## Item 1.01. Entry into a Material Definitive Agreement

### *Subsidiary Notes Offering*

On August 13, 2021, Becton Dickinson Euro Finance S.à r.l., a private limited liability company (société à responsabilité limitée) incorporated under the laws of the Grand Duchy of Luxembourg (“Becton Finance”) and an indirect, wholly-owned subsidiary of Becton, Dickinson and Company (“BD”), issued €900,000,000 aggregate principal amount of its 0.334% Notes due August 13, 2028 (the “2028 Notes”) and €900,000,000 aggregate principal amount of its 1.336% Notes due August 13, 2041 (the “2041 Notes” and, together with the 2028 Notes, the “Becton Finance Notes”) in an underwritten public offering.

### *Indenture and Supplemental Indenture*

The Becton Finance Notes were issued pursuant to the indenture, dated May 17, 2019, among Becton Finance, as issuer, BD, as guarantor, and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Becton Finance Base Indenture”), as amended and supplemented by the Third Supplemental Indenture thereto, dated as of August 13, 2021 (the “Becton Finance Third Supplemental Indenture” and, together with the Becton Finance Base Indenture, the “Becton Finance Indenture”).

The Becton Finance Notes are fully and unconditionally guaranteed on a senior unsecured basis by BD.

Becton Finance may, at its option, redeem the Becton Finance Notes, in whole or in part, at any time prior to (i) May 13, 2028 with respect to the 2028 Notes and (ii) February 13, 2041 with respect to the 2041 Notes, at a redemption price equal to the greater of (1) 100% of the principal amount to be redeemed and (2) the sum of the present values of the remaining scheduled payments on the Becton Finance Notes being redeemed, discounting such payments to the redemption date on an annual basis (ACTUAL/ACTUAL (ICMA)) at the applicable comparable government bond rate, plus 20 basis points in the case of the 2028 Notes and 25 basis points in the case of the 2041 Notes, plus accrued and unpaid interest, if any, to but excluding the date of redemption. At any time on or after (i) May 13, 2028 with respect to the 2028 Notes and (ii) February 13, 2041 with respect to the 2041 Notes, the Becton Finance Notes will be redeemable at Becton Finance’s option, in whole or in part, at a redemption price equal to 100% of the principal amount of the Becton Finance Notes to be redeemed, plus accrued and unpaid interest to the date of redemption on the principal balance of the Becton Finance Notes being redeemed.

Becton Finance or, in the case of its guarantee, BD, will, subject to certain exceptions and limitations set forth in the Becton Finance Third Supplemental Indenture, pay as additional interest on the Becton Finance Notes such additional amounts as are necessary in order that the net payment by Becton Finance of the principal of and interest on each of the Becton Finance Notes to a holder after withholding or deduction solely with respect to any present or future tax, assessment or other governmental charge imposed by Luxembourg, the United States, or any other jurisdiction in which Becton Finance or BD or, in each case, any successor thereof, may be organized, as applicable, or any political subdivision thereof or therein having the power to tax (a “Taxing Jurisdiction”), will not be less than the amount provided in the Becton Finance Notes to be then due and payable. If, as a result of any change in, or amendment to, the tax laws of a Taxing Jurisdiction, or an official interpretation thereof, Becton Finance becomes or, based upon a written opinion of independent counsel selected by Becton Finance, will become obligated to pay such additional amounts with respect to the Becton Finance Notes, Becton Finance may at any time at its option redeem, in whole, but not in part, the Becton Finance Notes at 100% of the principal amount plus accrued and unpaid interest, if any, to, but excluding, the date of redemption.

Upon the occurrence of a Change of Control Triggering Event (as defined in the Becton Finance Third Supplemental Indenture) with respect to either series of Becton Finance Notes, each holder of outstanding Becton Finance Notes of the applicable series will have the right to require Becton Finance to repurchase all or a portion of that holder’s Becton Finance Notes (in integral multiples of €1,000) at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to, but excluding, the date of purchase, subject to the rights of holders of such Becton Finance Notes on the relevant record date to receive interest due on the relevant interest payment date, unless Becton Finance has earlier exercised its right to redeem the Becton Finance Notes as described above.

---

Each of the following constitutes an event of default under the Becton Finance Indenture with respect to the Becton Finance Notes: (1) failure to pay any installment of interest on the Becton Finance Notes when due and payable, continued for 30 days; (2) failure to pay the principal when due of the Becton Finance Notes, whether at stated maturity or otherwise; (3) failure to observe or perform any other covenants, conditions or agreements of Becton Finance or BD with respect to the Becton Finance Notes for 60 days after Becton Finance receives notice of such failure; (4) certain events of bankruptcy, insolvency or reorganization of Becton Finance or BD; or (5) BD's guarantee ceases to be in full force and effect. If an event of default occurs, the principal amount of the Becton Finance Notes may be accelerated pursuant to the Becton Finance Indenture.

The Becton Finance Indenture includes requirements that must be met if Becton Finance or BD consolidates or merges with, or sells all or substantially all of their respective assets to, another entity. The Becton Finance Indenture also contains certain restrictive covenants with respect to Becton Finance, BD and its restricted subsidiaries, including a limitation on liens, a restriction on sale and leasebacks and a restriction on Becton Finance's activities that are inconsistent with its designation as a finance subsidiary.

The foregoing summary is qualified in its entirety by reference to the text of the Becton Finance Base Indenture, a copy of which is incorporated by reference herein from Exhibit 4.7 to BD's Registration Statement on Form S-3 filed on May 6, 2021, the Becton Finance Third Supplemental Indenture, a copy of which is filed herewith as Exhibit 4.1, the Form of 0.334% Notes due August 13, 2028 and the Form of 1.336% Notes due August 13, 2041, copies of which are filed herewith as Exhibit 4.2 and Exhibit 4.3, respectively.

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation Under an Off-balance Sheet Arrangement of a Registrant.**

The information included in Item 1.01 above is incorporated by reference into this Item 2.03.

*Becton, Dickinson and Company Notes Offering*

Additionally, on August 13, 2021, BD issued (i) €400,000,000 aggregate principal amount of its 0.000% Notes due August 13, 2023 (the "2023 Notes") and (ii) €500,000,000 aggregate principal amount of its 0.034% Notes due August 13, 2025 (the "2025 Notes" and, together with the 2023 Notes, the "BD Notes" and, together with the Becton Finance Notes, the "Notes") in an underwritten public offering.

The BD Notes were issued pursuant to the indenture, dated March 1, 1997, between the Company and The Bank of New York Mellon Trust Company, N.A. (as successor to JPMorgan Chase Bank), as trustee (the "BD Indenture"). Each of the 2023 Notes and the 2025 Notes is listed on the New York Stock Exchange under the symbol BDX/23B and BDX/25A, respectively.

BD may, at its option, redeem the BD Notes, in whole or in part, (i) at any time with respect to the 2023 Notes and (ii) at any time prior to July 13, 2025 with respect to the 2025 Notes, in each case, at a redemption price equal to the greater of (1) 100% of the principal amount to be redeemed and (2) the sum of the present values of the remaining scheduled payments on the BD Notes being redeemed, discounting such payments to the redemption date on an annual basis (ACTUAL/ACTUAL (ICMA)) at the applicable comparable government bond rate, plus 10 basis points in the case of the 2023 Notes and 15 basis points in the case of the 2025 Notes, plus accrued and unpaid interest, if any, to but excluding the date of redemption. At any time on or after July 13, 2025 with respect to the 2025 Notes, the 2025 Notes will be redeemable at BD's option, in whole or in part, at a redemption price equal to 100% of the principal amount of the 2025 Notes to be redeemed, plus accrued and unpaid interest to the date of redemption on the principal balance of the 2025 Notes being redeemed.

---

BD will, subject to certain exceptions and limitations set forth in the terms of the BD Notes, pay as additional interest on the BD Notes such additional amounts as are necessary in order that the net payment by BD of the principal of and interest on each of the BD Notes to a holder after withholding or deduction solely with respect to any present or future tax, assessment or other governmental charge imposed by the United States or a taxing authority in the United States, will not be less than the amount provided in the BD Notes to be then due and payable. If, as a result of any change in, or amendment to, the tax laws of the United States or the official interpretation thereof, BD becomes or, based upon a written opinion of independent counsel selected by BD, will become obligated to pay such additional amounts with respect to the BD Notes, BD may at any time at its option redeem, in whole, but not in part, the BD Notes at 100% of the principal amount plus accrued and unpaid interest, if any, to the date of redemption.

Upon the occurrence of a Change of Control Triggering Event (as defined in the BD Notes) with respect to either series of BD Notes, each holder of outstanding BD Notes of the applicable series will have the right to require BD to purchase all or a portion of that holder's BD Notes (in integral multiples of €1,000) at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to the date of purchase, subject to the rights of holders of such BD Notes on the relevant record date to receive interest due on the relevant interest payment date, unless BD has earlier exercised its right to redeem the applicable series of BD Notes as described above.

Each of the following constitutes an event of default under the BD Indenture with respect to the BD Notes: (1) failure to pay any installment of interest on the BD Notes when due and payable, continued for 30 days; (2) failure to pay the principal when due of the BD Notes, whether at its stated maturity or otherwise; (3) failure to observe or perform any other covenants, conditions or agreements of BD with respect to the BD Notes for 60 days after BD receives notice of such failure; or (4) certain events of bankruptcy, insolvency or reorganization.

The BD Indenture includes requirements that must be met if BD consolidates or merges with, or sells all or substantially all of its assets to, another entity. The BD Indenture also contains certain restrictive covenants with respect to BD and its restricted subsidiaries, including a limitation on liens and a restriction on sale and leasebacks.

The foregoing summary is qualified in its entirety by reference to the text of the BD Indenture, a copy of which is incorporated by reference herein from Exhibit 4.1 to BD's Registration Statement on Form S-3 filed on May 6, 2021, the Form of 0.000% Notes due August 13, 2023 and the Form of 0.034% Notes due August 13, 2025, copies of which are filed herewith as Exhibit 4.4 and Exhibit 4.5, respectively.

#### **Item 8.01. Other Events.**

##### *Underwriting Agreements*

On August 10, 2021, (i) BD entered into an underwriting agreement (the "BD Underwriting Agreement") with Barclays Bank PLC, BNP Paribas and Citigroup Global Markets Limited and the other underwriters named therein (the "BD Underwriters"), in connection with the offer and sale by BD to the BD Underwriters of the BD Notes described above, and (ii) Becton Finance, together with BD, entered into an underwriting agreement (the "Becton Finance Underwriting Agreement") with Barclays Bank PLC, BNP Paribas and Citigroup Global Markets Limited and the several other underwriters named therein (the "Becton Finance Underwriters") in connection with the offer and sale by Becton Finance to the Becton Finance Underwriters of the Becton Finance Notes described above.

---

BD expects to use the net proceeds from the offerings of the Becton Finance Notes and the BD Notes, together with cash on hand, to (A) fund the purchase price and accrued and unpaid interest for all of the validly tendered and accepted notes tendered in connection with BD's previously announced tender offers to purchase for cash (collectively, the "Tender Offers"): (i) any and all of its 2.894% senior notes due 2022 and 3.300% senior notes due 2023 (collectively, the "Any and All Notes") and (ii) subject to prioritized acceptance levels, series-specific tender caps, if any, an aggregate maximum tender cap and proration, up to a specified aggregate principal amount of each of its 3.875% senior notes due 2024, 3.734% senior notes due 2024 and 3.363% senior notes due 2024 (collectively, the "Maximum Tender Notes" and, together with the Any and All Notes, the "Tender Notes") and (B) to redeem any Any and All Notes that are not tendered in the applicable Tender Offers, in accordance with the indenture governing the Any and All Notes (however BD is not obligated to redeem any such Any and All Notes that are not tendered and accepted in the Tender Offers and there can be no assurance that it will do so). The Tender Offers are being made upon the terms and conditions set forth in BD's offer to purchase, dated August 5, 2021 (as it may be amended from time to time, the "Offer to Purchase").

Certain of the BD Underwriters, the Becton Finance Underwriters or their affiliates may hold a portion of the Tender Notes and accordingly may receive a portion of the net proceeds of the offerings of the Becton Finance Notes and the BD Notes.

The foregoing summary is qualified in its entirety by reference to the text of the BD Underwriting Agreement and the Becton Finance Underwriting Agreement, copies of which are filed herewith as Exhibit 1.1 and Exhibit 1.2, respectively.

The foregoing is not an offer to purchase or a solicitation of an offer to sell the Tender Notes and does not constitute a redemption notice for either series of the Any and All Notes. The Tender Offers are being made only by and pursuant to the terms of the Offer to Purchase.

#### *Existing Notes Redemption*

On August 13, 2021, BD caused to be delivered (i) to the holders of its 2.894% senior notes due June 6, 2022 (the "Existing 2022 Notes") a notice of full redemption with respect to the entire \$1,535,000,000 aggregate principal amount of Existing 2022 Notes then outstanding and (ii) to the holders of its 3.300% senior notes due March 1, 2023 (the "Existing 2023 Notes" and together with the Existing 2022 Notes, the "Redemption Notes") a notice of full redemption with respect to the entire \$293,850,000 aggregate principal amount of Existing 2023 Notes then outstanding.

Each series of Redemption Notes is expected to be fully redeemed on September 13, 2021 (the "Redemption Date").

The Existing 2022 Notes will be redeemed at a redemption price equal to the greater of (1) 100% of the principal amount of the Existing 2022 Notes and (2) the sum of the present values of the remaining scheduled payments on the Existing 2022 Notes, discounted to the Redemption Date by the comparable government bond less a discount in accordance with the terms of the BD Indenture and the Existing 2022 Notes, plus accrued and unpaid interest to, but excluding, the Redemption Date on the principal balance of the Existing 2022 Notes.

The Existing 2023 Notes will be redeemed at a redemption price equal to the greater of (1) 100% of the principal amount of the Existing 2023 Notes and (2) the sum of the present values of the remaining scheduled payments on the Existing 2023 Notes, discounted to the Redemption Date by the comparable government bond less a discount in accordance with the terms of the BD Indenture and the Existing 2023 Notes, plus accrued and unpaid interest to the Redemption Date on the principal balance of the Existing 2023 Notes.

(j) To cooperate with the Underwriters in arranging for the Securities to be eligible for clearance and settlement through Euroclear and Clearstream.

6. (a) (i) The Company represents and agrees that, other than the final term sheet prepared and filed pursuant to Section 5(a) hereof, without the prior consent of the Representatives, it has not made and will not make any offer relating to the Securities that would constitute a "free writing prospectus" as defined in Rule 405 under the Act;

(ii) each Underwriter represents and agrees that, without the prior consent of the Company and the Representatives, other than one or more term sheets relating to the Securities containing customary information and conveyed to purchasers of Securities or any free writing prospectus that would not be required to be filed with the Commission (including customary Bloomberg communications containing preliminary or final terms of the securities), it has not made and will not make any offer relating to the Securities that would constitute a free writing prospectus; and

(iii) any such free writing prospectus the use of which has been consented to by the Company and the Representatives (other than the final term sheet prepared and filed pursuant to Section 5(a) hereof) is listed on Schedule II(a) hereto;

(b) The Company has complied and will comply with the requirements of Rule 433 under the Act applicable to any Issuer Free Writing Prospectus, including timely filing with the Commission or retention where required and legending; and

(c) The Company agrees that if at any time following issuance of an Issuer Free Writing Prospectus any event occurred or occurs as a result of which such Issuer Free Writing Prospectus would conflict with the information in the Registration Statement, the Pricing Prospectus or the Prospectus or would include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances then prevailing, not misleading, the Company will give prompt notice thereof to the Representatives, if requested by the Representatives, will prepare and furnish without charge to each Underwriter an Issuer Free Writing Prospectus or other document which will correct such conflict, statement or omission; provided, however, that this representation and warranty shall not apply to any statements or omissions in an Issuer Free Writing Prospectus made in reliance upon and in conformity with information furnished in writing to the Company by an Underwriter expressly for use therein.

7. The Company covenants and agrees with the several Underwriters that the Company will pay or cause to be paid the following: (i) the fees, disbursements and expenses of the Company's counsel and accountants in connection with the registration of the Securities under the Act and all other expenses in connection with the preparation, printing, and filing of the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, any Issuer Free Writing Prospectus and the Prospectus and amendments and supplements thereto and the mailing and delivering of copies thereof to the Underwriters and dealers; (ii) the cost of printing or producing this Agreement, the Indenture, any blue sky memorandum and any other documents in connection with the offering, purchase, sale and delivery of the Securities; (iii) all expenses in connection with the qualification of the Securities for offering and sale under state securities laws as provided in Section 5(d) hereof, including the reasonable fees and disbursements of counsel for the Underwriters in connection with such qualification and in connection with any blue sky survey; (iv) any fees charged by securities rating services for rating the Securities; (v) the cost of preparing the Securities; (vi) the fees and expenses of the Trustee and any paying agent, registrar or depository and any agent of the Trustee or such paying agent and the fees and disbursements of counsel for the Trustee and such paying agent in connection with the Indenture, the Securities; (vii) all expenses and application fees in connection with the listing of the Securities on the NYSE; (viii) all expenses and application fees in connection with the approval of the Securities for eligibility for clearance and settlement through Euroclear and Clearstream; and (ix) all other costs and expenses incident to the Company's performance of its obligations hereunder which are not otherwise specifically provided for in this Section. It is understood, however, that, except as provided in this Section, and Sections 9 and 16 hereof, the Underwriters will pay all of their own costs and expenses, including the fees of their counsel, all expenses incurred by the Underwriters in connection with any "road show", transfer taxes on resale of any of the Securities by the Underwriters, and any advertising expenses connected with any offers they may make.

8. The obligations of the Underwriters hereunder shall be subject, in their discretion, to the condition that all representations and warranties and other statements of the Company herein are, at and as of the Time of Delivery, true and correct, the condition that the Company shall have performed all of its obligations hereunder theretofore to be performed, and the following additional conditions:

(a) The Prospectus shall have been filed with the Commission pursuant to Rule 424(b) under the Act within the applicable time period prescribed for such filing by the rules and regulations under the Act and in accordance with Section 5(a) hereof; the final term sheet contemplated by Section 5(a) hereof, and any other material required to be filed by the Company pursuant to Rule 433(d) under the Act, shall have been filed with the Commission within the applicable time periods prescribed for such filings by Rule 433; no stop order suspending the effectiveness of the Registration Statement or any part thereof shall have been issued and no proceeding for that purpose or pursuant to Section 8A of the Securities Act shall have been initiated or threatened by the Commission and no notice of objection of the Commission to the use of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Act shall have been received; no stop order suspending or preventing the use of the Prospectus or any Issuer Free Writing Prospectus shall have been initiated or threatened by the Commission; and all requests for additional information on the part of the Commission shall have been complied with to your reasonable satisfaction;

(b) Sullivan & Cromwell LLP, counsel for the Underwriters, shall have furnished to you such opinion or opinions, dated the Time of Delivery, in form and substance satisfactory to you, with respect to the incorporation of the Company, the validity of the Indenture, the Securities, the Registration Statement, the Prospectus and other related matters as you may reasonably request, and the Company shall have furnished to such counsel such papers and information as they may reasonably request to enable them to pass upon such matters;

(c) (i) The Assistant General Counsel for the Company and (ii) Skadden, Arps, Slate, Meagher & Flom LLP, acting as special counsel for the Company shall have furnished to you their respective written opinions (the content of which is set forth in Annex I(a) and Annex I(b) hereto, respectively), dated the Time of Delivery, in form and substance reasonably satisfactory to you;

(d) (i) At the time of the execution of this Agreement, Ernst & Young LLP, as auditors of the Company, shall have furnished to you a letter, dated such date, in form and substance satisfactory to you, to the effect set forth in Annex II hereto; and (ii) at the Time of Delivery, Ernst & Young LLP shall have furnished to the Underwriters a letter, dated such Time of Delivery, in form and substance satisfactory to the Underwriters, to the effect that they reaffirm the statements made in the relevant letter furnished pursuant to Section 8(d)(i) above, except that the specified date referred to shall be a date not more than three business days prior to the Time of Delivery;

(e) (i) Neither the Company nor any of its subsidiaries shall have sustained since the date of the latest audited financial statements included or incorporated by reference in the Pricing Prospectus any loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree, otherwise than as set forth or contemplated in the Pricing Prospectus, and (ii) since the respective dates as of which information is given in the Pricing Prospectus there shall not have been any change in the capital stock (other than the issuance of shares under the Company's employee benefit or stock purchase plans or upon conversion of outstanding convertible preferred stock of the Company) or long term debt of the Company or any of its subsidiaries or any change, or any development involving a prospective change, in or affecting the general affairs, management, financial position, stockholders' equity or results of operations of the Company and its subsidiaries, otherwise than as set forth or contemplated in the Pricing Prospectus, the effect of which, in any such case described in clause (i) or (ii), is in your judgment so material and adverse as to make it impracticable or inadvisable to proceed with the public offering or the delivery of the Securities on the terms and in the manner contemplated in the Prospectus;

(f) On or after the Applicable Time (i) no downgrading shall have occurred in the rating accorded the Company's debt securities by any "nationally recognized statistical rating organization", as that term is defined in Section 3(a)(62) of the Exchange Act, and (ii) no such organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any of the Company's debt securities;

(g) On or after the Applicable Time there shall not have occurred any of the following: (i) a suspension or material limitation in trading in securities generally on the NYSE; (ii) a suspension or material limitation in trading in the Company's securities on the NYSE; (iii) a general moratorium on commercial banking activities declared by Federal, New York State or European Union authorities or a material disruption in commercial banking or securities settlement or clearance services in the United States or the European Union; or (iv) the outbreak or escalation of hostilities involving the United States or the declaration by the United States of a national emergency or war; or (v) the occurrence of any other calamity or crisis or any change in financial, political or economic conditions in the United States or the member states of the European Union or elsewhere, if the effect of any such event specified in clause (iv) or (v) in your judgment makes it impracticable or inadvisable to proceed with the public offering or the delivery of the Securities on the terms and in the manner contemplated by the Prospectus;

(h) The Securities shall be eligible for clearance and settlement through Euroclear and Clearstream;

(i) The Securities shall be duly listed and admitted for trading on the NYSE, subject to official notice of issuance;

(j) The Company shall have furnished or caused to be furnished to you at the Time of Delivery certificates of officers of the Company reasonably satisfactory to you as to the accuracy of the representations and warranties of the Company herein at and as of such time, as to the performance by the Company of all of its obligations hereunder to be performed at or prior to such time, as to the matters set forth in subsections (a) and (e) of this Section and as to such other matters as you may reasonably request; and

(k) The Company shall have furnished or caused to be furnished to you at the Time of Delivery a certificate from the chief financial officer of the Company reasonably satisfactory to you as to the absence of instruments or agreements which limit or restrict the freedom of the Company to incur the indebtedness evidenced by the Notes.

If any of the conditions specified in this Section 8 shall not have been fulfilled when and as provided in this Agreement, or if any of the opinions and certificates mentioned above or elsewhere in this Agreement shall not be reasonably satisfactory in form and substance to the Representatives and counsel to the Underwriters, this Agreement and all obligations of the Underwriters hereunder may be canceled at, or at any time prior to, the Time of Delivery by the Representatives. Notice of such cancellation shall be given to the Company in writing or by telephone or facsimile confirmed in writing.

The documents required to be delivered by this Section 8 shall be delivered at the office of Sullivan & Cromwell LLP, counsel for the Underwriters, at 125 Broad Street, New York, New York 10004, at the Time of Delivery.

9. (a) The Company will indemnify and hold harmless each Underwriter against any losses, claims, damages or liabilities, joint or several, to which such Underwriter may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, any Issuer Free Writing Prospectus or any "issuer information" filed or required to be filed pursuant to Rule 433(d) under the Act, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each Underwriter for any legal or other expenses reasonably incurred by such Underwriter in connection with investigating or defending any such action or claim as such expenses are incurred; provided, however, that the Company shall not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, or any Issuer Free Writing Prospectus, in reliance upon and in conformity with written information furnished to the Company by any Underwriter expressly for use therein.

(b) Each Underwriter, severally and not jointly, will indemnify and hold harmless the Company against any losses, claims, damages or liabilities to which the Company may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, or any Issuer Free Writing Prospectus, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus or any such amendment or supplement thereto, or any Issuer Free Writing Prospectus, in reliance upon and in conformity with written information furnished to the Company by such Underwriter expressly for use therein; and will reimburse the Company for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such action or claim as such expenses are incurred. The Company acknowledges that the following statements under the caption "Underwriting" in the Prospectus (i) the seventh sentence of the sixth paragraph of text, concerning market making by the Underwriters, (ii) the third paragraph of text, concerning the terms of the offering by the Underwriters and (iii) the eighth, ninth and tenth paragraphs of text, concerning stabilization, short-positions and penalty bids created by the Underwriters, constitute the only information furnished in writing to the Company by or on behalf of the several Underwriters for inclusion in any Preliminary Prospectus, the Pricing Disclosure Package and the Prospectus.

(c) Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under such subsection. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party) provided that in the event of such assumption the action may not be compromised or settled by the indemnifying party without the consent of the indemnified party, which consent shall not be unreasonably withheld. After notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. The indemnifying party shall not be liable to the indemnified party pursuant to the provisions of this Section 9 in respect of any action compromised or settled by the indemnified party, unless the written consent of the indemnifying party shall have been obtained to such compromise or settlement (which consent shall not be unreasonably withheld).

(d) If the indemnification provided for in this Section 9 is unavailable to or insufficient to hold harmless an indemnified party under subsection (a) or (b) above in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other from the offering of the Securities. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under subsection (c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the table on the cover page of the Prospectus. The relative fault shall be determined by reference to, among other things, whether any untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or the Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this subsection (d) to contribute are several in proportion to their respective underwriting obligations and not joint.

(c) The obligations of the Company under this Section 9 shall be in addition to any liability which the Company may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls any Underwriter within the meaning of the Act and each broker-dealer affiliate of any Underwriter, and the directors, officers and selling agents of each Underwriter; and the obligations of the Underwriters under this Section 9 shall be in addition to any liability which the respective Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Company and to each person, if any, who controls the Company within the meaning of the Act.

10. (a) If at the Time of Delivery, any Underwriter shall default in its obligation to purchase the Securities which it has agreed to purchase hereunder, the Representatives may in their discretion arrange for any of the Representatives or another party or other parties to purchase such Securities on the terms contained herein. If within thirty-six hours after such default by any Underwriter the Representatives do not arrange for the purchase of such Securities, then the Company shall be entitled to a further period of thirty-six hours within which to procure another party or other parties satisfactory to the Representatives to purchase such Securities on such terms. In the event that, within the respective prescribed periods, the Representatives notify the Company that they have so arranged for the purchase of such Securities, or the Company notifies the Representatives that it has so arranged for the purchase of such Securities, the Representatives or the Company shall have the right to postpone the Time of Delivery for a period of not more than seven days, in order to effect whatever changes may thereby be made necessary in the Registration Statement or the Prospectus, or in any other documents or arrangements, and the Company agrees to file promptly any amendments or supplements to the Registration Statement or the Prospectus which in the opinion of the Representatives may thereby be made necessary. The term "Underwriter" as used in this Agreement shall include any person substituted under this Section 10 with like effect as if such person had originally been a party to this Agreement with respect to such Securities.

(b) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Underwriter or Underwriters by the Representatives and the Company as provided in subsection (a) above, the aggregate principal amount of such Securities which remains unpurchased does not exceed one eleventh of the aggregate principal amount of all the Securities, then the Company shall have the right to require each non-defaulting Underwriter to purchase the principal amount of Securities which such Underwriter agreed to purchase hereunder and, in addition, to require each non-defaulting Underwriter to purchase its pro rata share (based on the principal amount of Securities which such Underwriter agreed to purchase hereunder) of the Securities of such defaulting Underwriter or Underwriters for which such arrangements have not been made; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

(c) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Underwriter or Underwriters by the Representatives and the Company as provided in subsection (a) above, the aggregate principal amount of Securities which remains unpurchased exceeds one eleventh of the aggregate principal amount of all the Securities, or if the Company shall not exercise the right described in subsection (b) above to require non-defaulting Underwriters to purchase Securities of a defaulting Underwriter or Underwriters, then this Agreement shall thereupon terminate if so decided by the Company upon notice to the Underwriters pursuant to Section 18 hereunder, without liability on the part of any non-defaulting Underwriter or the Company, except for the expenses to be borne by the Company and the Underwriters as provided in Section 7 hereof and the indemnity and contribution agreements in Section 9 hereof; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

11. The Company hereby authorizes Barclays Bank PLC in its role as stabilizing manager (the "Stabilizing Manager") to make adequate public disclosure regarding stabilization of the information required in relation to such stabilization by Commission Delegated Regulation (EU) 2016/1052 of 8 March 2016 (the "Delegated Regulation") and/or the Delegated Regulation as it forms part of domestic law by virtue of the EUWA, as applicable. The Stabilizing Manager for its own account may, to the extent permitted by applicable laws and directives, over-allot and effect transactions with a view to supporting the market price of the Securities at a level higher than that which might otherwise prevail, but in doing so the Stabilizing Manager shall act as principal and not as agent of the Company and any loss resulting from over-allotment and stabilization shall be borne, and any profit arising therefrom shall be beneficially retained, by the Stabilizing Manager. However, there is no assurance that the Stabilizing Manager (or persons acting on behalf of the Stabilizing Manager) will undertake any stabilization action. Nothing contained in this paragraph shall be construed so as to require the Company to issue in excess of the aggregate principal amount of Securities specified in Schedule I hereto. Such stabilization, if commenced, may be discontinued at any time and shall be conducted by the Stabilizing Manager in accordance with all applicable laws and directives.

12. Solely for the purposes of the requirements of Article 9(8) of the MIFID Product Governance rules under EU Delegated Directive 2017/593 (the “Product Governance Rules”) regarding the mutual responsibilities of manufacturers under the Product Governance Rules: (a) Citigroup Global Markets Limited (the “MIFID Manufacturer”) acknowledges that it understands the responsibilities conferred upon it under the Product Governance Rules relating to each of the product approval process, the target market and the proposed distribution channels as applying to the Securities and the related information set out in any Preliminary Prospectus and the Prospectus, or any such amendment or supplement, in connection with the Securities; and (b) each of the other Underwriters and the Company note the application of the Product Governance Rules and acknowledge the target market and distribution channels identified as applying to the Securities by the MIFID Manufacturers and the related information set out in any Preliminary Prospectus and the Prospectus, or any such amendment or supplement, in connection with the Securities.

13. Solely for the purposes of the requirements of the FCA Handbook Product Intervention and Product Governance Sourcebook (the “UK MiFIR Product Governance Rules”), regarding the mutual responsibilities of manufacturers under the UK MiFIR Product Governance Rules:

(a) Each of Barclays Bank PLC, BNP Paribas, Citigroup Global Markets Limited, Morgan Stanley & Co. International plc and J.P. Morgan Securities plc (each a “UK MiFIR Manufacturer” and together, the “UK MiFIR Manufacturers”) acknowledges to each other UK MiFIR Manufacturer that it understands the responsibilities conferred upon it under the UK MiFIR Product Governance Rules relating to each of the product approval process, the target market and the proposed distribution channels as applying to the Securities and the related information set out in any Preliminary Prospectus and the Prospectus, or any such amendment or supplement, in connection with the Securities; and

(b) Each of the other Underwriters and the Company note the application of the UK MiFIR Product Governance Rules and acknowledge the target market and distribution channels identified as applying to the Securities by the UK MiFIR Manufacturers and the related information set out in any Preliminary Prospectus and the Prospectus, or any such amendment or supplement, in connection with the Securities.

14. If for the purposes of obtaining judgment in any court it is necessary to convert a sum due hereunder into any currency other than United States dollars, the parties hereto agree, to the fullest extent permitted by law, that the rate of exchange used shall be the rate at which in accordance with normal banking procedures the Underwriters could purchase United States dollars with such other currency in The City of New York on the business day preceding that on which final judgment is given. The obligation of the Company with respect to any sum due from it to any Underwriter or any person controlling any Underwriter or any broker-dealer affiliate of any Underwriter shall, notwithstanding any judgment in a currency other than United States dollars, not be discharged until the first business day following receipt by such Underwriter or controlling person or broker-dealer affiliate of such Underwriter of any sum in such other currency, and only to the extent that such Underwriter or controlling person or broker-dealer affiliate of such Underwriter may in accordance with normal banking procedures purchase United States dollars with such other currency. If the United States dollars so purchased are less than the sum originally due to such Underwriter or controlling person or broker-dealer affiliate of such Underwriter hereunder, the Company jointly and severally agree, as a separate obligation and notwithstanding any such judgment, to indemnify such Underwriter or controlling person or broker-dealer affiliate of such Underwriter against such loss. If the United States dollars so purchased are greater than the sum originally due to such Underwriter or controlling person or broker-dealer affiliate of such Underwriter hereunder, such Underwriter or controlling person or broker-dealer affiliate of such Underwriter agrees to pay to the Company an amount equal to the excess of the dollars so purchased over the sum originally due to such Underwriter or controlling person or broker-dealer affiliate of such Underwriter hereunder.

15. The respective indemnities, agreements, representations, warranties and other statements of the Company and the several Underwriters, as set forth in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Underwriter or any controlling person of any Underwriter, or the Company, or any officer or director or controlling person of the Company, and shall survive delivery of and payment for the Securities.

16. If this Agreement shall be terminated pursuant to Section 10 hereof, the Company shall not then be under any liability to any Underwriter except as provided in Sections 7 and 9 hereof; but, if for any other reason, the Securities are not delivered by or on behalf of the Company as provided herein, the Company will reimburse the Underwriters for all out of pocket expenses approved in writing by the Representatives, including fees and disbursements of counsel, reasonably incurred by the Underwriters in making preparations for the purchase, sale and delivery of the Securities, but the Company shall not then be under further liability to any Underwriter except as provided in Sections 7 and 9 hereof.

17. The execution of this Agreement by all parties will constitute the Underwriters' acceptance of the ICMA Agreement Among Managers Version 1/New York Schedule subject to any amendment notified to the Underwriters in writing at any time prior to the execution of this Agreement. References to the "Managers" shall be deemed to refer to the Underwriters, references to the "Lead Manager" shall be deemed to refer to each of the Representatives and references to "Settlement Lead Manager" shall be deemed to refer to Barclays Bank PLC. As applicable to the Underwriters, Clause 3 of the ICMA Agreement Among Managers Version 1/New York Schedule shall be deemed to be deleted in its entirety and replaced with Section 10 of this Agreement.

18. All statements, requests, notices and agreements hereunder shall be in writing, and if to the Underwriters shall be delivered or sent by mail, telex or facsimile transmission to you in care of Barclays Bank PLC, 5 The North Colonnade, Canary Wharf, London E14 4BB, United Kingdom, Attention: Debt Syndicate (tel: +44-207-773 9098, email: LeadManagedBondNotices@barclayscorp.com); BNP Paribas, 10 Harewood Avenue, London NW1 6AA, United Kingdom, Attention: Fixed Income Syndicate; Citigroup Global Markets Limited, Citigroup Centre, Canada Square, Canary Wharf, London E14 5LB, United Kingdom, Attention: Syndicate Desk; and if to the Company shall be delivered or sent by mail, telex or facsimile transmission to the address of the Company set forth in the Registration Statement, Attention: Secretary; provided, however, that any notice to an Underwriter pursuant to Section 9(c) hereof shall be delivered or sent by mail, telex or facsimile transmission to such Underwriter at its address set forth in its Underwriters' Questionnaire, or telex constituting such Questionnaire, which address will be supplied to the Company by the Representatives upon request. Any such statements, requests, notices or agreements shall take effect upon receipt thereof.

In accordance with the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), the Underwriters are required to obtain, verify and record information that identifies their respective clients, including the Company, which information may include the name and address of their respective clients, as well as other information that will allow the Underwriters to properly identify their respective clients.

19. This Agreement shall be binding upon, and inure solely to the benefit of, the Underwriters, the Company and, to the extent provided in Sections 9 and 15 hereof, the officers and directors of the Company and each person who controls the Company or any Underwriter, and their respective heirs, executors, administrators, successors and assigns, and no other person shall acquire or have any right under or by virtue of this Agreement. No purchaser of any of the Securities from any Underwriter shall be deemed a successor or assign by reason merely of such purchase.

20. Time shall be of the essence of this Agreement. As used herein, the term “business day” shall mean any day when the Commission’s office in Washington, D.C. is open for business.

21. The Company acknowledges and agrees that (i) the purchase and sale of the Securities pursuant to this Agreement is an arm’s-length commercial transaction between the Company, on the one hand, and the several Underwriters, on the other, (ii) in connection therewith and with the process leading to such transaction each Underwriter is acting solely as a principal and not the agent or fiduciary of the Company, (iii) no Underwriter has assumed an advisory or fiduciary responsibility in favor of the Company with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters) or any other obligation to the Company except the obligations expressly set forth in this Agreement and (iv) the Company has consulted its own legal and financial advisors to the extent it deemed appropriate. The Company agrees that it will not claim that the Underwriters, or any of them, has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Company, in connection with such transaction or the process leading thereto.

(c) The Company and the Guarantor agree that if at any time following issuance of an Issuer Free Writing Prospectus any event occurred or occurs as a result of which such Issuer Free Writing Prospectus would conflict with the information in the Registration Statement, the Pricing Prospectus or the Prospectus or would include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances then prevailing, not misleading, the Company and the Guarantor will give prompt notice thereof to the Representatives, if requested by the Representatives, will prepare and furnish without charge to each Underwriter an Issuer Free Writing Prospectus or other document which will correct such conflict, statement or omission; provided, however, that this representation and warranty shall not apply to any statements or omissions in an Issuer Free Writing Prospectus made in reliance upon and in conformity with information furnished in writing to the Company and the Guarantor by an Underwriter expressly for use therein.

7. Each of the Company and the Guarantor, jointly and severally, covenants and agrees with the several Underwriters that the Company and the Guarantor will pay or cause to be paid the following: (i) the fees, disbursements and expenses of the Company's and the Guarantor's counsel and accountants in connection with the registration of the Securities and the Guarantees under the Act and all other expenses in connection with the preparation, printing, and filing of the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, any Issuer Free Writing Prospectus and the Prospectus and amendments and supplements thereto and the mailing and delivering of copies thereof to the Underwriters and dealers; (ii) the cost of printing or producing this Agreement, the Indenture, any blue sky memorandum and any other documents in connection with the offering, purchase, sale and delivery of the Securities and the Guarantees; (iii) all expenses in connection with the qualification of the Securities and the Guarantees for offering and sale under state securities laws as provided in Section 5(d) hereof, including the reasonable fees and disbursements of counsel for the Underwriters in connection with such qualification and in connection with any blue sky survey; (iv) any fees charged by securities rating services for rating the Securities; (v) the cost of preparing the Securities and the Guarantees; (vi) the fees and expenses of the Trustee and any paying agent, registrar or depository and any agent of the Trustee or such paying agent and the fees and disbursements of counsel for the Trustee and such paying agent in connection with the Indenture, the Securities and the Guarantees; (vii) the costs of admitting the Securities to the Official List of Euronext Dublin and to trading on the Global Exchange Market thereof and any expenses incidental thereto, including those of the Irish listing agent; (viii) all expenses and application fees in connection with the approval of the Securities for eligibility for clearance and settlement through Euroclear and Clearstream; and (ix) all other costs and expenses incident to the Company's and the Guarantor's performance of their obligations hereunder which are not otherwise specifically provided for in this Section. It is understood, however, that, except as provided in this Section, and Sections 9 and 16 hereof, the Underwriters will pay all of their own costs and expenses, including the fees of their counsel, all expenses incurred by the Underwriters in connection with any "road show", transfer taxes on resale of any of the Securities by the Underwriters, and any advertising expenses connected with any offers they may make.

8. The obligations of the Underwriters hereunder shall be subject, in their discretion, to the condition that all representations and warranties and other statements of the Company and the Guarantor herein are, at and as of the Time of Delivery, true and correct, the condition that the Company and the Guarantor shall have each performed all of their respective obligations hereunder theretofore to be performed, and the following additional conditions:

(a) The Prospectus shall have been filed with the Commission pursuant to Rule 424(b) under the Act within the applicable time period prescribed for such filing by the rules and regulations under the Act and in accordance with Section 5(a) hereof; the final term sheet contemplated by Section 5(a) hereof, and any other material required to be filed by the Company or the Guarantor pursuant to Rule 433(d) under the Act, shall have been filed with the Commission within the applicable time periods prescribed for such filings by Rule 433; no stop order suspending the effectiveness of the Registration Statement or any part thereof shall have been issued and no proceeding for that purpose or pursuant to Section 8A of the Securities Act shall have been initiated or threatened by the Commission and no notice of objection of the Commission to the use of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Act shall have been received; no stop order suspending or preventing the use of the Prospectus or any Issuer Free Writing Prospectus shall have been initiated or threatened by the Commission; and all requests for additional information on the part of the Commission shall have been complied with to your reasonable satisfaction;

(b) Sullivan & Cromwell LLP, counsel for the Underwriters, shall have furnished to you such opinion or opinions, dated the Time of Delivery, in form and substance satisfactory to you, with respect to the incorporation of the Guarantor, the validity of the Indenture, the Securities, the Guarantees, the Registration Statement, the Prospectus and other related matters as you may reasonably request, and the Company and the Guarantor shall have furnished to such counsel such papers and information as they may reasonably request to enable them to pass upon such matters;

(c) (i) The Assistant General Counsel for the Guarantor; (ii) Skadden, Arps, Slate, Meagher & Flom LLP, acting as special United States counsel for the Company and the Guarantor; and (iii) Loyens & Loeff Luxembourg S.à r.l., acting as special Luxembourg counsel for the Company shall have furnished to you their respective written opinions (the content of which is set forth in Annex I(a), Annex I(b) and Annex I(c) hereto, respectively), dated the Time of Delivery, in form and substance reasonably satisfactory to you;

(d) (i) At the time of the execution of this Agreement, Ernst & Young LLP, as auditors of the Company, shall have furnished to you a letter, dated such date, in form and substance satisfactory to you, to the effect set forth in Annex II hereto; and (ii) at the Time of Delivery, Ernst & Young LLP shall have furnished to the Underwriters a letter, dated such Time of Delivery, in form and substance satisfactory to the Underwriters, to the effect that they reaffirm the statements made in the relevant letter furnished pursuant to Section 8(d)(i) above, except that the specified date referred to shall be a date not more than three business days prior to the Time of Delivery;

(e) (i) Neither the Guarantor nor any of its subsidiaries shall have sustained since the date of the latest audited financial statements included or incorporated by reference in the Pricing Prospectus any loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree, otherwise than as set forth or contemplated in the Pricing Prospectus, and (ii) since the respective dates as of which information is given in the Pricing Prospectus there shall not have been any change in the capital stock (other than the issuance of shares under the Guarantor's employee benefit or stock purchase plans or upon conversion of outstanding convertible preferred stock of the Guarantor) or long term debt of the Guarantor or any of its subsidiaries or any change, or any development involving a prospective change, in or affecting the general affairs, management, financial position, stockholders' equity or results of operations of the Guarantor and its subsidiaries, otherwise than as set forth or contemplated in the Pricing Prospectus, the effect of which, in any such case described in clause (i) or (ii), is in your judgment so material and adverse as to make it impracticable or inadvisable to proceed with the public offering or the delivery of the Securities on the terms and in the manner contemplated in the Prospectus;

(f) On or after the Applicable Time (i) no downgrading shall have occurred in the rating accorded the Company's or the Guarantor's debt securities by any "nationally recognized statistical rating organization", as that term is defined in Section 3(a)(62) of the Exchange Act, and (ii) no such organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any of the Company's or the Guarantor's debt securities;

(g) On or after the Applicable Time there shall not have occurred any of the following: (i) a suspension or material limitation in trading in securities generally on the NYSE; (ii) a suspension or material limitation in trading in the Company's or the Guarantor's securities on the NYSE; (iii) a general moratorium on commercial banking activities declared by Federal, New York State or European Union authorities or a material disruption in commercial banking or securities settlement or clearance services in the United States or the European Union; or (iv) the outbreak or escalation of hostilities involving the United States or the declaration by the United States of a national emergency or war; or (v) the occurrence of any other calamity or crisis or any change in financial, political or economic conditions in the United States or the member states of the European Union or elsewhere, if the effect of any such event specified in clause (iv) or (v) in your judgment makes it impracticable or inadvisable to proceed with the public offering or the delivery of the Securities on the terms and in the manner contemplated by the Prospectus;

(h) The Securities shall be eligible for clearance and settlement through Euroclear and Clearstream;

(i) The Company shall have furnished or caused to be furnished to you at the Time of Delivery (i) an executed copy of the ICSD Agreement substantially in the form attached hereto as Annex III and (ii) a duly executed copy of the effectuation authorization substantially in the form attached hereto as Annex IV;

(j) The Securities shall be duly listed on the Official List of Euronext Dublin and admitted for trading on the Global Exchange Market thereof, subject to official notice of issuance; and

(k) The Company shall have furnished or caused to be furnished to you at the Time of Delivery certificates of officers of the Company and the Guarantor reasonably satisfactory to you as to the accuracy of the representations and warranties of the Company and the Guarantor herein at and as of such time, as to the performance by the Company and the Guarantor of all of their respective obligations hereunder to be performed at or prior to such time, as to the matters set forth in subsections (a) and (e) of this Section and as to such other matters as you may reasonably request.

(l) The Company shall have furnished or caused to be furnished to you at the Time of Delivery a certificate from the chief financial officer of the Guarantor reasonably satisfactory to you as to the absence of instruments or agreements which limit or restrict the freedom of the Guarantor or the Company to guarantee or incur the indebtedness evidenced by the Notes.

If any of the conditions specified in this Section 8 shall not have been fulfilled when and as provided in this Agreement, or if any of the opinions and certificates mentioned above or elsewhere in this Agreement shall not be reasonably satisfactory in form and substance to the Representatives and counsel to the Underwriters, this Agreement and all obligations of the Underwriters hereunder may be canceled at, or at any time prior to, the Time of Delivery by the Representatives. Notice of such cancellation shall be given to the Company in writing or by telephone or facsimile confirmed in writing.

The documents required to be delivered by this Section 8 shall be delivered at the office of Sullivan & Cromwell LLP, counsel for the Underwriters, at 125 Broad Street, New York, New York 10004, at the Time of Delivery.

9. (a) The Company and the Guarantor, jointly and severally, will indemnify and hold harmless each Underwriter against any losses, claims, damages or liabilities, joint or several, to which such Underwriter may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, any Issuer Free Writing Prospectus or any "issuer information" filed or required to be filed pursuant to Rule 433(d) under the Act, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each Underwriter for any legal or other expenses reasonably incurred by such Underwriter in connection with investigating or defending any such action or claim as such expenses are incurred; provided, however, that the Company and the Guarantor shall not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, or any Issuer Free Writing Prospectus, in reliance upon and in conformity with written information furnished to the Company and the Guarantor by any Underwriter expressly for use therein.

(b) Each Underwriter, severally and not jointly, will indemnify and hold harmless the Company and the Guarantor against any losses, claims, damages or liabilities to which the Company or the Guarantor may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, or any Issuer Free Writing Prospectus, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus or any such amendment or supplement thereto, or any Issuer Free Writing Prospectus, in reliance upon and in conformity with written information furnished to the Company and the Guarantor by such Underwriter expressly for use therein; and will reimburse the Company or the Guarantor for any legal or other expenses reasonably incurred by the Company or the Guarantor in connection with investigating or defending any such action or claim as such expenses are incurred. Each of the Company and the Guarantor acknowledges that the following statements under the caption "Underwriting" in the Prospectus (i) the sixth sentence of the sixth paragraph of text, concerning market making by the Underwriters, (ii) the third paragraph of text, concerning the terms of the offering by the Underwriters and (iii) the eighth, ninth and tenth paragraphs of text, concerning stabilization, short-positions and penalty bids created by the Underwriters, constitute the only information furnished in writing to the Company and the Guarantor by or on behalf of the several Underwriters for inclusion in any Preliminary Prospectus, the Pricing Disclosure Package and the Prospectus.

(c) Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under such subsection. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party) provided that in the event of such assumption the action may not be compromised or settled by the indemnifying party without the consent of the indemnified party, which consent shall not be unreasonably withheld. After notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. The indemnifying party shall not be liable to the indemnified party pursuant to the provisions of this Section 9 in respect of any action compromised or settled by the indemnified party, unless the written consent of the indemnifying party shall have been obtained to such compromise or settlement (which consent shall not be unreasonably withheld).

(d) If the indemnification provided for in this Section 9 is unavailable to or insufficient to hold harmless an indemnified party under subsection (a) or (b) above in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Guarantor on the one hand and the Underwriters on the other from the offering of the Securities. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under subsection (c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company and the Guarantor on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company and the Guarantor on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company and the Guarantor bear to the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the table on the cover page of the Prospectus. The relative fault shall be determined by reference to, among other things, whether any untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or the Guarantor on the one hand or the Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Company, the Guarantor and the Underwriters agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this subsection (d) to contribute are several in proportion to their respective underwriting obligations and not joint.

(c) The obligations of the Company and the Guarantor under this Section 9 shall be in addition to any liability which the Company or the Guarantor may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls any Underwriter within the meaning of the Act and each broker-dealer affiliate of any Underwriter, and the directors, officers and selling agents of each Underwriter; and the obligations of the Underwriters under this Section 9 shall be in addition to any liability which the respective Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Company or the Guarantor, as the case may be, and to each person, if any, who controls the Company or the Guarantor, as the case may be, within the meaning of the Act.

10. (a) If at the Time of Delivery, any Underwriter shall default in its obligation to purchase the Securities which it has agreed to purchase hereunder, the Representatives may in their discretion arrange for any of the Representatives or another party or other parties to purchase such Securities on the terms contained herein. If within thirty-six hours after such default by any Underwriter the Representatives do not arrange for the purchase of such Securities, then the Company shall be entitled to a further period of thirty-six hours within which to procure another party or other parties satisfactory to the Representatives to purchase such Securities on such terms. In the event that, within the respective prescribed periods, the Representatives notify the Company that they have so arranged for the purchase of such Securities, or the Company notifies the Representatives that it has so arranged for the purchase of such Securities, the Representatives or the Company shall have the right to postpone the Time of Delivery for a period of not more than seven days, in order to effect whatever changes may thereby be made necessary in the Registration Statement or the Prospectus, or in any other documents or arrangements, and the Company and the Guarantor agree to file promptly any amendments or supplements to the Registration Statement or the Prospectus which in the opinion of the Representatives may thereby be made necessary. The term "Underwriter" as used in this Agreement shall include any person substituted under this Section 10 with like effect as if such person had originally been a party to this Agreement with respect to such Securities.

(b) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Underwriter or Underwriters by the Representatives and the Company as provided in subsection (a) above, the aggregate principal amount of such Securities which remains unpurchased does not exceed one eleventh of the aggregate principal amount of all the Securities, then the Company shall have the right to require each non-defaulting Underwriter to purchase the principal amount of Securities which such Underwriter agreed to purchase hereunder and, in addition, to require each non-defaulting Underwriter to purchase its pro rata share (based on the principal amount of Securities which such Underwriter agreed to purchase hereunder) of the Securities of such defaulting Underwriter or Underwriters for which such arrangements have not been made; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

(c) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Underwriter or Underwriters by the Representatives and the Company as provided in subsection (a) above, the aggregate principal amount of Securities which remains unpurchased exceeds one eleventh of the aggregate principal amount of all the Securities, or if the Company shall not exercise the right described in subsection (b) above to require non-defaulting Underwriters to purchase Securities of a defaulting Underwriter or Underwriters, then this Agreement shall thereupon terminate if so decided by the Company upon notice to the Underwriters pursuant to Section 18 hereunder, without liability on the part of any non-defaulting Underwriter or the Company or the Guarantor, except for the expenses to be borne by the Company, the Guarantor and the Underwriters as provided in Section 7 hereof and the indemnity and contribution agreements in Section 9 hereof; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

11. The Company and the Guarantor hereby authorize Barclays Bank PLC in its role as stabilizing manager (the “Stabilizing Manager”) to make adequate public disclosure regarding stabilization of the information required in relation to such stabilization by Commission Delegated Regulation (EU) 2016/1052 of 8 March 2016 (the “Delegated Regulation”) and/or the Delegated Regulation as it forms part of domestic law by virtue of the EUWA, as applicable. The Stabilizing Manager for its own account may, to the extent permitted by applicable laws and directives, over-allot and effect transactions with a view to supporting the market price of the Securities at a level higher than that which might otherwise prevail, but in doing so the Stabilizing Manager shall act as principal and not as agent of the Company and any loss resulting from overallocation and stabilization shall be borne, and any profit arising therefrom shall be beneficially retained, by the Stabilizing Manager. However, there is no assurance that the Stabilizing Manager (or persons acting on behalf of the Stabilizing Manager) will undertake any stabilization action. Nothing contained in this paragraph shall be construed so as to require the Company to issue in excess of the aggregate principal amount of Securities specified in Schedule I hereto. Such stabilization, if commenced, may be discontinued at any time and shall be conducted by the Stabilizing Manager in accordance with all applicable laws and directives.

12. Solely for the purposes of the requirements of Article 9(8) of the MIFID Product Governance rules under EU Delegated Directive 2017/593 (the “Product Governance Rules”) regarding the mutual responsibilities of manufacturers under the Product Governance Rules: (a) Citigroup Global Markets Limited (the “MIFID Manufacturer”) acknowledges that it understands the responsibilities conferred upon it under the Product Governance Rules relating to each of the product approval process, the target market and the proposed distribution channels as applying to the Securities and the related information set out in any Preliminary Prospectus and the Prospectus, or any such amendment or supplement, in connection with the Securities; and (b) each of the other Underwriters, the Company and the Guarantor note the application of the Product Governance Rules and acknowledge the target market and distribution channels identified as applying to the Securities by the MIFID Manufacturers and the related information set out in any Preliminary Prospectus and the Prospectus, or any such amendment or supplement, in connection with the Securities.

13. Solely for the purposes of the requirements of the FCA Handbook Product Intervention and Product Governance Sourcebook (the “UK MiFIR Product Governance Rules”), regarding the mutual responsibilities of manufacturers under the UK MiFIR Product Governance Rules:

(a) Each of Barclays Bank PLC, BNP Paribas, Citigroup Global Markets Limited, Morgan Stanley & Co. International plc and J.P. Morgan Securities plc (each a “UK MiFIR Manufacturer” and together, the “UK MiFIR Manufacturers”) acknowledges to each other UK MiFIR Manufacturer that it understands the responsibilities conferred upon it under the UK MiFIR Product Governance Rules relating to each of the product approval process, the target market and the proposed distribution channels as applying to the Securities and the related information set out in any Preliminary Prospectus and the Prospectus, or any such amendment or supplement, in connection with the Securities; and

(b) Each of the other Underwriters, the Company and the Guarantor note the application of the UK MiFIR Product Governance Rules and acknowledge the target market and distribution channels identified as applying to the Securities by the UK MiFIR Manufacturers and the related information set out in any Preliminary Prospectus and the Prospectus, or any such amendment or supplement, in connection with the Securities.

14. If for the purposes of obtaining judgment in any court it is necessary to convert a sum due hereunder into any currency other than United States dollars, the parties hereto agree, to the fullest extent permitted by law, that the rate of exchange used shall be the rate at which in accordance with normal banking procedures the Underwriters could purchase United States dollars with such other currency in The City of New York on the business day preceding that on which final judgment is given. The obligation of the Company and the Guarantor with respect to any sum due from it to any Underwriter or any person controlling any Underwriter or any broker-dealer affiliate of any Underwriter shall, notwithstanding any judgment in a currency other than United States dollars, not be discharged until the first business day following receipt by such Underwriter or controlling person or broker-dealer affiliate of such Underwriter of any sum in such other currency, and only to the extent that such Underwriter or controlling person or broker-dealer affiliate of such Underwriter may in accordance with normal banking procedures purchase United States dollars with such other currency. If the United States dollars so purchased are less than the sum originally due to such Underwriter or controlling person or broker-dealer affiliate of such Underwriter hereunder, the Company and the Guarantor jointly and severally agree, as a separate obligation and notwithstanding any such judgment, to indemnify such Underwriter or controlling person or broker-dealer affiliate of such Underwriter against such loss. If the United States dollars so purchased are greater than the sum originally due to such Underwriter or controlling person or broker-dealer affiliate of such Underwriter hereunder, such Underwriter or controlling person or broker-dealer affiliate of such Underwriter agrees to pay to the Guarantor an amount equal to the excess of the dollars so purchased over the sum originally due to such Underwriter or controlling person or broker-dealer affiliate of such Underwriter hereunder.

15. The respective indemnities, agreements, representations, warranties and other statements of the Company, the Guarantor and the several Underwriters, as set forth in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Underwriter or any controlling person of any Underwriter, or the Company or the Guarantor, or any officer or director or controlling person of the Company or the Guarantor, and shall survive delivery of and payment for the Securities.

16. If this Agreement shall be terminated pursuant to Section 10 hereof, neither the Company nor the Guarantor shall then be under any liability to any Underwriter except as provided in Sections 7 and 9 hereof; but, if for any other reason, the Securities are not delivered by or on behalf of the Company as provided herein, the Company and the Guarantor will reimburse the Underwriters for all out of pocket expenses approved in writing by the Representatives, including fees and disbursements of counsel, reasonably incurred by the Underwriters in making preparations for the purchase, sale and delivery of the Securities, but neither the Company nor the Guarantor shall then be under further liability to any Underwriter except as provided in Sections 7 and 9 hereof.

17. The execution of this Agreement by all parties will constitute the Underwriters' acceptance of the ICMA Agreement Among Managers Version 1/New York Schedule subject to any amendment notified to the Underwriters in writing at any time prior to the execution of this Agreement. References to the "Managers" shall be deemed to refer to the Underwriters, references to the "Lead Manager" shall be deemed to refer to each of the Representatives and references to "Settlement Lead Manager" shall be deemed to refer to Barclays Bank PLC. As applicable to the Underwriters, Clause 3 of the ICMA Agreement Among Managers Version 1/New York Schedule shall be deemed to be deleted in its entirety and replaced with Section 10 of this Agreement.

18. All statements, requests, notices and agreements hereunder shall be in writing, and if to the Underwriters shall be delivered or sent by mail, telex or facsimile transmission to you in care of Barclays Bank PLC, 5 The North Colonnade, Canary Wharf, London E14 4BB, United Kingdom, Attention: Debt Syndicate (tel: +44-207-773 9098, email: LeadManagedBondNotices@barclayscorp.com); BNP Paribas, 10 Harewood Avenue, London NW1 6AA, United Kingdom, Attention: Fixed Income Syndicate; Citigroup Global Markets Limited, Citigroup Centre, Canada Square, Canary Wharf, London E14 5LB, United Kingdom, Attention: Syndicate Desk; and if to the Company or the Guarantor shall be delivered or sent by mail, telex or facsimile transmission to the address of the Guarantor set forth in the Registration Statement, Attention: Secretary; provided, however, that any notice to an Underwriter pursuant to Section 9(c) hereof shall be delivered or sent by mail, telex or facsimile transmission to such Underwriter at its address set forth in its Underwriters' Questionnaire, or telex constituting such Questionnaire, which address will be supplied to the Company and the Guarantor by the Representatives upon request. Any such statements, requests, notices or agreements shall take effect upon receipt thereof.

In accordance with the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), the Underwriters are required to obtain, verify and record information that identifies their respective clients, including the Company and the Guarantor, which information may include the name and address of their respective clients, as well as other information that will allow the Underwriters to properly identify their respective clients.

19. This Agreement shall be binding upon, and inure solely to the benefit of, the Underwriters, the Company, the Guarantor and, to the extent provided in Sections 9 and 15 hereof, the officers and directors of the Company and the Guarantor and each person who controls the Company or the Guarantor or any Underwriter, and their respective heirs, executors, administrators, successors and assigns, and no other person shall acquire or have any right under or by virtue of this Agreement. No purchaser of any of the Securities from any Underwriter shall be deemed a successor or assign by reason merely of such purchase.

20. Time shall be of the essence of this Agreement. As used herein, the term "business day" shall mean any day when the Commission's office in Washington, D.C. is open for business.

21. Each of the Company and the Guarantor acknowledges and agrees that (i) the purchase and sale of the Securities and the issuance of the Guarantees pursuant to this Agreement is an arm's-length commercial transaction between the Company and the Guarantor, on the one hand, and the several Underwriters, on the other, (ii) in connection therewith and with the process leading to such transaction each Underwriter is acting solely as a principal and not the agent or fiduciary of the Company or the Guarantor, (iii) no Underwriter has assumed an advisory or fiduciary responsibility in favor of the Company or the Guarantor with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company or the Guarantor on other matters) or any other obligation to the Company except the obligations expressly set forth in this Agreement and (iv) each of the Company and the Guarantor has consulted its own legal and financial advisors to the extent it deemed appropriate. Each of the Company and the Guarantor agrees that it will not claim that the Underwriters, or any of them, has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Company or the Guarantor, in connection with such transaction or the process leading thereto.

22. (a) As used in this Section 22 below, (i) "Bail-in Legislation" means in relation to a member state of the European Economic Area which has implemented, or which at any time implements, the BRRD, the relevant implementing law, regulation, rule or requirement as described in the EU Bail-in Legislation Schedule from time to time; (ii) "Bail-in Powers" means any Write-down and Conversion Powers as defined in the EU Bail-in Legislation Schedule, in relation to the relevant Bail-in Legislation; (iii) "BRRD" means Directive 2014/59/EU establishing a framework for the recovery and resolution of credit institutions and investment firms, as amended or superseded; (iv) "BRRD Liability" with respect to any BRRD Party has the same meaning as in such laws, regulations, rules or requirements implementing the BRRD under the Bail-in Legislation applicable to such BRRD Party; (v) "BRRD Party" means an institution or entity referred to in point (b), (c) or (d) of Article 1(1) BRRD; (vi) "EU Bail-in Legislation Schedule" means the documents described as such, then in effect, and published by the Loan Market Association (or any successor person) from time to time at <http://www.lma.eu.com/>; and (vii) "Relevant Resolution Authority" means the resolution authority with the ability to exercise any Bail-in Powers in relation to a BRRD Party.

(a) In the event that any Underwriter that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Underwriter of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

However, any information relating to the tax treatment and tax structure shall remain confidential (and the foregoing sentence shall not apply) to the extent necessary to enable any person to comply with securities laws. For this purpose, "tax structure" is limited to any facts that may be relevant to that treatment.

## ARTICLE I

### Section 1.1 Definitions.

- (1) Capitalized terms used but not defined in this Supplemental Indenture shall have the meanings ascribed thereto in the Base Indenture.
- (2) A term defined anywhere in this Supplemental Indenture has the same meaning throughout.
- (3) The singular includes the plural and vice versa.
- (4) Headings are for convenience of reference only and do not affect the interpretation.
- (5) As used herein, the following defined terms shall have the following meanings with respect to the Notes and this Supplemental Indenture only:

**“Business Day”** means any day that is not a Saturday or Sunday and that is not a day on which banking institutions are authorized or obligated by law or executive order to close in the City of New York or London and on which the Trans-European Automated Real-time Gross Settlement Express Transfer system (the TARGET2 system), or any successor thereto, operates.

**“Change of Control”** means the occurrence of any one of the following: (i) the direct or indirect sale, lease, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the assets of the Guarantor and its subsidiaries taken as a whole to any Person (including any “person”(as that term is defined in Section 13(d)(3) of the Exchange Act)) other than to the Guarantor or one of its subsidiaries; (ii) the consummation of any transaction (including without limitation, any merger or consolidation) the result of which is that any Person (including any “person”(as that term is used in Section 13(d)(3) of the Exchange Act)), other than us or one of our subsidiaries, becomes the “beneficial owner”(as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 50% of the outstanding Voting Stock of the Guarantor or other Voting Stock into which the Guarantor’s Voting Stock is reclassified, consolidated, exchanged or changed, measured by voting power rather than number of shares; (iii) the Guarantor consolidates with, or merges with or into, any Person, or any Person consolidates with, or merges with or into, the Guarantor, in any such event pursuant to a transaction in which any of the outstanding Voting Stock of the Guarantor or such other Person is converted into or exchanged for cash, securities or other property, other than any such transaction where the shares of the Voting Stock of the Guarantor outstanding immediately prior to such transaction constitute, or are converted into or exchanged for, a majority of the Voting Stock of the surviving Person immediately after giving effect to the transaction; or (iv) the adoption of a plan relating to the liquidation or dissolution of the Guarantor. Notwithstanding the foregoing, a transaction will not be considered to be a Change of Control if (a) the Guarantor becomes a direct or indirect wholly-owned subsidiary of a holding company and (b) (x) immediately following that transaction, the direct or indirect holders of the Voting Stock of the holding company are substantially the same as the holders of the Guarantor’s Voting Stock immediately prior to that transaction or (y) immediately following that transaction, no Person is the beneficial owner, directly or indirectly, of more than 50% of the Voting Stock of such holding company.

Unless at least two of the Rating Agencies are providing a rating for the Notes of a series at the commencement of any Trigger Period, the Notes of such series will be deemed to be rated below Investment Grade by the Rating Agencies during that Trigger Period. Notwithstanding the foregoing, no Change of Control Triggering Event will be deemed to have occurred in connection with (i) any particular Change of Control unless and until such Change of Control has actually been consummated or (ii) any reduction in rating if the Rating Agencies making the reduction in rating to which this definition would otherwise apply do not announce or publicly confirm or inform the Company in writing at the Company’s request that the reduction was the result, in whole or in part, of any event or circumstance comprised of or arising as a result of, or in respect of, a Change of Control (whether or not the Change of Control shall have occurred at the time of the reduction in rating).

“**Person**” means any individual, corporation, partnership, joint venture, association, joint-stock company, trust, unincorporated organization, limited liability company or government or other entity.

“**Rating Agency**” means each of Fitch, Moody’s and S&P; provided, that if any of Fitch, Moody’s or S&P ceases to provide rating services to issuers or investors or fails to make a rating of the Notes of a series publicly available for reasons outside of the Company’s or the Guarantor’s control, the Company may appoint a replacement for that Rating Agency.

“**Remaining Scheduled Payments**” means the remaining scheduled payments of the principal and interest on the Notes called for redemption that would be due after the related redemption date but for such redemption up to May 13, 2028 (three months prior to the maturity date of the 2028 Notes) with respect to the 2028 Notes and February 13, 2041 (six months prior to the maturity date of the 2041 Notes) with respect to the 2041 Notes; provided, however, that, if such redemption date is not an interest payment date with respect to such Notes, the amount of the next scheduled interest payment thereon will be reduced by the amount of interest accrued thereon to such redemption date.

“**S&P**” means S&P Global Ratings and its successors.

“**Voting Stock**” of any specified Person as of any date means the capital stock of that Person that is at the time entitled to vote generally in the election of the board of directors of that Person.

Section 1.2 Terms of the Notes.

(1) *Designation and Principal Amount.*

(a) The 2028 Notes shall be issued by the Company and shall constitute a separate series of Notes having the title “0.334% Notes due 2028”, which is initially limited in aggregate principal amount to €900,000,000.

(b) The 2041 Notes shall be issued by the Company and shall constitute a separate series of Notes having the title “1.336% Notes due 2041”, which is initially limited in aggregate principal amount to €900,000,000.

In the case of a Global Note intended to be held under the New Safekeeping Structure, save for the purposes of determining Notes that are outstanding for consent or voting purposes under the Base Indenture, the Trustee shall rely on the records of the ICSDs in relation to any determination of the principal amount outstanding of such Global Note. For this purpose, “records” means the records that each of the ICSDs holds for its customers which reflect the amount of such customer’s interest in the Notes.

(2) *Maturity.*

(a) The 2028 Notes will mature on August 13, 2028.

(b) The 2041 Notes will mature on August 13, 2041.

(3) *Authorized Denominations.* Each series of the Notes will be issued in fully registered form in minimum denominations of €100,000 and integral multiples of €1,000 in excess thereof. The registered Holder of a Note will be treated as its owner for all purposes. Only registered Holders will have rights under the Indenture governing the Notes.

(4) *Additional Notes.* The Company may, from time to time, without notice to or the consent of the existing Holders of any series of Notes, issue additional Notes of such series under the Indenture having the same terms as the applicable series of Notes in all respects, except for issue date, issue price and the initial interest payment date. Any such additional Notes shall be consolidated with and form a single series with the applicable series of Notes.

(5) *Authentication.* The Notes will be issued in the form of Global Notes, deposited with, or on behalf of, the Common Safekeeper and registered in the name of a nominee of Clearstream as Common Safekeeper, for credit by the Common Safekeeper to the respective accounts of beneficial owners represented thereby (or such other accounts as they may direct). Holders of beneficial interests in the Notes will not be entitled to receive physical delivery of certificated notes except in certain limited circumstances. The Trustee may authenticate the Notes with manual signature.

(6) *Form of Effectuation Instruction of the Note.* The Paying Agent's form of Effectuation Instructions shall be in substantially the following form:

Issuer: Becton Dickinson Euro Finance S.à r.l.,

Currency and nominal Amount: €[ ]

ISIN: [ ]

Dear Sir/Madam,

We hereby instruct you to effectuate the global note.

Dated: August 13, 2021

THE BANK OF NEW YORK MELLON, LONDON BRANCH

As Paying Agent

By: \_\_\_\_\_  
Authorized Signatory

(7) *Effectuation.* No Global Note shall be valid or obligatory for any purposes until it has been effectuated for or on behalf of the Common Safekeeper.

Section 1.3 Interest. The Company or, in the case of the Guarantees, the Guarantor, will make interest payments to the Person in whose name the Notes are registered on the Business Day on which each of Euroclear and Clearstream is open for business preceding the interest payment date of each year. Payments of interest and principal on Notes in global form registered in the name of a nominee of the Common Safekeeper, including payments made upon any redemption of the Notes, will be made in immediately available funds to the ICSDs or to the nominee of the Common Safekeeper, as the case may be, as the registered holder of the Global Notes. The rights of Holders of beneficial interests of Notes to receive the payments of interest on such Notes are subject to the applicable procedures of the Common Safekeeper. If any interest payment date is not a Business Day, payment of interest will be made on the next day that is a Business Day and no interest will accrue as a result of such delayed payment on amounts payable from and after such interest payment date to the next succeeding Business Day. Interest on each series of Notes will be computed on the basis of the actual number of days in the period for which interest is being calculated and the actual number of days from and including the last date on which interest was paid on each series of Notes (or from August 13, 2021, if no interest has been paid on the Notes), to but excluding the next scheduled interest payment date. This payment convention is referred to as ACTUAL/ACTUAL (ICMA) as defined in the rulebook of the International Capital Market Association. Each series of Notes shall bear interest at the following rates:

- (1) 0.334% per annum in the case of the 2028 Notes, and
- (2) 1.336% per annum in the case of the 2041 Notes.

Section 1.4 Guarantees. The Notes and the Company's obligations under the Indenture are fully and unconditionally guaranteed by the Guarantor pursuant to Article 10 of the Base Indenture.

Section 1.5 Issuance in Euro. Initial Holders of the Notes will be required to pay for the Notes in euros, and principal, premium, if any, and interest payments on the Notes, including any payments made upon any redemption of the Notes, will be payable in euros. If, on or after August 10, 2021, the euro is unavailable to the Company or, in the case of the Guarantees, the Guarantor, due to the imposition of exchange controls or other circumstances beyond the Company's or the Guarantor's control or the euro is no longer used by the then member states of the European Monetary Union that have adopted the euro as their currency or for the settlement of transactions by public institutions within the international banking community, then all payments in respect of the Notes or the Guarantees will be made in U.S. dollars until the euro is again available to the Company or, in the case of the Guarantees, the Guarantor, or so used. The amount payable on any date in euro will be converted into U.S. dollars at the rate mandated by the U.S. Federal Reserve Board as of the close of business on the second Business Day prior to the relevant payment date or, in the event the U.S. Federal Reserve Board has not mandated a rate of conversion, on the basis of the most recent euro/U.S. dollar exchange rate available on or prior to the second Business Day prior to the relevant payment date, as determined by the Company in its sole discretion. Any payment in respect of the Notes so made in U.S. dollars will not constitute an Event of Default under the Notes or the Indenture governing the Notes. Neither the Trustee nor the Paying Agent shall have any responsibility for any calculation or conversion in connection with the foregoing.

Section 1.6 Optional Redemption.

(1) The 2028 Notes are redeemable, in whole or in part, at the option of the Company, at any time prior to May 13, 2028 (three months prior to the maturity date of the 2028 Notes) at a redemption price, as determined by the Company, equal to the greater of (i) 100% of the principal amount of the 2028 Notes to be redeemed and (ii) the sum of the present values of the Remaining Scheduled Payments on the 2028 Notes being redeemed, discounting such payments to the redemption date on an annual basis (ACTUAL/ACTUAL (ICMA)) at the applicable Comparable Government Bond Rate, plus 20 basis points, plus accrued and unpaid interest to, but excluding, the date of redemption on the principal balance of the 2028 Notes being redeemed. At any time on or after May 13, 2028 (three months prior to the maturity date of the 2028 Notes), the 2028 Notes shall be redeemable, in whole or in part, at the option of the Company, at a redemption price equal to 100% of the principal amount of the 2028 Notes to be redeemed, plus accrued and unpaid interest to the date of redemption on the principal balance of the 2028 Notes being redeemed.

(2) The 2041 Notes are redeemable, in whole or in part, at the option of the Company, at any time prior to February 13, 2041 (six months prior to the maturity date of the 2041 Notes) at a redemption price, as determined by the Company, equal to the greater of (i) 100% of the principal amount of the 2041 Notes to be redeemed and (ii) the sum of the present values of the Remaining Scheduled Payments on the 2041 Notes being redeemed, discounting such payments to the redemption date on an annual basis (ACTUAL/ACTUAL (ICMA)) at the applicable Comparable Government Bond Rate, plus 25 basis points, plus accrued and unpaid interest to, but excluding, the date of redemption on the principal balance of the 2041 Notes being redeemed. At any time on or after February 13, 2041 (six months prior to the maturity date of the 2041 Notes), the 2041 Notes shall be redeemable, in whole or in part, at the option of the Company, at a redemption price equal to 100% of the principal amount of the 2041 Notes to be redeemed, plus accrued and unpaid interest to the date of redemption on the principal balance of the 2041 Notes being redeemed.

(3) The Trustee shall have no responsibility for calculating any redemption prices under this Section 1.6.

(4) Notice of any redemption shall be mailed or otherwise transmitted in accordance with the applicable procedures of the ICSDs to the Holders of the applicable Notes or portions thereof called for redemption not less than 10 days and not more than 60 days before the redemption date of the Notes being redeemed. Unless the Company defaults on payment of the redemption price, on and after the redemption date, the Notes or any portion of the Notes called for redemption shall stop accruing interest. On or before any redemption date, the Company shall deposit with the Paying Agent or the Trustee money sufficient to pay the accrued interest on the Notes to be redeemed and their redemption price. A partial redemption of Notes may be effected pursuant to applicable procedures of the ICSDs' or the Paying Agent and may provide for the selection for redemption of portions (equal to the minimum authorized denomination for such Notes or any integral multiple of €1,000 in excess thereof) of the principal amount of such Notes of a denomination larger than the minimum authorized denomination for such Notes.

Section 1.7 Offer to Repurchase Upon Change of Control Triggering Event. Upon the occurrence of a Change of Control Triggering Event with respect to any series of Notes, unless the Company has exercised its right to redeem the applicable series of Notes pursuant to Section 1.6 or Section 1.9 hereof, each Holder of outstanding Notes of the applicable series will have the right to require the Company to purchase all or a portion of that Holder's Notes (in integral multiples of €1,000) pursuant to the offer described below (the "Change of Control Offer"), at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to, but excluding, the date of purchase (the "Change of Control Payment"), subject to the rights of Holders of such Notes on the relevant record date to receive interest due on the relevant interest payment date.

(1) Within 30 days following the date upon which the Change of Control Triggering Event has occurred with respect to any series of Notes, or at the Company's option, prior to any Change of Control but after the public announcement of the pending Change of Control, the Company shall send in accordance with the applicable procedures of Euroclear or Clearstream, a notice to each Holder of Notes of the applicable series, with a copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. The notice shall describe the transaction or transactions constituting the Change of Control Triggering Event and offer to repurchase the Notes on the purchase date, which must be no earlier than 30 days nor later than 60 days from the date the notice is sent, other than as may be required by law (the "Change of Control Payment Date"). If the notice is sent prior to the date of consummation of the Change of Control, it shall state that the Change of Control Offer is conditioned on the Change of Control being consummated on or prior to the Change of Control Payment Date.

(2) If Holders of Notes elect to have Notes purchased pursuant to a Change of Control Offer, they must surrender their Notes, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed, to the Paying Agent at the address specified in the notice, or transfer their Notes to the Trustee by book-entry transfer pursuant to the applicable procedures of the Paying Agent, prior to the close of business on the third Business Day prior to the Change of Control Payment Date. On or prior to 10:00 a.m., London time, on the Business Day immediately preceding the Change of Control Payment Date, the Company shall, to the extent lawful, deposit with the Paying Agent or the Trustee an amount equal to the Change of Control Payment in respect of all the Notes or portions of the Notes properly tendered.

(3) The Change of Control Offer may be accepted for less than the entire principal amount of a Note, but in that event the principal amount of such Note remaining outstanding after repurchase must be equal to €100,000 or an integral multiple of €1,000 in excess thereof. On the Change of Control Payment Date, the Company shall, to the extent lawful, (i) accept for payment all Notes of the applicable series or portions of such Notes properly tendered pursuant to the Change of Control Offer and (ii) deliver or cause to be delivered to the Trustee the Notes properly accepted. The Paying Agent or the Trustee, as applicable, shall promptly deliver to each Holder of the Notes properly tendered the Change of Control Payment for such Notes, and the Trustee shall promptly authenticate and deliver (or cause to be transferred by book entry) to each Holder of the Notes a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any.

(4) The Company shall not be required to make a Change of Control Offer with respect to a series of Notes if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for such an offer made by the Company and that third party purchases all Notes of the applicable series properly tendered and not withdrawn under its offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions herein, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached the Company's obligations under the provisions herein by virtue of such conflicts.

Section 1.8 Payment of Additional Amounts. The Company or, in the case of the Guarantees, the Guarantor, will, subject to the exceptions and limitations set forth below, pay as additional interest on the Notes such additional amounts as are necessary in order that the net payment by the Company or a Paying Agent of the principal of and interest on each of the Notes to a Holder, after withholding or deduction solely with respect to any present or future tax, assessment or other governmental charge imposed by Luxembourg, the United States or any other jurisdiction in which the Company or the Guarantor or, in each case, any successor thereof (including a continuing Person formed by a consolidation with the Company or Guarantor, into which the Company or Guarantor is merged, or that acquires or leases all or substantially all of the property and assets of the Company or the Guarantor) may be organized, as applicable, or any political subdivision thereof or therein having the power to tax (a "Taxing Jurisdiction"), will not be less than the amount provided in the Notes to be then due and payable; provided, however, that the foregoing obligation to pay additional amounts will not apply:

(1) to any tax, assessment or other governmental charge that would not have been imposed but for the Holder (or the beneficial owner for whose benefit such Holder holds such Note), or a fiduciary, settlor, beneficiary, member or shareholder of the Holder, or a person holding a power over an estate or trust administered by a fiduciary Holder, being treated as:

(a) being or having been present in, or engaged in a trade or business in, the relevant Taxing Jurisdiction, or having or having had a permanent establishment in such Taxing Jurisdiction;

(b) having a current or former connection with the relevant Taxing Jurisdiction (other than a connection arising solely as a result of the ownership of the Notes, the receipt of any payment in respect of the Notes or the enforcement of any rights under the Indenture), including being or having been a citizen of such Taxing Jurisdiction or treated as being or having been a resident thereof;

(c) being or having been a personal holding company, a passive foreign investment company or a controlled foreign corporation for United States federal income tax purposes, a foreign tax exempt organization, or a corporation that has accumulated earnings to avoid United States federal income tax;

(d) being or having been a "10-percent shareholder", as defined in section 871(h)(3) of the Code, or any successor provision, of the Company or the Guarantor; or

(e) being a bank receiving payments on an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business, within the meaning of section 881(c)(3) of the Code or any successor provision;

(2) to any Holder that is not the sole beneficial owner of the Notes, or a portion of the Notes, or that is a fiduciary, partnership or limited liability company, but only to the extent that a beneficiary or settlor with respect to the fiduciary, or a beneficial owner or member of the partnership or limited liability company would not have been entitled to the payment of an additional amount had the beneficiary, settlor, beneficial owner or member received directly its beneficial or distributive share of the payment;

(3) to any tax, assessment or other governmental charge that would not have been imposed but for the failure of the Holder or any other person to comply with certification, identification or information reporting requirements concerning the nationality, residence, identity or connection with the relevant Taxing Jurisdiction of the Holder or beneficial owner of the Notes, if compliance is required by statute, by regulation of the relevant Taxing Jurisdiction or any taxing authority therein or by an applicable income tax treaty to which the relevant Taxing Jurisdiction is a party as a precondition to exemption from such tax, assessment or other governmental charge;

(4) to any tax, assessment or other governmental charge that is imposed otherwise than by withholding by the Company or a Paying Agent from the payment;

(5) to any estate, inheritance, gift, sales, excise, transfer, wealth, capital gains or personal property tax or similar tax, assessment or other governmental charge;

(6) to any tax, assessment or other governmental charge that would not have been imposed but for the presentation by the Holder of any Note, where presentation is required, for payment on a date more than 30 days after the date on which payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;

(7) to any tax assessment or other governmental charge required to be withheld or deducted that is imposed on a payment pursuant to sections 1471 through 1474 of the Code (or any amended or successor version of such sections that is substantively comparable and not materially more onerous to comply with), any Treasury Regulations promulgated thereunder, or any other official interpretations thereof (collectively, "FATCA"), any agreement (including any intergovernmental agreement) entered into in connection therewith, or any law, regulation or other official guidance enacted in any jurisdiction implementing FATCA or an intergovernmental agreement in respect of FATCA;

(8) to any tax assessment or other governmental charge that is imposed or withheld solely by reason of a change in law, regulation, or administrative or judicial interpretation that becomes effective more than 15 days after the payment becomes due or is duly provided for, whichever occurs later;

(9) to any tax, assessment or other governmental charge that is imposed by reason of the failure of the beneficial owner to fulfill the statement requirements of section 871(h) or section 881(c) of the Code;

(10) to any tax imposed pursuant to section 871(h)(6) or section 881(c)(6) of the Code (or any amended or successor provisions); or

(11) in the case of any combination of the above clauses (1) through (10) under this Section 1.8.

Except as specifically provided under this Section 1.8, the Company or the Guarantor will not be required to pay additional amounts in respect of any tax, assessment or other governmental charge.

As used under this Section 1.8 and under Section 1.9, the term “United States” means the United States of America, any state thereof, and the District of Columbia, and the term “United States person” means (i) any individual who is a citizen or resident of the United States for United States federal income tax purposes, (ii) a corporation, partnership or other entity created or organized in or under the laws of the United States, any state thereof or the District of Columbia (other than a partnership that is not treated as a United States person for United States federal income tax purposes), (iii) any estate the income of which is subject to U.S. federal income taxation regardless of its source, or (iv) any trust if a United States court can exercise primary supervision over the administration of the trust and one or more United States persons can control all substantial trust decisions, or if a valid election is in place to treat the trust as a United States person.

Section 1.9 Redemption for Tax Reasons. If, as a result of a Change in Law, the Company becomes or, based upon a written opinion of independent counsel selected by the Company, will become obligated to pay additional amounts pursuant to Section 1.8 hereof with respect to the Notes, then the Company may at any time at the Company’s option redeem, in whole, but not in part, the Notes on not less than 30 nor more than 60 days’ prior notice, at a redemption price equal to 100% of their principal amount, plus accrued and unpaid interest on the Notes to be redeemed to, but excluding, the date fixed for redemption. For purposes of this Section 1.9, “Change in Law” means any change in, or amendment to, the laws of a Taxing Jurisdiction, or an official interpretation thereof that is announced or becomes effective on or after (i) with respect to the United States and Luxembourg as the initial applicable Taxing Jurisdictions, August 10, 2021 or (ii) with respect to any other Taxing Jurisdiction, the date on which such jurisdiction becomes a Taxing Jurisdiction for the Company or the Guarantor, as applicable.

Section 1.10 Eurosystem eligibility. The Notes are intended to be held in a manner which will allow Eurosystem eligibility. This simply means that the Notes are intended upon issue to be deposited with one of the ICSDs as Common Safekeeper (and registered in the name of a nominee of one of the ICSDs acting as Common Safekeeper) and does not necessarily mean that the Notes will be recognized as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any or all times during their life. Such recognition will depend upon the European Central Bank being satisfied that Eurosystem eligibility criteria have been met.

Section 1.11 Destroy Option. In the case of a Global Note intended to be held under the New Safekeeping Structure, the Common Safekeeper may destroy such Global Note in accordance with the normal procedures of the Common Safekeeper upon maturity and final redemption of such Global Note.

ARTICLE II

MISCELLANEOUS

Section 2.1 Business Day. If any interest payment date is not a Business Day, payment of interest will be made on the next day that is a Business Day and no interest will accrue as a result of such delayed payment on amounts payable from and after such interest payment date to the next succeeding Business Day.

Section 2.2 Confirmation of Indenture. The Base Indenture, as supplemented and amended by this Supplemental Indenture, is in all respects ratified and confirmed, and the Base Indenture, this Supplemental Indenture and all indentures supplemental thereto shall be read, taken and construed as one and the same instrument.

Section 2.3 Concerning the Trustee. In carrying out its responsibilities hereunder, the Trustee shall have all of the rights, protections and immunities which it possesses under the Indenture. Section 2.4 Governing Law. The laws of the State of New York shall govern this Supplemental Indenture, the Notes and the Guarantees. The provisions of articles 470-1 to 470-19 (inclusive) of the Luxembourg law of 10 August 1915 on commercial companies, as amended, are expressly excluded.

Section 2.5 Separability. In case any provision in this Supplemental Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 2.6 Duplicate Originals. The parties hereto may sign any number of copies of this Supplemental Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. The exchange of copies of this Supplemental Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Supplemental Indenture as to the parties hereto and may be used in lieu of the original Supplemental Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes.

Section 2.7 No Benefit. Nothing in this Supplemental Indenture, express or implied, shall give to any Person other than the parties hereto and their successors or assigns, and the Holders, any benefit or legal or equitable rights, remedy or claim under this Supplemental Indenture or the Base Indenture.

2. Paying Agent and Registrar. Initially, The Bank of New York Mellon, London Branch will act as Paying Agent. The Bank of New York Mellon Trust Company, N.A. will initially act as Registrar for the Notes. The Company may change any Paying Agent upon notice to the Trustee.
3. Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (“**TIA**”) as in effect on the date the Indenture is qualified. The Notes are subject to all such terms, and holders of such Notes are referred to the Indenture and TIA for a statement of such terms. In the event of a conflict between the terms of the Notes and the terms of the Indenture, the terms of the Indenture shall prevail. The Notes are senior unsecured obligations of the Company.

4. Issuance in Euro. Initial Holders of the Notes will be required to pay for the Notes in euros, and principal, premium, if any, and interest payments on the Notes, including any payments made upon any redemption of the Notes, will be payable in euros. If, on or after August [10], 2021, the euro is unavailable to the Company or, in the case of the Guarantee, the Guarantor, due to the imposition of exchange controls or other circumstances beyond the Company's or the Guarantor's control or the euro is no longer used by the then member states of the European Monetary Union that have adopted the euro as their currency or for the settlement of transactions by public institutions within the international banking community, then all payments in respect of the Notes or the Guarantee will be made in U.S. dollars until the euro is again available to the Company or, in the case of the Guarantees, the Guarantor, or so used. The amount payable on any date in euro will be converted into U.S. dollars at the rate mandated by the U.S. Federal Reserve Board as of the close of business on the second Business Day prior to the relevant payment date or, in the event the U.S. Federal Reserve Board has not mandated a rate of conversion, on the basis of the most recent euro/U.S. dollar exchange rate available on or prior to the second Business Day prior to the relevant payment date, as determined by the Company in its sole discretion. Any payment in respect of the Notes so made in U.S. dollars will not constitute an Event of Default under the Notes or the Indenture governing the Notes. Neither the Trustee nor the Paying Agent shall have any responsibility for any calculation or conversion in connection with the foregoing.
5. Optional Redemption. The Notes are redeemable, in whole or in part, at the option of the Company, at any time prior to [ ] ([ ] months prior to the maturity date) at a redemption price, as determined by the Company, equal to the greater of (i) 100% of the principal amount of the Notes to be redeemed and (ii) the sum of the present values of the Remaining Scheduled Payments on the Notes being redeemed, discounting such payments to the redemption date on an annual basis (ACTUAL/ACTUAL (ICMA)) at the applicable Comparable Government Bond Rate, plus [ ] basis points, plus accrued and unpaid interest to, but excluding the date of redemption on the principal balance of the Notes being redeemed. At any time on or after [ ] ([ ] months prior to their maturity date), the Notes shall be redeemable, in whole or in part, at the option of the Company, at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest to the date of redemption on the principal balance of the Notes being redeemed.
6. Offer to Repurchase Upon Change of Control Triggering Event. Holders of the Notes may, under the circumstances specified in the Indenture, have the right to require the Company to purchase all or a portion of their Notes (in integral multiples of €1,000) pursuant to a Change of Control Offer. Holders of Notes electing to have Notes purchased pursuant to a Change of Control Offer will be required to surrender their Notes, with the form entitled "Option of Holder to Elect Purchase" below completed, to the Paying Agent at the address specified in the notice, or transfer their Notes to the Trustee by book-entry transfer pursuant to the applicable procedures of the Paying Agent, prior to the close of business on the third Business Day prior to the Change of Control Payment Date. The Change of Control Offer may be accepted for less than the entire principal amount of a Note, but in that event the principal amount of such Note remaining outstanding after repurchase must be equal to €100,000 or an integral multiple of €1,000 in excess thereof.

7. Transfers; Exchanges. Upon the presentment for registration of transfer of this Note at the office or agency of the Company or the Guarantor designated for such purpose pursuant to the Indenture, a new Note or Notes of authorized denominations for an equal aggregate principal amount shall be issued to the transferee in exchange therefor, subject to the limitations provided in the Indenture, without charge except for any tax or other governmental charge imposed in connection therewith.
- Prior to due presentment for registration of transfer of this Note, the Company, the Guarantor, the Trustee or any Registrar, Paying Agent or Authenticating Agent, may deem and treat the registered holder hereof as the absolute owner of this Note (whether or not this Note shall be overdue and notwithstanding any notation of ownership or other writing hereon), for the purpose of receiving payment hereof, or an account hereof, and for all other purposes, and the Company, the Guarantor, the Trustee and any Registrar, Paying Agent and Authenticating Agent shall not be affected by any notice to the contrary.
8. Payment of Additional Amounts and Redemption for Tax Reasons. The provisions of Sections 1.8 and 1.9 of the Supplemental Indenture shall apply to the Notes. Whenever the payment of the principal of or interest or any other amounts on, or in respect of, this Note is mentioned, in any context, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof pursuant to the terms of the Indenture, and express mention of the payment of Additional Amounts in any provision of this series of Notes shall not be construed as excluding the payment of Additional Amounts in those provisions where such express mention is not made.
9. Denominations, Transfer, Exchange. The Notes are in registered form without coupons in the denominations of €100,000 or any integral multiple of €1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Notes may be presented for exchange or for registration of transfer (duly endorsed or with the form of transfer endorsed thereon duly executed if so required by the Company or the Registrar) at the office or agency of the Company or the Guarantor designated for such purpose (or otherwise in accordance with applicable procedures of Euroclear and Clearstream). No service charge shall be made for any registration of transfer or exchange, but a Holder of such Notes may be required to pay any applicable taxes or other governmental charges.
10. Persons Deemed Owners. The registered Holder of a Note will be treated as its owner for all purposes. Only registered holders will have rights under the Indenture governing the Notes.
11. Repayment to the Company. Subject to the terms of the Indenture, any funds deposited with the Trustee or Paying Agent, or then held by the Company, in trust for the payment of the principal of and any interest on any Security of any series and remaining unclaimed for two years after such principal and any interest has become due and payable shall be paid to the Company upon written request by the Company, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

12. Amendments, Supplements and Waivers. The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the Guarantor and the rights of the Holders of the Securities of any series at any time by the Company, the Guarantor and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the outstanding Securities of such series, each series voting separately. The Indenture also contains provisions permitting the Holders of a majority in aggregate principal amount of the outstanding Securities, on behalf of the Holders of all the Securities of such series, to waive certain past defaults under the Indenture and their consequences. Any such consent or waiver by or on behalf of the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.
13. Defaults and Remedies. In case an Event of Default, as defined in the Indenture, with respect to the Notes shall have occurred and be continuing, the principal hereof and interest hereon may be declared, and upon such declaration shall become, due and payable, in the manner, with the effect and subject to the conditions provided in the Indenture.
14. Trustee, Paying Agent and Registrar May Hold Securities. The Trustee, subject to certain limitations imposed by the TIA, or any Paying Agent or Registrar, in its individual or any other capacity, may become the owner or pledgee of Securities with the same rights it would have if it were not Trustee, Paying Agent or Registrar.
15. No Recourse Against Others. No recourse under or upon any obligation, covenant or agreement contained in this Indenture, in any Security, or because of any indebtedness evidenced thereby, shall be had against any incorporator, as such or against any past, present or future stockholder, officer, director or employee, as such, of the Company, the Guarantor or of any of either of their respective successors, either directly or through the Company or the Guarantor or any successor, under any rule of law, statute or constitutional provision or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, all such personal liability being expressly waived and released by the acceptance of the Securities by the Holders thereof and as part of the consideration for the issue of the Securities.
16. Discharge of Indenture. The Indenture contains certain provisions pertaining to discharge and defeasance, which provisions shall for all purposes have the same effect as if set forth herein.
17. Authentication. This Note shall not be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been signed by the Trustee under the Indenture referred to on the reverse hereof and until this Note has been effectuated for and on behalf of the Common Safekeeper.

18. Guarantee. This Note is fully and unconditionally guaranteed by the Guarantor, as provided in Article 10 of the Base Indenture and Section 1.4 of the Supplemental Indenture.
19. Governing Law. The laws of the State of New York shall govern the Base Indenture, the Supplemental Indenture and this Note. The provisions of articles 470-1 to 470-19 (inclusive) of the Luxembourg law of 10 August 1915 on commercial companies, as amended, are expressly excluded.

This Note is one of a duly authorized issue of debentures, notes or other evidences of indebtedness (the “**Securities**”) of Becton Dickinson Euro Finance S.à r.l., a private limited liability company (*société à responsabilité limitée*) incorporated under the laws of the Grand Duchy of Luxembourg, having its registered office at 412 F route d’Esch, L-1471 Luxembourg and registered with the Luxembourg Trade and Companies Register under number B234229 (the “**Company**”), issued or to be issued in one or more series under and pursuant to an Indenture for the Company’s unsecured debt securities, dated as of May 17, 2019 (the “**Base Indenture**”), duly executed and delivered by and among the Company, Becton, Dickinson and Company, a New Jersey corporation (the “**Guarantor**”), and The Bank of New York Mellon Trust Company, N.A. (the “**Trustee**”), as supplemented by the Third Supplemental Indenture, dated as of August 13, 2021 (the “**Supplemental Indenture**”), among the Company, the Guarantor and the Trustee. The Notes are subject to a Paying Agency Agreement, dated as of August 13, 2021 (the “**Paying Agency Agreement**”), among the Company, the Guarantor and The Bank of New York Mellon, London Branch, as Paying Agent (the “**Paying Agent**”). The Base Indenture as supplemented and amended by the Supplemental Indenture is referred to herein as the “**Indenture**.” The Notes may be issued in one or more series, which different series may be issued in various aggregate principal amounts, may mature at different times, may bear interest (if any) at different rates, may be subject to different redemption provisions (if any), may be subject to different sinking, purchase or analogous funds (if any) and may otherwise vary as provided in the Indenture. This Note is one of the series designated on the face hereof, initially limited in aggregate principal amount to € (except as provided in the Indenture). Terms defined in the Indenture have the same definitions herein unless otherwise specified.

1. Method of Payment. Payment of the principal of and interest on this Note will be made at the office or agency of the Company maintained for that purpose in the City of London, England, which shall be initially the corporate trust office of The Bank of New York Mellon, London Branch, located at One Canada Square, London E14 5AL.
  2. Paying Agent and Registrar. Initially, The Bank of New York Mellon, London Branch will act as Paying Agent. The Bank of New York Mellon Trust Company, N.A. will initially act as Registrar for the Notes. The Company may change any Paying Agent upon notice to the Trustee.
  3. Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (“**TIA**”) as in effect on the date the Indenture is qualified. The Notes are subject to all such terms, and holders of such Notes are referred to the Indenture and TIA for a statement of such terms. In the event of a conflict between the terms of the Notes and the terms of the Indenture, the terms of the Indenture shall prevail. The Notes are senior unsecured obligations of the Company.
-

4. Issuance in Euro. Initial Holders of the Notes will be required to pay for the Notes in euros, and principal, premium, if any, and interest payments on the Notes, including any payments made upon any redemption of the Notes, will be payable in euros. If, on or after August 10, 2021, the euro is unavailable to the Company or, in the case of the Guarantee, the Guarantor, due to the imposition of exchange controls or other circumstances beyond the Company's or the Guarantor's control or the euro is no longer used by the then member states of the European Monetary Union that have adopted the euro as their currency or for the settlement of transactions by public institutions within the international banking community, then all payments in respect of the Notes or the Guarantee will be made in U.S. dollars until the euro is again available to the Company or, in the case of the Guarantees, the Guarantor, or so used. The amount payable on any date in euro will be converted into U.S. dollars at the rate mandated by the U.S. Federal Reserve Board as of the close of business on the second Business Day prior to the relevant payment date or, in the event the U.S. Federal Reserve Board has not mandated a rate of conversion, on the basis of the most recent euro/U.S. dollar exchange rate available on or prior to the second Business Day prior to the relevant payment date, as determined by the Company in its sole discretion. Any payment in respect of the Notes so made in U.S. dollars will not constitute an Event of Default under the Notes or the Indenture governing the Notes. Neither the Trustee nor the Paying Agent shall have any responsibility for any calculation or conversion in connection with the foregoing.
  5. Optional Redemption. The Notes are redeemable, in whole or in part, at the option of the Company, at any time prior to May 13, 2028 (three months prior to the maturity date) at a redemption price, as determined by the Company, equal to the greater of (i) 100% of the principal amount of the Notes to be redeemed and (ii) the sum of the present values of the Remaining Scheduled Payments on the Notes being redeemed, discounting such payments to the redemption date on an annual basis (ACTUAL/ACTUAL (ICMA)) at the applicable Comparable Government Bond Rate, plus 20 basis points, plus accrued and unpaid interest to, but excluding the date of redemption on the principal balance of the Notes being redeemed. At any time on or after May 13, 2028 (three months prior to their maturity date), the Notes shall be redeemable, in whole or in part, at the option of the Company, at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest to the date of redemption on the principal balance of the Notes being redeemed.
  6. Offer to Repurchase Upon Change of Control Triggering Event. Holders of the Notes may, under the circumstances specified in the Indenture, have the right to require the Company to purchase all or a portion of their Notes (in integral multiples of €1,000) pursuant to a Change of Control Offer. Holders of Notes electing to have Notes purchased pursuant to a Change of Control Offer will be required to surrender their Notes, with the form entitled "Option of Holder to Elect Purchase" below completed, to the Paying Agent at the address specified in the notice, or transfer their Notes to the Trustee by book-entry transfer pursuant to the applicable procedures of the Paying Agent, prior to the close of business on the third Business Day prior to the Change of Control Payment Date. The Change of Control Offer may be accepted for less than the entire principal amount of a Note, but in that event the principal amount of such Note remaining outstanding after repurchase must be equal to €100,000 or an integral multiple of €1,000 in excess thereof.
-

7. Transfers; Exchanges. Upon the presentment for registration of transfer of this Note at the office or agency of the Company or the Guarantor designated for such purpose pursuant to the Indenture, a new Note or Notes of authorized denominations for an equal aggregate principal amount shall be issued to the transferee in exchange therefor, subject to the limitations provided in the Indenture, without charge except for any tax or other governmental charge imposed in connection therewith.  
  
Prior to due presentment for registration of transfer of this Note, the Company, the Guarantor, the Trustee or any Registrar, Paying Agent or Authenticating Agent, may deem and treat the registered holder hereof as the absolute owner of this Note (whether or not this Note shall be overdue and notwithstanding any notation of ownership or other writing hereon), for the purpose of receiving payment hereof, or an account hereof, and for all other purposes, and the Company, the Guarantor, the Trustee and any Registrar, Paying Agent and Authenticating Agent shall not be affected by any notice to the contrary.
  8. Payment of Additional Amounts and Redemption for Tax Reasons. The provisions of Sections 1.8 and 1.9 of the Supplemental Indenture shall apply to the Notes. Whenever the payment of the principal of or interest or any other amounts on, or in respect of, this Note is mentioned, in any context, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof pursuant to the terms of the Indenture, and express mention of the payment of Additional Amounts in any provision of this series of Notes shall not be construed as excluding the payment of Additional Amounts in those provisions where such express mention is not made.
  9. Denominations, Transfer, Exchange. The Notes are in registered form without coupons in the denominations of €100,000 or any integral multiple of €1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Notes may be presented for exchange or for registration of transfer (duly endorsed or with the form of transfer endorsed thereon duly executed if so required by the Company or the Registrar) at the office or agency of the Company or the Guarantor designated for such purpose (or otherwise in accordance with applicable procedures of Euroclear and Clearstream). No service charge shall be made for any registration of transfer or exchange, but a Holder of such Notes may be required to pay any applicable taxes or other governmental charges.
  10. Persons Deemed Owners. The registered Holder of a Note will be treated as its owner for all purposes. Only registered holders will have rights under the Indenture governing the Notes.
  11. Repayment to the Company. Subject to the terms of the Indenture, any funds deposited with the Trustee or Paying Agent, or then held by the Company, in trust for the payment of the principal of and any interest on any Security of any series and remaining unclaimed for two years after such principal and any interest has become due and payable shall be paid to the Company upon written request by the Company, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.
-

12. Amendments, Supplements and Waivers. The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the Guarantor and the rights of the Holders of the Securities of any series at any time by the Company, the Guarantor and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the outstanding Securities of such series, each series voting separately. The Indenture also contains provisions permitting the Holders of a majority in aggregate principal amount of the outstanding Securities, on behalf of the Holders of all the Securities of such series, to waive certain past defaults under the Indenture and their consequences. Any such consent or waiver by or on behalf of the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.
  13. Defaults and Remedies. In case an Event of Default, as defined in the Indenture, with respect to the Notes shall have occurred and be continuing, the principal hereof and interest hereon may be declared, and upon such declaration shall become, due and payable, in the manner, with the effect and subject to the conditions provided in the Indenture.
  14. Trustee, Paying Agent and Registrar May Hold Securities. The Trustee, subject to certain limitations imposed by the TIA, or any Paying Agent or Registrar, in its individual or any other capacity, may become the owner or pledgee of Securities with the same rights it would have if it were not Trustee, Paying Agent or Registrar.
  15. No Recourse Against Others. No recourse under or upon any obligation, covenant or agreement contained in this Indenture, in any Security, or because of any indebtedness evidenced thereby, shall be had against any incorporator, as such or against any past, present or future stockholder, officer, director or employee, as such, of the Company, the Guarantor or of any of either of their respective successors, either directly or through the Company or the Guarantor or any successor, under any rule of law, statute or constitutional provision or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, all such personal liability being expressly waived and released by the acceptance of the Securities by the Holders thereof and as part of the consideration for the issue of the Securities.
  16. Discharge of Indenture. The Indenture contains certain provisions pertaining to discharge and defeasance, which provisions shall for all purposes have the same effect as if set forth herein.
  17. Authentication. This Note shall not be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been signed by the Trustee under the Indenture referred to on the reverse hereof and until this Note has been effectuated for and on behalf of the Common Safekeeper.

**1.336% Notes Due 2041**

This Note is one of a duly authorized issue of debentures, notes or other evidences of indebtedness (the “**Securities**”) of Becton Dickinson Euro Finance S.à r.l., a private limited liability company (*société à responsabilité limitée*) incorporated under the laws of the Grand Duchy of Luxembourg, having its registered office at 412 F route d’Esch, L-1471 Luxembourg and registered with the Luxembourg Trade and Companies Register under number B234229 (the “**Company**”), issued or to be issued in one or more series under and pursuant to an Indenture for the Company’s unsecured debt securities, dated as of May 17, 2019 (the “**Base Indenture**”), duly executed and delivered by and among the Company, Becton, Dickinson and Company, a New Jersey corporation (the “**Guarantor**”), and The Bank of New York Mellon Trust Company, N.A. (the “**Trustee**”), as supplemented by the Third Supplemental Indenture, dated as of August 13, 2021 (the “**Supplemental Indenture**”), among the Company, the Guarantor and the Trustee. The Notes are subject to a Paying Agency Agreement, dated as of August 13, 2021 (the “**Paying Agency Agreement**”), among the Company, the Guarantor and The Bank of New York Mellon, London Branch, as Paying Agent (the “**Paying Agent**”). The Base Indenture as supplemented and amended by the Supplemental Indenture is referred to herein as the “**Indenture**.” The Notes may be issued in one or more series, which different series may be issued in various aggregate principal amounts, may mature at different times, may bear interest (if any) at different rates, may be subject to different redemption provisions (if any), may be subject to different sinking, purchase or analogous funds (if any) and may otherwise vary as provided in the Indenture. This Note is one of the series designated on the face hereof, initially limited in aggregate principal amount to € (except as provided in the Indenture). Terms defined in the Indenture have the same definitions herein unless otherwise specified.

1. Method of Payment. Payment of the principal of and interest on this Note will be made at the office or agency of the Company maintained for that purpose in the City of London, England, which shall be initially the corporate trust office of The Bank of New York Mellon, London Branch, located at One Canada Square, London E14 5AL.
  2. Paying Agent and Registrar. Initially, The Bank of New York Mellon, London Branch will act as Paying Agent. The Bank of New York Mellon Trust Company, N.A. will initially act as Registrar for the Notes. The Company may change any Paying Agent upon notice to the Trustee.
  3. Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (“**TIA**”) as in effect on the date the Indenture is qualified. The Notes are subject to all such terms, and holders of such Notes are referred to the Indenture and TIA for a statement of such terms. In the event of a conflict between the terms of the Notes and the terms of the Indenture, the terms of the Indenture shall prevail. The Notes are senior unsecured obligations of the Company.
-

4. Issuance in Euro. Initial Holders of the Notes will be required to pay for the Notes in euros, and principal, premium, if any, and interest payments on the Notes, including any payments made upon any redemption of the Notes, will be payable in euros. If, on or after August 10, 2021, the euro is unavailable to the Company or, in the case of the Guarantee, the Guarantor, due to the imposition of exchange controls or other circumstances beyond the Company's or the Guarantor's control or the euro is no longer used by the then member states of the European Monetary Union that have adopted the euro as their currency or for the settlement of transactions by public institutions within the international banking community, then all payments in respect of the Notes or the Guarantee will be made in U.S. dollars until the euro is again available to the Company or, in the case of the Guarantees, the Guarantor, or so used. The amount payable on any date in euro will be converted into U.S. dollars at the rate mandated by the U.S. Federal Reserve Board as of the close of business on the second Business Day prior to the relevant payment date or, in the event the U.S. Federal Reserve Board has not mandated a rate of conversion, on the basis of the most recent euro/U.S. dollar exchange rate available on or prior to the second Business Day prior to the relevant payment date, as determined by the Company in its sole discretion. Any payment in respect of the Notes so made in U.S. dollars will not constitute an Event of Default under the Notes or the Indenture governing the Notes. Neither the Trustee nor the Paying Agent shall have any responsibility for any calculation or conversion in connection with the foregoing.
  5. Optional Redemption. The Notes are redeemable, in whole or in part, at the option of the Company, at any time prior to February 13, 2041 (six months prior to the maturity date) at a redemption price, as determined by the Company, equal to the greater of (i) 100% of the principal amount of the Notes to be redeemed and (ii) the sum of the present values of the Remaining Scheduled Payments on the Notes being redeemed, discounting such payments to the redemption date on an annual basis (ACTUAL/ACTUAL (ICMA)) at the applicable Comparable Government Bond Rate, plus 25 basis points, plus accrued and unpaid interest to, but excluding the date of redemption on the principal balance of the Notes being redeemed. At any time on or after February 13, 2041 (six months prior to their maturity date), the Notes shall be redeemable, in whole or in part, at the option of the Company, at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest to the date of redemption on the principal balance of the Notes being redeemed.
  6. Offer to Repurchase Upon Change of Control Triggering Event. Holders of the Notes may, under the circumstances specified in the Indenture, have the right to require the Company to purchase all or a portion of their Notes (in integral multiples of €1,000) pursuant to a Change of Control Offer. Holders of Notes electing to have Notes purchased pursuant to a Change of Control Offer will be required to surrender their Notes, with the form entitled "Option of Holder to Elect Purchase" below completed, to the Paying Agent at the address specified in the notice, or transfer their Notes to the Trustee by book-entry transfer pursuant to the applicable procedures of the Paying Agent, prior to the close of business on the third Business Day prior to the Change of Control Payment Date. The Change of Control Offer may be accepted for less than the entire principal amount of a Note, but in that event the principal amount of such Note remaining outstanding after repurchase must be equal to €100,000 or an integral multiple of €1,000 in excess thereof.
-

7. Transfers; Exchanges. Upon the presentment for registration of transfer of this Note at the office or agency of the Company or the Guarantor designated for such purpose pursuant to the Indenture, a new Note or Notes of authorized denominations for an equal aggregate principal amount shall be issued to the transferee in exchange therefor, subject to the limitations provided in the Indenture, without charge except for any tax or other governmental charge imposed in connection therewith.  
  
Prior to due presentment for registration of transfer of this Note, the Company, the Guarantor, the Trustee or any Registrar, Paying Agent or Authenticating Agent, may deem and treat the registered holder hereof as the absolute owner of this Note (whether or not this Note shall be overdue and notwithstanding any notation of ownership or other writing hereon), for the purpose of receiving payment hereof, or an account hereof, and for all other purposes, and the Company, the Guarantor, the Trustee and any Registrar, Paying Agent and Authenticating Agent shall not be affected by any notice to the contrary.
  8. Payment of Additional Amounts and Redemption for Tax Reasons. The provisions of Sections 1.8 and 1.9 of the Supplemental Indenture shall apply to the Notes. Whenever the payment of the principal of or interest or any other amounts on, or in respect of, this Note is mentioned, in any context, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof pursuant to the terms of the Indenture, and express mention of the payment of Additional Amounts in any provision of this series of Notes shall not be construed as excluding the payment of Additional Amounts in those provisions where such express mention is not made.
  9. Denominations, Transfer, Exchange. The Notes are in registered form without coupons in the denominations of €100,000 or any integral multiple of €1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Notes may be presented for exchange or for registration of transfer (duly endorsed or with the form of transfer endorsed thereon duly executed if so required by the Company or the Registrar) at the office or agency of the Company or the Guarantor designated for such purpose (or otherwise in accordance with applicable procedures of Euroclear and Clearstream). No service charge shall be made for any registration of transfer or exchange, but a Holder of such Notes may be required to pay any applicable taxes or other governmental charges.
  10. Persons Deemed Owners. The registered Holder of a Note will be treated as its owner for all purposes. Only registered holders will have rights under the Indenture governing the Notes.
  11. Repayment to the Company. Subject to the terms of the Indenture, any funds deposited with the Trustee or Paying Agent, or then held by the Company, in trust for the payment of the principal of and any interest on any Security of any series and remaining unclaimed for two years after such principal and any interest has become due and payable shall be paid to the Company upon written request by the Company, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.
-

12. Amendments, Supplements and Waivers. The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the Guarantor and the rights of the Holders of the Securities of any series at any time by the Company, the Guarantor and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the outstanding Securities of such series, each series voting separately. The Indenture also contains provisions permitting the Holders of a majority in aggregate principal amount of the outstanding Securities, on behalf of the Holders of all the Securities of such series, to waive certain past defaults under the Indenture and their consequences. Any such consent or waiver by or on behalf of the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.
  13. Defaults and Remedies. In case an Event of Default, as defined in the Indenture, with respect to the Notes shall have occurred and be continuing, the principal hereof and interest hereon may be declared, and upon such declaration shall become, due and payable, in the manner, with the effect and subject to the conditions provided in the Indenture.
  14. Trustee, Paying Agent and Registrar May Hold Securities. The Trustee, subject to certain limitations imposed by the TIA, or any Paying Agent or Registrar, in its individual or any other capacity, may become the owner or pledgee of Securities with the same rights it would have if it were not Trustee, Paying Agent or Registrar.
  15. No Recourse Against Others. No recourse under or upon any obligation, covenant or agreement contained in this Indenture, in any Security, or because of any indebtedness evidenced thereby, shall be had against any incorporator, as such or against any past, present or future stockholder, officer, director or employee, as such, of the Company, the Guarantor or of any of either of their respective successors, either directly or through the Company or the Guarantor or any successor, under any rule of law, statute or constitutional provision or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, all such personal liability being expressly waived and released by the acceptance of the Securities by the Holders thereof and as part of the consideration for the issue of the Securities.
  16. Discharge of Indenture. The Indenture contains certain provisions pertaining to discharge and defeasance, which provisions shall for all purposes have the same effect as if set forth herein.
  17. Authentication. This Note shall not be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been signed by the Trustee under the Indenture referred to on the reverse hereof and until this Note has been effectuated for and on behalf of the Common Safekeeper.
-

18. Guarantee. This Note is fully and unconditionally guaranteed by the Guarantor, as provided in Article 10 of the Base Indenture and Section 1.4 of the Supplemental Indenture.
  19. Governing Law. The laws of the State of New York shall govern the Base Indenture, the Supplemental Indenture and this Note. The provisions of articles 470-1 to 470-19 (inclusive) of the Luxembourg law of 10 August 1915 on commercial companies, as amended, are expressly excluded.

Ladies and Gentlemen:

I am Senior Vice President, Corporate Secretary and Associate General Counsel of Becton, Dickinson and Company, a New Jersey corporation (the "Company"), and have been requested to furnish this opinion in connection with the Registration Statement on Form S-3 (File No. 333-255829) (the "Registration Statement") filed by the Company and Becton Dickinson Euro Finance S.à r.l., a private limited liability company (*société à responsabilité limitée*) incorporated under the laws of the Grand Duchy of Luxembourg ("Becton Finance"), with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933 (the "Act"), relating to the issuance by Becton Finance of €900,000,000 aggregate principal amount of Becton Finance's 0.334% Notes due 2028 and €900,000,000 aggregate principal amount of Becton Finance's 1.336% Notes due 2041 (together, the "Notes"). The Indenture (as defined below) provides that the Notes are to be guaranteed by the Company (such guarantee, together with the Notes, the "Securities"). The Securities are being offered and sold pursuant to a Prospectus, dated May 6, 2021, as supplemented by the Prospectus Supplement, dated August 10, 2021 (together, the "Prospectus"), filed with the Commission on August 10, 2021 pursuant to Rule 424(b)(2) under the Act, and an Underwriting Agreement, dated August 10, 2021 (the "Underwriting Agreement"), among Becton Finance, the Company and the underwriters named therein.

In connection with the furnishing of this opinion, I have examined (a) copies of the Registration Statement and of the Prospectus; (b) a copy of the Indenture, dated as of May 17, 2019 (the "Base Indenture"), among Becton Finance, as issuer, the Company, as guarantor, and The Bank of New York Mellon Trust Company, N.A., as trustee (the "Trustee"), including Article 10 thereof containing the guaranty obligations of the Company (the "Guarantee"), as amended and supplemented by the Third Supplemental Indenture thereto, dated as of August 13, 2021 (the "Third Supplemental Indenture" and, together with the Base Indenture, the "Indenture"), among Becton Finance, the Company and the Trustee; and (c) an executed copy of the Underwriting Agreement.

---

I also have examined such corporate records of the Company, such agreements and instruments, such certificates of public officials, such certificates of other officers of the Company and other persons, such questions of law and such other documents as I have deemed necessary as a basis for the opinions hereinafter expressed.

In such examination, except with respect to documents executed by officers of the Company in my presence, I have assumed the genuineness of all signatures, including electronic signatures, the legal capacity of natural persons, the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as duplicates or certified or photocopied copies and the authenticity of the originals of such latter documents. I also have assumed that the Indenture is the valid and legally binding obligation of Becton Finance and the Trustee.

Based on the foregoing, I am of the opinion that:

- (i) The Company has been duly incorporated and is validly existing as a corporation in good standing under the laws of the State of New Jersey, with power and authority (corporate and other) to own its properties and conduct its business as described in the Prospectus.
- (ii) The Underwriting Agreement and the Indenture have been duly authorized, executed and delivered by the Company.
- (iii) The issue of the Guarantee and the compliance by the Company with all of the provisions of the Indenture applicable thereto, and the consummation of the transactions therein contemplated, will not conflict with or result in a breach or violation of any statute or any order, rule or regulation known to me of any court or governmental agency or body having jurisdiction over the Company or any of its subsidiaries or any of their properties.

I am a member of the Bar of the State of New Jersey. The foregoing opinion is limited to the laws of the State of New Jersey.

I hereby consent to the filing of this opinion as Exhibit 5.1 to the Company's Current Report on Form 8-K filed on August 13, 2021. In addition, I consent to the reference to me under the caption "Legal Matters" in the Prospectus.

---

This opinion is rendered solely to you in connection with the above matter. This opinion may not be relied upon by you for any other purpose or relied upon by or furnished to any other person without my prior written consent.

Very truly yours,

We have also examined originals or copies, certified or otherwise identified to our satisfaction, of such records of the Opinion Parties and such agreements, certificates and receipts of public officials, certificates of officers or other representatives of the Opinion Parties and others, and such other documents as we have deemed necessary or appropriate as a basis for the opinions stated below.

In our examination, we have assumed the genuineness of all signatures, including electronic signatures, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as facsimile, electronic, certified or photocopied copies, and the authenticity of the originals of such copies. ---

The opinions stated herein are subject to the following qualifications:

(a) we do not express any opinion with respect to the effect on the opinions stated herein of any bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer, preference and other similar laws or governmental orders affecting creditors' rights generally, and the opinions stated herein are limited by such laws and orders and by general principles of equity (regardless of whether enforcement is sought in equity or at law);

(b) we do not express any opinion with respect to any law, rule or regulation that is applicable to any party to any of the Transaction Documents or the transactions contemplated thereby solely because such law, rule or regulation is part of a regulatory regime applicable to any such party or any of its affiliates as a result of the specific assets or business operations of such party or such affiliates;

(c) except to the extent expressly stated in the opinions contained herein, we have assumed that each of the Transaction Documents constitutes the valid and binding obligation of each party to such Transaction Document, enforceable against such party in accordance with its terms;

(d) we do not express any opinion with respect to the enforceability of any provision contained in any Transaction Document relating to any indemnification, contribution, non-reliance, exculpation, release, limitation or exclusion of remedies, waiver or other provisions having similar effect that may be contrary to public policy or violative of federal or state securities laws, rules or regulations, or to the extent any such provision purports to, or has the effect of, waiving or altering any statute of limitations;

(g) to the extent that any opinion relates to the enforceability of the choice of New York law and choice of New York forum provisions contained in any Transaction Document, the opinions stated herein are subject to the qualification that such enforceability may be subject to, in each case, (i) the exceptions and limitations in New York General Obligations Law sections 5-1401 and 5-1402 and (ii) principles of comity and constitutionality;

---

(h) we call to your attention that under Section 5-1402 of the New York General Obligations Law an action may be maintained by or against a foreign corporation, a non-resident or a foreign state only if the action or proceeding arises out of or relates to a contract, agreement or undertaking and accordingly we do not express any opinion to the extent any provision extends to any dispute not arising out of or relating to the contractual relationship, whether in tort, equity or otherwise;

(i) we call to your attention that the opinions stated herein are subject to possible judicial action giving effect to governmental actions or laws of jurisdictions other than those with respect to which we express our opinion;

(j) we do not express any opinion with respect to the enforceability of any provision contained in any Transaction Document providing for indemnity by any party thereto against any loss in obtaining the currency due to such party under any Transaction Document from a court judgment in another currency; and

(k) we do not express any opinion with respect to the enforceability of Article 10 of the Indenture to the extent that such section provides that the obligations of the Guarantor are absolute and unconditional irrespective of the enforceability or genuineness of the Indenture or the effect thereof on the opinions herein stated.

In addition, in rendering the foregoing opinions we have assumed that:

(a) each Opinion Party (i) is duly incorporated or formed, as applicable, and is validly existing and in good standing, (ii) has requisite legal status and legal capacity under the laws of the jurisdiction of its organization or formation, as applicable, and (iii) has complied and will comply with all aspects of the laws of the jurisdiction of its organization or formation, as applicable, in connection with the transactions contemplated by, and the performance of its obligations under, the Transaction Documents to which such Opinion Party is a party;

The opinion stated herein are subject to the following qualifications:

(a) we do not express any opinion with respect to the effect on the opinions stated herein of any bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer, preference and other similar laws or governmental orders affecting creditors' rights generally, and the opinions stated herein are limited by such laws and orders and by general principles of equity (regardless of whether enforcement is sought in equity or at law);

(b) we do not express any opinion with respect to any law, rule or regulation that is applicable to any party to any of the Transaction Documents or the transactions contemplated thereby solely because such law, rule or regulation is part of a regulatory regime applicable to any such party or any of its affiliates as a result of the specific assets or business operations of such party or such affiliates;

(c) except to the extent expressly stated in the opinion contained herein, we have assumed that each of the Transaction Documents constitutes the valid and binding obligation of each party to such Transaction Document, enforceable against such party in accordance with its terms;

(d) we do not express any opinion with respect to the enforceability of any provision contained in any Transaction Document relating to any indemnification, contribution, non-reliance, exculpation, release, limitation or exclusion of remedies, waiver or other provisions having similar effect that may be contrary to public policy or violative of federal or state securities laws, rules or regulations, or to the extent any such provision purports to, or has the effect of waiving or altering any statute of limitations;

(e) we call to your attention that irrespective of the agreement of the parties to any Transaction Document, a court may decline to hear a case on grounds of forum non conveniens or other doctrine limiting the availability of such court as a forum for resolution of disputes; in addition, we call to your attention that we do not express any opinion with respect to the subject matter jurisdiction of the federal courts of the United States of America in any action arising out of or relating to any Transaction Document;

---

(f) we do not express any opinion with respect to the enforceability of any provision contained in any Transaction Document providing for indemnity by any party thereto against any loss in obtaining the currency due to such party under any Transaction Document from a court judgment in another currency;

(g) we have assumed, with your consent, that the choice of the Euro as the currency in which the Notes are denominated does not contravene any exchange control or other laws of the European Union, and further we call to your attention that a court may not award a judgment in any currency other than U.S. dollars; and

(h) to the extent that any opinion relates to the enforceability of the choice of New York law and choice of New York forum provisions contained in any Transaction Document, the opinion stated herein is subject to the qualification that such enforceability may be subject to, in each case, (i) the exceptions and limitations in New York General Obligations Law sections 5-1401 and 5-1402 and (ii) principles of comity and constitutionality.

In addition, in rendering the foregoing opinion we have assumed that:

(a) the Company (i) was duly incorporated and was validly existing and in good standing, (ii) had requisite legal status and legal capacity under the laws of the jurisdiction of its organization and (iii) has complied and will comply with all aspects of the laws of the jurisdiction of its organization in connection with the transactions contemplated by, and the performance of its obligations under, the Transaction Documents;

(b) the Company had the corporate power and authority to execute, deliver and perform all its obligations under each of the Transaction Documents;

(c) each of the Transaction Documents had been duly authorized, executed and delivered by all requisite corporate action on the part of the Company under New Jersey law;

(d) neither the execution and delivery by the Company of the Transaction Documents nor the performance by the Company of its obligations thereunder, including the issuance and sale of the Notes: (i) conflicted or will conflict with the certificate of incorporation of the Company, (ii) constituted or will constitute a violation of, or a default under, any lease, indenture, agreement or other instrument to which the Company or its property is subject (except that we do not make the assumption set forth in this clause (ii) with respect to those agreements or instruments expressed to be governed by the laws of the State of New York which are listed in Part II of the Registration Statement or the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2020), (iii) contravened or will contravene any order or decree of any governmental authority to which the Company or its property is subject or (iv) violated or will violate any law, rule or regulation to which the Company or its property is subject (except that we do not make the assumption set forth in this clause (iv) with respect to the Opined-on Law); and

---

(c) neither the execution and delivery by the Company of the Transaction Documents nor the performance by the Company of its obligations thereunder, including the issuance and sale of the Notes, required or will require the consent, approval, licensing or authorization of, or any filing, recording or registration with, any governmental authority under any law, rule or regulation of any jurisdiction.
