated by reference therein, as to which such counsel need express no opinion) contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading or that, as of its date, the Prospectus as amended or supplemented or any further amendment or supplement thereto made by the Company prior to the Time of Delivery (other than the financial statements and related schedules or other financial data included or incorporated by reference therein, as to which such counsel need express no opinion) contained an untrue statement of a material fact or omitted to state a material fact necessary to make the statements therein, in light of the circumstances in which they were made, not misleading or that, as of the Time of Delivery, either the Registration Statement or the Prospectus as amended or supplemented or any further amendment or supplement thereto made by the

-9-

Company prior to the Time of Delivery (other than the financial statements and related schedules or other financial data included or incorporated by reference therein, as to which such counsel need express no opinion) contains an untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in light of the circumstances in which they were made, not misleading; and such counsel does not know of any amendment to the Registration Statement required to be filed or any contracts or other documents of a character required to be filed as an exhibit to the Registration Statement or required to be incorporated by reference into the Prospectus as amended or supplemented or required to be described in the Registration Statement or the Prospectus as amended or supplemented which are not filed or incorporated by reference or described as required;

(d) At the Time of Delivery for such Designated Securities, the independent accountants of the Company who have certified the financial statements of the Company and its subsidiaries included or incorporated by reference in the Registration Statement shall have furnished to the Representatives a letter dated such Time of Delivery to the effect set forth in Annex II hereto, and as to such other matters as the Representatives may reasonably request and in form and substance satisfactory to the Representatives;

(e) (i) Neither the Company nor any of its subsidiaries shall have sustained since the date of the latest audited financial statements included or incorporated by reference in the Prospectus as amended or supplemented any loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree, otherwise than as set forth or contemplated in the Prospectus as amended or supplemented, and (ii) since the respective dates as of which information is given in the Prospectus as amended or supplemented there shall not have been any change in the capital stock (other than issuance of shares under the Company's option, stock award or savings plans or upon conversion of outstanding convertible debt of the Company) or long-term debt of the Company or any of its subsidiaries or any change, or any development involving a prospective change, in or affecting the general affairs, management, financial position, stockholders' equity or results of operations of the Company and its subsidiaries, otherwise than as set forth or contemplated in the Prospectus as amended or supplemented, the effect of which, in any such case described in Clause (i) or (ii), is in the judgment of the Representatives so material and adverse as to make it

impracticable or inadvisable to proceed with the public offering or the delivery of the Designated Securities on the terms and in the manner contemplated in the Prospectus as amended or supplemented;

(f) On or after the date of the Pricing Agreement relating to the Designated Securities no downgrading shall have occurred in the rating accorded the Company's debt securities by any "nationally recognized statistical rating organization," as that term is defined by the Commission for purposes of Rule 436(g) (2) under the Act;

(g) On or after the date of the Pricing Agreement relating to the Designated Securities there shall not have occurred any of the following: (i) a suspension or material limitation in trading in securities generally on the New York Stock Exchange; (ii) a general moratorium on commercial banking activities in New York declared by either Federal or New York State authorities; or (iii) the outbreak or escalation of hostilities involving the United States or the declaration by the United States of a national emergency or war, if the effect of any such event specified in this clause (iii) in the judgment of the Representatives makes it impracticable or inadvisable to proceed with the public offering or the delivery of the Designated Securities on the terms and in the manner contemplated by the Prospectus as amended and supplemented; and

(h) The Company shall have furnished or caused to be furnished to the Representatives at the Time of Delivery for the Designated Securities certificates of officers of the Company reasonably satisfactory to the Representatives as to the accuracy of the representations and warranties of the

-10-

Company herein at and as of such Time of Delivery, as to the performance by the Company of all of its obligations hereunder to be performed at or prior to such Time of Delivery, as to the matters set forth in subsections (a) and (e) of this Section and as to such other matters as the Representatives may reasonably request.

8. (a) The Company will indemnify and hold harmless each Underwriter against any losses, claims, damages or liabilities, joint or several, to which such Underwriter may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any Preliminary Prospectus, any preliminary prospectus supplement, the Registration Statement, the Prospectus as amended or supplemented and any other prospectus relating to the Securities or Warrants, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each Underwriter for any legal or other expenses reasonably incurred by such Underwriter in connection with investigating or defending any such action or claim as such expenses are incurred; provided, however, that the Company shall not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in any Preliminary Prospectus, any preliminary prospectus supplement, the Registration Statement, the Prospectus as amended or supplemented and any other prospectus relating to the Securities or Warrants, or any such amendment or supplement in reliance upon and in conformity with written information furnished to the Company by any Underwriter of Designated Securities through the Representatives expressly for use in the Prospectus as amended or supplemented relating to such Securities or Warrants and provided, further, that the Company shall not be liable to any Underwriter under the indemnity of this subsection (a) with respect to any Preliminary Prospectus to the extent that any such loss, claim, damage or liability of such Underwriter results from the fact that such Underwriter sold Designated Securities to a person to whom there was not sent or given at or prior to the written confirmation of such sale, a copy of the Prospectus as amended or supplemented relating to such Designated Securities (excluding documents incorporated by reference) if the Company has previously furnished copies thereof to such Underwriter.

(b) Each Underwriter will indemnify and hold harmless the Company against any losses, claims, damages or liabilities to which the Company may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any Preliminary Prospectus, any preliminary prospectus supplement, the Registration Statement, the Prospectus as amended or supplemented and any other prospectus relating to the Securities or Warrants, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in any Preliminary Prospectus, any preliminary prospectus supplement, the Registration Statement, the Prospectus as amended or supplemented and any other prospectus relating to the Securities or Warrants, or

any such amendment or supplement in reliance upon and in conformity with written information furnished to the Company by such Underwriter through the Representatives expressly for use therein; and will reimburse the Company for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such action or claim as such expenses are incurred.

(c) Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under such subsection. In case

-11-

any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party) provided that in the event of such assumption the action may not be compromised or settled by the indemnifying party without the consent of the indemnified party, which consent shall not be unreasonably withheld. After notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. The indemnifying party shall not be liable to the indemnified party pursuant to the provisions of this Section 8 in respect of any action compromised or settled by the indemnified party, unless the written consent of the indemnifying party shall have been obtained to such compromise or settlement (which consent shall not be unreasonably withheld).

(d) If the indemnification provided for in this Section 8 is unavailable to or insufficient to hold harmless an indemnified party under subsection (a) or (b) above in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters of the Designated Securities on the other from the offering of the Designated Securities to which such loss, claim, damage or liability (or action in respect thereof) relates. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under subsection (c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and the Underwriters of the Designated Securities on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and such Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from such offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by such Underwriters. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or such Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the applicable Designated Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The obligations of the

Underwriters of Designated Securities in this subsection (d) to contribute are several in proportion to their respective underwriting obligations with respect to such Securities and not joint.

(e) The obligations of the Company under this Section 8 shall be in addition to any liability which the Company may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls any Underwriter within the meaning of the Act; and the obligations of the Underwriters under this Section 8 shall be in addition to any liability which the respective Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Company and to each person, if any, who controls the Company within the meaning of the Act.

9. (a) If any Underwriter shall default in its obligation to purchase the Designated Securities which it has agreed to purchase under the Pricing Agreement relating to such Designated Securities, the Representatives may in their discretion arrange for themselves or another party or other parties to purchase such Designated Securities on the terms contained herein. If within thirty-six hours after such default by any Underwriter the Representatives do not arrange for the purchase of such Designated Securities, then the Company shall be entitled to a further period of thirty-six hours within which to procure another party or other parties satisfactory to the Representatives to purchase such Designated Securities on such terms. In the event that, within the respective prescribed period, the Representatives notify the Company that they have so arranged for the purchase of such Designated Securities, or the Company notifies the Representatives that it has so arranged for the purchase of such Designated Securities, the Representatives or the Company shall have the right to postpone the Time of Delivery for such Designated Securities for a period of not more than seven days, in order to effect whatever changes may thereby be made necessary in the Registration Statement or the Prospectus as amended or supplemented, or in any other documents or arrangements, and the Company agrees to file promptly any amendments or supplements to the Registration Statement or the Prospectus which in the opinion of the Representatives may thereby be made necessary. The term "Underwriter" as used in this Agreement shall include any person substituted under this Section with like effect as if such person had originally been a party to the Pricing Agreement with respect to such Designated Securities.

(b) If, after giving effect to any arrangements for the purchase of the Designated Securities of a defaulting Underwriter or Underwriters by the Representatives and the Company as provided in subsection (a) above, the aggregate principal amount of such Designated Securities which remains unpurchased does not exceed one-eleventh of the aggregate principal amount of the Designated Securities, then the Company shall have the right to require each non-defaulting Underwriter to purchase the principal amount of Designated Securities which such Underwriter agreed to purchase under the Pricing Agreement relating to such Designated Securities and, in addition, to require each non-defaulting Underwriter to purchase its pro rata share (based on the principal amount of Designated Securities which such Underwriter agreed to purchase under such Pricing Agreement) of the Designated Securities of such defaulting Underwriter or Underwriters for which such arrangements have not been made; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

(c) If, after giving effect to any arrangements for the purchase of the Designated Securities of a defaulting Underwriter or Underwriters by the Representatives and the Company as provided in subsection (a) above, the aggregate principal amount of Designated Securities which remains unpurchased exceeds one-eleventh of the aggregate principal amount of the Designated Securities, as referred to in subsection (b) above, or if the Company shall not exercise the right described in subsection (b) above to require non-defaulting Underwriters to purchase Designated Securities of a defaulting Underwriter or Underwriters, then the Pricing Agreement relating to such Designated Securities shall thereupon terminate, without liability on the part of any non-defaulting Underwriter or the Company, except for the expenses to be borne by the Company and the Underwriters as provided in Section 6 hereof and the indemnity and contribution agreements in Section 8 hereof; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

10. The respective indemnities, agreements, representations, warranties and other statements of the Company and the several Underwriters, as set forth in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Underwriter or any controlling person of any Underwriter, or the Company, or any officer or director or controlling person of the Company, and shall survive delivery of and payment for the Designated Securities.

11. If any Pricing Agreement shall be terminated pursuant to Section 9 hereof, the Company shall not then be under any liability to any Underwriter

with respect to the Designated Securities covered by such Pricing Agreement except as provided in Section 6 and Section 8 hereof; but, if for any other reason Designated Securities are not delivered by or on behalf of the Company as provided herein, the Company will reimburse the Underwriters through the Representatives for all out-of-pocket expenses approved in writing by the Representatives, including fees and disbursements of counsel, reasonably incurred by the Underwriters in making preparations for the purchase, sale and delivery of such Designated Securities, but the Company shall then be under no further liability to any Underwriter with respect to such Designated Securities except as provided in Section 6 and Section 8 hereof.

12. In all dealings hereunder, the Representatives of the Underwriters of Designated Securities shall act on behalf of each of such Underwriters, and the parties hereto shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of any Underwriter made or given by such Representatives jointly or by such of the Representatives, if any, as may be designated for such purpose in the Pricing Agreement.

All statements, requests, notices and agreements hereunder shall be in writing, and if to the Underwriters shall be delivered or sent by mail, telex or facsimile transmission to the address of the Representatives as set forth in the Pricing Agreement; and if to the Company shall be delivered or sent by mail, telex or facsimile transmission to the address of the Company set forth in the Registration Statement: Attention: Secretary; provided, however, that any notice to an Underwriter pursuant to Section 8(c) hereof shall be delivered or sent by mail, telex or facsimile transmission to such Underwriter at its address set forth in its Underwriters' Questionnaire, or telex constituting such Questionnaire, which address will be supplied to the Company by the Representatives upon request. Any such statements, requests, notices or agreements shall take effect upon receipt thereof.

13. This Agreement and each Pricing Agreement shall be binding upon, and inure solely to the benefit of, the Underwriters, the Company and, to the extent provided in Section 8 and Section 10 hereof, the officers and directors of the Company and each person who controls the Company or any Underwriter, and their respective heirs, executors, administrators, successors and assigns, and no other person shall acquire or have any right under or by virtue of this Agreement or any such Pricing Agreement. No purchaser of any of the Securities from any Underwriter shall be deemed a successor or assign by reason merely of such purchase.

14. Time shall be of the essence of each Pricing Agreement. As used herein, "business day" shall mean any day when the Commission's office in Washington, D.C. is open for business.

15. This Agreement and each Pricing Agreement shall be governed by and construed in accordance with the laws of the State of New York.

-14-

16. This Agreement and each Pricing Agreement may be executed by any one or more of the parties hereto and thereto in any number of counterparts, each of which shall be deemed to be an original, but all such respective counterparts shall together constitute one and the same instrument.

Very truly yours,

Section 2.05. Registrar and Paying Agent. The Company shall maintain an office or agency where Securities may be presented for registration of transfer or for exchange (the "Registrar") and an office or agency where Securities may be presented for payment (the "Paying Agent"). The Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge that may be imposed in connection with any exchange or registration of transfer of Securities (other than such transfer tax or similar charge imposed upon exchanges pursuant to Section 2.09, 3.03 or 9.04). No service charge shall be made for any such transaction.

Notwithstanding any other provision of this Section 2.06, unless and until it is exchanged in whole or in part for Securities in definitive registered form, a Registered Global Security of any series may not be transferred except as a whole by the Depository therefor to a nominee of such Depository or by a nominee of such Depository to such Depository or another nominee of such Depository or by such Depository or any such nominee to a successor Depository for such series or a nominee of such successive Depository.

If at any time the Depository for any Registered Global Securities of any series notifies the Company that it is unwilling or unable to continue as Depository for such Registered Global Securities or if at any time the Depository for such Registered Global Securities shall no longer be eligible under applicable law, the Company shall appoint a successor Depository eligible under applicable law with respect to such Registered Global Securities. If a successor Depository eligible under applicable law for such Registered Global Securities is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, the Company will execute, and the Trustee, upon receipt of the Company's order for the authentication and delivery of certificated Securities of such series, will authenticate and deliver, certificated Securities of such series and tenor in any authorized denominations in an aggregate principal amount equal to the principal amount of such Registered Global Securities, in exchange for such Registered Global Securities.

Thereupon, the Company shall execute, and the Trustee shall authenticate and deliver, without service charge,

(a) to the Person specified by such Depositary new certificated Securities of the same series and tenor, of any authorized denominations as requested by such Person, in an aggregate principal amount equal to and in exchange for such Person's beneficial interest in the Registered Global Security; and

(b) to such Depositary a new Registered Global Security in a denomination equal to the difference, if any, between the principal amount of the surrendered Registered Global Security and the aggregate principal amount of certificated Securities authenticated and delivered pursuant to clause (a) above.

Securities issued in exchange for a Registered Global Security pursuant to this Section 2.06 shall be registered in such names and in such authorized denominations as the Depositary for such Registered Global Security, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee or an agent of the Company or the Trustee. The Trustee or such Agent shall deliver such Securities to or as directed by the Persons in whose names such Securities are so registered.

All Securities issued upon registration of any transfer or exchange of Securities shall be valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

The Registrar shall not be required (a) to register the transfer of or exchange Securities of any series during a period beginning at the opening of business 15 days

18

before the day of the transmission of a notice of redemption of Securities of such series selected for redemption under Section 3.02 and ending at the close of business on the day of such transmission or (b) to register the transfer of or exchange any Security selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

Section 2.07. Replacement Securities. If a defaced or mutilated Security of any series is surrendered to the Trustee or if a Holder claims that its Security of any series has been lost, destroyed or wrongfully taken, the Company shall issue and the Trustee shall authenticate a replacement Security of such series and tenor and principal amount, bearing a number not contemporaneously outstanding. If required by the Trustee or the Company, an indemnity bond must be furnished that is sufficient in the judgment of both the Trustee and the Company to protect the Company, the Trustee and any Agent from any loss that any of them may suffer if a Security is replaced. The Company may charge such Holder for its expenses and the expenses of the Trustee (including without limitation attorneys' fees and expenses) in replacing a Security. In case any such mutilated, defaced, lost, destroyed or wrongfully taken Security has become or is about to become due and payable, the Company in its discretion may pay such Security instead of issuing a new Security in replacement thereof.

Every replacement Security is an additional obligation of the Company and shall be entitled to the benefits of this Indenture.

To the extent permitted by law, the foregoing provisions of this Section are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or wrongfully taken Securities.

Section 2.08. Outstanding Securities. Securities outstanding at any time are all Securities that have been authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation and those described in this Section as not outstanding.

If a Security is replaced pursuant to Section 2.07, it ceases to be outstanding unless and until the Trustee and the Company receive proof satisfactory to them that the replaced Security is held by a bona fide holder in due course.

If the Paying Agent (other than the Company or an Affiliate of the Company) holds, or if the Company or its Affiliate (if the Company or its Affiliate shall act as the Paying Agent) sets aside and segregates in trust, on the maturity date or any redemption date or date for repurchase of the Securities, money sufficient to pay Securities payable or to be redeemed or repurchased on that date, then on and after that date such Securities cease to be outstanding and interest on them shall cease to accrue; provided, however, that, if such Securities or portions thereof are to be

19

redeemed, notice of such redemption has been duly given pursuant to this Indenture, or provision therefor satisfactory to such Trustee has been made.

A Security does not cease to be outstanding because the Company or one of its Affiliates holds such Security, provided, however, that, in determining whether the Holders of the requisite principal amount of the outstanding Securities have given any request, demand, authorization, direction, notice, consent or waiver hereunder, Securities owned by the Company or any Affiliate of the Company shall be disregarded and deemed not to be outstanding, except that, in determining whether the Trustee shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Securities which a Responsible Officer of the Trustee knows to be so owned shall be so disregarded. The principal amount of an Original Issue Discount Security that shall be deemed to be outstanding for such purposes shall be the amount of principal thereof that would be due and payable as of the date of such determination upon a declaration of acceleration pursuant to Section 6.02. Any Securities so owned which have been pledged in good faith by the Company, or by any Affiliate of the Company, as security for loans or other obligations, otherwise than to another such Affiliate of the Company, shall be deemed to be outstanding if the pledgee establishes to the satisfaction of the Trustee that the pledgee is entitled pursuant to its pledge agreement and is free to exercise in its discretion the right to vote such securities, uncontrolled by the Company or any other obligor upon the Securities or by any such Affiliate of the Company or of any such other obligor upon the Securities.

Section 2.09. Temporary Securities. Until definitive Securities of any series are ready for delivery, the Company may prepare and the Trustee shall authenticate temporary Securities of such series. Temporary Securities of any series shall be substantially in the form of definitive Securities of such series but may have insertions, substitutions, omissions and other variations determined to be appropriate by the Officers executing the temporary Securities, as evidenced by their execution of such temporary Securities. If temporary Securities of any series are issued, the Company will cause definitive Securities of such series to be prepared without unreasonable delay. After the preparation of definitive Securities of any series, the temporary Securities of such series shall be exchangeable for definitive Securities of such series and tenor upon surrender of such temporary Securities at the office or agency of the Company designated for such purpose, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities of any series the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Securities of such series and tenor and authorized denominations. Until so exchanged, the temporary Securities of any series shall be entitled to the same benefits under this Indenture as definitive Securities of such series and tenor.

20

Section 2.10. Cancellation. The Company at any time may deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and may deliver to the Trustee for cancellation any Securities previously authenticated hereunder which the Company has not issued and sold. Any Agent shall forward to the Trustee any Securities surrendered to it for registration of transfer, exchange or payment. The Trustee shall cancel and destroy all Securities surrendered for registration of transfer, exchange, payment or cancellation and shall deliver certificates of destruction to the Company, all in accordance with its customary practices. The Company may not issue new Securities to replace Securities it has paid in full or delivered to the Trustee for cancellation.

Section 2.11. CUSIP Numbers. The Company in issuing the Securities may use "CUSIP" numbers (or such other numbers as then generally in use), and the Trustee shall use such numbers in notices of redemption, repurchase or exchange as a convenience to Holders; provided that any such notice shall state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any such notice.

Section 2.12. Defaulted Interest. Any interest on any Security of any series which is payable, but is not punctually paid or duly provided for, on any interest payment date established pursuant to Section 2.03 (herein called "Defaulted Interest") shall forthwith cease to be payable to the Holder on the relevant record date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in clause (a) or (b) below:

(a) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities of such series are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security of such series and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect to such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall

21

promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder of Securities of such series at his address as it appears in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities of such series are registered at the close of business of such Special Record Date and shall no longer be payable pursuant to the following clause (b).

(b) The Company may make payment of any Defaulted Interest on the Securities of any series in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Section 2.13. Persons Deemed Owners. Prior to due presentment of a Security for registration of transfer and subject to Section 2.12, the Company, the Trustee and any Agent may deem and treat the Person in whose name any Security shall be registered upon the Security Register as the absolute owner of such Security (whether or not such Security shall be overdue and notwithstanding any notation of the ownership or other writing thereon made by anyone other than the Company or any Registrar) for the purpose of receiving payments or principal of or interest on such Security and for all other purposes; and none of the Company, the Trustee and any Agent shall be affected by any notice to the contrary.

None of the Company, the Trustee and any Agent shall have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in a Registered Global Security or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

### ARTICLE 3

#### Redemption and Repayment

Section 3.01. Applicability of Article. The provisions of this Article shall be applicable to the Securities of any series which are redeemable before their maturity or to any sinking fund for the retirement of Securities of a series, except as otherwise specified pursuant to Section 2.03 for Securities of such series.

Section 3.02. Notice of Redemption; Partial Redemptions. Notice of redemption shall be given by the Company, or at the Company's request, by the Trustee in the name and at the expense of the Company, to the Holders of Securities to be redeemed by mailing notice of such redemption by first class mail, postage prepaid, at least 30 days and not more than 60 days prior to the date fixed for redemption to such Holders at their last addresses as they shall appear upon the Security Register. Failure to give notice by mail, or any defect in the notice to the Holder of any Security designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Security.

The notice of redemption to each such Holder shall specify the principal amount of each Security of such series held by such Holder to be redeemed, the CUSIP numbers of the Securities to be redeemed, the date fixed for redemption, the redemption price, the place or places of payment, that payment will be made

upon presentation and surrender of such Securities and that such redemption is pursuant to the mandatory or optional sinking fund, or both, if such be the case, or such other terms of such Securities as shall be specified in such notice, that interest accrued to the date fixed for redemption will be paid as specified in such notice and that, unless the Company defaults in making such redemption payment, on and after said date interest thereon or on the portions thereof to be redeemed will cease to accrue. In case any Security of a series is to be redeemed in part only, the notice of redemption shall state the portion of the principal amount thereof to be redeemed and shall state that on and after the date fixed for redemption, upon surrender of such Security, a new Security or Securities of such series and tenor in principal amount equal to the unredeemed portion thereof will be issued.

Prior to any redemption date specified in the notice of redemption given as provided in this Section, or at such other time as shall be established pursuant to Section 2.03 for the Securities of any series with respect to such Securities, the Company will deposit with the Trustee or with one or more Paying Agents (or, if the Company is acting as its own Paying Agent, set aside, segregate and hold in trust as provided in Section 4.03) an amount of money sufficient to redeem on the redemption date all the Securities of such series so called for redemption at the appropriate redemption price, together with accrued interest to the date fixed for redemption. In case of a redemption at the election of the Company prior to the expiration of any restriction on such redemption, the Company shall deliver to the

23

Trustee, prior to the giving of any notice of redemption to Holders pursuant to this Section, an Officers' Certificate stating that such redemption is not prohibited by such restriction.

If fewer than all of the Securities of a series are to be redeemed, the Company shall give the Trustee at least 45 days' notice thereof (unless a shorter period is acceptable to the Trustee) and, thereafter, the Trustee shall select (not more than 60 days prior to the redemption date) by such method as the Trustee shall deem appropriate and fair, Securities of such series to be redeemed in whole or in part. Securities may be redeemed in part in multiples equal to the minimum authorized denomination for Securities of such series or any multiple thereof. The Trustee shall promptly notify the Company in writing of the Securities of such series selected for redemption and, in the case of any Securities of such series selected for partial redemption, the principal amount thereof to be redeemed. For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Security redeemed or to be redeemed only in part, to the portion of the principal amount of such Security which has been or is to be redeemed.

Section 3.03. Payment of Securities Called for Redemption. If notice of redemption has been given as above provided, the Securities or portions of Securities specified in such notice shall become due and payable on the date and at the place stated in such notice at the applicable redemption price, together with interest accrued to the date fixed for redemption, and on and after such date (unless the Company shall default in the payment of such Securities at the redemption price, together with interest accrued to such date) interest on the Securities or portions of Securities so called for redemption shall cease to accrue, and such Securities shall cease from and after the date fixed for redemption to be entitled to any benefit under this Indenture, and the Holders thereof shall have no right in respect of such Securities except the right to receive the redemption price thereof and unpaid interest to the date fixed for redemption. On presentation and surrender of such Securities at a place of payment specified in said notice, said Securities or the specified portions thereof shall be paid and redeemed by the Company at the applicable redemption price, together with interest accrued thereon to the date fixed for redemption; provided that payment of interest becoming due on or prior to the date fixed for redemption shall be payable to the Holders of such Securities registered as such on the relevant record date subject to the terms and provisions of Sections 2.04 and 2.12 hereof.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid or duly provided for, bear interest from the date fixed for redemption at the rate of interest or Yield to Maturity (in the case of an Original Issue Discount Security) borne by such Security, or at any

24

rate for defaulted interest specified in the form or terms of such Security established pursuant to Section 2.01 or 2.03.

Upon presentation of any Security of any series redeemed in part only, the Company shall execute and the Trustee shall authenticate and deliver to or on the order of the Holder thereof, at the expense of the Company, a new Security or Securities of such series and tenor, of authorized denominations, in principal amount equal to the unredeemed portion of the Security so presented.

Section 3.04. Exclusion of Certain Securities from Eligibility for Selection for Redemption. Securities shall be excluded from eligibility for selection for redemption if they are identified by registration and certificate number in an Officers' Certificate delivered to the Trustee at least 40 days prior to the last date on which notice of redemption may be given as being owned of record and beneficially by, and not pledged or hypothecated by, either (a) the Company or (b) an Affiliate of the Company.

Section 3.05. Mandatory and Optional Sinking Funds. The minimum amount of any sinking fund payment provided for by the terms of Securities of any series is herein referred to as a "mandatory sinking fund payment", and any payment in excess of such minimum amount provided for by the terms of the Securities of any series is herein referred to as an "optional sinking fund payment". The date on which a sinking fund payment is to be made is herein referred to as the "sinking fund payment date".

In lieu of making all or any part of any mandatory sinking fund payment with respect to any series of Securities in cash, the Company may at its option (a) deliver to the Trustee Securities of such series theretofore purchased or otherwise acquired (except through a mandatory sinking fund payment) by the Company or receive credit for Securities of such series (not previously so credited) theretofore purchased or otherwise acquired (except as aforesaid) by the Company and delivered to the Trustee for cancellation pursuant to Section 2.10, (b) receive credit for optional sinking fund payments (not previously so credited) made pursuant to this Section, or (c) receive credit for Securities of such series (not previously so credited) redeemed by the Company through any optional sinking fund payment. Securities so delivered or credited shall be received or credited by the Trustee at the sinking fund redemption price specified in such Securities.

On or before the sixtieth day next preceding each sinking fund payment date for any series, or such shorter period as shall be acceptable to the Trustee, the Company will deliver to the Trustee an Officers' Certificate (a) specifying the portion of the mandatory sinking fund payment to be satisfied by payment of cash and the portion to be satisfied by credit of specified Securities of such series and the basis for such credit, (b) stating that none of the specified Securities of such series has

25

theretofore been so credited, (c) stating that no defaults in the payment of interest or Events of Default with respect to such series have occurred (which have not been waived or cured) and are continuing and (d) stating whether or not the Company intends to exercise its right to make an optional sinking fund payment with respect to such series and, if so, specifying the amount of such optional sinking fund payment which the Company intends to pay on or before the next succeeding sinking fund payment date. Any Securities of such series to be credited and required to be delivered to the Trustee in order for the Company to be entitled to credit therefor as aforesaid which have not theretofore been delivered to the Trustee shall be delivered for cancellation pursuant to Section 2.10 to the Trustee with such Officers' Certificate (or reasonably promptly thereafter if acceptable to the Trustee). Such Officers' Certificate shall be irrevocable and upon its receipt by the Trustee the Company shall become unconditionally obligated to make all the cash payments or payments therein referred to, if any, on or before the next succeeding sinking fund payment date. Failure of the Company, on or before any such sixtieth day, to deliver such Officers' Certificate and Securities specified in this paragraph, if any, shall not constitute a default but shall constitute, on and as of such date, the irrevocable election of the Company (a) that the mandatory sinking fund payment for such series due on the next succeeding sink date shall be paid entirely in cash without the option to deliver or credit Securities of such series in respect thereof and (b) that the Company will make no optional sinking fund payment with respect to such series as provided in this Section.

If the sinking fund payment or payments (mandatory or optional or both) to be made in cash on the next succeeding sinking fund payment date plus any unused balance of any preceding sinking fund payments made in cash shall exceed \$50,000 or a lesser sum if the Company shall so request with respect to the Securities of any series, such cash shall be applied on the next succeeding sinking fund payment date to the redemption of Securities of such series at the sinking fund redemption price thereof together with accrued interest thereon to the date fixed for redemption. If such amount shall be \$50,000 or less and the Company makes no such request then it shall be carried over until a sum in excess of \$50,000 is available. The Trustee shall select, in the manner provided in Section 3.02, for redemption on such sinking fund payment date, a sufficient principal amount of Securities of such series to absorb said cash, as nearly as may be, and shall (if requested in writing by the Company) inform the Company of the serial numbers of the Securities of such series (or portions thereof) so selected. Securities shall be excluded from eligibility for redemption under this Section if they are identified by registration and certificate number in an Officers' Certificate delivered to the Trustee at least 60 days prior to the sinking fund payment date as being owned of record and beneficially by either (a) the Company or (b) an entity specifically identified in such Officers' Certificate as an Affiliate of the Company. The Trustee, in the name and at the expense of the Company (or the Company, if it shall so request the Trustee in

writing) shall cause notice of redemption of the Securities of such series to be given in substantially the

26

manner provided in Section 3.02 (and with the effect provided in Section 3.03) for the redemption of Securities of such series in part at the option of the Company. The amount of any sinking fund payments not so applied or allocated to the redemption of Securities of such series shall be added to the next cash sinking fund payment for such series and, together with such payment, shall be applied in accordance with the provisions of this Section. Any and all sinking fund moneys held on the stated maturity date of the Securities of any particular series (or earlier, if such maturity is accelerated), which are not held for the payment or redemption of particular Securities of such series shall be applied, together with other moneys, if necessary, sufficient for the purpose, to the payment of the principal of, and interest on, the Securities of such series at maturity.

At or before 10:00 a.m. in the place of payment on each sinking fund payment date, the Company shall pay to the Trustee in cash or shall otherwise provide for the payment of all interest accrued to the date fixed for redemption on Securities to be redeemed on the next following sinking fund payment date.

The Trustee shall not redeem or cause to be redeemed any Securities of any series with sinking fund moneys or mail any notice of redemption of such Securities by operation of the sinking fund during the continuance of a Default in payment of interest on such Securities or of any Event of Default with respect to such Securities except that, where the mailing of notice of redemption of such Securities shall theretofore have been made, the Trustee shall redeem or cause to be redeemed such Securities, provided that it shall have received from the Company a sum sufficient for such redemption. Except as aforesaid, any moneys in the sinking fund for such Securities at the time when any such Default or Event of Default shall occur, and any moneys thereafter paid into such sinking fund, shall, during the continuance of such Default or Event of Default, be deemed to have been collected under Article 6 and held for the payment of all Securities of such series. In case such Event of Default shall have been waived as provided in Section 6.04 or such Default cured on or before the sixtieth day preceding the sinking fund payment date in any year, such moneys shall thereafter be applied on the next succeeding sinking fund payment date in accordance with this Section to the redemption of such Securities.

Section 3.06. Repayment. Securities of any series which are repayable before their maturity at the option of their Holders (as established pursuant to Section 2.03) shall be repayable in accordance with their terms and in accordance with this Section.

Notice of any repayment date with respect to the Securities of any series shall, unless otherwise specified by the terms of the Securities of such series, be given by the Company not less than 45 nor more than 60 days prior to such repayment date to each Holder of Securities of such series in accordance with Section 10.01. The notice of the repayment date shall state (a) the repayment date; (b) the repayment

27

price; (c) the place or places where such Securities are to be surrendered for payment and the date by which Securities must be so surrendered in order to be repaid; (d) a description of the procedure which a Holder must follow to exercise a repayment right; and (e) that exercise of the option to elect repayment is irrevocable. No failure of the Company to give the foregoing notice shall limit any Holder's right to exercise a repayment right.

On or prior to the repayment date, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in Section 4.03) an amount of money sufficient to pay the repayment price of and accrued interest, if any, on all of the Securities of such series which are to be repaid on that date.

The notice of repayment having been given, the Securities of such series to be repaid shall, on the repayment date, become due and payable at the repayment price applicable thereto and from and after such date (unless the Company shall default in the payment of the repayment price and accrued interest) such Securities shall cease to bear interest. Upon surrender of any such Security for repayment in accordance with said notice, such Security shall be paid by the Company at the repayment price together with accrued interest to the repayment date; provided, however, that installments of interest whose maturity is on or prior to such repayment date shall be payable to the Holders of such Securities registered as such at the close of business on the relevant record dates according to the terms and provisions of Section 2.04.

If any Security shall not be paid upon surrender thereof for repayment, the principal shall, until paid, bear interest from the repayment date at the rate prescribed therefor for such Security.

Any Security which by its terms may be repaid in part at the option of

the Holder and which is to be repaid only in part shall be surrendered at any office or agency of the Company designated pursuant to Section 4.02 (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing), and the Company shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security, without service charge, a new Security or Securities of the same series and tenor, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unrepaid portion of the principal of the Security so surrendered.

28

#### ARTICLE 4

##### Covenants

Section 4.01. Payment of Principal, Premium and Interest. The Company covenants and agrees for the benefit of Securities of each series that it will duly and punctually pay the principal of and any interest on the Securities of that series in accordance with the terms of such Securities and this Indenture.

Section 4.02. Maintenance of Office or Agency. The Company will maintain in each place of payment of the Securities of any series established pursuant to Section 2.03 an office or agency where Securities of that series may be presented or surrendered for payment, where Securities of that series may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Securities of that series and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Company may also from time to time designate one or more other offices or agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in each place of payment for Securities of any series for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

Section 4.03. Money for Securities Payments to Be Held in Trust. If the Company shall at any time act as its own Paying Agent with respect to the Securities of any series, it will, on or before each due date of the principal of and any interest on any of the Securities of that series, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal and any interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee of its action or failure so to act.

Whenever the Company shall have one or more Paying Agents for any series of Securities, it will, prior to each due date of the principal of and any interest on any Securities of that series, deposit with a Paying Agent a sum sufficient to pay the principal and any interest so becoming due, such sum to be held in trust for the

29

benefit of the Persons entitled to such principal or interest, and (unless the Person that is such Paying Agent is also the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

The Company will cause each Person that acts as a Paying Agent for the Securities of any series (unless such Person also acts as Trustee) to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will:

(a) hold all sums held by it for the payment of the principal of or any interest on Securities of that series in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;

(b) give the Trustee notice of any default by the Company (or any other obligor upon the Securities of that series) in the making of any payment of principal or interest on the Securities of that series; and

(c) at any time during the continuance of any such default or

Event of Default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by written request direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Subject to any applicable escheat laws, any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of and any interest on any Security of any series and remaining unclaimed for two years after such principal and any interest has become due and payable shall be paid to the Company upon written request by the Company, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company mail to each holder and cause to be published once, in an Authorized Newspaper, notice that such money remains unclaimed and that, after a date specified therein, which shall

30

not be less than 30 days from the later of the date of such publication or the most recent date of such mailing, any unclaimed balance of such money then remaining will be repaid to the Company.

Section 4.04. Restrictions on Secured Debt. The Company will not itself, and will not permit any Restricted Subsidiary to, incur, issue, assume or guarantee any Debt secured by a Mortgage on any Principal Property or on any shares of stock or Debt of any Restricted Subsidiary, whether such Principal Property, stock or Debt is now owned or shall hereafter be acquired, without effectively providing that the Securities (together with, if the Company shall so determine, any other Debt of the Company or such Restricted Subsidiary then existing or thereafter created which is not subordinate to the Securities) shall be secured equally and ratably with (or prior to) such secured Debt, so long as such secured Debt shall be so secured, unless, after giving effect thereto, the aggregate amount of all such secured Debt (other than that permitted below) plus all Attributable Debt of the Company and its Restricted Subsidiaries in respect of sale and leaseback transactions (other than those sale and leaseback transactions permitted by subsections (a), (c) and (d) of Section 4.05) would not exceed 10% of the Consolidated Net Tangible Assets of the Company; provided, however, that this Section shall not apply to, and there shall be excluded from secured Debt in any computation under this Section, Debt secured by:

(a) Mortgages existing at the date hereof on any property owned or leased by the Company or any Restricted Subsidiary at that date securing Debt outstanding on that date;

(b) Mortgages on any property, shares of stock or Debt existing at the time of acquisition thereof (including acquisition through merger or consolidation) or Mortgages on Principal Properties acquired or constructed after the date of this Indenture to secure the payment of all or any part of the purchase price or construction cost thereof or to secure any Debt incurred or for which a firm commitment is obtained prior to, at the time of, or within 120 days after, the acquisition of such property or the completion of any such construction for the purpose of financing all or any part of the purchase price or construction cost thereof;

(c) Mortgages on property of, or on any shares of stock or Debt of, any corporation existing at the time such corporation becomes a Restricted Subsidiary;

(d) Mortgages in favor of the United States of America, any State thereof or the Commonwealth of Puerto Rico, any political subdivision thereof or any agency, department or other

31

instrumentality thereof, to secure progress, advance or other payments pursuant to any contract or provision of any statute;

(e) Mortgages in favor of the Company or any Restricted Subsidiary;

(f) Mortgages in connection with the issuance of tax-exempt industrial development bonds under the Internal Revenue

Code of 1986, as amended, or as hereafter amended, to finance all or any part of the purchase price of or the cost of constructing or improving property; provided that any such Mortgage shall be limited to such property acquired or constructed or such improvement and to theretofore substantially unimproved real property on which such construction or improvement is located; and provided, further that the Company and Restricted Subsidiaries may further secure all or any part of such purchase price or the cost of construction or the improvement by an interest on additional property of the Company and Restricted Subsidiaries only to the extent necessary for the construction, maintenance and operation of, and access to, such property so acquired or constructed or such improvement;

(g) Mortgages under workers' compensation laws, unemployment insurance laws or similar legislation, or good faith deposits in connection with bids, tenders, contracts (other than for the repayment of Debt), or deposits to secure public or statutory obligations of the Company or any Restricted Subsidiary, or deposits of cash or obligations of the United States of America to secure surety and appeal bonds to which the Company or any Restricted Subsidiary is a party or in lieu of such bonds, or pledges or deposits for similar purposes in the ordinary course of business, or liens imposed by law, such as laborers' or others employees', carriers', warehousemen's, mechanics', materialmen's and vendors' liens and liens arising out of judgments or awards against the Company or any Restricted Subsidiary with respect to which the Company or such Restricted Subsidiary at the time shall be prosecuting an appeal or proceedings for review and with respect to which it shall have secured a stay of execution pending such appeal or proceedings for review, or liens for property taxes not yet subject to penalties for nonpayment or the amount or validity of which is being in good faith contested by appropriate proceedings by the Company or any Restricted Subsidiary, as the case may be, or minor survey exceptions, minor encumbrances, easements or reservations of, or rights of others for, rights of way, sewers, electric lines, telegraph and telephone lines and other similar purposes, or zoning or other

32

restrictions as to the use of real properties, which liens, exceptions, encumbrances, easements, reservations, rights and restrictions do not, in the opinion of the Company, in the aggregate materially detract from the value of said properties or materially impair their use in the operation of the business of the Company and the Restricted Subsidiaries; and

(h) Any extension, renewal or replacement (or successive extensions, renewals or replacements), as a whole or in part, of any Mortgage referred to in the foregoing clauses (a) to (g), inclusive; provided that (i) such extension, renewal or replacement Mortgage shall be limited to all or part of the same property, shares of stock or Debt that secured the Mortgage extended, renewed or replaced (plus improvements on such property) and (ii) the Debt secured by such Mortgage at the time of such extension, renewal or replacement is not increased.

Section 4.05. Limitation on Sale and Leasebacks. The Company will not itself, and it will not permit any Restricted Subsidiary to, enter into any arrangement with any Person (not including the Company or any Restricted Subsidiary) or to which any such Person is a party, providing for the leasing by the Company or any such Restricted Subsidiary for a period, including renewals, of three years or more of any Principal Property which has been or is to be sold or transferred, more than 120 days after the acquisition, completion of construction or commencement of full operation thereof, by the Company or any such Restricted Subsidiary to such Person or to any other Person to whom funds have been or are to be advanced by such Person on the security of such Principal Property (herein referred to as a "sale and leaseback transaction") unless:

(a) the commitment to enter into such sale and leaseback transaction was entered into within the aforesaid 120 day period, or

(b) the Company or such Restricted Subsidiary could create Debt secured by a Mortgage pursuant to Section 4.04 on the Principal Property to be leased back in an amount equal to the Attributable Debt with respect to such sale and leaseback transaction without equally and ratably securing the Securities, or

(c) the Company, within 120 days after the sale or transfer shall have been made by the Company or by any such

Restricted Subsidiary, applies an amount (the "Designated Amount") equal to the greater of (i) the net proceeds of the sale of the Principal Property sold and leased back pursuant to such arrangement and (ii) the fair market value of the Principal Property so sold and leased back at the

33

time of entering into such arrangement (as determined by the Board of Directors of the Company), to the retirement of Funded Debt of the Company, provided that the amount required to be applied to the retirement of Funded Debt of the Company shall be reduced by (i) the principal amount of any Securities delivered within 120 days after such sale or transfer to the Trustee for retirement and cancellation, and (ii) the principal amount of Funded Debt, other than Securities, voluntarily retired by the Company within 120 days after such sale or transfer. Notwithstanding the foregoing, no retirement referred to in this clause (c) may be effected by payment at maturity or pursuant to any mandatory sinking fund payment or any mandatory prepayment provision, or

(d) the Company or any Restricted Subsidiary, within a period commencing 180 days prior to and ending 180 days after the date of the sale or transfer in respect of such sale and leaseback transaction, has expended or reasonably expects to expend within such period any monies to acquire or construct any Principal Property or Properties (and such amounts expended or to be expended have not been applied to other sale and leaseback transactions pursuant to this subsection (d)), in which case the Company or any Restricted Subsidiary shall be entitled to enter into such sale and leaseback transaction to the extent that the Designated Amount in respect thereof is less than such monies expended or to be expended, provided that if such Designated Amount exceeds such monies expended or to be expended, the Company shall be entitled to enter into such sale and leaseback transaction if (i) the Attributable Debt applicable to the proportion of the Designated Amount represented by such excess can be incurred under subsection (b) above, or (ii) such excess is applied as set forth in subsection (c) above, or (iii) any combination of clauses (i) and (ii) above is elected by the Company or any Restricted Subsidiary in respect of such excess, and provided further that if such monies expended or to be expended exceed the Designated Amount in respect of such sale and leaseback transaction, such excess may be applied as provided in this subsection (d) to any other sale and leaseback transaction occurring within such period.

Section 4.06. Statement by Officers as to Default; Notice of Certain Events of Default. Within 120 days after the close of each fiscal year of the Company ending after the date hereof, the Company shall file with the Trustee a certificate signed by the chairman of the Board of Directors, the chief executive officer, the president or any vice president and by the chief financial officer, the treasurer, the controller or the secretary or any assistant secretary of the Company (provided that one such signatories shall be the Company's principal executive officer, principal

34

financial officer or principal accounting officer), as to such officer's knowledge of the Company's compliance with all conditions and covenants under this Indenture (without regard to any period of grace or requirement of notice provided hereunder) and in the event any Default of the Company exists, such officers shall specify the nature of such Default.

The Company covenants to (a) file with the Trustee, within 15 days after the Company is required to file the same with the Commission, copies of the annual reports and of the information, documents and other reports which the Company may be required to file with the Commission pursuant to Section 13 or Section 15(d) of the Exchange Act (or copies of such portions thereof as may be prescribed by the Commission by rules and regulations); or, if the Company is not required to file with the Commission information, documents or reports pursuant to either Section 13 or Section 15(d) of the Exchange Act, then the Company will file with the Trustee and will file with the Commission, in accordance with rules and regulations prescribed by the Commission, such of the supplementary and periodic information, documents and reports required pursuant to Section 13 of the Exchange Act in respect of a security listed and registered on a national securities exchange as may be prescribed in such rules and regulations; (b) file with the Trustee and the Commission, in accordance with the rules and regulations prescribed from time to time by the Commission, such additional information, documents and reports with respect to compliance by the Company with the conditions and covenants provided for in this Indenture as may be required by such rules and regulations, including, in the case of annual reports, if required by such rules and regulations, certificates or opinions of independent public accountants, conforming to the requirements of Sections 10.02

and 10.03, as to compliance with conditions or covenants, compliance with which is subject to verification by accountants; (c) mail, or cause the Trustee to mail, to the Holders of the Securities, as the names and addresses of such Holders appear on the Security Register, such information, documents or reports required to be filed with the Trustee pursuant to the provisions of paragraphs (a) and (b) of this Section 4.06 as may be required by rules and regulations prescribed by the Commission; and (d) remain subject to the informational filing requirements of the Commission pursuant to the Exchange Act.

Within 5 days after the occurrence thereof, the Company shall notify the Trustee of each Default or Event of Default.

Section 4.07. Waiver of Certain Covenants. The Company may omit in any particular instance to comply with any term, provision or condition set forth in Sections 4.04 and 4.05 with respect to the Securities of any series if before the time for such compliance the Holders of a majority in principal amount of the Outstanding Securities of such series shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such term, provision or condition, but no such waiver shall extend to or affect such term, provision or

35

condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such term, provision or condition shall remain in full force and effect.

### Successor Corporation

Section 5.01. When Company May Merge, Etc.. The Company shall not consolidate or merge with any other Person or sell, convey, assign, transfer, lease or otherwise dispose of all or substantially all its properties and assets as an entirety in one transaction or a series of transactions to any Person, and the Company shall not permit any Person to consolidate with or merge into the Company or sell, convey, assign, transfer, lease or otherwise dispose of all or substantially all of its properties or assets to the Company, unless:

(a) either (i) the Company shall be the surviving Person or such (ii) Person shall be a corporation organized and validly existing under the laws of the United States of America or any State thereof or the District of Columbia and shall expressly assume by a supplemental indenture, executed and delivered to the Trustee, in form satisfactory to the Trustee, all of the Company's obligations under the Securities and under this Indenture;

(b) immediately before and after such transaction or each element of such series, no Default or Event of Default shall have occurred and be continuing;

(c) if, as a result of any such consolidation or merger or such conveyance, transfer or lease, properties or assets of the Company would become subject to a mortgage, pledge, lien, security interest or other encumbrance which would not be permitted by this Indenture, the Company or such successor corporation or Person, as the case may be, takes such steps as shall be necessary effectively to secure the Securities equally and ratably with (or prior to) all indebtedness secured thereby; and

(d) giving effect to such transaction will not cause an event of default under any mortgage, bond, debenture, note or other instrument or obligation that the Company or any Subsidiary of the Company is a party to or bound by.

36

The Company shall deliver to the Trustee prior to the consummation of the proposed transaction an Officers' Certificate certifying to the foregoing effects, and an Opinion of Counsel stating that the proposed transaction and any such supplemental indenture comply with this Indenture.

Section 5.02. Successor Substituted. Upon any consolidation or merger, or any sale, conveyance, assignment, transfer, lease or other disposition of all or substantially all of the properties and assets of the Company in accordance with Section 5.01, the successor Person formed by such consolidation or into or with which the Company is merged or to which such sale, conveyance, assignment, transfer, lease or other disposition is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein; and, except in the case of a lease, the predecessor Person shall be relieved of all obligations and covenants under this Indenture and the Securities.

## ARTICLE 6

### Defaults and Remedies

Section 6.01. Events of Default. An Event of Default shall occur with respect to the Securities of any series if there shall occur (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) Any failure to pay any installment of interest on any Securities of such series, when and as the same shall become payable as therein expressed, and such failure shall continue for a period of 30 days; or

(b) Any failure to pay the principal of any Securities of such series when and as the same shall become due and payable as therein expressed, whether at the stated maturity thereof or otherwise; or

(c) Any default in the deposit of any sinking fund payment, when and as due by the terms of any Security of that series; or

(d) Any failure to perform or observe any other of the covenants, conditions or agreements on the part of the Company to be performed or observed pursuant to this Indenture or in the Securities of such series (other than a covenant, condition or agreement a Default in whose performance or whose breach is elsewhere in this Section 6.01

37

specifically dealt with), and such failure shall continue for a period of 60 days after written notice by registered or certified mail specifying the failure and that the same is a Default and requiring the Company to remedy such failure shall have been given to the Company from the Trustee or to the Company and to the Trustee from the Holders of not less than 25% of the principal amount of the Securities of such series then outstanding; or

(e) The Company shall commence, or file a petition commencing, a voluntary case under the United States Bankruptcy Code or any similar Federal or state law for the relief of debtors (the "Bankruptcy Law"); or the Company shall file a petition or answer or consent seeking reorganization, arrangement, adjustment, or composition under any Bankruptcy Law, or shall consent to the filing of any such petition, answer, or consent; or the Company shall appoint, or consent to the appointment of, a custodian, receiver, liquidator, trustee, assignee, sequestrator or other similar official in bankruptcy or insolvency of the Company or of any substantial part of its property or shall make an assignment for the benefit of creditors; or shall admit in writing its inability to pay its debts generally as they become due; or shall take corporate action in furtherance of any such action; or

(f) Any order for relief against the Company shall have been entered by a court having jurisdiction in the premises under any provision of Bankruptcy Law and such order shall have continued undischarged or unstayed for a period of 60 days; or a decree or order by a court having jurisdiction in the premises shall have been entered approving as properly filed a petition seeking reorganization, arrangement, adjustment, or composition of the Company under any Bankruptcy Law, and such decree or order shall have continued undischarged or unstayed for a period of 60 days; or a decree or order of court having jurisdiction in the premises for the appointment of a custodian, receiver, similar official in bankruptcy or insolvency of the Company or of any substantial part of its property, or for the winding up or liquidation of its affairs, shall have been entered, and such decree or order shall have remained in force undischarged or unstayed for a period of 60 days; or

(g) Any other Event of Default established pursuant to Section 2.03 for the Securities of such series.

Section 6.02. Acceleration. If an Event of Default with respect to the Securities of any series then outstanding occurs and is continuing, then, and in each and every such case, except for any Securities the principal of which shall have

38

already become due and payable, either the Trustee or the Holders of not less than 25% in aggregate principal amount of the Securities of such series then outstanding hereunder (each such series treated as a separate class) by notice in writing to the Company (and to the Trustee if given by Holders), may

declare the entire principal (or, if the Securities of any such series are Original Issue Discount Securities, such portion of the principal amount as may be specified in the terms of such series established pursuant to Section 2.03) of all Securities of such series, and the interest accrued thereon, if any, to be due and payable immediately, and upon any such declaration the same shall become immediately due and payable.

However, if at any time after the entire principal (or, if the Securities are Original Issue Discount Securities, such portion of the principal as may be specified in the terms thereof established pursuant to Section 2.03) of the Securities of any series shall have been so declared due and payable, and before any judgment or decree for the payment of the moneys due shall have been obtained or entered as hereinafter provided, the Company shall have paid or shall have deposited with the Trustee a sum sufficient to pay all overdue interest and principal of all Securities of such series which shall have become due otherwise than by acceleration (with interest upon such principal and, to the extent that payment of such interest is enforceable under applicable law, upon overdue installments of interest, at the rate specified therefor in such Securities or, if not so specified, at the same rate as the rate of interest or Yield to Maturity (in the case of Original Issue Discount Securities) specified in the Securities of each such series to the date of such payment or deposit) and such amount as shall be sufficient to cover all amounts owing the Trustee under Section 7.07, and if all Events of Default under the Indenture, other than the non-payment of the principal of Securities which shall have become due by acceleration, shall have been cured, waived or otherwise remedied as provided herein, then and in every such case the Holders of a majority in aggregate principal amount of all the then outstanding Securities of such series that have been accelerated (each such series voting as a separate class), by written notice to the Company and to the Trustee, may waive all defaults with respect to each such series and rescind and annul such declaration and its consequences, but no such waiver or rescission and annulment shall extend to or shall affect any subsequent default or shall impair any right consequent thereon.

For all purposes under this Indenture, if a portion of the principal of any Original Issue Discount Securities shall have been accelerated and declared due and payable pursuant to the provisions hereof, then, from and after such declaration, unless such declaration has been rescinded and annulled, the principal amount of such Original Issue Discount Securities, or, if a formula for calculating the principal due in the event of acceleration is specified in the terms of any Original Issue Discount Securities, the amount determined by application of such formula, shall be deemed, for all purposes hereunder, to be such portion

39

of the principal thereof as shall be due and payable as a result of such acceleration, and payment of such portion of the principal thereof as shall be due and payable as a result of such acceleration, together with interest, if any, thereon and all other amounts owing thereunder, shall constitute payment in full of such Original Issue Discount Securities.

Section 6.03. Other Remedies. If an Event of Default with respect to the Securities of any series occurs and is continuing, the Trustee may pursue, in its own name or as trustee of an express trust, any available remedy by proceeding at law or in equity to collect the payment of principal of and interest on the Securities of such series or to enforce the performance of any provision of the Securities of such series or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Securities or does not produce any of them in the proceeding.

Section 6.04. Waiver of Past Defaults. Subject to Sections 6.02, 6.07 and 9.02, the Holders of at least a majority in principal amount (or, if the Securities are Original Issue Discount Securities, such portion of the principal as may be specified in the terms thereof established pursuant to Section 2.03) of the outstanding Securities of each series affected (each such series voting as a separate class), by notice to the Trustee, may waive an existing Default or Event of Default with respect to the Securities of such series and its consequences, except a Default in the payment of principal of or interest on any Security as specified in clause (a) or (b) of Section 6.01 or in respect of a covenant or provision of this Indenture which cannot be modified or amended without the consent of the Holder of each outstanding Security affected. Upon any such waiver, such Default shall cease to exist, and any Event of Default with respect to the Securities of such series arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto.

Section 6.05. Control of Majority. Subject to Sections 7.01 and 7.02(e), the Holders of at least a majority in aggregate principal amount (or, if any Securities are Original Issue Discount Securities, such portion of the principal as may be specified in the terms thereof established pursuant to Section 2.03) of the outstanding Securities of each series affected (each such series voting as a separate class) may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or

power conferred on the Trustee with respect to the Securities of such series by this Indenture; provided that the Trustee may refuse to follow any direction that conflicts with law or this Indenture, that may involve the Trustee in personal liability or that the Trustee determines in good faith may be unduly prejudicial to the rights of Holders not joining in the giving of such direction; and provided further that the Trustee may take any other action it deems proper that is not inconsistent with any directions received from Holders of Securities pursuant to this Section 6.05.

40

Section 6.06. Limitation on Suits. No Holder of any Security of any series may institute any proceeding, judicial or otherwise, with respect to this Indenture or the Securities of such series, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(a) such Holder has previously given to the Trustee written notice of a continuing Event of Default with respect to the Securities of such series;

(b) the Holders of at least 25% in aggregate principal amount of outstanding Securities of such series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(c) such Holder or Holders have offered to the Trustee indemnity reasonably satisfactory to the Trustee against any costs, liabilities or expenses to be incurred in compliance with such request;

(d) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and

(e) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Securities of such series have not given the Trustee a direction that is inconsistent with such written request.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over such other Holder.

Section 6.07. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder of a Security to receive payment of principal of or interest, if any, on such Holder's Security on or after the respective due dates expressed on such Security (or in the case of redemption, the redemption date, or in the case of repayment, at the option of the Holders, on the repayment date), which right is unconditional and absolute, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08. Collection Suit by Trustee. If an Event of Default with respect to the Securities of any series in payment of principal or interest specified in clause (a) or (b) of Section 6.01 occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company for the whole amount (or such portion thereof as specified in the terms established pursuant to

41

Section 2.03 of Original Issue Discount Securities) of principal of, and accrued interest remaining unpaid on, together with interest on overdue principal of, and, to the extent that payment of such interest is lawful, interest on overdue installments of interest on, the Securities of such series, in each case at the rate or Yield to Maturity (in the case of Original Issue Discount Securities) specified in such Securities or, if not so specified, at the same rate as the rate of interest or Yield to Maturity (in such case) specified for such Securities, and such further amount as shall be sufficient to cover all amounts owing the Trustee under Section 7.07.

If an Event of Default with respect to the Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of the Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

Section 6.09. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for amounts due the Trustee under Section 7.07) and the Holders allowed in any judicial proceedings relative to the Company (or any other obligor on the Securities), its creditors or its property and shall be entitled and empowered to collect and receive any moneys, securities or other property payable or

deliverable upon conversion or exchange of the Securities or upon any such claims and to distribute the same, and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it under Section 7.07. Nothing herein contained shall be deemed to empower the Trustee to authorize or consent to, or accept or adopt on behalf of any Holder, any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10. Trustee May Enforce Claims Without Possession of Securities. All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

42

Section 6.11. Application of Proceeds. Any moneys collected by the Trustee pursuant to this Article in respect of the Securities of any series shall be applied in the following order at the date or dates fixed by the Trustee and, in case of the distribution of such moneys on account of principal or interest, upon presentation of the several Securities in respect of which moneys have been collected and stamping (or otherwise noting) thereon the payment, or issuing Securities of such series and tenor in reduced principal amounts in exchange for the presented Securities of such series and tenor if only partially paid, or upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 7.07;

SECOND: In case the principal of the Securities of such series in respect of which moneys have been collected shall not have become and be then due and payable, to the payment of interest on the Securities of such series in default in the order of the maturity of the installments of such interest, with interest (to the extent that such interest has been collected by the Trustee) upon the overdue installments of interest, at the rate specified therefor in such Securities or, if not so specified, at the same rate as the rate of interest or Yield to Maturity (in the case of Original Issue Discount Securities) specified in such Securities, such payments to be made ratably to the Persons entitled thereto, without discrimination or preference;

THIRD: In case the principal of the Securities of such series in respect of which moneys have been collected shall have become and shall be then due and payable, to the payment of the whole amount then owing and unpaid upon all the Securities of such series for principal and interest, with interest upon the overdue principal, and (to the extent that such interest has been collected by the Trustee) upon overdue installments of interest, at the rate specified therefor in such Securities or, if not so specified, at the same rate as the rate of interest or Yield to Maturity (in the case of Original Issue Discount Securities) specified in the Securities of such series; and in case such moneys shall be insufficient to pay in full the whole amount so due and unpaid upon the Securities of such series, then to the payment of such principal and interest or Yield to Maturity, without preference or priority of principal over interest or Yield to Maturity, or of interest or Yield to Maturity over principal, or of any installment of interest over any other installment of interest, or of any Security of such series over any other Security of such series, ratably to the aggregate of such principal and accrued and unpaid interest or Yield to Maturity; and

FOURTH: To the payment of the remainder, if any, to the Company or any other Person lawfully entitled thereto.

Section 6.12. Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason,

43

or has been determined adversely to the Trustee or to such Holder, then, and in every such case, subject to any determination in such proceeding, the Company, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Company, Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 6.13. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, in either case in respect to the

Securities of any series, a court may require any party litigant in such suit to file an undertaking to pay the costs of the suit, and the court may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit having due regard to the merits and good faith of the claims or defenses made by the party litigant; but the provisions of this Section shall not apply to any suit instituted by the Company, to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the outstanding Securities of any series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or interest on any Security on or after the maturity of such Security (or, in the case of redemption, on or after the redemption date, or in the case of repayment, at the option of the Holders, on the repayment date).

Section 6.14. Rights and Remedies Cumulative. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or wrongfully taken Securities in Section 2.07, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.15. Delay or Omission Not Waiver. No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 6.16. Waiver of Stay or Extension Laws. The Company covenants (to the extent it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law whenever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the

44

extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

## ARTICLE 7

### Trustee

Section 7.01. General. The duties and responsibilities of the Trustee shall be as provided by the Trust Indenture Act and as set forth herein. Notwithstanding the foregoing, no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, unless it receives indemnity satisfactory to it against any loss, liability or expense. Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Article 7.

Section 7.02. Certain Rights of Trustee. Subject to Trust Indenture Act Sections 315(a) through (d):

(a) The Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, Officers' Certificate, Opinion of Counsel, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper Person or Persons. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and in the case of any such documents which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate and/or an Opinion of Counsel, which shall conform to Section 10.03. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion. Whenever in the administration of the trusts of

this Indenture the Trustee shall deem it necessary or desirable that a

45

matter be proved or established prior to taking or suffering or omitting any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of negligence or bad faith on the part of the Trustee, be deemed to be conclusively proved and established by an Officers' Certificate delivered to the Trustee, and such certificate, in the absence of negligence or bad faith on the part of the Trustee, shall be full warrant to the Trustee for any action taken, suffered or omitted by it under the provisions of this Indenture upon the faith thereof.

(c) The Trustee may act through its attorneys and agents not regularly in its employ and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) Any request, direction, order or demand of the Company mentioned herein shall be sufficiently evidenced by an Officers' Certificate (unless other evidence in respect thereof be herein specifically prescribed); and any resolution of the Board of Directors may be evidenced to the Trustee by a Board Resolution.

(e) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Holders, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction.

(f) The Trustee shall not be liable for any action it takes or omits to take in good faith in accordance with Section 6.05 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(g) The Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(h) Prior to the occurrence of an Event of Default hereunder and after the curing or waiving of all Events of Default, the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, Officers' Certificate, Opinion of

46

Counsel, Board Resolution, statement, instrument, opinion, report, notice, request, consent, order, approval, appraisal, bond, debenture, note, coupon, security, or other paper or document unless requested in writing so to do by the Holders of not less than a majority in aggregate principal amount of the Securities of all series affected then outstanding; provided that, if the payment within a reasonable time to the Trustee of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Trustee, not reasonably assured to the Trustee by the security afforded to it by the terms of this Indenture, the Trustee may require indemnity satisfactory to it against such expenses or liabilities as a condition to proceeding.

(i) The Trustee shall not be charged with knowledge of any Default or Event of Default with respect to the Securities of any series for which it is acting as Trustee unless either (i) a Responsible Officer shall have actual knowledge of such Default or Event of Default or (ii) written notice of such Default or Event of Default shall have been given to the Trustee by the Company or any other obligor on such Securities or by any other Holder of such Securities.

(j) The Trustee shall not be liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture.

Section 7.03. Individual Rights of Trustee. The Person acting as the Trustee, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not the Trustee. Any Agent may do the same with like rights. However, the Trustee is subject to Trust Indenture Act Sections 310(b) and 311.

Section 7.04. Trustee's Disclaimer. The recitals contained herein and in the Securities (except the Trustee's certificate of authentication) shall be taken as statements of the Company and not of the Trustee and the Trustee

assumes no responsibility for the correctness of the same. Neither the Trustee nor any of its agents (a) makes any representation as to the validity or adequacy of this Indenture or the Securities and (b) shall be accountable for the Company's use or application of the proceeds from the Securities.

Section 7.05. Notice of Default. If any Default with respect to the Securities of any series occurs and is continuing the Trustee shall give to all Holders of Securities of such series notice of such Default known to it within 60 days after it

47

occurs in the manner and to the extent provided in Section 313(c) of the Trust Indenture Act, unless such Default shall have been cured or waived before the mailing or publication of such notice; provided, however, that, except in the case of a Default in the payment of the principal of, interest on or sinking fund installment with respect to any Security, the Trustee shall be protected in withholding such notice if a Responsible Officer in good faith determines that the withholding of such notice is in the interests of such Holders.

Section 7.06. Reports by Trustee to Holders. Within 60 days after each May 15, beginning with May 15, 1997, the Trustee shall mail to each Holder in the manner and to the extent provided in Trust Indenture Act Section 313(c) a brief report dated as of such May 15, if required by Trust Indenture Act Section 313(a).

Section 7.07. Compensation and Indemnity. The Company shall pay to the Trustee such compensation as shall be agreed upon in writing from time to time for its services. The compensation of the Trustee shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses, disbursements and advances incurred or made by the Trustee without negligence or bad faith in its part. Such expenses shall include the reasonable compensation and expenses of the Trustee's agents, counsel and other Persons not regularly in its employ.

The Company shall indemnify each of the Trustee, any predecessor Trustee and their officers, directors and employees, for, and hold each of them harmless against, any loss, liability or expense incurred by any of them without negligence or bad faith on the part of any of them arising out of or in connection with the acceptance or administration of this Indenture or the trusts hereunder, the issuance of the Securities of any series and the performance of duties under this Indenture and the Securities, including the costs and expenses of defending against or investigating any claim of liability and of complying with any process served upon it or any of them in connection with the exercise or performance of any of the powers or duties of the Trustee under this Indenture and the Securities.

The obligations of the Company under this Section 7.07 to compensate the Trustee, to indemnify the Trustee, each predecessor Trustee and their officers, directors and employees and to pay or reimburse the Trustee for expenses, disbursements and advances shall constitute additional indebtedness hereunder and shall survive the resignation or removal of the Trustee, the satisfaction and discharge of this Indenture or the rejection or termination of this Indenture under Bankruptcy Law. Such additional indebtedness shall be a senior claim to that of the Securities upon all property and funds held or collected by the Trustee as such, except funds held in trust for the benefit of the Holders of particular Securities, and the Securities are hereby subordinated to such senior claim.

48

Section 7.08. Replacement of Trustee. A resignation or removal of the Trustee as Trustee with respect to the Securities of any series and an appointment of a successor Trustee as Trustee with respect to the Securities of any series shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

The Trustee may resign as Trustee with respect to the Securities of any series at any time by so notifying the Company in writing. The Holders of a majority in principal amount of the outstanding Securities of any series may remove the Trustee as Trustee with respect to the Securities of such series by so notifying the Trustee in writing and may appoint a successor Trustee with respect thereto with the consent of the Company. The Company, by a Board Resolution, or, subject to an undertaking by any party litigant to such suit to pay the costs of such suit, any Holder who has been a bona fide Holder of a Security for at least six months, on behalf of himself and all others similarly situated by petition to any court of competent jurisdiction, may remove the Trustee as Trustee with respect to the Securities of any series if: (a) the Trustee is no longer eligible under Section 7.10 of this Indenture; (b) the Trustee is adjudged bankrupt or insolvent; (c) a receiver or other public officer takes charge of the Trustee or its property; or (d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed as Trustee with respect to the

Securities of any series, or if a vacancy exists in the office of Trustee with respect to the Securities of any series for any reason, the Company, by a Board Resolution, shall promptly appoint a successor Trustee with respect thereto. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the outstanding Securities of such series may appoint a successor Trustee in respect of such Securities to replace the successor Trustee appointed by the Company. If the successor Trustee with respect to the Securities of any series does not deliver its written acceptance required by the next succeeding paragraph of this Section 7.08 within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company or any bona fide Holder of a Security of such series for at least six months may petition any court of competent jurisdiction for the appointment of a successor Trustee with respect thereto.

A successor Trustee with respect to the Securities of any series shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Immediately after the delivery of such written acceptance, subject to the lien provided for in Section 7.07, (a) the retiring Trustee shall promptly transfer all property held by it as Trustee in respect of the Securities of such series to the successor Trustee, (b) the resignation or removal of the retiring Trustee in respect of the Securities of such series shall become effective and (c) the successor Trustee shall have all the rights, powers and duties of the Trustee in respect of the Securities of such series under this Indenture.

49

Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to in the preceding paragraph.

The Company shall promptly give notice of any resignation and any removal of the Trustee with respect to the Securities of any series and each appointment of a successor Trustee in respect of the Securities of such series to all Holders of Securities of such series. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

Notwithstanding replacement of the Trustee with respect to the Securities of any series pursuant to this Section 7.08, the Company's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee and the retiring Trustee shall have no liability for the acts or omissions of any successor Trustee.

Section 7.09. Successor Trustee by Merger, Etc. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation or national banking association, the resulting, surviving or transferee corporation or national banking association without any further act shall be the successor Trustee with the same effect as if the successor Trustee had been named as the Trustee herein, provided such corporation or national banking association shall be otherwise qualified and eligible under this Article. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

Section 7.10. Eligibility. This Indenture shall always have a Trustee who satisfies the requirements of Trust Indenture Act Section 310(a). The Trustee shall have a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

Section 7.11. Money Held in Trust. The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law and except for money held in trust under Article 8 of this Indenture.

## ARTICLE 8

### Discharge of Indenture

Section 8.01. Defeasance Within One Year of Payment. Except as otherwise provided in this Section 8.01, the Company may terminate its obligations under the Securities of any series and this Indenture with respect to Securities of such series if:

(a) all Securities of such series previously authenticated and delivered (other than destroyed, lost or wrongfully taken Securities of

such series that have been replaced or paid pursuant to Section 2.07 or Securities of such series for whose payment money or securities have theretofore been held in trust and thereafter repaid to the Company, as provided in Section 4.03) have been delivered to the Trustee for cancellation and the Company has paid all sums payable by it hereunder; or

(b) (i) all of the Securities of such series mature within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for giving the notice of redemption, (ii) the Company irrevocably deposits in trust with the Trustee, as trust funds solely for the benefit of the Holders of such Securities for that purpose, money or U.S. Government Obligations or a combination thereof sufficient (unless such funds consist solely of money, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee), without consideration of any reinvestment, to pay the principal of and any interest on the Securities of such series to maturity or redemption, as the case may be, and to pay all other sums payable by it hereunder, (iii) such deposit will not result in a breach or violation of or constitute a default under this Indenture or any other agreement or instrument to which the Company is a party or by which it is bound, and (iv) the Company delivers to the Trustee an Officers' Certificate and an Opinion of Counsel, in each case stating that all conditions precedent provided for herein relating to the satisfaction and discharge of this Indenture with respect to the Securities of such series and of the Securities of such series have been complied with.

With respect to the foregoing clause (a), only the Company's obligations under Section 7.07 in respect of the Securities of such series shall survive. With respect to the foregoing clause (b), only the Company's obligations in Sections 2.02, 2.03, 2.04, 2.05, 2.06, 2.07, 2.10, 2.11, 2.13, 4.02, 4.03, 7.07, 7.08, 8.04, and 8.05 in respect of the Securities of such

51

series shall survive until the Securities of such series are no longer outstanding. Thereafter, only the Company's obligations in Sections 4.03 and 7.07 in respect of the Securities of such series shall survive. After any such irrevocable deposit, the Trustee upon request shall acknowledge in writing the discharge of the Company's obligations under the Securities of such series and this Indenture with respect to the Securities of such series except for those surviving obligations specified above.

Section 8.02. Defeasance. The Company will be deemed to have paid and will be discharged from any and all obligations in respect of the Securities of any series, the provisions of this Indenture will, except as provided below, no longer be in effect with respect to the Securities of such series, the Trustee, at the expense of the Company, shall execute proper instruments acknowledging the same and the Securities of any such series will no longer be outstanding pursuant to Section 2.08, on the 91st day after the following conditions shall have been satisfied:

(a) the Company has irrevocably deposited in trust with the Trustee as trust funds solely for the benefit of the Holders of the Securities of such series, for payment of the principal of and any interest on the Securities of such series, money or U.S. Government Obligations or a combination thereof in an amount sufficient (unless such funds consist solely of money, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee) without consideration of any reinvestment and after payment of all federal, state and local taxes or other charges and assessments in respect thereof payable by the Trustee, to pay and discharge the principal of, any accrued interest on, and any mandatory sinking fund payments in respect of the outstanding Securities of such series to maturity or earlier redemption (irrevocably provided for under arrangements satisfactory to the Trustee), as the case may be;

(b) such deposit will not result in a breach or violation of, or constitute a default under, this Indenture or any other agreement or instrument to which the Company is a party or by which it is bound;

(c) no Default with respect to the Securities of such series shall have occurred and be continuing on the date of such deposit;

(d) the Company shall have delivered to the Trustee (i) either (A) a ruling directed to the Trustee received from the Internal Revenue Service to the effect that the Holders of the Securities of such series will not recognize income, gain or loss for federal income tax purposes as a result of such deposit and will be subject to federal income tax on the same amount and in the same manner and at the

52

same times as would have been the case if such deposit had not been made or (B) an Opinion of Counsel to the same effect as the ruling described in clause (A) above and (ii) an Opinion of Counsel to the effect that the Holders of the Securities of such series have a valid security interest in the trust funds subject to no prior liens under the Uniform Commercial Code or successor law, as then in effect in each applicable jurisdiction (the "UCC");

(e) such deposit would not cause any Securities of such series then listed on the New York Stock Exchange or other national securities exchange to be delisted as a result thereof; and

(f) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, in each case stating that all conditions precedent provided for herein relating to the defeasance contemplated by this Section 8.02 of the Securities of such series have been complied with.

The Company's obligations in Sections 2.02, 2.03, 2.04, 2.05, 2.06, 2.07, 2.10, 2.11, 2.13, 4.02, 4.03, 7.07, 7.08, and 8.04 with respect to the Securities of such series shall survive until such Securities are no longer outstanding. Thereafter, only the Company's obligations in Sections 4.03 and 7.07 shall survive.

Section 8.03. Covenant Defeasance. The Company may omit to comply with any term, provision or condition set forth in Sections 4.04 and 4.05 (or any other specific covenant relating to the Securities of any series established pursuant to Section 2.03 which may by its terms be defeased pursuant to this Section 8.03), and such omission shall be deemed not to be an Event of Default under clause (d) of Section 6.01 with respect to the outstanding Securities of a series if:

(a) the Company has irrevocably deposited in trust with the Trustee as trust funds solely for the benefit of the Holders of the Securities of such series, for payment of the principal of and any interest on the Securities of such series, money or U.S. Government Obligations or a combination thereof in an amount sufficient (unless such funds consist solely of money, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee) without consideration of any reinvestment and after payment of all federal, state and local taxes or other charges and assessments in respect thereof payable by the Trustee, to pay and discharge the principal of, any interest on, and any mandatory sinking fund payments in respect of the outstanding Securities of such series to maturity or earlier

53

redemption (irrevocably provided for under arrangements satisfactory to the Trustee), as the case may be;

(b) such deposit will not result in a breach or violation of, or constitute a default under, this Indenture or any other agreement or instrument to which the Company is a party or by which it is bound;

(c) no Default with respect to the Securities of such series shall have occurred and be continuing on the date of such deposit;

(d) the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that (i) the Holders of the Securities of such series have a valid security interest in the trust funds subject to no prior liens under the UCC and (ii) such Holders will not recognize income, gain or loss for federal income tax purposes as a result of such deposit and covenant defeasance and will be subject to federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred; and

(e) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, in each case stating that all conditions precedent provided for herein relating to the covenant defeasance contemplated by this Section 8.03 of the Securities of such series have been complied with.

Section 8.04. Application of Trust Money. Subject to Section 4.03, the Trustee or Paying Agent shall hold in trust money or U.S. Government Obligations deposited with it pursuant to Section 8.01, 8.02 or 8.03, as the case may be, in respect of the Securities of any series and shall apply the deposited money and the proceeds from deposited U.S. Government Obligations in accordance with the Securities of such series and this Indenture to the payment of the principal of and any interest on the Securities of such series; but such money need not be segregated from other funds except to the extent required by law.

Section 8.05. Reinstatement. If the Trustee or Paying Agent is unable to

apply any money or U.S. Government Obligations in accordance with Section 8.01, 8.02 or 8.03, as the case may be, by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Securities of the series for which such application was to be made shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.01, 8.02 or 8.03 and the Trustee or Paying Agent shall promptly pay to the Company upon written request any money or U.S. Government Obligations

54

deposited with it pursuant thereto; provided that if the Company has made any payment of interest on or principal of any Securities of such series because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

##### Amendments, Supplements and Waivers

Section 9.01. Without Consent of Holders. The Company, by a Board Resolution, and the Trustee may amend or supplement this Indenture or the Securities of any series without notice to or the consent of any Holder:

(a) to cure any ambiguity, defect or inconsistency in this Indenture or such Securities; provided that such amendments or supplements shall not materially and adversely affect the interests of the Holders affected thereby;

(b) to comply with Article 5;

(c) to evidence and provide for the acceptance of appointment hereunder with respect to the Securities of any or all series by a successor Trustee and to make provision for the appointment of different Trustees for the Securities of different series;

(d) to establish the form or forms or terms of the Securities of any series or of any coupons appertaining to such Securities pursuant to Section 2.03;

(e) to provide for uncertificated or bearer Securities, with or without coupons, and to make all appropriate changes for such purpose; and

(f) to make any change that does not materially and adversely affect the rights of any Holder of outstanding securities.

Section 9.02. With Consent of Holders. The Company, by a Board Resolution, and the Trustee may amend this Indenture and the Securities of any series for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or modifying in any manner the rights of Holders under this Indenture of such Securities, but only with the written consent of the Holders of a majority in principal amount of the outstanding Securities of each

55

series affected by such supplemental indenture voting separately; provided, however, that no such supplemental indenture shall, without the consent of the Holder of each outstanding Security of each series affected thereby,

(a) extend the stated maturity of the principal of, or any sinking fund obligation or any installment of interest on, such Holder's Security, or reduce the principal amount thereof or the rate of interest thereon (or Yield to Maturity of any Original Issue Discount Security), or adversely affect the rights of such Holder under any mandatory redemption or repurchase provision or any right of redemption or repurchase at the option of the Company or such Holder, or reduce the amount of the principal of an Original Issue Discount Security that would be due and payable upon an acceleration of the maturity thereof pursuant to Section 6.02 or the amount thereof provable in bankruptcy, or change any place of payment where, or the currency in which, any Security or the interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the due date therefor, or change the manner of determining any of the foregoing established pursuant to Section 2.03 for the Securities of any series;

(b) reduce the percentage in principal amount of outstanding Securities of the relevant series the consent of whose Holders is required for any such supplemental indenture, for any waiver of compliance with certain provisions of this Indenture or certain Defaults

and their consequences provided for in this Indenture;

(c) waive a Default in the payment of principal of or interest on any Security of such Holder; or

(d) change any obligation of the Company to maintain an office or agency in the places and for the purposes specified in Section 4.02; or

(e) modify any of the provisions of this Section 9.02, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each outstanding Security affected thereby.

A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of Holders of Securities of such series with respect to such covenant or provision, shall be

56

deemed not to affect the rights under this Indenture of the Holders of Securities of any other series or of the coupons appertaining to such Securities.

It shall not be necessary for the consent of any Holder under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company shall give to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. The Company will mail supplemental indentures to Holders upon request. Any failure of the Company to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture or waiver.

Section 9.03. Revocation and Effect of Consent. Until an amendment, supplemental indenture or waiver becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the Security of the consenting Holder, even if notation of the consent is not made on any Security. However, any such Holder or subsequent Holder may revoke the consent as to its Security or portion of its Security. Such revocation shall be effective only if the Trustee receives the notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver shall become effective with respect to any Securities affected thereby on receipt by the Trustee of written consents from the requisite Holders of outstanding Securities affected thereby.

The Company may, but shall not be obligated to, fix a record date (which may be not less than 10 nor more than 60 days prior to the solicitation of consents) for the purpose of determining the Holders of the Securities of any series affected entitled to consent to any amendment, supplement or waiver. If a record date is fixed, then, notwithstanding the immediately preceding paragraph, those Persons who were such Holders at such record date (or their duly designated proxies) and only those Persons shall be entitled to consent to such amendment, supplement or waiver or to revoke any consent previously given, whether or not such Persons continue to be such Holders after such record date. No such consent shall be valid or effective for more than 90 days after such record date.

After an amendment, supplement or waiver becomes effective with respect to the Securities of any series affected thereby, it shall bind every Holder of such Securities.

Section 9.04. Notation on or Exchange of Securities. If an amendment, supplement or waiver changes the terms of any Security, the Trustee may require the Holder thereof to deliver it to the Trustee. The Trustee may place an appropriate

57

notation on the Security about the changed terms and return it to the Holder and the Trustee may place an appropriate notation on any Security of such series thereafter authenticated. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Security shall issue and the Trustee shall authenticate a new Security of the same series and tenor that reflects the changed terms.

Section 9.05. Trustee to Sign Amendments, Etc.. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, in addition to the documents required by Section 10.02, an Opinion of Counsel stating that the execution of any amendment, supplement or waiver authorized pursuant to this

Article 9 is authorized or permitted by this Indenture, stating that all requisite consents have been obtained or that no consents are required and stating that such supplemental indenture constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, subject to customary exceptions. Subject to the preceding sentence, the Trustee shall sign such amendment, supplement or waiver if the same does not adversely affect the rights of the Trustee. The Trustee may, but shall not be obligated to, execute any such amendment, supplement or waiver that affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Section 9.06. Conformity with Trust Indenture Act. Every supplemental indenture executed pursuant to this Article 9 shall conform to the requirements of the Trust Indenture Act as then in effect.

Section 9.07. Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder will be bound thereby.

The Company or the Trustee by written notice to the other may designate additional or different addresses for subsequent notices or communications.

Failure to mail a notice or communication to a Holder or any defect in it shall not affect its sufficiency with respect to other Holders. Except as otherwise provided in this Indenture, if a notice or communication is mailed in the manner provided in this Section 10.01, it is duly given, whether or not the addressee receives it.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

In case it shall be impracticable to give notice as herein contemplated, then such notification as shall be made with the approval of the Trustee shall constitute a sufficient notification for every purpose hereunder.

Section 10.02. Certificate and Opinion as to Conditions Precedent. Upon any request or application by the Company to the Trustee to take any action under this Indenture, the Company shall furnish to the Trustee:

(a) an Officers' Certificate stating that, in the opinion of the signers, all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with; and

(c) a statement that, in the opinion of each such person, he has made such examination or investigation as is necessary to enable him to express an informed opinion as to whether or not such covenant or condition has been complied with; and

(d) a statement as to whether or not, in the opinion of each such person, such condition or covenant has been complied with; provided, however, that, with respect to matters of fact, an Opinion of Counsel may rely on an Officers' Certificate or certificates of public officials.

Section 10.04. Evidence of Ownership. The Company, the Trustee and any agent of the Company or the Trustee may deem and treat the Person in whose name any Security shall be registered upon the Security Register for such series as the absolute owner of such Security (whether or not such Security shall be overdue and notwithstanding any notation of ownership or other writing thereon) for the purpose of receiving payment of or on account of the principal of and, subject to the provisions of this Indenture, interest on such Security and for all other purposes; and neither the Company nor the Trustee nor any agent of the Company or the Trustee shall be affected by any notice to the contrary.
