Item 1.01 Entry into a Material Definitive Agreement.*Agreement and Plan of Merger*

On October 5, 2014, Becton, Dickinson and Company, a New Jersey corporation (“BD”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) with CareFusion Corporation, a Delaware corporation (“CareFusion”) and Griffin Sub, Inc., a Delaware corporation and wholly owned subsidiary of BD (“Merger Corp”). The Merger Agreement provides, among other things, that, upon the terms and subject to the conditions set forth therein, Merger Corp will merge with and into CareFusion, with CareFusion surviving as a wholly-owned subsidiary of BD (the “Merger”).

In the Merger, each outstanding share of common stock, par value \$0.01 per share, of CareFusion (other than shares, if any, held by BD, Merger Corp and CareFusion and the shares with respect to which appraisal rights have been properly demanded in accordance with the Delaware General Corporation Law) will be converted into the right to receive (i) \$49.00 in cash, without interest (the “Cash Consideration”) and (ii) 0.0777 of a share of common stock, par value \$1.00 per share, of BD (“BD Stock”) (i) and (ii) together, the “Merger Consideration”).

Completion of the Merger is subject to customary closing conditions, including, among others, (1) the adoption of the Merger Agreement by CareFusion’s stockholders, (2) declaration of the effectiveness by the Securities and Exchange Commission (the “SEC”) of the Registration Statement on Form S-4 to be filed with the SEC by BD in connection with the registration of the shares of BD Stock to be issued in the Merger, (3) approval for listing on the New York Stock Exchange of the BD Stock to be issued in the Merger, (4) obtaining antitrust approvals in the United States and Europe, (5) subject to certain exceptions, the accuracy of the representations and warranties of the other party and (6) material compliance by the other party with its obligations under the Merger Agreement.

The Merger Agreement contains customary representations and warranties that expire at the effective time of the Merger, as well as customary covenants, including covenants providing for each of the parties and their subsidiaries to conduct its business in all material respects in the ordinary course during the period between the execution of the Merger Agreement and the effective time of the Merger, and to use reasonable best efforts to obtain required government approvals and consents, subject to certain exceptions. The Merger Agreement also includes covenants requiring CareFusion (i) not to solicit, initiate, knowingly encourage or take any other action designed to facilitate any inquiries, proposals or offers relating to alternative proposals to acquire CareFusion or, subject to certain exceptions, engage in any discussions or negotiations with respect thereto and (ii) to call and hold a special meeting of CareFusion’s stockholders and, subject to certain exceptions, recommend that CareFusion’s stockholders adopt the Merger Agreement (the “CareFusion Recommendation”).

The Merger Agreement also contains certain termination rights for both BD and CareFusion, and provides that, in connection with a termination of the Merger Agreement under specified circumstances, including a change in the CareFusion Recommendation or a termination of the Merger Agreement by CareFusion to enter into a definitive agreement for a “Superior Proposal” (as defined in the Merger Agreement), CareFusion will be required to pay BD a cash termination fee of \$367 million.

The foregoing description of the Merger Agreement and the transactions contemplated thereby is not complete and is subject to and qualified in its entirety by reference to the Merger Agreement, a copy of which is filed with this Current Report on Form 8-K as Exhibit 2.1 and the terms of which are incorporated herein by reference.

The Merger Agreement has been included to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about BD, CareFusion, Merger Corp or their respective subsidiaries and affiliates. The Merger Agreement contains representations and warranties by BD and Merger Corp, on the one hand, and by CareFusion, on the other hand, made solely for the benefit of the other. The assertions embodied in those representations and warranties are qualified by information in confidential disclosure schedules delivered by each party in connection with the signing of the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement were made as of a specified date, may be subject to a contractual standard of materiality different from what might be viewed as material to stockholders, or may have been used for the

purpose of allocating risk between BD and Merger Corp, on the one hand, and CareFusion, on the other hand. Accordingly, the representations and warranties in the Merger Agreement should not be relied on by any persons as characterizations of the actual state of facts about BD or CareFusion at the time they were made or otherwise. In addition, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in BD's or CareFusion's public disclosures. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information regarding the Merger Agreement, the Merger, BD, CareFusion, their respective affiliates and their respective businesses, that will be contained in, or incorporated by reference into, the Registration Statement on Form S-4 that will include a proxy statement of CareFusion and a prospectus of BD, as well as in the Forms 10-K, Forms 10-Q and other filings that each of BD and CareFusion make with the SEC.

Financing the Merger

BD plans to finance the Cash Consideration portion of the Merger Consideration using \$1.4 billion of cash on hand at BD and CareFusion as well as \$9.1 billion in proceeds from the issuance of senior unsecured notes by BD (the "Notes"). In the event that BD is unable to issue the Notes on or prior to the closing of the Merger, BD has obtained financing commitments to provide \$9.1 billion aggregate principal amount in unsecured 364-day bridge loans (the "Bridge Facility") to fund the Cash Consideration, as necessary, pursuant to a commitment letter (the "Commitment Letter") entered into on October 5, 2014, among BD, Goldman Sachs Bank USA and Goldman Sachs Lending Partners LLC. The funding of the Bridge Facility provided for in the Commitment Letter is contingent on the satisfaction of customary conditions, including (i) execution and delivery of definitive documentation with respect to the Bridge Facility in accordance with the terms sets forth in the Commitment Letter; (ii) consummation of the Merger in accordance with the Merger Agreement; and (iii) prior marketing period for the Notes.

The foregoing description of the Commitment Letter and the transactions contemplated thereby is not complete and is subject to and qualified in its entirety by reference to the Commitment Letter, a copy of which is filed with this Current Report on Form 8-K as Exhibit 10.1 and the terms of which are incorporated herein by reference.

a different class by reason of any reclassification, stock split (including a reverse stock split), recapitalization, split-up, combination, exchange of shares, readjustment, or other similar transaction, or a stock dividend thereon shall be declared with a record date within said period, then the Exchange Ratio and any other similarly dependent items, as the case may be, shall be appropriately adjusted to provide Parent and the holders of Company Stock (including Company Stock Options exercisable for Company Stock) the same economic effect as contemplated by this Agreement prior to such event. Nothing in this Section 2.06 shall be construed to permit any Party to take any action that is otherwise prohibited or restricted by any other provision of this Agreement.

Section 2.07 Fractional Shares. No certificates or scrip representing fractional shares of Parent Common Stock shall be issued upon the conversion of Company Stock pursuant to Section 2.05, and such fractional share interests shall not entitle the owner thereof to any Parent Common Stock or to vote or to any other rights of a holder of Parent Common Stock. All fractional shares to which a single record holder of Company Stock would be otherwise entitled to receive shall be aggregated and calculations shall be rounded to three decimal places. In lieu of any such fractional shares, each holder of Company Stock who would otherwise be entitled to such fractional shares shall be entitled to an amount in cash, without interest, rounded down to the nearest cent, equal to the product of (A) the amount of the fractional share interest in a share of Parent Common Stock to which such holder would, but for this Section 2.07, be entitled under Section 2.05(b) and (B) an amount equal to the average of the volume weighted average price per share of Parent Common Stock on the NYSE (as reported by Bloomberg L.P. or, if not reported therein, in another authoritative source mutually selected by Parent and the Company) on each of the ten (10) consecutive trading days ending with the complete trading day immediately prior to the Closing Date. As soon as practicable after the determination of the amount of cash, if any, to be paid to holders of Company Stock in lieu of any fractional share interests in Parent Common Stock, the Exchange Agent shall make available such amounts, without interest, to the holders of Company Stock entitled to receive such cash.

Section 2.08 Appraisal Shares. Notwithstanding anything in this Agreement to the contrary, shares of Company Stock that are outstanding immediately prior to the Effective Time and that are held by any Person who is entitled to demand and properly demands appraisal of such shares (“**Appraisal Shares**”) pursuant to, and who complies in all respects with, Section 262 of the DGCL (“**Section 262**”) shall not be converted into the Merger Consideration as provided in Section 2.05, but rather the holders of Appraisal Shares shall be entitled to payment by the Surviving Corporation of the “fair value” of such Appraisal Shares in accordance with Section 262; *provided, however*, that if any such holder shall fail to perfect or otherwise shall waive, withdraw or lose the right to appraisal under Section 262, then the right of such holder to be paid the fair value of such holder’s Appraisal Shares shall cease and such Appraisal Shares shall be deemed to have been converted as of the Effective Time into, and to have become exchangeable solely for, the Merger Consideration as provided in Section 2.05. The Company shall provide prompt notice to Parent of any demands received by the Company for appraisal of any shares of Company Stock, withdrawals of such demands and any other instruments served pursuant to Section 262 received by the Company. Parent shall have the right to participate in and direct all negotiations and proceedings with respect to such demands. Prior to the Effective Time, the Company shall not, without the prior written consent of Parent, make any payment with respect to, or settle or offer to settle, any such demands, or agree to do any of the foregoing.

Section 2.09 Exchange of Company Stock.

(a) Prior to the Effective Time, Parent shall enter into a customary exchange agreement with a nationally recognized financial institution designated by Parent and reasonably acceptable to the Company (the “**Exchange Agent**”), and shall deposit with the Exchange Agent for the benefit of the holders of shares of Company Stock, for exchange in accordance with this Article 2, through the Exchange Agent, subject to Section 2.09(b)(ii), book-entry shares (or certificates if requested) representing the full number of whole shares of Parent Common Stock issuable pursuant to Section 2.05 in exchange for outstanding shares of Company Stock. Prior to the Effective Time, Parent shall provide or shall cause to be provided to the Exchange Agent cash in an aggregate amount necessary to pay the cash portion of the Merger Consideration, and Parent shall, after the Effective Time on the appropriate payment date, if applicable, provide or cause to be provided to the Exchange Agent any dividends or other distributions payable on such shares of Parent Common Stock pursuant to Section 2.09(c) which had not theretofore been surrendered for exchange or been exchanged pursuant to Section 2.09(b)(ii) (such shares of Parent Common Stock and cash provided to the Exchange Agent, together with any dividends or other distributions with respect thereto, are hereinafter referred to as the “**Exchange Fund**”). For the purposes of such deposit, Parent shall assume that there will not be any fractional shares of Parent Common Stock. Parent shall make available to the Exchange Agent, for addition to the Exchange Fund, from time to time as needed, cash sufficient to pay cash in lieu of fractional shares in accordance with Section 2.07. The Exchange Agent shall deliver the Merger Consideration to be issued pursuant to Section 2.05 out of the Exchange Fund. Except as provided in Section 2.09(h), the Exchange Fund shall not be used for any other purpose.

(b) Exchange Procedures.

(i) Certificates. Parent shall instruct the Exchange Agent to mail, as soon as reasonably practicable after the Effective Time and in any event not later than the fifth Business Day following the Closing Date, to each holder of record of a Certificate whose shares of Company Stock were converted into the Merger Consideration pursuant to Section 2.05, (i) a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates to the Exchange Agent and shall be in customary form and have such other provisions as Parent may reasonably specify) and (ii) instructions for use in effecting the surrender of the Certificates in exchange for the Merger Consideration. Upon surrender of a Certificate for cancellation to the Exchange Agent or to such other agent or agents as may be appointed by Parent, together with such letter of transmittal, duly executed, and such other documents as may reasonably be required by the Exchange Agent, the holder of such Certificate shall be entitled to receive in exchange therefor, and Parent shall cause the Exchange Agent to pay and deliver in exchange thereof as promptly as practicable, (A) cash in an amount equal to the Per Share Cash Amount multiplied by the number of shares of Company Stock previously represented by such Certificate, (B) the number of shares of Parent Common Stock (which shall be in book-entry form unless a certificate is requested) representing, in the aggregate, the whole number of shares that such holder has the right to receive in respect of such Certificate pursuant to Section 2.05(b)

(after taking into account all other Certificates surrendered by such holder pursuant to this Section 2.09(b)(i)), (C) any dividends or other distributions payable pursuant to Section 2.09(c)(i) and (D) cash in lieu of fractional shares of Parent Common Stock payable pursuant to Section 2.07, and the Certificate so surrendered shall forthwith be cancelled. In the event of a transfer of ownership of Company Stock that is not registered in the transfer records of the Company, payment may be made and shares may be issued to a Person other than the Person in whose name the Certificate so surrendered is registered, if such Certificate shall be properly endorsed or otherwise be in proper form for transfer and the Person requesting such payment shall pay any transfer or other similar Taxes required by reason of the payment to a Person other than the registered holder of such Certificate or establish to the satisfaction of Parent that such Tax has been paid or is not applicable. No interest shall be paid or accrue on any cash payable upon surrender of any Certificate.

(ii) Book-Entry Shares. Notwithstanding anything to the contrary contained in this Agreement, any holder of Book-Entry Shares shall not be required to deliver a Certificate or an executed letter of transmittal to the Exchange Agent to receive the Merger Consideration that such holder is entitled to receive pursuant to this Article 2. In lieu thereof, each holder of record of one or more Book-Entry Shares whose shares of Company Stock were converted into the Merger Consideration pursuant to Section 2.05 shall automatically upon the Effective Time be entitled to receive, and Parent shall cause the Exchange Agent to pay and deliver as promptly as practicable after the Effective Time, (A) cash in an amount equal to the Per Share Cash Amount multiplied by the number of shares of Company Stock previously represented by such Book-Entry Shares, (B) the number of shares of Parent Common Stock (which shall be in book-entry form unless a certificate is requested) representing, in the aggregate, the whole number of shares that such holder has the right to receive in respect of such Book-Entry Shares pursuant to Section 2.05(b) (after taking into account all other Book-Entry Shares converted by such holder pursuant to this Section 2.09(b)(ii)), (C) any dividends or distributions payable pursuant to Section 2.09(c)(ii) and (D) cash in lieu of any fractional shares payable pursuant to Section 2.07, and the Book-Entry Shares of such holder shall forthwith be cancelled. No interest shall be paid or accrue on any cash payable upon conversion of any Book-Entry Shares.

(c) Distributions with Respect to Unexchanged Shares

(i) Certificates. No dividends or other distributions with respect to Parent Common Stock with a record date after the Effective Time shall be paid to the holder of any Certificate formerly representing Company Stock, and no cash payment in lieu of fractional shares shall be paid to any such holder pursuant to Section 2.07, until the surrender of such Certificate in accordance with this Article 2. Subject to applicable Law, following surrender of any such Certificate, there shall be paid to the holder of the shares of Parent Common Stock issued in exchange therefor, without interest, (A) at the time of delivery of such Parent Common Stock by the Exchange Agent pursuant to Section 2.09(b)(i).

the amount of dividends or other distributions with a record date after the Effective Time theretofore paid with respect to such shares of Parent Common Stock and (B) at the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but prior to such delivery of such Parent Common Stock by the Exchange Agent pursuant to Section 2.09(b)(i), and a payment date subsequent to such delivery of such Parent Common Stock by the Exchange Agent pursuant to Section 2.09(b)(i), payable with respect to such shares of Parent Common Stock.

(ii) Book-Entry Shares. Subject to applicable Law, there shall be paid to the holder of the shares of Parent Common Stock issued in exchange for Book-Entry Shares in accordance with this Article 2, without interest, (A) at the time of delivery of such Parent Common Stock by the Exchange Agent pursuant to Section 2.09(b)(ii), the amount of dividends or other distributions with a record date after the Effective Time theretofore paid with respect to such shares of Parent Common Stock and (B) at the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but prior to the time of such delivery by the Exchange Agent pursuant to Section 2.09(b)(ii), and a payment date subsequent to the time of such delivery by the Exchange Agent pursuant to Section 2.09(b)(ii), payable with respect to such shares of Parent Common Stock.

(d) The Merger Consideration issued and paid in accordance with the terms of this Article 2 upon the surrender of the Certificates (or, immediately, in the case of the Book-Entry Shares) shall be deemed to have been issued and paid in full satisfaction of all rights pertaining to such shares of Company Stock (other than the right to receive dividends or other distributions, if any, in accordance with Section 2.09(c)). After the Effective Time, there shall be no further registration of transfers on the stock transfer books of the Surviving Corporation of shares of Company Stock that were outstanding immediately prior to the Effective Time. If, after the Effective Time, any Certificates formerly representing shares of Company Stock are presented to the Surviving Corporation or the Exchange Agent for any reason, they shall be cancelled and exchanged as provided in this Article 2.

(e) Any portion of the Exchange Fund that remains undistributed to the former holders of Company Stock for nine months after the Effective Time shall be delivered to the Surviving Corporation, upon demand, and any former holder of Company Stock who has not theretofore complied with this Article 2 shall thereafter look only to the Surviving Corporation for payment of its claim for the Merger Consideration and any dividends or distributions with respect to Parent Common Stock as contemplated by Section 2.09(c).

(f) None of Parent, Merger Corp, the Company, the Surviving Corporation or the Exchange Agent shall be liable to any Person in respect of any shares of Parent Common Stock (or dividends or distributions with respect thereto) or cash from the Exchange Fund delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law. Any Merger Consideration remaining unclaimed by former holders of Company Stock immediately prior to such time as such amounts would otherwise escheat to or become property of any Governmental Authority shall, to the fullest extent permitted by applicable Law, become the property of the Surviving Corporation free and clear of any claims or interest of any Person previously entitled thereto.

(g) In the event any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit, in form and substance reasonably acceptable to Parent, of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by Parent or the Exchange Agent, the posting by such Person of a bond in reasonable amount as Parent or the Exchange Agent may direct, as indemnity against any claim that may be made against it or the Surviving Corporation with respect to such Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Certificate the Merger Consideration and any unpaid dividends or other distributions that would be payable or deliverable in respect thereof pursuant to Section 2.09(c) had such lost, stolen or destroyed Certificate been surrendered as provided in this Article 2.

(h) The Exchange Agent shall invest the cash included in the Exchange Fund as directed by Parent; *provided, however*, that no such investment income or gain or loss thereon shall affect the amounts payable to holders of Company Stock. Any interest, gains and other income resulting from such investments shall be the sole and exclusive property of Parent payable to Parent upon its request, and no part of such interest, gains and other income shall accrue to the benefit of holders of Company Stock; *provided, however*, that any investment of such cash shall in all events be limited to direct short-term obligations of, or short-term obligations fully guaranteed as to principal and interest by, the U.S. government, in commercial paper rated A-1 or P-1 or better by Moody's Investors Service, Inc. or Standard & Poor's Corporation, respectively, or in certificates of deposit, bank repurchase agreements or banker's acceptances of commercial banks with capital exceeding \$10 billion (based on the most recent financial statements of such bank that are then publicly available), and that no such investment or loss thereon shall affect the amounts payable to holders of Company Stock pursuant to this Article 2. If for any reason (including losses) the cash in the Exchange Fund shall be insufficient to fully satisfy all of the payment obligations to be made in cash by the Exchange Agent hereunder, Parent shall promptly deposit cash into the Exchange Fund in an amount which is equal to the deficiency in the amount of cash required to fully satisfy such cash payment obligations.

(i) Parent, the Surviving Corporation or the Exchange Agent shall be entitled to deduct and withhold from the consideration otherwise payable to any former holder of Company Stock pursuant to this Agreement such amounts as may be required to be deducted and withheld with respect to the making of such payment under the Code, or under any provision of state, local or foreign tax Law. Any amount deducted or withheld pursuant to this Section 2.09(i) and paid over to the relevant Taxing Authority shall be treated as having been paid to the holder of Company Stock in respect of which such deduction or withholding was made. Parent shall pay, or shall cause to be paid, all amounts so deducted or withheld to the appropriate Taxing Authority within the period required under applicable Law.

Section 2.10 Further Assurances. If, at any time after the Effective Time, the Surviving Corporation shall determine that any actions are necessary or desirable to vest, perfect or confirm of record or otherwise in the Surviving Corporation its right, title or interest in, to or under any of the rights, properties or assets of either of the Company or Merger Corp acquired or to be

acquired by the Surviving Corporation as a result of, or in connection with, the Merger or otherwise to carry out this Agreement, then the officers and directors of the Surviving Corporation shall be authorized to take all such actions as may be necessary or desirable to vest all right, title or interest in, to and under such rights, properties or assets in the Surviving Corporation or otherwise to carry out this Agreement.

Section 2.11 Company Stock Options and Other Stock-Based Awards.

(a) Company Stock Options. Each compensatory option to purchase shares of Company Stock (a “**Company Stock Option**”) that is outstanding immediately prior to the Effective Time, whether vested or unvested, shall be converted at the Effective Time into an option (each, an “**Adjusted Option**”) to acquire, on the same terms and conditions as were applicable under such Company Stock Option immediately prior to the Effective Time, the number of shares of Parent Common Stock equal to the product of (i) the number of shares of Company Stock subject to such Company Stock Option immediately prior to the Effective Time multiplied by (ii) the sum of (A) the Exchange Ratio and (B) the quotient (rounded to four decimal places) obtained by dividing the Per Share Cash Amount by the volume weighted average price of the Parent Common Stock for the five consecutive trading days ending with, and including, the trading day immediately prior to the Closing Date (such sum, the “**Stock Award Exchange Ratio**”), with any fractional shares rounded down to the next lower whole number of shares. The exercise price per share of Parent Common Stock subject to any such Adjusted Option will be an amount equal to the quotient of (A) the exercise price per share of Company Stock subject to such Company Stock Option immediately prior to the Effective Time divided by (B) the Stock Award Exchange Ratio, with any fractional cents rounded up to the next higher number of whole cents. The exercise price per share of Parent Common Stock subject to any such Adjusted Option and the number of shares of Parent Common Stock subject to any such Adjusted Option will be determined in a manner consistent with the requirements of Section 409A of the Code, and, in the case of Company Stock Options that are intended to qualify as incentive stock options within the meaning of Section 422 of the Code, consistent with the requirements of Section 424 of the Code.

(b) Unvested Company RSUs. Each compensatory restricted stock unit with respect to shares of Company Stock that is subject solely to a time-based vesting condition (a “**Company RSU**”) and is outstanding and unvested immediately prior to the Effective Time and does not vest by its terms at the Effective Time (an “**Unvested Company RSU**”) shall be converted into a restricted stock unit (each, an “**Adjusted RSU**”) with the same terms and conditions as were applicable under such Unvested Company RSU immediately prior to the Effective Time, and relating to the number of shares of Parent Common Stock equal to the product of (i) the number of shares of Company Stock subject to such Unvested Company RSU immediately prior to the Effective Time multiplied by (ii) the Stock Award Exchange Ratio, with any fractional shares rounded to the next whole number of shares. The term “Unvested Company RSU” shall include those restricted stock unit awards granted to officers of the Company on August 15, 2014 that have a performance condition relating to the Company’s fiscal year, which goal will be certified as achieved by the Compensation Committee of the Company Board prior to the Closing Date.

(c) Unvested Company PSUs. Each compensatory performance stock unit with respect to shares of Company Stock that is subject to both time-based and performance-based vesting conditions (a “**Company PSU**”) and is outstanding and unvested immediately prior to the Effective Time and does not vest by its terms at the Effective Time (an “**Unvested Company PSU**”) shall be converted into a restricted stock unit (each, an “**Adjusted PSU**”) with the same terms and conditions as were applicable under such Unvested Company PSU immediately prior to the Effective Time (except that the performance-based vesting conditions applicable to such Unvested Company PSU immediately prior to the Effective Time shall not apply from and after the Effective Time), and relating to the number of shares of Parent Common Stock equal to the product of (i) the number of shares of Company Stock subject to such Unvested Company PSU immediately prior to the Effective Time multiplied by (ii) the Stock Award Exchange Ratio, with any fractional shares rounded to the next whole number of shares; provided, that for this purpose, the number of shares subject to each Unvested Company PSU that is subject to a performance condition for which the performance period is greater than one year shall be the number of shares of Company Stock earned based on the level of achievement of such performance condition measured, in a manner that is consistent with the Company’s past practice regarding the methodology for such measurement, through the end of the calendar quarter immediately preceding the calendar quarter in which the Closing Date occurs (as determined by the Compensation Committee of the Company Board prior to the Closing Date), but shall not be less than the target number of shares of Company Stock. Any accrued but unpaid dividend equivalents with respect to any Unvested Company PSU will be assumed and become an obligation with respect to the applicable Adjusted PSU.

(d) Vested Company RSUs; Vested Company PSUs. At the Effective Time, each Company RSU and each Company PSU that is outstanding immediately prior to the Effective Time and becomes vested by its terms at the Effective Time (a “**Vested Company RSU**”), shall be cancelled and converted into, with respect to each share of Company Stock underlying such Company RSU or Company PSU (provided, that, each such Company PSU shall, in accordance with its terms, vest based on the greater of target performance and actual performance through the Closing Date as determined by the Compensation Committee of the Company Board prior to the Closing Date), (A) the Merger Consideration on the same terms and conditions as other shares of Company Stock, subject to applicable tax withholdings, with such tax withholding to be withheld pro rata from the Per Share Cash Amount and the Per Share Stock Amount (with the Per Share Stock Amount valued, for such purpose, based on the closing price of Parent Common Stock on the Closing Date), and (B) the right to receive any dividends or distributions accumulated pursuant to the terms of such Company RSU or Company PSU that have not been paid prior to the Effective Time, subject to applicable tax withholdings. The Merger Consideration payable pursuant to this Section 2.11(d) and any accumulated dividends, other than those that are deferred under the Company Deferred Compensation Plan which shall be paid in accordance with the terms of such plan, shall be paid as soon as practicable after the Effective Time, but in no event later than three (3) Business Days following the Effective Time. Section 2.07 shall apply in respect of the Merger Consideration payable pursuant to this Section 2.11(d) *mutatis mutandis*. Any Company RSU held by a member of the Company Board, the settlement of which was elected to be deferred, shall be treated as a Vested Company RSU.

(e) Parent Actions. Parent shall use its reasonable best efforts to take such actions as are necessary for the conversion of the Company Stock Options, Unvested Company

RSUs and Unvested Company PSUs pursuant to this Section 2.11, including the reservation, issuance and listing of Parent Common Stock as is necessary to effectuate the transactions contemplated by this Section 2.11. Parent shall prepare and file with the SEC a registration statement on an appropriate form, or a post-effective amendment to a registration statement previously filed under the 1933 Act, with respect to the shares of Parent Common Stock subject to the Adjusted Options, Adjusted RSUs and Adjusted PSUs. With respect to those individuals, if any, who, subsequent to the Effective Time, will be subject to the reporting requirements under Section 16(a) of the 1934 Act, where applicable, Parent shall use its reasonable best efforts to administer any Adjusted Option, Adjusted RSU and Adjusted PSU in a manner that complies with Rule 16b-3 promulgated under the 1934 Act to the extent such Adjusted Option, Adjusted RSU or Adjusted PSU complied with such rule prior to the Merger.

(f) Company Actions. Prior to the Effective Time, the Company shall use its reasonable best efforts to (i) take such actions with respect to the Company's equity compensation plans or arrangements as are necessary to give effect to the transactions contemplated by this Section 2.11 and (ii) satisfy all applicable requirements of Rule 16b-3(e) promulgated under the 1934 Act.

Prior to the date of this Agreement, the Company has delivered or made available to Parent true and complete copies of the certificate of incorporation and bylaws of the Company as in effect on the date of this Agreement. This Agreement, assuming due authorization, execution and delivery by Parent and Merger Corp, constitutes a valid and binding agreement of the Company enforceable against the Company in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar Laws affecting creditors’ rights generally and by general principles of equity (regardless of whether enforceability is considered in a proceeding in equity or at Law).

(b) At a meeting duly called and held, as of the date of this Agreement, the Company Board has (i) unanimously determined that this Agreement and the transactions contemplated hereby are fair to and in the best interests of the Company’s stockholders, (ii) unanimously approved and declared advisable this Agreement and the transactions contemplated hereby and (iii) unanimously resolved to recommend adoption of this Agreement by its stockholders (such recommendation, the “**Company Board Recommendation**”).

Section 4.04 Non-contravention. The execution, delivery and performance by the Company of this Agreement and the consummation of the transactions contemplated hereby by the Company do not and will not (i) assuming the authorizations, consents and approvals referred to in Section 4.03 and the Company Stockholder Approval are obtained, contravene, conflict with, or result in any violation or breach of any provision of the certificate of incorporation or bylaws of the Company, (ii) assuming the authorizations, consents and approvals referred to in Section 4.03 and the Company Stockholder Approval are obtained, contravene, conflict with or result in a violation or breach of any provision of any Law or Order, (iii) assuming the authorizations, consents and approvals referred to in Section 4.03 and the Company Stockholder Approval are obtained, require any consent or other action by any Person under, constitute a default or a violation, or an event that, with or without notice or lapse of time or both, would constitute a default or a violation, under or of, or cause or permit the termination, cancellation, acceleration or other change of any right or obligation or the loss of any benefit to which the Company or any of its Subsidiaries is entitled under, any provision of any agreement or other instrument binding upon the Company or any of its Subsidiaries or any license, franchise, permit, certificate, approval or other similar authorization affecting, or relating in any way to, the assets or business of the Company and its Subsidiaries or (iv) result in the creation or imposition of any Lien, other than any Permitted Lien, on any asset of the Company or any of its Subsidiaries, except, in the case of clauses (ii), (iii) and (iv), which have not had, and would not reasonably be expected to have, individually or in the aggregate, (x) a Company Material Adverse Effect or (y) an effect that would prevent, materially delay or materially impair the ability of the Company to perform its obligations under this Agreement or to consummate the Merger.

Section 4.05 Capitalization. (a) The authorized capital stock of the Company consists of 1,250,000,000 shares of Company Stock, 50,000,000 shares of preferred stock, par value \$0.01 per share, of the Company and 1,200,000,000 shares of common stock, par value \$0.01 per share, of the Company. (k) Since the Company Balance Sheet Date, there has been no transaction, or series of similar transactions, agreements, arrangements or understandings, nor is there any proposed transaction as of the date of this Agreement, or series of similar transactions, agreements, arrangements or understandings to which the Company or any of its Subsidiaries was or is to be a party, that would be required to be disclosed under Item 404 of Regulation S-K promulgated under the 1933 Act that has not been disclosed in the Company SEC Documents publicly filed or furnished with the SEC following the Company Balance Sheet Date.

the other transactions contemplated by this Agreement (including any amendments or supplements, the “**Proxy Statement/Prospectus**”) will, at the date it is first mailed to the Company stockholders or at the time of the Company Stockholder Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading. Notwithstanding the foregoing provisions of this Section 4.09, no representation or warranty is made by the Company with respect to information or statements made or incorporated by reference in the Registration Statement or the Proxy Statement/Prospectus which were not supplied by or on behalf of the Company.

Section 4.10 Absence of Certain Changes.

(a) From the Company Balance Sheet Date through the date of this Agreement, (i) the business of the Company and its Subsidiaries has been conducted in the ordinary course of business consistent with past practice in all material respects and (ii) there has not been any action taken by the Company or any of its Subsidiaries that, if taken during the period from the date of this Agreement through the Effective Time without Parent’s consent, would constitute a breach of clauses (e), (f), (g) or (o) of Section 6.01 (or, with respect to the foregoing clauses, (s)).

(b) Since the Company Balance Sheet Date, there has not been any effect, change, condition, fact, development, occurrence or event that has had or would reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect.

Section 4.11 No Undisclosed Material Liabilities. There are no liabilities or obligations of the Company or any of its Subsidiaries that would be required by GAAP, as in effect on the date hereof, to be reflected on the consolidated balance sheet of the Company (including the notes thereto), other than:

(a) liabilities or obligations disclosed, reflected, reserved against or otherwise provided for in the Company Balance Sheet or in the notes thereto;

(b) liabilities or obligations incurred in the ordinary course of business since the Company Balance Sheet Date;

(c) liabilities or obligations arising out of this Agreement or the transactions contemplated hereby; and

(d) liabilities or obligations that have not had, and would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect.

Section 4.12 Compliance with Laws and Court Orders; Governmental Authorizations (a) Except for matters that have not had, and would not reasonably be expected to have, individually or in the aggregate, (i) a Company Material Adverse Effect or (ii) an effect that would prevent, materially delay or materially impair the ability of the Company to perform its obligations under this Agreement or to consummate the Merger, the Company and each of its Subsidiaries is and since July 1, 2011 has been in compliance with all applicable Laws and Orders, and to the knowledge of the Company, is not under investigation by a Governmental

Authority with respect to any Law or Order. There is no Order of any Governmental Authority outstanding against the Company or any of its Subsidiaries that is material to the Company and its Subsidiaries, taken as a whole. This section does not relate to Tax matters, which is the subject of [Section 4.16](#).

(b) Except as would not reasonably be expected to have, individually or in the aggregate, (x) a Company Material Adverse Effect or (y) an effect that would prevent, materially delay or materially impair the ability of the Company to perform its obligations under this Agreement or to consummate the Merger, the Company and each of its Subsidiaries has all Governmental Authorizations necessary for the ownership and operation of its businesses as presently conducted, and each such Governmental Authorization is in full force and effect. Except as would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect, (i) the Company and each of its Subsidiaries is and since July 1, 2011, has been in compliance with the terms of all Governmental Authorizations necessary for the ownership and operation of its businesses and (ii) since July 1, 2011, neither the Company nor any of its Subsidiaries has received written notice from any Governmental Authority alleging any conflict with or breach of any such Governmental Authorization.

Section 4.13 Litigation. Except as has not had and would not reasonably be expected to have, individually or in the aggregate, (x) a Company Material Adverse Effect or (y) have an effect that would prevent, materially delay or materially impair the ability of the Company to perform its obligations under this Agreement or to consummate the Merger, there is no Proceeding or, to the knowledge of the Company, investigation, pending against, or, to the knowledge of the Company, threatened by or against the Company, any of its Subsidiaries, any present or former officer, director or employee of the Company or any of its Subsidiaries or any other Person for whom the Company or any of its Subsidiaries may be liable before (or, in the case of threatened Proceedings or investigations, that would be before) or by any Governmental Authority.

Section 4.14 Properties. (a) [Section 4.14\(a\)](#) of the Company Disclosure Letter sets forth a list of the addresses of the material real properties owned by the Company or any of its Subsidiaries as of the date of this Agreement (the “**Owned Real Property**”) and the legal name of the respective owner(s) of each Owned Real Property.

Except as would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect, neither the Company nor any of its Subsidiaries, nor to the Company's knowledge any other party to a Real Property Lease, has violated any provision of, or taken or failed to take any act which, with or without notice, lapse of time, or both, would constitute a default under the provisions of such Real Property Lease, and neither the Company nor any of its Subsidiaries has received notice that it has breached, violated or defaulted under any Real Property Lease.

Section 4.15 Intellectual Property. (a) Except as would not reasonably be expected to be material to the Company and its Subsidiaries, taken as a whole, the Company and its Subsidiaries own or have a valid and enforceable license to use all Intellectual Property Rights necessary to, or material and used or held for use in, the conduct of the business of the Company and its Subsidiaries as currently conducted.

(c) Since July 1, 2011, none of the material Owned Intellectual Property Rights have been adjudged invalid or unenforceable in whole or part, and to the knowledge of the Company, all issued or registered material Owned Intellectual Property Rights are valid and enforceable in all respects, except where the failure to be valid or enforceable has not had and would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect. (e) The Company and its Subsidiaries are not a party to any Contracts that, as a result of the transactions contemplated by this Agreement, would require Parent or its Subsidiaries as of immediately prior the Closing to assign, license, grant a non-assert or make available to any other Person any Intellectual Property Rights owned or licensed by Parent or any of its Subsidiaries, or restrict the use or license by Parent or any of its Subsidiaries of any such Intellectual Property Rights, in each case in a manner that would not reasonably be expected to be material to Parent and its Subsidiaries, taken as a whole.

(f) Except as would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect, the consummation of the transactions contemplated by this Agreement will not result in the loss or impairment of or payment of any additional amounts with respect to, nor require the consent of any other Person in respect of, the Company's and its Subsidiaries' rights to own, use, or hold for use any material Intellectual Property Rights as owned, used, or held for use in the conduct of their business.

(b) During the two-year period ending on the date of this Agreement, none of the Subsidiaries of the Company was a distributing corporation or a controlled corporation in a transaction intended to be governed by Section 355 of the Code.

(c) (i) Neither the Company nor any of its Subsidiaries is, or has been, a party to any Tax Sharing Agreement (other than an agreement exclusively between or among the Company and its Subsidiaries or among the Company's Subsidiaries) pursuant to which it will have any obligation to make any payments for Taxes after the Effective Time, (ii) neither the Company nor any of its Subsidiaries has been a member of a group filing a consolidated, combined or unitary Tax Return (other than a group the common parent of which is or was the Company or any of its Subsidiaries), and (iii) neither the Company nor any of its Subsidiaries has any liability for the payment of any Tax imposed on any Person (other than the Company or any of its Subsidiaries) as a transferee or successor.

(d) Neither the Company nor any of its Subsidiaries has participated in a "listed transaction" within the meaning of Treasury Regulations Section 1.6011-4(b).

Section 4.26 Insurance. Except as would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect, each of the insurance policies and self- insurance programs and arrangements relating to the business, assets and operations of the Company is in full force and effect. With respect to each Proceeding that has been filed or investigation initiated against the Company or any of its Subsidiaries since July 1, 2011, no insurance carrier has issued a denial of coverage or a reservation of rights with respect to any such Proceeding or investigation, or informed any of the Company nor any of its Subsidiaries of its intent to do so, other than such denial or reservation that would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect.

(e) Parent has established and maintains disclosure controls and procedures (as defined in Rule 13a-15 under the 1934 Act). Such disclosure controls and procedures are reasonably designed to ensure that material information relating to Parent, including its consolidated Subsidiaries, is made known to Parent’s principal executive officer and its principal financial officer by others within those entities, particularly during the periods in which the periodic reports required under the 1934 Act are being prepared, and such disclosure controls and procedures are reasonably designed to ensure all such information is communicated in a timely fashion to Parent’s principal executive officer and principal financial officer to allow timely decisions regarding the disclosure of such information in Parent’s periodic and current reports required under the 1934 Act.

(f) Parent and its Subsidiaries have established and maintained a system of internal controls over financial reporting (as defined in Rule 13a-15 under the 1934 Act) sufficient to provide reasonable assurance regarding the reliability of Parent’s financial reporting and the preparation of Parent financial statements for external purposes in accordance with GAAP. The audited consolidated financial statements and unaudited consolidated interim financial statements of Parent included or incorporated by reference in the Parent SEC Documents (including all related notes and schedules thereto) (a) fairly present in all material respects, in conformity with GAAP (except, in the case of unaudited consolidated interim financial statements, as permitted by Form 10-Q of the SEC) applied on a consistent basis (except as may be indicated therein or in the notes thereto), the consolidated financial position of Parent and its consolidated Subsidiaries as of the dates thereof and their consolidated results of operations and cash flows for the periods then ended (subject to normal year end audit adjustments in the case of any unaudited interim financial statements), (b) comply in all material respects with the applicable accounting requirements and with the published rules and regulations of the SEC with respect thereto, and (c) have been prepared in accordance with GAAP applied on a consistent basis during the periods involved (except as may be indicated in the notes thereto and except, in the case of the unaudited interim statements, as may be permitted under Form 10-Q of the Exchange Act).

Section 5.08 Disclosure Documents. None of the information supplied or to be supplied by or on behalf of Parent or Merger Sub for inclusion or incorporation by reference in (i) the Registration Statement will, at the time the Registration Statement becomes effective under the Securities Act, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading or (ii) the Proxy Statement/Prospectus will, at the date it is first mailed to the Company stockholders or at the time of the Company Stockholder Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading. Notwithstanding the foregoing provisions of this Section 5.08, no

representation or warranty is made by Parent with respect to information or statements made or incorporated by reference in the Registration Statement or the Proxy Statement/Prospectus which were not supplied by or on behalf of the Parent or Merger Sub.

Section 5.09 Financing. Parent has delivered to the Company true and complete fully executed copies of (i) the commitment letter, dated as of October 5, 2014, among Parent, Goldman Sachs Banks USA and Goldman Sachs Lending Partners (the “**Commitment Letter**”) and (ii) the fee letter, among Parent, Goldman Sachs Banks USA and Goldman Sachs Lending Partners, dated as of October 5, 2014 (as redacted to remove the fee amounts, pricing caps, the rates and amounts included in the “market flex” and other economic terms that could not adversely affect the conditionality, enforceability, termination or aggregate principal amount of the Financing, the “**Redacted Fee Letter**”), in each case, including all exhibits, schedules, annexes and amendments to such letters in effect as of the date of this Agreement (collectively, the “**Debt Letters**”), pursuant to which and subject to the terms and conditions thereof each of the parties thereto (other than Parent) have severally committed to lend the amounts set forth therein to Parent (the provision of such funds as set forth therein, but subject to the provisions of Section 8.04, the “**Financing**”) for the purposes set forth in such Debt Letters. The Debt Letters have not been amended, restated or otherwise modified or waived prior to the execution and delivery of this Agreement, and the respective commitments contained in the Debt Letters have not been withdrawn, rescinded, amended, restated or otherwise modified in any respect prior to the execution and delivery of this Agreement. As of the execution and delivery of this Agreement, the Debt Letters are in full force and effect and constitute the legal, valid and binding obligation of each of Parent and, to the knowledge of Parent, the other parties thereto, subject in each case to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting generally the enforcement of creditors’ rights and subject to general principles of equity. As of the date of this Agreement, there are no conditions precedent or contingencies related to the funding of the full amount of the Financing pursuant to the Debt Letters, other than as expressly set forth in the Debt Letters and, after the date of this Agreement, such other conditions and contingencies with respect to the Financing permitted pursuant to Section 8.04. Subject to the terms and conditions of the Debt Letters, the net proceeds contemplated from the Financing, together with other financial resources of Parent, including contemplated cash on hand of Parent, will, in the aggregate, be sufficient for the satisfaction of all of Parent’s obligations under this Agreement, including the payment of the Merger Consideration and all fees and expenses reasonably expected to be incurred in connection therewith. As of the date of this Agreement, no event has occurred which, with or without notice, lapse of time or both, would reasonably constitute a breach or default on the part of Parent under the Debt Letters or, to the knowledge of Parent, any other party to the Debt Letters (assuming the accuracy of the Company’s representations and warranties and undertakings under this Agreement for such purpose). As of the date of this Agreement there are no side letters or other agreements, Contracts or arrangements related to the funding of the full amount of the Financing other than as expressly set forth in the Debt Letters. Parent has fully paid all commitment fees or other fees required to be paid on or prior to the date of this Agreement in connection with the Financing. As of the date of this Agreement, assuming the representations and warranties of the Company contained in this Agreement are true and correct in all material respects and the performance of all obligations and compliance with all covenants and agreements required by this Agreement to be performed or complied with at or prior to the Closing by the Company in all material respects, Parent has no reason to believe that any of the conditions to the Financing will not be satisfied, nor does Parent have knowledge, as of the date of this Agreement, that the Financing will not be made available to Parent on the Closing Date in accordance with the terms of the Debt Letters.

Section 5.10 Absence of Certain Changes. (a) From the Parent Balance Sheet Date through the date of this Agreement, the business of Parent and its Subsidiaries has been conducted in the ordinary course of business consistent with past practice in all material respects.

(b) Since the Parent Balance Sheet Date, there has not been any effect, change, condition, fact, event, occurrence or development that has had or would reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect.

Section 5.11 No Undisclosed Material Liabilities. There are no liabilities or obligations of Parent or any of its Subsidiaries that would be required by GAAP, as in effect on the date hereof, to be reflected on the consolidated balance sheet of the Company (including the notes thereto), other than:

- (a) liabilities or obligations disclosed, reflected, reserved against or otherwise provided for in the Parent Balance Sheet or in the notes thereto;
- (b) liabilities or obligations incurred in the ordinary course of business since the Parent Balance Sheet Date;
- (c) liabilities or obligations arising out of this Agreement or the transactions contemplated hereby; and
- (d) liabilities or obligations that have not had, and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect.

Section 5.12 Compliance with Laws and Court Orders: Governmental Authorization. (a) Except for matters that have not had and would not reasonably be expected to have, individually or in the aggregate, (i) a Parent Material Adverse Effect or (ii) an effect that would prevent, materially delay or materially impair the ability of Parent to perform its obligations under this Agreement or to consummate the Merger, Parent and each of its Subsidiaries is and since October 1, 2012 has been in compliance with all applicable Laws (including with respect to applicable anti-corruption Laws) and Orders, and to the knowledge of Parent, is not under investigation by a Governmental Authority with respect to, any Law (including with respect to applicable anti-corruption Laws) or Order. Except as would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect, there is no Order of any Governmental Authority outstanding against Parent or any of its Subsidiaries.

(b) Except as would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect, Parent and each of its Subsidiaries has all Governmental Authorizations necessary for the ownership and operation of its businesses as presently conducted, and each such Governmental Authorization is in full force and effect. Except as would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect, (i) Parent is and since October 1, 2012, has been in compliance with the terms of all Governmental Authorizations necessary for the ownership and operation of its businesses and (ii) since October 1, 2012, Parent has not received written notice from any Governmental Authority alleging any conflict with or breach of any such Governmental Authorization.

Section 5.13 Litigation. Except as has not had and would not reasonably be expected to have, individually or in the aggregate, (x) a Parent Material Adverse Effect or (y) an effect that would prevent, materially delay or materially impair the ability of the Parent to perform its obligations under this Agreement or to consummate the Merger, there is no Proceeding pending against, or, to the knowledge of Parent, threatened against Parent or any of its Subsidiaries or any present or former officer, director or employee of Parent or any of its Subsidiaries for whom Parent or any of its Subsidiaries may be liable before or by any Governmental Authority.

Section 5.14 No Stockholder Vote Required. No vote of the stockholders of Parent or the holders of any other securities of Parent (equity or otherwise) is required by Law, the certificate of incorporation or bylaws of Parent or the applicable rules of the New York Stock Exchange in order for Parent to issue shares of Parent Common Stock pursuant to the terms of this Agreement or to consummate the Merger or the Parent Share Issuance.

Section 5.15 Finders' Fees, etc. Except as set forth on Section 5.15 of the Parent Disclosure Letter, there is no investment banker, broker, finder or other intermediary that has been retained by or is authorized to act on behalf of Parent or any of its Subsidiaries who might be entitled to any fee or commission from Parent or any of its Affiliates in connection with the transactions contemplated by this Agreement.

Section 5.16 No Additional Representations. Except for the representations and warranties expressly made by Parent and Merger Corp in this Article 5, the Company acknowledges that none of Parent, Merger Corp or any other Person makes any express or implied representation or warranty whatsoever and specifically (but without limiting the foregoing), that none of Parent, Merger Sub or any other Person makes any representation or warranty with respect to (a) Parent or its Subsidiaries or any of their respective businesses, affairs, operations, assets, liabilities, conditions (financial or otherwise), prospects or any other matter relating to Parent or its Subsidiaries or (b) any documentation, forecasts, budgets, projections, estimates or other information (including the accuracy or completeness of, or the reasonableness of the assumptions underlying, such documentation, forecasts, budgets, projections, estimates or other information) provided by Parent or any other Person, including in any "data rooms" or management presentations.

(c) (i) enter into agreements with respect to, or consummate, any mergers or business combinations, or any acquisition of any other Person or business or (ii) make investments in any other Person, in each case that would reasonably be expected to prevent, or materially impede or materially delay, the consummation of the Merger or the transactions contemplated hereby;

(d) authorize or pay any dividends on or make any distribution with respect to its outstanding shares (whether in cash, assets, stock or other securities of Parent or its Subsidiaries), except (i) regular quarterly cash dividends by Parent at a rate not in excess of \$0.545 per share of Parent Common Stock (subject to increase in a manner consistent with past practice by Parent's Board of Directors not in excess of the per share amount set forth on Section 7.01(d) of the Parent Disclosure Letter), (ii) dividends and distributions paid or made on a pro rata basis by Subsidiaries of Parent or (iii) by a wholly owned Subsidiary of Parent to Parent or another wholly owned Subsidiary of Parent;

(e) except for any shares of Parent Common Stock issued, delivered, sold or authorized in connection with the transactions contemplated by this Agreement (including the Merger), issue, deliver or sell, or authorize the issuance, delivery or sale of a number of shares of Parent Common Stock in excess of 20% of the number of outstanding shares of Parent Common Stock as of the date of this Agreement, other than the issuance of any shares of Parent Common Stock upon the exercise of Parent Stock Options or Parent SARs or the settlement of Parent RSUs or Parent PSUs that are outstanding on the date of this Agreement in accordance with the applicable terms thereof on the date of this Agreement or that are issued or granted after the date of this Agreement; or

(f) agree, resolve or commit to do any of the foregoing.

Section 7.02 Obligations of Merger Corp. Parent shall cause Merger Corp to perform when due its obligations under this Agreement and to consummate the Merger pursuant to the terms and subject to the conditions set forth in this Agreement.

Section 7.03 Approval by Sole Stockholder of Merger Corp. Immediately following the execution and delivery of this Agreement by the Parties hereto, Parent, as sole stockholder of Merger Corp, shall adopt this Agreement and approve the Merger, in accordance with DGCL, by written consent.

Section 7.04 Director and Officer Indemnification. (a) From and after the Effective Time, Parent and Merger Sub agree that all rights to indemnification, advancement of expenses and exculpation of each former and present director or officer of the Company or any Company Subsidiary and each person who served as a director, officer, member, trustee or fiduciary of another corporation, partnership, joint venture, trust, pension or other employee benefit plan or enterprise if such service was at the request or for the benefit of the Company or any Company Subsidiary (each, together with such person's heirs, executors or administrators, a "**Company Indemnified Party**"), against all claims, losses, liabilities, damages, judgments, inquiries, fines and reasonable fees, costs and expenses, including attorneys' fees and disbursements, incurred in connection with any Proceeding or investigation with respect to matters existing or occurring at or prior to the Effective Time (including this Agreement and the transactions and actions contemplated hereby), arising out of or pertaining to the fact that the Company Indemnified Party is or was an officer or director of the Company or any Company Subsidiary or is or was serving at the request of the Company or any Company Subsidiary as a director or officer of another Person, whether asserted or claimed prior to, at or after the Effective Time as provided in their respective certificates of incorporation or by-laws (or comparable organizational documents) as in effect on the date of this Agreement or in any agreement, a true and complete copy of which agreement has been provided by the Company to Parent prior to the date of this Agreement, to which the Company or any of its Subsidiaries is a party, shall survive the Merger and continue in full force and effect in accordance with their terms. For a period of no less than six (6) years after the Effective Time, Parent, to the fullest extent permitted under applicable Law, shall cause to be maintained in effect the provisions in the certificates of incorporation and bylaws and comparable organizational documents of the Surviving Corporation and each Subsidiary of the Company (or in such documents of any successor to the business of the Surviving Corporation) regarding exculpation, indemnification and advancement of expenses in effect as of immediately prior to the Effective Time or in any agreement, a complete copy of

which agreement has been provided by the Company to Parent prior to the date of this Agreement, to which the Company or any of its Subsidiaries is a party, in each case in effect immediately prior to the Effective Time, and shall not amend, repeal or otherwise modify any such provisions or the exculpation, indemnification or advancement of expenses provisions of the Surviving Corporation's certificate of incorporation and bylaws set forth in Exhibit A and Exhibit B in any manner that would adversely affect the rights thereunder of any individual who immediately before the Effective Time was a Company Indemnified Party; *provided, however*, that all rights to indemnification in respect of any actual or threatened claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative (each, an "Action") pending or asserted or any claim made within such period shall continue until the disposition of such Action or resolution of such claim.

(b) For a period of no less than six (6) years after the Effective Time, Parent shall indemnify and hold harmless (and advance funds in respect of the foregoing) each Company Indemnified Party to the fullest extent permitted under applicable Law against any costs or expenses (including advancing attorneys' fees and expenses in advance of the final disposition of any claim, suit, proceeding or investigation to each Company Indemnified Party), judgments, fines, losses, claims, damages, liabilities and amounts paid in settlement in connection with any actual or threatened Action arising out of or pertaining to the fact that the Company Indemnified Party is or was an officer or director of the Company or any Company Subsidiary or is or was serving at the request of the Company or any Company Subsidiary as a director or officer of another Person, whether asserted or claimed prior to, at or after the Effective Time. Parent and the Surviving Corporation shall reasonably cooperate with the Company Indemnified Party in the defense of any such Action; *provided* that Parent shall only be required to indemnify and hold harmless, or advance expenses to, a Company Indemnified Party if and to the same extent such Company Indemnified Party is entitled to indemnification as of the date of this Agreement by the Company or its Subsidiaries pursuant to (i) the certificate of incorporation or by-laws (or comparable organizational documents) of the Company or the applicable Subsidiary of the Company or (ii) any indemnification agreement between the Company or any of its Subsidiaries and such Company Indemnified Party. Parent and the Surviving Corporation shall reasonably cooperate with the Company Indemnified Party in the defense of such Action.

(c) Parent shall cause the Surviving Corporation, and the Surviving Corporation hereby agrees, to either (i) continue to maintain in effect for a period of no less than six (6) years after the Effective Time the Company's directors' and officers' insurance policies (the "**D&O Insurance**") in place as of the date of this Agreement or (ii) purchase comparable D&O Insurance for such six (6)-year period from a carrier with comparable or better credit ratings to the Company's existing directors' and officers' insurance policies, in each case, with coverage for the persons who are covered by the Company's existing D&O Insurance, with terms, conditions, retentions and levels of coverage at least as favorable to the insured individuals as the Company's existing D&O Insurance with respect to matters existing or occurring at or prior to the Effective Time; *provided*, that in no event shall Parent or the Surviving Corporation be required to expend for such policies pursuant to this sentence an aggregate premium amount in excess of 300% of the amount per annum the Company paid in its last full fiscal year, which amount is set forth in Section 7.04(b) of the Company Disclosure Letter (the "**Premium Cap**"); and *provided, further*, that if the aggregate premiums of such

insurance coverage exceed such amount, the Surviving Corporation shall be obligated to obtain a policy with the greatest coverage available, with respect to matters occurring prior to the Effective Time, for a cost not exceeding the Premium Cap. At the Company's option, the Company may purchase, prior to the Effective Time, a prepaid "tail policy" for a period of no more than six (6) years after the Effective Time with coverage for the persons who are covered by the Company's existing D&O Insurance, with terms, conditions, retentions and levels of coverage at least as favorable to the insured individuals as the Company's existing D&O Insurance with respect to matters existing or occurring at or prior to the Effective Time, in which event Parent shall cease to have any obligations under the first sentence of this Section 7.04(b); *provided*, that the aggregate premium for such policies shall not exceed the Premium Cap. In the event the Company elects to purchase such a "tail policy," the Surviving Corporation shall (and Parent shall cause the Surviving Corporation to use commercially reasonable efforts to) maintain such "tail policy" in full force and effect and continue to honor its obligations thereunder.

(d) In the event that either Parent or the Surviving Corporation or any of its successors or assigns (i) consolidates with or merges into any other Person and is not the continuing or surviving corporation or entity of such consolidation or merger, or (ii) transfers or conveys all or substantially all of its properties, rights and other assets to any Person, then, and in each such case, Parent shall use its reasonable best efforts to cause the successors and assigns of Parent or the Surviving Corporation, as the case may be, succeed to or assume the applicable obligations of such Party set forth in this Section 7.04.

(e) The provisions of this Section 7.04 shall survive consummation of the Merger, are intended to be for the benefit of, and will be enforceable by, each indemnified or insured person hereunder (including the Company Indemnified Parties), his or her heirs and his or her representatives and are in addition to, and not in substitution for, any other rights to indemnification or contribution that any such person may have by Contract, at Law or otherwise.

Section 7.05 Stock Exchange Listing. Parent shall use its reasonable best efforts to cause the shares of Parent Common Stock to be issued as part of the Merger Consideration to be approved for listing on the NYSE, subject to official notice of issuance, prior to the Effective Time.

Section 7.06 Employee Matters. (a) Parent shall provide, or shall cause to be provided, to each employee of the Company and its Subsidiaries who continues to be employed by Parent or its Subsidiaries (including, for the avoidance of doubt the Surviving Corporation and its Subsidiaries) immediately following the Effective Time (each, a "**Continuing Employee**"), with, to the extent employed by Parent or its Subsidiaries, (i) during the period beginning at the Effective Time and ending on December 31, 2016 (or, if earlier, the date of the Continuing Employee's termination of employment), base pay that is at least equal to the base pay provided to each such Continuing Employee immediately prior to the Closing Date, (ii) with respect to commission and cash bonus opportunities, as applicable, (A) during the period beginning at the Effective Time and ending on June 30, 2015 (or, if earlier, the date of the Continuing Employee's termination of employment), opportunities that are no less favorable than the opportunities provided to each such Continuing Employee immediately prior to the Closing Date, with such bonuses to be determined as set forth on Section 7.06(a) of the Company Disclosure Letter, and (B) with respect to performance periods from and after July 1, 2015 and

ending on December 31, 2016 (or, if earlier, the date of the Continuing Employee's termination of employment), opportunities that are no less favorable than the opportunities provided to similarly situated employees of Parent and its Subsidiaries (it being agreed and understood that such opportunities for the Continuing Employees with respect to Parent's fiscal year commencing October 1, 2015 will be increased by 25% to take into account the period from July 1, 2015 through September 30, 2015); (iii) during the period beginning at the Effective Time and ending on December 31, 2016 (or, if earlier, the date of the Continuing Employee's termination of employment), long-term incentive opportunities that are no less favorable than the opportunities provided to similarly situated employees of Parent and its Subsidiaries, *provided, however*, that, notwithstanding the foregoing, with respect to the long-term incentive awards granted to the Continuing Employees at the time that Parent grants long-term incentive awards in the first quarter of Parent's fiscal year commencing October 1, 2015, the aggregate grant date fair value of all such awards granted to all Continuing Employees who remain employed at such time as a group shall be no less than 125% of the aggregate grant date fair value of the long-term incentive awards granted by the Company to such Continuing Employees as a group in August 2014, *provided, further* that the grant date fair value of any such awards shall be adjusted so as not to result in a duplication of long-term incentive award opportunities in the event that the Company makes annual grants of long-term incentive awards between July 31, 2015 and September 30, 2015; and (iv) during the period beginning at the Effective Time and ending on December 31, 2016 (or, if earlier, the date of the Continuing Employee's termination of employment), employee benefits that are substantially comparable in the aggregate to the employee benefits provided to each such Continuing Employee immediately prior to the Closing Date; *provided*, that for purposes of determining whether such opportunities and benefits, in each case, satisfy the applicable standard set forth above, change in control payments or retention awards or any similar compensation or benefit awarded by the Company prior to the Effective Time shall not be taken into account. Notwithstanding the foregoing, during the period beginning at the Effective Time and ending on December 31, 2015 (or such longer period as may be required by the terms of the plan or applicable Law), Parent shall continue to maintain, without amendment, the Company's severance policies and plans applicable to Continuing Employees immediately prior to the Effective Time as set forth on [Section 7.06\(a\)](#) of the Company Disclosure Letter (the "**Company Severance Plans**"), and shall provide, or shall cause to be provided, to each Continuing Employee whose employment is terminated without "cause", as such term is defined or concept is used for purposes of the applicable Company Severance Plan, or under such other circumstances as would entitle a participant to severance under the applicable Company Severance Plan, during such period (and subject to the requirements of applicable local Law) with the severance benefits specified in the applicable Company Severance Plan.

(b) To the extent that Continuing Employees become eligible to participate in any "employee benefit plan," as defined in [Section 3\(3\)](#) of ERISA, maintained by Parent or any of its Subsidiaries (collectively, the "**Parent Plans**"), then, for purposes of determining (i) eligibility to participate, (ii) vesting, and (iii) benefit accrual (other than for purposes of any (A) post-retirement medical plan or (B) Parent Plan that is a defined benefit pension plan (the "Parent Retirement Plan") including any supplemental or restoration defined benefit pension plan (except for the cash balance plan component of the Parent Retirement Plan and the supplemental or restoration defined benefit pension plan for which service credit will be provided for benefit accruals to the extent set forth in the following sentence)) service with the

Company or any of its Subsidiaries (as well as service with any predecessor employer of the Company or any such Subsidiary) prior to the Effective Time shall be treated as service with Parent or any of its Subsidiaries to the extent recognized by the Company and its Subsidiaries prior to the Effective Time; *provided, however*, that such service shall not be recognized to the extent that such recognition would result in any duplication of benefits. For purposes of the Parent Retirement Plan and any supplemental or restoration defined benefit pension plan, Continuing Employees shall be credited with prior service calculated as set forth in the prior sentence for purposes of determining the applicable percentage of the Continuing Employees' Pay Credits (as the term "Pay Credit" is defined in the Parent Retirement Plan and the supplemental or restoration defined benefit pension plan as applicable to Cash Balance Members (as defined in the Parent Retirement Plan and the supplemental or restoration defined benefit pension plan)) with respect to plan years ending after the Effective Time, but for the avoidance of doubt, the Continuing Employees' Cash Balance Accounts (as the term "**Cash Balance Account**" is defined in the Parent Retirement Plan and the supplemental or restoration defined benefit pension plan as applicable to Cash Balance Members) shall begin at zero and will not include any accrued benefits for service with the Company or any of its Subsidiaries (as well as service with any predecessor employer of the Company or any such Subsidiary) prior to the Effective Time. In addition, subject to the terms of the applicable Parent Plan and applicable Law, Parent shall use reasonable best efforts to (x) waive all limitations as to preexisting conditions, exclusions and waiting periods with respect to participation and coverage requirements applicable to Continuing Employees under any Parent Plan that is a welfare benefit plan in which such Continuing Employees may be eligible to participate after the Effective Time and (y) provide each Continuing Employee with credit for any co-payments and deductibles paid during the plan year in which the Effective Time occurs in satisfying any applicable deductible or out-of-pocket requirements under any Parent Plans that are welfare plans in which such Continuing Employee is eligible to participate after the Effective Time.

(c) Upon the written request of Parent at least ten (10) Business Days prior to the Closing Date, effective as of immediately prior to Closing Date and contingent upon the occurrence of the Closing, the Company shall terminate or shall cause the termination of any or all U.S. tax-qualified defined contribution plans provided to current and former employees of the Company and its Subsidiaries, to the extent directed by the Parent and in compliance with applicable Law (each plan so terminated, a "**Company Qualified Plan**"). In such event, prior to the Closing Date and thereafter (as applicable), the Company and Parent shall take any and all action as may be required, including amendments to the Parent Savings Incentive Plan (the "**Parent Qualified Plan**"), to permit each Continuing Employee to make rollover contributions of "eligible rollover distributions" (within the meaning of Section 401(a)(31) of the Code) in cash or notes (representing plan loans from the Company Qualified Plan) in an amount equal to the eligible rollover distribution portion of the account balance distributable to such Continuing Employee from such Company Qualified Plan to the corresponding Parent Qualified Plan upon receipt of a favorable IRS determination letter with respect to the termination of such Company Qualified Plan, *provided, however*, that the Parent Qualified Plan will not be required to accept rollovers of Roth contributions that were made to a Company Qualified Plan pursuant to Section 402A of the Code. For the avoidance of doubt, if the Company Qualified Plan is terminated as described herein, the Continuing Employees shall be eligible immediately upon the Closing Date to commence participation in a Parent Qualified Plan.

(d) No later than thirty (30) days following the execution of this Agreement, the Company shall provide Parent with copies of all material documents embodying and relating to each material Foreign Company Plan, including, but not limited to, the Foreign Company Plan document, all amendments thereto and all related trust documents, the most recent summary plan description, the most recent actuarial valuation report, and the most recent tax return filing, in each case, to the extent applicable.

(e) Notwithstanding anything contained herein to the contrary, with respect to any Continuing Employees who (i) are based outside of the United States, Parent's obligations under this Section 7.06 shall be in addition to, but not in contravention of, any obligations under the Laws of the foreign countries and political subdivisions thereof in which such Continuing Employees are based, and (ii) are covered by a Collective Bargaining Agreement, Parent's obligations under this Section 7.06 shall (A) be in addition to, but not in contravention of, the terms and conditions of employment for such Continuing Employees as set forth in such Collective Bargaining Agreement until its expiration, modification or termination in accordance with its terms and applicable Law and (B) apply only to the extent permitted by applicable labor Laws.

(f) Nothing contained in this Section 7.06, expressed or implied, shall (i) be treated as the establishment, amendment or modification of any Company Plan or Parent Plan or constitute a limitation on rights to amend, modify, merge or terminate after the Effective Time any Company Plan or Parent Plan, (ii) give any current or former employee, director or other independent contractor of the Company and its Subsidiaries (including any beneficiary or dependent thereof), or any labor organization, union, works council, employee association, trade union, other similar employee representative body, any third-party beneficiary or other rights or (iii) obligate Parent or any of its Affiliates to (A) maintain any particular Company Plan or Parent Plan or (B) retain the employment or services of any current or former employee, director or other independent contractor of the Company and its Subsidiaries.

ARTICLE 8

COVENANTS OF PARENT AND THE COMPANY

Section 8.01 Efforts. (a) Subject to the terms and conditions of this Agreement, each of the Company and Parent shall use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, and assist and cooperate with the other in doing, all things necessary, proper or advisable under applicable Law or Order to consummate and make effective the Merger and the other transactions contemplated by this Agreement as promptly as reasonably practicable, including (i) preparing and filing as promptly as reasonably practicable with any Governmental Authority or other Third Party all documentation to effect all necessary, proper or advisable filings, notices, petitions, statements, registrations, submissions of information, applications and other documents and (ii) obtaining and maintaining all approvals, consents, registrations, permits, authorizations and other confirmations required to be obtained from any Governmental Authority or other Third Party that are necessary, proper or advisable to consummate and make effective the Merger and the other transactions contemplated by this Agreement (whether or not such approvals, consents, registrations, permits, authorizations and other confirmations are conditions to the consummation of the Merger pursuant to Article 9).

(b) In furtherance and not in limitation of the foregoing, each of Parent and the Company shall make, as promptly as reasonably practicable (and in any event within ten (10) Business Days of the date of this Agreement in the case of the following clause (i) (unless counsel to the Parties have previously agreed to extend such ten (10) Business Day period)), (i) an appropriate filing of a Notification and Report Form pursuant to the HSR Act with respect to the transactions contemplated by this Agreement, (ii) an appropriate filing of a Form CO with the European Commission, (iii) all necessary filings to obtain consents from the state regulators that are required in connection with the Merger and (iii) all other registrations, declarations, notices and filings with Governmental Authorities that are required in connection with the Merger. Each of the Company and Parent shall use its reasonable best efforts to supply as promptly as practicable any additional information and documentary material that may be reasonably requested pursuant to the foregoing, and use its reasonable best efforts to take all other actions necessary to cause the expiration or termination of the applicable waiting periods regarding the foregoing as soon as reasonably practicable.

(c) Except as prohibited by applicable Law or Order, each of Parent and the Company shall use its reasonable best efforts to (A) cooperate with each other in connection with any filing or submission with a Governmental Authority in connection with the transactions contemplated by this Agreement and in connection with any investigation or other inquiry by or before a Governmental Authority relating to the transactions contemplated by this Agreement, including any proceeding initiated by a private party, (B) promptly inform the other Party of (and if in writing, supply to the other Party) any communication (other than any ministerial communications) received by such party from, or given by such party to, the Federal Trade Commission, the Antitrust Division of the Department of Justice, the European Commission, or any other similar Governmental Authority and of any material communication received or given in connection with any proceeding by a private party, in each case regarding any of the transactions contemplated by this Agreement, (C) consult with each other prior to taking any material position with respect to the filings under the HSR Act or any other Competition Law in discussions with or filings to be submitted to any Governmental Authority, (D) permit the other to review and discuss in advance, and consider in good faith the views of the other in connection with, any analyses, presentations, memoranda, briefs, arguments, opinions and proposals to be submitted to any Governmental Authority with respect to filings under the HSR Act or any other Competition Law, and (E) coordinate with the other in preparing and exchanging such information and promptly provide the other (and its counsel) with copies of all filings, presentations or submissions (and a summary of any oral presentations) made by such Party with any Governmental Authority relating to this Agreement or the transactions contemplated hereby under the HSR Act or any other Competition Law. Notwithstanding anything to the contrary herein, Parent shall, on behalf of the parties, have control over and lead all communications and strategy relating to obtaining all approvals, consents, waivers, registrations, permits, authorizations and other confirmations under any Competition Law from any Governmental Authority or other Third Party in connection with consummating the Merger and the other transactions contemplated by this Agreement or to any litigation under any Competition Law arising therefrom; *provided, however*, that Parent shall consult in advance with the Company and in good faith take the Company's views into account regarding the overall strategic direction of any such approval process, as applicable, and consult with the Company prior to taking any material substantive positions, making dispositive motions or other material substantive filings or submissions or entering into any negotiations concerning such approvals, as applicable. The

parties shall take reasonable efforts to share information protected from disclosure under the attorney-client privilege, work product doctrine, joint defense privilege or any other privilege pursuant to this Section in a manner so as to preserve the applicable privilege.

(d) Unless prohibited by applicable Law or Order or by the applicable Governmental Authority, each of the Company and Parent shall (i) to the extent reasonably practicable, not participate in or attend any meeting, or engage in any conversation (other than ministerial conversations) with any Governmental Authority in respect of the Merger (including with respect to any of the actions referred to in Section 8.01(a)) without the other, (ii) to the extent reasonably practicable, give the other reasonable prior notice of any such meeting or conversation and (iii) in the event one such Party is prohibited by applicable Law or Order or by the applicable Governmental Authority from participating or attending any such meeting or engaging in any such conversation, keep such non-participating Party reasonably apprised with respect thereto.

(e) Subject to the terms and conditions of this Agreement, including Section 8.01(f), each of Parent and the Company agrees to use its reasonable best efforts to take or cause to be taken, any and all steps and to make or cause to be made any and all undertakings necessary to resolve such objections, if any, that a Governmental Authority of competent jurisdiction asserts with respect to any Required Competition Approval under any applicable Competition Law with respect to the Merger and the other transactions contemplated by this Agreement, and to avoid or eliminate each and every impediment under any applicable Competition Laws asserted by any such Governmental Authority of competent jurisdiction with respect to the Merger and the other transactions contemplated by this Agreement, in each case, to the extent necessary so as to enable the Closing to occur no later than the End Date, which reasonable best efforts shall include (x) proposing, negotiating, committing to and effecting, by consent decree, hold separate order, or otherwise, the sale, divestiture, license or disposition of any businesses, assets, equity interests, product lines or properties of Parent or the Company (or any of their respective Subsidiaries), (y) creating, terminating, or divesting relationships, ventures, contractual rights or obligations of the Company or Parent or their respective Subsidiaries and (z) otherwise taking or committing to take any action that would limit Parent's freedom of action with respect to, or its ability to retain or hold, directly or indirectly, any businesses, assets, equity interests, product lines or properties of Parent or the Company (including any of their respective Subsidiaries) (each of (x), (y) and (z), the "**Competition Actions**"), in each case as may be required in order to obtain any Required Competition Approval to the extent necessary so as to enable the Closing to occur no later than the End Date. In addition each of Parent and the Company shall take any Competition Action to the extent necessary to avoid the entry of, or to effect the dissolution of, any Order by a Governmental Authority of competent jurisdiction under any Competition Law (each, a "**Competition Law Order**") prohibiting the consummation of the Merger. To assist Parent in complying with its obligations set forth in this Section 8.01(e), if requested by Parent, the Company shall, and shall cause its Subsidiaries to, enter into one or more agreements requested by Parent to be entered into by any of them prior to the Closing with respect to any transaction to divest, hold separate or otherwise take any action that limits the Company's or its Subsidiaries' freedom of action, ownership or control with respect to, or their ability to retain or hold, directly or indirectly, any of the businesses, assets, equity interests, product lines or properties of the Company or any of its Subsidiaries (each, a "**Divestiture Action**"); provided, however, that the consummation of the

transactions provided for in any such agreement for a Divestiture Action shall be conditioned upon the Closing or satisfaction or waiver of all of the conditions to Closing in a case where the Closing will occur immediately following such Divestiture Action. Notwithstanding anything to the contrary in this Agreement, in the event the Parties are unable to agree on which actions to take pursuant to this Section 8.01(e), Parent shall have the final determination with respect to which action to take; provided, that such determination shall be consistent with Parent's obligations under this Section 8.01(e).

(f) Notwithstanding anything in this Agreement to the contrary, Parent and its Subsidiaries shall not be required to, and the Company and its Subsidiaries shall not, without the prior written consent of Parent, take any action, or commit to take any action, or agree to any condition or limitation contemplated in this Section 8.01, including any step or undertaking or action contemplated in Section 8.01(e), that (i) would, or would reasonably be expected to, have a material adverse effect on the business, results of operations, or financial condition of either (x) Parent and its Subsidiaries (but not including the Company and its Subsidiaries) or (y) the Company and its Subsidiaries, (in each case of (x) and (y), measured on a scale relative to the Company and its Subsidiaries, taken as a whole), (ii) would require Parent to take any of the actions described on Section 8.01(f) of the Parent Disclosure Letter or (iii) in order to avoid the entry of, or to effect the dissolution of, any Competition Law Order in a jurisdiction other than the United States or the European Union, would require Parent to take any action with respect to any business, properties or assets of Parent and its Subsidiaries, or the Company and its Subsidiaries, located outside of the home country of the Governmental Authority of competent jurisdiction in respect of such a Competition Law Order (either of (i), (ii) or (iii) above, a "**Burdensome Condition**").

(g) In furtherance and not in limitation of the covenants of the parties contained in this Section 8.01, if any administrative or judicial action or proceeding by the Federal Trade Commission or Department of Justice or other similar Governmental Authority of competent jurisdiction is instituted challenging the Merger or any other transaction contemplated by this Agreement as violative of any Competition Law, Parent shall use its reasonable best efforts to contest and resist any such action or proceeding and to have vacated, lifted, reversed or overturned any decree, judgment, injunction or other order, whether temporary, preliminary or permanent, that is in effect and that prohibits, prevents or restricts consummation of the Merger and the other transactions contemplated by this Agreement; provided, that Parent shall not be required to, and the Company shall not, without the prior written consent of Parent, take any action under this Section 8.01(g) that would, or would be reasonably likely to, result in the imposition of a Burdensome Condition. To assist Parent in complying with its obligations set forth in this Section 8.01(g), the Company shall, and shall cause its Subsidiaries to, provide to Parent such cooperation as may be reasonably requested by Parent.

Section 8.02 Proxy Statement/Prospectus; Registration Statement. (a) As promptly as practicable after the execution of this Agreement, (i) the Company shall prepare (with Parent's reasonable cooperation) and file with the SEC the Proxy Statement/Prospectus to be sent to the stockholders of the Company relating to the Company Stockholder Meeting and (ii) Parent shall prepare (with the Company's reasonable cooperation) and file with the SEC the Registration Statement, in which the Proxy Statement/Prospectus will be included as a prospectus, in connection with the registration under the 1933 Act of the Parent Common Stock to be issued in

the Merger. Each of the Company and Parent shall use its reasonable best efforts to ensure that the Registration Statement and the Proxy Statement/Prospectus comply as to form in all material respects with the rules and regulations promulgated by the SEC under the 1933 Act and the 1934 Act, respectively. Subject to Section 8.02(d) and Section 8.03, the Proxy Statement/Prospectus shall include (i) a statement to the effect that the Company Board has determined that this Agreement and the Merger are advisable and (ii) the recommendation of the Company Board in favor of approval and adoption of this Agreement. Parent shall use its reasonable best efforts to have the Registration Statement declared effective under the 1933 Act as promptly as practicable after such filing (including by responding to comments of the SEC), and, prior to the effective date of the Registration Statement, Parent shall take all action reasonably required to be taken under any all necessary state securities Laws or "blue sky" notice requirements in connection with the Parent Stock Issuance. As promptly as practicable after the Registration Statement shall have become effective, the Company shall use its reasonable best efforts to cause the Proxy Statement/Prospectus to be mailed to its stockholders.

(b) Each of the Company and Parent shall furnish all information concerning such Person and its Affiliates to the other, and provide such other assistance, as may be reasonably requested by such other Party to be included therein and shall otherwise reasonably assist and cooperate with the other in the preparation, filing and distribution of the Proxy Statement/Prospectus, the Registration Statement, and the resolution of any comments to either received from the SEC. If at any time prior to the receipt of the Company Stockholder Approval, any information relating to the Company or Parent, or any of their respective Affiliates, directors or officers, should be discovered by the Company or Parent which is required to be set forth in an amendment or supplement to either the Registration Statement or the Proxy Statement/Prospectus, so that either such document would not include any misstatement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the Party which discovers such information shall promptly notify the other Party and an appropriate amendment or supplement describing such information shall be promptly filed with the SEC and, with respect to the Proxy Statement/Prospectus, to the extent required by applicable Law, disseminated to the stockholders of the Company.

(c) The Parties shall notify each other promptly of the receipt of any comments, whether written or oral, from the SEC or the staff of the SEC and of any request by the SEC or the staff of the SEC for amendments or supplements to the Proxy Statement/Prospectus or the Registration Statement or for additional information and shall (A) supply each other with copies of (i) all correspondence between it or any of its Representatives, on the one hand, and the SEC or the staff of the SEC, on the other hand, with respect to the Proxy Statement/Prospectus, or the Registration Statement and (ii) all stop orders of the SEC relating to the Registration Statement and (B) provide each other with a reasonable opportunity to participate in the response to those comments and requests.

(d) No amendment or supplement to the Proxy Statement/Prospectus or the Registration Statement will be made by Parent or the Company without the approval of the other Parties hereto, which approval shall not be unreasonably withheld, conditioned or delayed; *provided*, that the Company, in connection with a Company Adverse Recommendation Change made in compliance with the terms hereof may amend or supplement the Proxy

Statement/Prospectus (including by incorporation by reference) pursuant to an amendment or supplement (including by incorporation by reference) to the extent it contains (i) a Company Adverse Recommendation Change, (ii) a statement of the reason of the board for making such a Company Adverse Recommendation Change, and (iii) additional information reasonably related to the foregoing. Notwithstanding a Company Adverse Recommendation Change, the Company shall nonetheless submit this Agreement to the Company Stockholders for approval and adoption, unless this Agreement is terminated in accordance with Article 10.

Section 8.03 No Solicitation.

(a) The Company shall immediately cease any discussions or negotiations with any Person that may be ongoing with respect to a Company Acquisition Proposal and, if applicable, shall use reasonable best efforts to have returned to the Company any confidential information that has been provided to any Person in any such discussions or negotiations occurring in the six (6) months prior to the date of this Agreement. From and after the date of this Agreement until the earlier to occur of the Effective Time or the date of termination of this Agreement in accordance with Article 10, the Company shall not, nor shall it permit any of its Subsidiaries to, nor shall it authorize or permit any of its officers, directors or employees or any Affiliate, investment banker, financial advisor, attorney, accountant or other representative retained by it or any of its Subsidiaries to (and shall use reasonable efforts to cause such Persons not to), directly or indirectly, (i) solicit, initiate or knowingly encourage (including by way of furnishing information which has not been previously publicly disseminated), or take any other action designed to facilitate, any inquiry or the making or submission of any inquiry, proposal, indication of interest or offer which constitutes, or would reasonably be expected to lead to, a Company Acquisition Proposal, (ii) subject to Section 8.03(b), approve or recommend, or propose to approve or recommend, a Company Acquisition Proposal, (iii) subject to Section 8.03(b), approve or recommend, or propose to approve or recommend, or execute or enter into any letter of intent, memorandum of understanding, merger agreement or other agreement, arrangement or understanding relating to a Company Acquisition Proposal (other than an Acceptable Confidentiality Agreement) or a Superior Proposal (each an “**Alternative Acquisition Agreement**”), (iv) enter into, continue or otherwise participate in any discussions or negotiations regarding any Company Acquisition Proposal, or (v) agree to do any of the foregoing; *provided, however*, that if, prior to obtaining the Company Stockholder Approval, following the receipt of a bona fide written Company Acquisition Proposal that the Company Board determines in good faith, after consultation with the Company’s outside financial advisors and outside legal counsel, is or could reasonably be expected to lead to a Superior Proposal and that was unsolicited and made after the date of this Agreement in circumstances not otherwise involving a breach of this Agreement, the Company may, in response to such Company Acquisition Proposal, and subject to compliance with Section 8.03(b)(i), furnish information with respect to the Company to the Person making such Company Acquisition Proposal and engage in discussions or negotiations with such Person regarding such Company Acquisition Proposal; *provided*, that (A) prior to furnishing, or causing to be furnished, any such nonpublic information relating to the Company to such Person, the Company enters into a confidentiality agreement with the Person making such Company Acquisition Proposal (an “**Acceptable Confidentiality Agreement**”) that (x) does not contain any provision that would prevent the Company from complying with its obligation to provide any disclosure to Parent required pursuant to this Section 8.03 and (y) contains provisions that in the aggregate are no less

restrictive on such Person (including with respect to any “standstill” terms; *provided*, that such “standstill” terms need not restrict a Person from making proposals to the Company (including the Company Board) in respect of a Company Acquisition Proposal) than those contained in the Confidentiality Agreement as in effect immediately prior to the execution of this Agreement, and (B) promptly (but in any event within 24 hours) following furnishing any such nonpublic information to such Person, the Company furnishes such nonpublic information to Parent (to the extent such nonpublic information has not been previously so furnished to Parent or its Representatives).

(b) Except as permitted pursuant to this Section 8.03(b), the Company Board shall not (x) effect a Company Adverse Recommendation Change or (y) cause or permit the Company or any of its Subsidiaries to enter into any Alternative Acquisition Agreement. Notwithstanding anything to the contrary in this Agreement, prior to receipt of the Company Stockholder Approval, the Company Board may effect a Company Adverse Recommendation Change if (and only if): (I) (A) a written Company Acquisition Proposal that was not solicited in violation of this Agreement is made to the Company by a Third Party and such Company Acquisition Proposal is not withdrawn or (B) there has been an Intervening Event; (II) in the case of a Company Acquisition Proposal, the Company Board concludes in good faith, after consultation with the Company’s outside financial advisors and outside legal counsel, that such Company Acquisition Proposal constitutes a Superior Proposal; and (III) the Company Board concludes in good faith, after consultation with the Company’s outside legal counsel, that the failure to make a Company Adverse Recommendation Change would be reasonably likely to be inconsistent with its fiduciary duties under applicable Laws; *provided, however*, that, prior to making any Company Adverse Recommendation Change:

(i) in the case of Section 8.03(b)(I)(A), make a Company Adverse Recommendation Change with respect to a Superior Proposal and/or authorize the Company to enter into any Alternative Acquisition Agreement or in the case of Section 8.03(b)(I)(B) make a Company Adverse Recommendation Change, unless (A) the Company Board provides Parent at least three (3) Business Days’ prior written notice of its intention to take such action, which notice shall include, as applicable, (a) the information with respect to the Superior Proposal that is specified in Section 8.03(b)(i), as well as a copy of such Company Acquisition Proposal, or (b) the facts and circumstances in reasonable detail of the Intervening Event; (B) during the three (3) Business Days following such written notice (or such shorter period as is specified below), the Company Board and its Representatives have negotiated in good faith with Parent (to the extent Parent desires to negotiate) regarding any revisions to the terms of the transactions contemplated hereby proposed by the Parent in response to such Superior Proposal or Intervening Event, as applicable; and (C) at the end of the three (3) Business Day period described in the foregoing clause (B), the Company Board concludes in good faith, after consultation with the Company’s outside legal counsel and financial advisors (and taking into account any adjustment or modification of the terms of this Agreement proposed in writing by Parent), that, as applicable (a) the Company Acquisition Proposal continues to be a Superior Proposal or (b) the Intervening Event continues to warrant a Company Adverse Recommendation Change and in each case, that the failure to make such

Company Adverse Recommendation Change would be reasonably likely to be inconsistent with its fiduciary duties under applicable Laws. Any material amendment or modification to any Superior Proposal will be deemed to be a new Company Acquisition Proposal for purposes of this Section 8.03, and the Company shall promptly (but in any event within 24 hours of occurrence) notify Parent of any such new Company Acquisition Proposal and the Parties shall comply with the provisions of this Section 8.03(b) with respect thereto; *provided, however*, that the period during which the Company Board effecting the Company Adverse Recommendation Change and its Representatives are required to negotiate in good faith with Parent regarding any revisions to the terms of this Agreement proposed by Parent in response to such new Company Acquisition Proposal pursuant to clause (B) above shall expire on the later to occur of two (2) Business Days after the Company Board provides written notice of such new Company Acquisition Proposal to Parent and the end of the original three (3) Business Day period described in clause (B) above; *provided, further*, that (x) whether or not there is a Company Adverse Recommendation Change, unless this Agreement has been terminated in accordance with Section 10.01, the Company Board shall submit this Agreement for approval by the Company stockholders at the Company Stockholder Meeting and (y) in the event there is a Company Adverse Recommendation Change made in compliance with this Section 8.03(b) with respect to a Superior Proposal, the Company shall only enter into an Alternative Acquisition Agreement with respect thereto by terminating this Agreement in accordance with Section 10.01(d)(ii).

(c) In addition to the obligations of the Company and Parent set forth in Section 8.03(a) and Section 8.03(b), the Company shall promptly (and in any event within 24 hours) advise Parent orally and in writing of any inquiries, proposals or offers with respect to a Company Acquisition Proposal that are received by, or any non-public information with regard to such Acquisition Proposal is requested from, or any discussions or negotiations are sought to be initiated regarding such Acquisition Proposal with, the Company (or any of its Representatives), indicating, in connection with such notice, the identity of the Person or group of Persons making the inquiry, proposal or offer and the material terms and conditions of any such inquiries, proposals or offers (including, if applicable, copies of any written inquiries, proposals or offers, including proposed agreements) and thereafter shall keep Parent reasonably informed, on a prompt basis (and, in any event, within 24 hours) of the status of any discussions or negotiations with respect to any such inquiries, proposal or offers and the details of any material changes to the status and material terms of any such inquiries, proposals or offers (including any material amendments thereto or any change to the scope or material terms or conditions thereof, and including copies of any written inquiries, proposals or offers, including proposed agreements and modifications thereto).

(d) Nothing contained in this Section 8.03 or Section 8.05, but in all cases subject to Section 8.03(b) or Section 8.03(b)(i), as applicable, shall prohibit the Company Board from (i) taking and disclosing to their stockholders a position contemplated by Rule 14e-2(a) promulgated under the 1934 Act or making a statement contemplated by Item 1012(a) of Regulation M-A or Rule 14d-9 promulgated under the 1934 Act or (ii) making any disclosure to their stockholders if the Company Board determines in good faith, after consultation with the Company's outside counsel, that the failure to make such disclosure would reasonably be likely to be inconsistent with its fiduciary duties under applicable Law.

Section 8.04 Financing Cooperation.

(a) Parent shall, and shall cause its Affiliates to, use reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary to consummate the Financing or any Substitute Financing as promptly as possible following the date of this Agreement (and, in any event, no later than the Closing Date), including using reasonable best efforts to (i) (A) maintain in effect the Debt Letters and in all material respects comply with all of their respective obligations thereunder and (B) negotiate, enter into and deliver definitive agreements with respect to the Financing reflecting the terms contained in the Debt Letters (or with other terms agreed by Parent and the Financing Source Parties, subject to the restrictions on amendments of the Debt Letters set forth below), so that such agreements are in effect no later than the Closing, and (ii) satisfying on a timely basis all the conditions to the Financing and the definitive agreements related thereto that are in Parent's (or its Affiliates') control. In the event that all conditions set forth in Sections 9.01 and 9.02 have been satisfied or waived or, upon funding shall be satisfied or waived, Parent and its Affiliates shall use their reasonable best efforts to cause the Persons providing the Financing (the "**Financing Parties**") to fund on the Closing Date the Financing, to the extent the proceeds thereof are required to consummate the Merger and the other transactions contemplated hereby. Parent shall, promptly after obtaining knowledge thereof, give the Company written notice of any (A) material breach or default by a Financing Party or any party to any definitive document related to the Financing of the Debt Letters or any definitive document related to the Financing, (B) actual or threatened withdrawal, repudiation or termination in writing of the Debt Letters or the Financing by the Financing Parties or (C) material dispute or disagreement between or among any parties to the Debt Letters or any definitive document related to the Financing; *provided*, that neither Parent nor any of its Affiliates shall be under any obligation to disclose any information that is subject to attorney client or similar privilege to the extent such privilege is asserted in good faith. Parent may amend, modify, terminate, assign or agree to any waiver under the Debt Letters without the prior written approval of the Company, *provided*, that Parent shall not, without Company's prior written consent, permit any such amendment, modification, assignment, termination or waiver to be made to, or consent to any waiver of, any provision of or remedy under the Debt Letters which would (A) reduce the aggregate amount of the Financing (including by increasing the amount of fees to be paid or original issue discount) such that the aggregate funds that would be available to Parent on the Closing Date would not be sufficient to provide the funds required to be funded on the Closing Date to consummate the Merger, or (B) impose new or additional conditions to the Financing or otherwise expand, amend, modify or waive any of the conditions to the Financing (unless such expanded, amended or modified conditions are in the aggregate substantially equivalent to (or more favorable to the Company and Parent than) the existing conditions to the Financing, or (C) otherwise expand, amend, modify or waive any provision of the Debt Letters in a manner that in any such case would reasonably be expected to (1) materially delay or make less likely the funding of the Financing (or satisfaction of the conditions to the Financing) on the Closing Date, (2) materially adversely impact the ability of Parent to enforce its rights against the Financing Parties or any other parties to the Debt Letters or the definitive agreements with respect thereto or (3) materially adversely affect the ability of Parent to timely consummate the Merger and the other transactions contemplated hereby;

provided, that notwithstanding the foregoing, Parent may modify, supplement or amend the Debt Letters to add lenders, lead arrangers, bookrunners, syndication agents or similar entities that have not executed the Debt Letters as of the date of this Agreement. In the event that new commitment letters and/or fee letters are entered into in accordance with any amendment, replacement, supplement or other modification of the Debt Letters permitted pursuant to this Section 8.04, such new commitment letters and/or fee letters shall be deemed to be a part of the "Financing" and deemed to be the "Debt Letters" for all purposes of this Agreement. Parent shall promptly deliver to the Company copies of any termination, amendment, modification, waiver or replacement of the Debt Letters. If funds in the amounts set forth in the Debt Letters, or any portion thereof, become unavailable, Parent shall, and shall cause its Affiliates, as promptly as practicable following the occurrence of such event to (x) notify the Company in writing thereof, (y) obtain substitute financing (on terms and conditions that are not materially less favorable to Parent, taken as a whole, than the terms and conditions as set forth in the Debt Letters, taking into account any "market flex" provisions thereof) sufficient to enable Parent to consummate the Merger and the other transactions contemplated hereby in accordance with its terms (the "**Substitute Financing**") and (z) obtain a new financing commitment letter that provides for such Substitute Financing and, promptly after execution thereof, deliver to the Company true, complete and correct copies of the new commitment letter and the related fee letters (in redacted form reasonably satisfactory to the Persons providing such Substitute Financing removing only the fee amounts, pricing caps, the rates and amounts included in the "market flex" and other economic terms that could not adversely affect the conditionality, enforceability, termination or aggregate principal amount of the Financing) and related definitive financing documents with respect to such Substitute Financing. Upon obtaining any commitment for any such Substitute Financing, such financing shall be deemed to be a part of the "Financing" and any commitment letter for such Substitute Financing shall be deemed the "Debt Letters" for all purposes of this Agreement.

(b) Parent shall pay, or cause to be paid, as the same shall become due and payable, all fees and other amounts that become due and payable under the Debt Letters.

(c) Notwithstanding anything contained in this Agreement to the contrary, Parent and Merger Corp expressly acknowledge and agree that neither Parent's nor Merger Corp's obligations hereunder are conditioned in any manner upon Parent or Merger Corp obtaining the Financing, any Substitute Financing or any other financing.

(d) The Company shall, and shall cause each of its Subsidiaries to, and shall use its reasonable best efforts to cause its and their Representatives to, provide to Parent such customary cooperation, as may be reasonably requested by Parent to assist Parent in causing the conditions in the Debt Letters to be satisfied and such customary cooperation as is otherwise reasonably requested by Parent solely in connection with obtaining the Financing, which reasonable best efforts shall include:

(i) reasonable cooperation with customary marketing efforts of Parent for all or any portion of the Financing, including causing its management team, with appropriate seniority and expertise, and external auditors to assist in preparation for and to participate in a reasonable number of meetings, presentations, road shows, due diligence sessions, drafting sessions and sessions with rating agencies, in each case, upon reasonable notice and at mutually agreeable dates and times;

(ii) providing reasonable assistance with the preparation of customary rating agency presentations, road show materials, bank information memoranda, prospectuses and bank syndication materials, offering documents, private placement memoranda and similar documents customarily required (which may incorporate, by reference, periodic and current reports filed by the Company with the SEC) in connection with the marketing and syndication of Financing (as set forth in the Debt Letters as in effect on the date of this Agreement) or in connection with a customary offering of debt securities of the type described in the second paragraph of the introduction to the Commitment Letter;

(iii) using reasonable best efforts to furnish Parent, within a reasonable amount of time following Parent's reasonable request, with information available to the Company relating to the Company and its Subsidiaries to the extent required to consummate the Financing in accordance with the terms of the Debt Letters as in effect on the date of this Agreement or in connection with a customary offering of debt securities of the type described in the second paragraph of the introduction to the Commitment Letter, and providing reasonable assistance to the Parent's preparation of pro forma financial information and projections required to consummate the Financing in accordance with the terms of the Debt Letters as in effect on the date of this Agreement or in connection with a customary offering of debt securities of the type described in the second paragraph of the introduction of the Commitment Letter;

(iv) using reasonable best efforts to furnish Parent at least three Business Days prior to the Closing Date (to the extent requested within 10 Business Days prior to the Closing Date), with all documentation and other information related to the Company and its Subsidiaries as and solely to the extent required by any Governmental Authority with respect to the Financing (as set forth in the Debt Letters as in effect on the date of this Agreement) under applicable "know your customer" and anti-money laundering rules and regulations, including the PATRIOT Act;

(v) requesting that the Company's independent accountants participate in drafting sessions and accounting due diligence sessions and cooperate with the Financing (as set forth in the Debt Letters as in effect on the date of this Agreement) or in connection with a customary offering of debt securities of the type described in the second paragraph of the introduction to the Commitment Letter consistent with their customary practice, including requesting that they provide customary comfort letters (including "negative assurance" comfort) to the extent required in connection with the marketing and syndication of Financing (as set forth in the Debt Letters as in effect on the date of this Agreement) or as are customarily required in an underwritten offering of debt securities of the type described in the second paragraph of the introduction to the Commitment Letter; and

(vi) using reasonable best efforts to arrange for a customary payoff letter to be delivered at or prior to Closing relating to the payoff and termination of the Credit Agreement.

(e) Notwithstanding anything to the contrary contained in this Agreement (including this Section 8.04): (i) nothing in this Agreement (including this Section 8.04) shall require any such cooperation to the extent that it would (A) require the Company to pay any commitment or other fees, reimburse any expenses or otherwise incur any liabilities or give any indemnities prior to the Closing, (B) unreasonably interfere with the ongoing business or operations of the Company and/or its Subsidiaries, (C) require the Company or any of its subsidiaries to enter into or approve any agreement or other documentation effective prior to the Closing or agree to any change or modification of any existing agreement or other documentation that would be effective prior to the Closing or (D) require the Company, any of its Subsidiaries or any of their respective boards of directors (or equivalent bodies) to approve or authorize the Financing, and (ii) no action, liability or obligation (including any obligation to pay any commitment or other fees or reimburse any expenses) of the Company, its Subsidiaries, or any of their respective Representatives under any certificate, agreement, arrangement, document or instrument relating to the Financing shall be effective until the Closing.

(f) Parent shall (i) promptly upon request by the Company, reimburse the Company for all of its reasonable and documented out-of-pocket fees and expenses (including reasonable and documented out-of-pocket attorneys' fees) incurred by the Company, any of its Subsidiaries or any of its or their Representatives in connection with any cooperation contemplated by this Section 8.04 and (ii) indemnify and hold harmless the Company, its Subsidiaries and its and their Representatives against any claim, loss, damage, injury, liability, judgment, award, penalty, fine, Tax, cost (including cost of investigation), expense (including reasonable and documented out-of-pocket attorneys' fees) or settlement payment incurred as a result of, or in connection with, such cooperation or the Financing, except to the extent arising out of gross negligence, bad faith, material breach or willful misconduct of the Company.

(g) The Company hereby consents to the use of its trademarks and logos in connection with the Financing *provided*, that such trademarks and logos are used solely in a manner that is not intended to or reasonably likely to harm or disparage the Company or any of its Subsidiaries or the reputation or goodwill of the Company or any of its Subsidiaries.

Section 8.05 Public Announcements. The initial press release with respect to the execution of this Agreement and the transactions contemplated hereby shall be a joint press release in a form reasonably acceptable to Parent and the Company. Thereafter, Parent and the Company (unless the Company Board has made a Company Adverse Recommendation Change) will use their respective reasonable best efforts to consult with the other Party before (a) participating in any media interviews, (b) engaging in meetings or calls with analysts, institutional investors or other similar Persons and (c) providing any statements (including press releases) which are public or are reasonably likely to become public, in any such case to the extent relating to the transactions contemplated hereby (a "**Public Statement**"). In addition, Parent and the Company (unless the Company Board has made a Company Adverse Recommendation Change) agree to cause their respective directors and executives officers to refrain from taking any position in any such Public Statement that is, without limiting the

obligations set forth in Section 8.03, (x) contrary to the positions previously taken by Parent and the Company with respect to this Agreement and the transactions contemplated hereby, including the Merger, or (y) reasonably likely to have a significant, adverse impact on the ability of the Parties to consummate the transactions contemplated hereby. None of the limitations set forth in this Section 8.05 shall apply to any disclosure of any information concerning this Agreement or the transactions contemplated by this Agreement (i) which Parent or the Company deems appropriate in its reasonable judgment, in light of its status as a publicly owned company, including to securities analysts and institutional investors and in press interviews; and (ii) in connection with any dispute between the Parties regarding this Agreement or the transactions contemplated by this Agreement.

Section 8.06 Notices of Certain Events.

(a) Each of the Company and Parent shall promptly notify and provide copies to the other of:

(i) any material written notice from any Person alleging that the approval or consent of such Person is or may be required in connection with the Merger or the other transactions contemplated by this Agreement;

(ii) any written notice or other communication from any Governmental Authority or securities exchange in connection with the Merger or the other transactions contemplated by this Agreement;

(iii) any Proceeding, or to the knowledge of the Company, investigation, commenced or, to its knowledge, threatened against, relating to or involving or otherwise affecting the Company or any of its Subsidiaries or Parent or any of its Subsidiaries, as the case may be, that, if pending on the date of this Agreement, would have been required to have been disclosed pursuant to any of such Party's representations or warranties, as the case may be, or that relate to the consummation of the Merger or the other transactions contemplated by this Agreement; and

(iv) the occurrence of any event which would or would be reasonably likely to (A) prevent or materially delay the consummation of the Merger or the other transactions contemplated hereby or (B) result in the failure of any condition to the Merger set forth in Article 9 to be satisfied; *provided*, that the delivery of any notice pursuant to this Section 8.06 shall not (i) affect or be deemed to modify any representation, warranty, covenant, right, remedy, or condition to any obligation of any Party hereunder or (ii) update any section of the Company Disclosure Letter or the Parent Disclosure Letter.

(b) During the period from the date of this Agreement until the earlier of the Effective Time and the date, if any, on which the Agreement is terminated pursuant to Article 10 hereof, the Company shall promptly provide Parent with a copy of any material written correspondence to or from the FDA or any other Healthcare Regulatory Authority and inform Parent of any material oral communications with the FDA or any other Healthcare Regulatory

Authority with respect to (i) any allegations of violations or infractions involving the U.S. infusion pump business of the Company and its Subsidiaries, (ii) the recall, removal or market withdrawal of any infusion pump or respiratory capital equipment sold in the U.S. by the Company or its Subsidiaries, (iii) any inspection of the infusion pump or respiratory equipment facilities as set forth in Section 9.06(b) of the Company Disclosure Letter or (iv) any warning letter issued to the Company or any of its Subsidiaries by the FDA.

Notwithstanding the foregoing, except with respect to any Willful Breach, the failure to comply with this Section 8.06 shall not constitute a breach or noncompliance of a covenant by such Party for determining the satisfaction of the conditions set forth in Section 9.02(a)(i) or Section 9.03(a)(i).

Section 8.07 Access to Information.

(a) Upon reasonable notice, and subject to applicable Law, the Company shall (and shall cause its Subsidiaries to) afford to Parent, its Affiliates and its officers, agents, control persons, employees, consultants, professional advisers (including attorneys, accountants and financial advisors) and Financing Parties (“**Representatives**”) reasonable access during normal business hours, under supervision (which, at the Company’s discretion, may be direct supervision) of a designated employee or other Representative of the Company, and upon reasonable prior notice to the Company during the period prior to the Effective Time, to all its and its Subsidiaries’ properties, books, Contracts, commitments, records, officers and employees and, during such period as Parent may from time to time reasonably request, and during such period the Company shall (and shall cause its Subsidiaries to) furnish promptly to Parent all other information concerning it, its Subsidiaries and each of their respective businesses, properties and personnel as Parent may reasonably request, including with respect to the Company’s compliance program; *provided, however*, that the Company may restrict the foregoing access and the disclosure of information to the extent that, in the good faith judgment of the Company, (i) any Law applicable to the Company or its Subsidiaries requires the Company or its Subsidiaries to restrict or prohibit access to any such properties or information, (ii) the information is subject to confidentiality obligations to a Third Party, (iii) such disclosure would result in disclosure of any trade secrets of Third Parties, (iv) disclosure of any such information or document could result in the loss of attorney-client privilege (*provided*, that the Company and/or its counsel shall use their reasonable best efforts to enter into such joint defense agreements or other arrangements, as appropriate, so as to allow for such disclosure in a manner that does not result in the loss of attorney client privilege) or (v) such access would unreasonably disrupt the operations of the Company or any of its Subsidiaries; *provided, however*, that with respect to clauses (i) through (iv) of this Section 8.07(a), the Company shall use its commercially reasonable best efforts to (A) obtain the required consent of such third party to provide such access or disclosure or (B) develop an alternative to providing such information so as to address such matters that is reasonably acceptable to Parent and the Company.

(b) With respect to the information disclosed pursuant to Section 8.07(a), each of Parent and the Company shall comply with, and shall cause such party’s Representatives to comply with, all of its obligations under the Confidentiality Agreement, which agreement shall remain in full force and effect in accordance with its terms.

Section 8.08 Section 16 Matters. Prior to the Effective Time, Parent and the Company shall use reasonable best efforts to take all such steps as may be required to cause any dispositions of Company Stock (including derivative securities with respect to Company Stock) or acquisitions of Parent Common Stock (including derivative securities with respect to Parent Common Stock) resulting from the transactions contemplated by this Agreement by each individual who is subject to the reporting requirements of Section 16(a) of the 1934 Act with respect to the Company or will become subject to such reporting requirements with respect to Parent to be exempt under Rule 16b-3 promulgated under the 1934 Act, to the extent permitted by applicable Law.

Section 8.09 Stock Exchange De-listing; 1934 Act Deregistration. Prior to the Effective Time, the Company shall cooperate with Parent and shall take, or cause to be taken, all actions, and do or cause to be done all things, necessary, proper or advisable on its part under applicable Laws and rules and policies of the NYSE to enable the de-listing by the Surviving Corporation of the Company Stock from the NYSE and the deregistration of the Company Stock and other securities of the Company under the 1934 Act as promptly as practicable after the Effective Time, and in any event no more than ten days after the Closing Date.

Section 8.10 Stockholder Litigation. Each Party hereto shall promptly notify the other Parties hereto in writing of any litigation related to this Agreement, the Merger or the other transactions contemplated by this Agreement that is brought, or, to the knowledge of such Party, threatened in writing, against such Party and/or its directors (any such litigation relating to the Company and/or directors of the Company, a “**Company Transaction Litigation**”) and shall keep such other Party reasonably informed on a current basis with respect to the status thereof. Other than with respect to any Company Transaction Litigation where Parent is adverse to the Company, the Company shall give Parent the opportunity to participate, subject to a customary joint defense agreement, in the defense or settlement of any Company Transaction Litigation, and the Company shall not settle, agree to any undertakings or approve or otherwise agree to any waiver that may be sought in connection with such Company Transaction Litigation, without the prior written consent of Parent (not to be unreasonably withheld, conditioned or delayed). Prior to the consummation of the Merger, without the prior written consent of the Company, Parent shall not settle any litigation related to this Agreement, the Merger or the other transactions contemplated by this Agreement unless such settlement provides a full and unconditional release for each officer and director of the Company party to such litigation. Without limiting in any way the Parties’ obligations under Section 8.01, each of the Company and Parent shall, and shall cause their respective Subsidiaries to, cooperate in the defense or settlement of any litigation contemplated by this Section 8.10.

ARTICLE 9

CONDITIONS TO THE MERGER

Section 9.01 Conditions to Obligations of Each Party. The obligations of Parent, Merger Corp and the Company to consummate the Merger are subject to the satisfaction, at or prior to the Closing, of the following conditions (which may be waived, in whole or in part, to the extent permitted by Law, by the mutual consent of Parent and the Company):

(b) NYSE Listing. The Parent Stock Issuance shall have been approved for listing on the NYSE, subject to official notice of issuance.

(c) Statutes and Injunctions. (Capitalization) shall be true and correct, other than any *de minimis* inaccuracy, (C) the representations and warranties of the Company contained in Section 4.10(b) (Absence of Certain Changes) shall be true and correct in all respects, in each case at and as of the date of this Agreement and at and as of the Closing as if made at and as of the Closing and (D) all other representations and warranties of the Company contained in this Agreement or in any certificate or other writing delivered by the Company pursuant hereto shall be true and correct in all respects (disregarding all materiality and Company Material Adverse Effect qualifiers contained therein), in each case at and as of the date of this Agreement and at and as of the Closing as if made at and as of the Closing (other than any such representations and warranties that by their terms address matters only as of another specified time, which shall be true and correct in all respects (disregarding all materiality and Company Material Adverse Effect qualifiers contained therein) only at and as of such time), except, in the case of this clause (D), where the failure of such representations and warranties to be so true and correct has not had and would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect; and

(b) Parent and Merger Corp shall have received a certificate signed by an executive officer of the Company certifying that the condition set forth in Section 9.02(a) has been satisfied.

Section 9.03 Conditions to the Obligations of the Company. The obligation of the Company to consummate the Merger is subject to the satisfaction on or prior to the Closing Date of the following conditions (which may be waived in whole or in part by the Company):

(b) the Company shall have received a certificate signed by an executive officer of Parent certifying that the condition set forth in Section 9.03(a) has been satisfied.

ARTICLE 10

TERMINATION

Section 10.01 Termination. This Agreement may be terminated and the Merger may be abandoned at any time prior to the Effective Time, whether before or after the Company Stockholder Approval has been obtained (except as otherwise stated below):

(a) by mutual written consent of the Company and Parent;

(b) by either the Company or Parent:

(i) if the Merger is not consummated on or before July 5, 2015 (the "End Date"); *provided, however*, that if on the End Date the conditions to Closing set forth in Section 9.01(e) shall not have been satisfied but all other conditions to Closing set forth in Article IX shall have been satisfied or waived (other than those conditions that by their nature can only be satisfied at the Closing, *provided*, that such conditions are reasonably capable of being satisfied), then the End Date shall be extended, if Parent or the Company notifies the other party in writing on prior to the End Date, to October 5, 2015; *provided, however*, that the right to terminate this Agreement under this Section 10.01(b)(i) shall not be available to a party if such failure of the condition set forth in Section 9.01(e) to have been satisfied was due to the failure of such party to perform any of its obligations under this Agreement;

(ii) if any Governmental Authority of competent jurisdiction shall have issued an Order permanently restraining, enjoining or otherwise prohibiting the Merger or the Parent Stock Issuance and such Order shall have become final and non-appealable; *provided, however*, that the right to terminate this Agreement under this Section 10.01(b)(ii) shall not be available to a party if such Order was due to the failure of such party to perform any of its obligations under this Agreement;

(iii) if any Law shall have been promulgated, entered, enacted or issued or be applicable to the Merger or the Parent Stock Issuance by any Governmental Authority that prohibits, prevents, or makes illegal the consummation of the Merger or the Parent Stock Issuance; or

(iv) if the Company Stockholder Approval shall not have been obtained upon a vote taken thereon at the Company Stockholder Meeting duly convened therefor or at any adjournment or postponement thereof;

(c) by Parent:

(i) if, prior to the receipt of the Company Stockholder Approval, a Company Adverse Recommendation Change shall have occurred; or

(ii) if the Company shall have materially breached or failed to perform any of its (A) representations or warranties or (B) covenants or agreements set forth in this Agreement, which breach or failure to perform (i) would give rise to the failure of a condition set forth in Section 9.02(a) and (ii) is incapable of being cured by the Company by the End Date, or, if capable of being cured, shall not have been cured by the Company within thirty (30) calendar days following receipt from Parent of written notice of such breach or failure to perform; *provided*, that if such breach or failure to perform is capable of being cured by the Company by the End Date, such thirty (30) calendar day period shall be extended until the second Business Day prior to the End Date solely to the extent during such period the Company is using its reasonable best efforts to cure such breach or failure to perform; *provided, further*, that Parent shall not have the right to terminate this Agreement pursuant to this Section 10.01(c)(ii) if Parent is then in material breach of any of its representations, warranties, covenants or agreements under this Agreement;

(d) by the Company:

(i) if Parent shall have materially breached or failed to perform any of its representations, warranties, covenants or agreements set forth in this Agreement, which breach or failure to perform (A) would give rise to the failure of a condition set forth in Section 9.03(a) and (B) is incapable of being cured by Parent by the End Date, or, if capable of being cured, shall not have been cured by Parent within thirty (30) calendar days following receipt from the Company of written notice of such breach or failure to perform; *provided*, that if such breach or failure to perform is capable of being cured by Parent by the End Date, such thirty (30) calendar day period shall be extended until the second Business Day prior to the End Date solely to the extent during such period the Parent is using its reasonable best efforts to cure such breach or failure to perform; *provided, further*, that the Company shall not have the right to terminate this Agreement pursuant to this Section 10.01(d)(i) if the Company is then in material breach of any of its representations, warranties, covenants or agreements under this Agreement; or

(ii) prior to the Company Stockholder Approval, if (A) the Company Board authorizes the Company, to enter into an Alternative Acquisition Agreement with respect to a Company Superior Proposal in accordance with the terms of Section 8.03 that did not result from a material breach of this Agreement, (B) substantially concurrent with the termination of this Agreement, the Company enters into an Alternative Acquisition Agreement providing for a Company Superior Proposal that did not result from a breach of this Agreement and (C) prior to or concurrently with such termination, the Company pays to Parent in immediately available funds any fees required to be paid pursuant to Section 10.03.

The Party desiring to terminate this Agreement pursuant to this Section 10.01 (other than pursuant to Section 10.01(a)) shall give written notice of such termination to the other Party specifying the provision of this Agreement pursuant to which such termination is being effected.

Section 10.02 Effect of Termination. In the event of the termination of this Agreement by either Parent or the Company as provided in Section 10.01, written notice thereof shall forthwith be given by the terminating Party to the other Party specifying the provision hereof pursuant to which such termination is made. In the event of the termination of this Agreement in compliance with Section 10.01, this Agreement shall be terminated and this Agreement shall forthwith become void and have no effect, without any liability or obligation on the part of any Party (or any stockholder, director, officer, employee, agent, consultant or representative of such Party), other than Section 8.04(f), this Section 10.02, Section 10.03, and Article 11, which provisions shall survive such termination; *provided, however*, that, subject to the limitations set forth in Section 10.03(e), nothing in this Section 10.02 shall relieve any Party from liability for any fraud, Willful Breach of a representation or warranty or Willful Breach of any covenant or other agreement contained in this Agreement (including any Willful Breach of Section 8.03 hereof), in which case the aggrieved Party shall be entitled to all rights and remedies available at law or in equity. No termination of this Agreement shall affect the obligations of the Parties contained in the Confidentiality Agreement.

Section 10.03 Termination Fees: Expenses.

(a) In the event that this Agreement is terminated, or at the time of termination, could have been terminated, by Parent pursuant to Section 10.01(c)(i) or in the event that this Agreement is terminated by the Company pursuant to Section 10.01(d)(ii), then, in each case, the Company shall pay, by wire transfer of immediately available funds, to Parent a fee in the amount of \$367,000,000 (the "**Company Termination Fee**") at or prior to the termination of this Agreement in the case of a termination pursuant to Section 10.01(d)(ii) or as promptly as practicable (and, in any event, within two Business Days following such termination) in the case of a termination pursuant to Section 10.01(c)(i).

(b) In the event that this Agreement is terminated, or at the time of termination, could have been terminated by the Company or Parent pursuant to Section 10.01(b)(iv), or in the event that this Agreement is terminated by Parent pursuant to Section 10.01(c)(ii)(B) or by the Company or Parent pursuant to Section 10.01(b)(i) (and at such time Parent could have terminated this Agreement pursuant to Section 10.01(c)(ii)(B)), and (I) at any time after the date of this Agreement and (A) prior to such termination (x) a Company Acquisition Proposal shall have been made or communicated to the Company Board (whether or not publicly announced or publicly made known) and shall not have been withdrawn and (y) the Company shall have breached or failed to perform any of its representations, warranties, covenants or agreements under this Agreement in a manner that would give rise to the failure of a condition under this Agreement, (B) or prior to the applicable Company breach (in the case of a termination pursuant to Section 10.01(c)(ii)(B) or Section 10.01(b)(i)), a Company Acquisition Proposal shall have been made or communicated to the Company Board (whether or not publicly announced or publicly made known) and shall not have been withdrawn, or (C) prior to the taking of a vote to adopt this Agreement at the Company Stockholder Meeting or at any

adjournment or postponement thereof (in the case of a termination pursuant to Section 10.01(b)(iv)) a Company Acquisition Proposal shall have been publicly announced or publicly made known and shall not have been withdrawn, and (II) within nine months after such termination, the Company shall have entered into an agreement with respect to any Company Acquisition Proposal, or any Company Acquisition Proposal shall have been consummated (in each case, whether or not such Company Acquisition Proposal is the same as the original Company Acquisition Proposal made, communicated, publicly made known or publicly announced), then, in any such event, the Company shall pay, by wire transfer of immediately available funds, to Parent the Company Termination Fee on the earlier to occur of the Company entering into an agreement with respect to such Company Acquisition Proposal or the consummation of such Company Acquisition Proposal; *provided, however*, that for purposes of the definition of “**Company Acquisition Proposal**” in this Section 10.03(b), references to “15%” shall be replaced by “50%.”

(c) In the event this Agreement is terminated, or at the time of termination, could have been terminated, by Parent or the Company pursuant to Section 10.01(b)(iv) at a time when the Company Termination Fee or the Parent Termination Fee are not otherwise payable, then the Company shall pay, by wire transfer of immediately available funds, to Parent an amount equal to the documented, out-of-pocket expenses incurred by Parent and its Subsidiaries in connection with this Agreement and the transactions contemplated hereby (including all such expenses related to the Financing), not to exceed 50% of such incurred expenses, as promptly as practicable (and in any event, within two Business Days) following receipt of an invoice therefor.

(d) The Parties acknowledge that the agreements contained in this Section 10.03 are an integral part of the transactions contemplated by this Agreement and that, without these agreements, the Parties would not enter into this Agreement; accordingly, if the Company fails promptly to pay any amount due pursuant to this Section 10.03, and, in order to obtain such payment, Parent commences a suit that results in a judgment against the Company for any amount due pursuant to this Section 10.03, the Company shall pay Parent its costs and expenses (including reasonable attorneys’ fees and expenses) in connection with such suit, together with interest on the amount due pursuant to this Section 10.03 from the date such payment was required to be made until the date of payment at the prime lending rate as published in The Wall Street Journal in effect on the date such payment was required to be made. All payments under this Section 10.03 shall be made by wire transfer of immediately available funds to an account designated in writing by Parent. In no event shall a Company Termination Fee be payable more than once.

(e) Each Party agrees that notwithstanding anything in this Agreement to the contrary (other than with respect to claims for, or arising out of or in connection with fraud, or a Willful Breach of Section 8.03 by the Company) (A) in the event that this Agreement is terminated under circumstances where the Company Termination Fee would be payable pursuant to this Section 10.03, the payment of the Company Termination Fee shall be the sole and exclusive remedy of Parent, its Subsidiaries, stockholders, Affiliates, officers, directors, employees and Representatives against the Company or any of its Representatives or Affiliates for, (B) in no event will Parent or any other such person being paid the Company Termination Fee seek to recover any other money damages or seek any other remedy (including any remedy for specific performance, except solely in compliance with Section 11.12 hereof) based on a claim in law or

equity with respect to, (1) any loss suffered, directly or indirectly, as a result of the failure of the Merger to be consummated, (2) the termination of this Agreement, (3) any liabilities or obligations arising under this Agreement or (4) any claims or actions arising out of or relating to any breach, termination or failure of or under this Agreement and (C) upon payment of any Company Termination Fee in accordance with this Section 10.03, none of the Company or any Affiliates or Representatives of the Company shall have any further liability or obligation to another Party relating to or arising out of this Agreement.

ARTICLE 11

MISCELLANEOUS

Section 11.01 No Survival of Representations and Warranties. None of the representations and warranties in this Agreement or in any schedule, certificate, instrument or other document delivered pursuant to this Agreement shall survive the Effective Time. This Section 11.01 shall not limit Section 10.02, Section 10.03 or any covenant or agreement of the Parties which by its terms contemplates performance after the Effective Time.

Section 11.02 Amendment and Modification. Subject to applicable Law, this Agreement may be amended, modified and supplemented in any and all respects, whether before or after any vote of the stockholders of the Company or Parent contemplated hereby, by written agreement of the Parties hereto at any time prior to the Closing Date with respect to any of the terms contained herein; *provided, however*, that after the Company Stockholder Approval has been obtained there shall be no amendment or waiver that would require the further approval of the stockholders of the Company under applicable Law without such approval having first been obtained; *provided* further that, no amendments to or waivers of any DFS Provision shall be effective without the written consent of the Financing Source Parties. A termination of this Agreement pursuant to Section 10.01 or an amendment or waiver of this Agreement pursuant to Section 11.02 or Section 11.03 shall, in order to be effective, require, in the case of Parent, Merger Corp and the Company, action by their respective board of directors (or a committee thereof) or sole member, as applicable.

Section 11.03 Extension; Waiver. At any time prior to the Effective Time, the Parties may (a) extend the time for the performance of any of the obligations or other acts of the other Parties, (b) waive any inaccuracies in the representations and warranties contained in this Agreement or in any document delivered pursuant to this Agreement or (c) subject to the first proviso of Section 11.02, waive compliance with any of the agreements or conditions contained in this Agreement. Except as required by applicable Law, no waiver of this Agreement shall require the approval of the stockholders of either Parent or the Company. Any agreement on the part of a Party to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such Party. The failure of any Party to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of such rights, nor shall any single or partial exercise by any Party of any of its rights under this Agreement preclude any other or further exercise of such rights or any other rights under this Agreement.

Section 11.04 Expenses. Except as otherwise provided herein, all costs and expenses incurred in connection with this Agreement shall be paid by the Party incurring such cost or

expense. Notwithstanding the foregoing, Parent and the Company each shall pay 50% of any and all filing fees and printing and mailing costs for the Proxy Statement/Prospectus and the Registration Statement. All transfer, documentary, sales, use, stamp, registration, value added and other such Taxes and fees (including any penalties and interest) incurred by the Company or any of its Subsidiaries in connection with the Merger (including any real property transfer tax and any similar Tax) shall be borne and paid by the Company (or the applicable Subsidiary) when due, and the Company (or the applicable Subsidiary) shall, at its own expense, file all necessary Tax Returns and other documentation with respect to all such Taxes and fees, and, if required by applicable Law, the Company (or the applicable Subsidiary) shall, and shall cause its Affiliates to, join in the execution of any such Tax Returns and other documentation.

Section 11.05 Disclosure Letter References. Each Disclosure Letter shall, for all purposes in this Agreement, be arranged in numbered and lettered parts and subparts corresponding to the numbered and lettered sections and subsections contained in this Agreement. Each item disclosed in a Party's Disclosure Letter shall constitute an exception to, or as applicable, disclosure for the purposes of, the representations and warranties (or covenants, as applicable) to which it makes express reference and shall also be deemed to be disclosed or set forth for the purposes of every other part in such Party's Disclosure Letter relating to such Party's representations and warranties (or covenants, as applicable) set forth in this Agreement to the extent a cross-reference within such Disclosure Letter is expressly made to such other part in such Disclosure Letter, as well as to the extent that the relevance of such item as an exception to, or as applicable, disclosure for purposes of, such other section of this Agreement is reasonably apparent from the face of such disclosure.

Section 11.06 Notices. All notices and other communications hereunder shall be in writing and shall be deemed given if delivered personally, by facsimile (with confirmation of transmission) or sent by a nationally recognized overnight courier service, such as Federal Express, to the Parties at the following addresses (or at such other address for a Party as shall be specified by like notice made pursuant to this Section 11.06):

Section 11.07 Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement, it being understood that each Party need not sign the same counterpart. This Agreement shall become effective when each Party hereto shall have received a counterpart hereof signed by all of the other Parties hereto. Signatures delivered electronically or by facsimile shall be deemed to be original signatures.

Section 11.08 Entire Agreement; Third Party Beneficiaries. This Agreement (including the Exhibits hereto and the documents and the instruments referred to herein), the Confidentiality Agreement and any agreements entered into contemporaneously herewith (a) constitute the entire agreement and supersede all prior agreements and understandings, both written and oral, among the Parties with respect to the subject matter hereof and thereof (*provided*, that (x) any provisions of the Confidentiality Agreement conflicting with this Agreement shall be superceded by this Agreement and (y) all standstill or similar provisions set forth in the Confidentiality Agreement shall terminate and no longer be in effect upon execution and delivery hereof) and (b) are not intended to confer any rights, benefits, remedies, obligations or liabilities upon any Person other than the Parties hereto and their respective successors and permitted assigns; *provided*, that notwithstanding the foregoing clause (b), following the Effective Time, (i) the provisions of Article 2 with respect to the holders of Company Stock to receive the Merger Consideration shall be enforceable by such holders and (ii) the provisions of Section 7.04 shall be enforceable by each Party entitled to indemnification hereunder and his or her heirs and his or her representatives; *provided*, further that the Financing Parties and each of their respective Affiliates and their respective current, former and future direct or indirect equity holders, controlling persons, stockholders, agents, Affiliates, members, managers, general or limited partners, assignees or representatives (each, a “**Financing Source Party**”, collectively, the “**Financing Source Parties**”) shall be express third party beneficiaries with respect to Section 11.02, this Section 11.08, Section 11.11, Section 11.12(c), Section 11.13 and Section 11.14 (collectively, the “**DFS Provisions**”).

Section 11.09 Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other authority to be invalid, void, unenforceable or against its regulatory policy, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated, so long as the economic and legal substance of the transactions contemplated hereby, taken as a whole, are not affected in a manner materially adverse to any Party hereto. Upon such a determination, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

Section 11.10 Assignment. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any of the Parties hereto in whole or in part (whether by operation of Law or otherwise) without the prior written consent of the other Parties, and any such assignment without such consent shall be null and void; *provided*, that Parent may designate, prior to the Effective Time, by written notice to the Company, another wholly owned direct or indirect Subsidiary to be a party to the Merger in lieu of Merger Corp, in which event all references herein to Merger Corp shall be deemed references to such other Subsidiary (except with respect to representations and warranties made herein with respect to Merger Corp as of the date of this Agreement) and all representations and warranties made herein with respect to Merger Corp as of the date of this Agreement shall also be made with respect to such other Subsidiary as of the date of such designation; *provided*, that such assignment shall not relieve Parent of its obligations hereunder or otherwise enlarge, alter or change any obligation of any other party hereto or due to Parent or such other Subsidiary. This Agreement shall be binding upon, inure to the benefit of and be enforceable by the Parties and their respective successors and permitted assigns.

Section 11.11 Governing Law. This Agreement shall be governed and construed in accordance with the Laws of the State of Delaware without giving effect to the principles of conflicts of law thereof or of any other jurisdiction, except that, notwithstanding the foregoing, except as otherwise set forth in the Debt Letters as in effect as of the date of this Agreement, all matters relating to the interpretation, construction, validity and enforcement (whether at law, in equity, in contract, in tort, or otherwise) against any of the Financing Source Parties in any way relating to the Debt Letters or the performance thereof or the Financing, shall be exclusively governed by, and construed in accordance with, the domestic Law of the State of New York without giving effect to any choice or conflict of law provision or rule whether of the State of New York or any other jurisdiction that would cause the application of Law of any jurisdiction other than the State of New York.

Section 11.12 Enforcement: Exclusive Jurisdiction.

(a) The Parties agree that irreparable damage would occur and that the Parties would not have any adequate remedy at law in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that, subject to the limitations in Section 10.03(f) and in the next sentence of this Section 11.12(a), the Parties shall be entitled to an injunction or injunctions to prevent breaches or threatened breaches of this Agreement and to enforce specifically the

terms and provisions of this Agreement in the Court of Chancery of the State of Delaware or, if under applicable Law exclusive jurisdiction over such matter is vested in the federal courts, any federal court located in the State of Delaware without proof of actual damages or otherwise (and each Party hereby waives any requirement for the securing or posting of any bond in connection with such remedy), this being in addition to any other remedy to which they are entitled at law or in equity.

(b) In addition, each of the Parties hereto (a) consents to submit itself, and hereby submits itself, to the personal jurisdiction of the Court of Chancery of the State of Delaware and any federal court located in the State of Delaware, or, if neither of such courts has subject matter jurisdiction, any state court of the State of Delaware having subject matter jurisdiction, in the event any dispute arises out of this Agreement or any of the transactions contemplated by this Agreement, (b) agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court, and agrees not to plead or claim any objection to the laying of venue in any such court or that any judicial proceeding in any such court has been brought in an inconvenient forum, (c) agrees that it will not bring any action relating to this Agreement or any of the transactions contemplated by this Agreement in any court other than the Court of Chancery of the State of Delaware and any federal court located in the State of Delaware, or, if neither of such courts has subject matter jurisdiction, any state court of the State of Delaware having subject matter jurisdiction, and (d) consents to service of process being made through the notice procedures set forth in Section 11.05.

(c) Notwithstanding anything to the contrary in this Agreement, each Party agrees that it will not bring or support any action, cause of action, claim, cross-claim or third-party claim of any kind or description, whether in law or in equity, whether in contract or in tort or otherwise, against the Financing Source Parties in any way relating to this Agreement, including any dispute arising out of the Debt Letters or the performance thereof or the Financing, in any forum other than the Supreme Court of the State of New York, County of New York, or, if under applicable law exclusive jurisdiction is vested in the Federal courts, the United States District Court for the Southern District of New York (and of the appropriate appellate courts therefrom).

Section 11.13 No Recourse; Waiver of Claims. Notwithstanding anything herein to the contrary, each of the Company and its Subsidiaries, stockholders, Affiliates, officers, directors, employees and Representatives hereby waives any rights or claims against any Financing Source Party in connection with this Agreement, the Debt Letters or the Financing, whether at law or equity, in contract, in tort or otherwise, and each of the Company and its Subsidiaries, stockholders, Affiliates, officers, directors, employees and Representatives agrees not to commence a Proceeding against any Financing Source Party in connection with this Agreement or the transactions contemplated hereunder (including any Proceeding relating to the Financing or the Debt Letters). In furtherance and not in limitation of the foregoing waiver, it is agreed that no Financing Source Party shall have any liability for any claims, losses, settlements, liabilities, damages, costs, expenses, fines or penalties to the Company or any of its Subsidiaries, stockholders, Affiliates, officers, directors, employees and Representatives in connection with this Agreement or the transactions contemplated hereunder. Nothing in this Section 11.14 shall in any way (a) expand the circumstances in which Parent may be liable under this Agreement or as a result of the transactions contemplated hereby (including as a result of the Financing) or (b) limit or qualify the obligations and liabilities of the parties to the Debt Letters to each other thereunder or in connection therewith.

Section 11.14 WAIVER OF JURY TRIAL. EACH OF THE PARTIES HERETO HEREBY KNOWINGLY, INTENTIONALLY AND VOLUNTARILY IRREVOCABLY WAIVES ANY AND ALL RIGHTS TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (INCLUDING ANY LEGAL PROCEEDING AGAINST THE FINANCING SOURCE PARTIES ARISING OUT OF OR RELATED TO THE TRANSACTIONS CONTEMPLATED HEREBY, THE DEBT LETTERS, THE FINANCING OR THE PERFORMANCE OF SERVICES WITH RESPECT THERETO).

Ladies and Gentlemen:

Goldman Sachs Bank USA (“**Goldman Sachs**”) and Goldman Sachs Lending Partners LLC (“**GS Lending Partners**”) and together with Goldman Sachs and each Lender (as defined in Annex B) that becomes a party to this Commitment Letter as an additional “Commitment Party” pursuant to Section 3 hereof, collectively, the “**Commitment Parties**,” “**we**” or “**us**”) are pleased to confirm the arrangements under which (i) Goldman Sachs is authorized by Becton, Dickinson and Company (the “**Borrower**”) to act as lead arranger and bookrunner in connection with, (ii) Goldman Sachs is exclusively authorized by the Borrower to act as administrative agent in connection with, and (iii) each Commitment Party commits to provide the financing for, certain transactions described herein, in each case on the terms set forth in this letter and the attached Annexes A, B and C hereto (collectively, this “**Commitment Letter**”).

You have informed us that the Borrower through its wholly-owned subsidiary (“**Merger Sub**”) intends to acquire all of the outstanding equity interests (the “**Acquisition**”) of an entity previously identified to us and codenamed “Calgary” (the “**Target**”, and together with its subsidiaries, the “**Acquired Business**”) from the Target’s shareholders pursuant to an agreement and plan of merger (including the exhibits, schedules and all related documents, collectively the “**Acquisition Agreement**”) to be entered into by the Borrower, Merger Sub and the Target. You have also informed us that the Acquisition and related transaction fees and expenses will be financed from a combination of the following: (i) the issuance of common stock of the Borrower to the Target’s shareholders (the “**Equity Consideration**”), (ii) available cash of the Borrower and (iii) the issuance by the Borrower of gross proceeds of up to \$9.1 billion of senior unsecured notes (the “**Notes**”) pursuant to one or more registered public offerings or Rule 144A and/or Regulation S under the Securities Act of 1933, as amended (the “**Securities Act**”) or other private placements (collectively, the “**Notes Offering**”) or, in the event some or all of the Notes providing such amount of gross proceeds are not issued on or before the time the Acquisition is consummated, borrowings by the Borrower of loans (the “**Bridge Loans**”) under a senior unsecured 364-day bridge loan facility in an aggregate principal amount of \$9.1 billion (the “**Bridge Facility**”), having the terms set forth on Annex B (the transactions referred to in this sentence are collectively referred to herein as the “**Transactions**”).

1. Commitments: Titles and Roles.

Goldman Sachs is pleased to confirm its agreement to act, and you hereby appoint Goldman Sachs to act, as lead arranger and bookrunner (the "**Arranger**") in connection with the Bridge Facility. Goldman Sachs is pleased to confirm its agreement to act, and you hereby appoint Goldman Sachs to act, as administrative agent (the "**Administrative Agent**") for the Bridge Facility. Goldman Sachs is pleased to commit, severally and not jointly, to provide the Borrower \$2.75 billion of the Bridge Facility, and GS Lending Partners is pleased to commit, severally and not jointly, to provide the Borrower \$6.35 billion of the Bridge Facility, in each case, on the terms set forth in this Commitment Letter and the Fee Letter referred to below and subject only to the satisfaction or waiver of the conditions expressly set forth in Section 2 below and Annex C; *provided* that, the aggregate commitment of the Commitment Parties hereunder for the Bridge Facility shall be automatically reduced on a pro rata basis (or allocated between any affiliated Commitment Parties as they and Goldman Sachs may otherwise determine) at any time on or after the date hereof and prior to the Closing Date as set forth in the section titled "Mandatory Prepayments/Commitment Reductions" in Annex B hereto. Notwithstanding the foregoing, you may appoint additional co-agents, bookrunners and arrangers ("**Additional Arrangers**") reasonably acceptable to Goldman Sachs having such titles and economics (commensurate with the commitments provided by each such Additional Arranger in accordance with Section 3 below), in each case, in accordance with the syndication plan for the Bridge Facility agreed to by the Borrower and Goldman Sachs prior to the date hereof (the "**Syndication Plan**"). Our fees for our commitment and for services related to the Bridge Facility are set forth in a separate fee letter (the "**Fee Letter**") entered into by the Borrower and Goldman Sachs on the date hereof.

2. Conditions Precedent.

The Commitment Parties' respective commitments and agreements are subject only to (i) the execution and delivery of appropriate definitive loan documents relating to the Bridge Facility including, without limitation, a bridge loan agreement (the "**Bridge Loan Agreement**"), opinions of counsel and other related definitive documents (collectively, the "**Loan Documents**") that are substantially consistent with the terms set forth in this Commitment Letter and are otherwise acceptable to Goldman Sachs and you, (ii) the Borrower having engaged, not later than the date of the Borrower's acceptance of this Commitment Letter, one or more investment and/or commercial banks satisfactory to Goldman Sachs and you (collectively, the "**Financial Institution**") on terms and conditions satisfactory to Goldman Sachs and (iii) the conditions set forth in Annex C hereto. Notwithstanding anything in this Commitment Letter, the Fee Letter, the Loan Documents or any other letter agreement or other undertaking concerning the financing of the transactions contemplated hereby to the contrary, the only conditions to availability of the Bridge Facility on the Closing Date are set forth in this Section 2 and in Annex C (collectively, the "**Funding Conditions**"); it being understood that there are no conditions (implied or otherwise) to the commitments hereunder (including compliance with the terms of the Commitment Letter, the Fee Letter, the Loan Documents or otherwise) other than the Funding Conditions (and upon satisfaction or waiver of the Funding Conditions, the funding duly requested by the Borrower under the Bridge Facility on the Closing Date shall occur).

Notwithstanding anything to the contrary contained in this Commitment Letter, the Fee Letter or the Loan Documents, (a) the only representations the accuracy of which will be a condition to the availability of the Bridge Facility on the Closing Date will be (i) the representations made by or with respect to the Acquired Business in the Acquisition Agreement as are material to the interests of the Lenders and the Commitment Parties (but only to the extent that the Borrower or Merger Sub has the right not to consummate the Acquisition, or to terminate their obligations (or otherwise do not have an obligation to close), under the Acquisition Agreement (in each case, in accordance with the terms of the Acquisition Agreement) as a result of a failure of such representations in the Acquisition Agreement to be true and correct) (the

“Acquisition Representations”) and (ii) the Specified Representations (as defined below), and (b) the terms of the documentation for the Bridge Facility will be such that they do not impair the availability of the Bridge Facility on the Closing Date if the conditions set forth in this Section 2 and in Annex C hereto are satisfied (it being understood that nothing in the preceding clause (a) will be construed to limit the applicability of the individual conditions set forth in this Section 2 or in Annex C). As used herein, “Specified Representations” means representations made by the Borrower referred to in Annex B relating to incorporation or formation; organizational power and authority to enter into the Loan Documents; due execution, delivery and enforceability of the Loan Documents; solvency as of the Closing Date of the Borrower and its subsidiaries on a consolidated basis after giving effect to the Transactions (solvency to be defined in a manner consistent with Schedule I); no conflicts of the Loan Documents with charter documents; Federal Reserve margin regulations; the Investment Company Act; and the use of loan proceeds not violating OFAC, the PATRIOT Act, FCPA and other anti-terrorism laws.

3. Syndication.

Goldman Sachs intends and reserves the right to syndicate the Bridge Facility to the Lenders (as defined in Annex B), and you acknowledge and agree that the commencement of syndication shall occur in the discretion of Goldman Sachs. The selection of the Lenders (a) from the date hereof until 30 days following the date hereof (the “Initial Syndication Period”), shall be made jointly by Goldman Sachs and the Borrower in accordance with the Syndication Plan and (b) following the Initial Syndication Period, if and for so long as a successful syndication (as defined in the Fee Letter) has not been achieved, shall be made by Goldman Sachs in consultation with the Borrower. Goldman Sachs will lead the syndication, including determining the timing of all offers to potential Lenders, any title of agent or similar designations or roles awarded to any Lender (including any Additional Arranger) and the acceptance of commitments, the amounts offered, the final commitment allocations and the compensation provided to each Lender from the amounts to be paid to the Commitment Parties pursuant to the terms of this Commitment Letter and the Fee Letter; *provided*, that (x) during the Initial Syndication Period, all such determinations shall be made jointly by Goldman Sachs and the Borrower in accordance with the Syndication Plan and (y) following the Initial Syndication Period, such determinations shall be made by Goldman Sachs in consultation with the Borrower. The respective commitments of Goldman Sachs and GS Lending Partners hereunder with respect to the Bridge Facility shall be reduced on a pro rata basis (or allocated between them as they may otherwise determine; *provided*, that such allocation shall not change the combined commitment reduction required under the terms hereof with respect to such affiliated Commitment Parties) dollar-for-dollar as and when commitments for the Bridge Facility are received from Lenders which have been selected pursuant to the syndication process set forth above (including the Additional Arrangers) to the extent that each such Lender becomes (i) party to this Commitment Letter as an additional “Commitment Party” pursuant to a joinder agreement or other documentation in form and substance reasonably satisfactory to Goldman Sachs and you or (ii) party to the Bridge Loan Agreement as a “Lender” thereunder; *provided further, however*, with respect to any syndication of any portion of the commitments hereunder to a Lender to which the Borrower has not consented (such consent not to be unreasonably withheld, delayed or conditioned), the Commitment Parties shall not be relieved, released or novated from their respective obligations hereunder with respect to such portion of the commitments until the funding on the Closing Date has occurred. The Borrower agrees to use commercially reasonable efforts to ensure that Goldman Sachs’ syndication efforts benefit from the existing lending relationships of the Borrower and its subsidiaries and, to the extent practical and appropriate (and not in contravention of the Acquisition Agreement) of the Acquired Business. To facilitate an orderly and successful syndication of the Bridge Facility, you agree that, until the earliest of (x) the termination of the syndication by Goldman Sachs, (y) the date a Successful Syndication (as defined in the Fee Letter) is achieved and (z) 60 days following the Closing Date (such earliest date, the “Syndication Date”), the Borrower will not, and the Borrower will use commercially reasonable efforts (to the extent not in

contravention of the Acquisition Agreement) to ensure that the Acquired Business will not, syndicate or issue, attempt to syndicate or issue, announce or authorize the announcement of the syndication or issuance of any debt facility or any debt security of the Borrower or any of its subsidiaries or of the Acquired Business that would reasonably be expected to materially impair the syndication of the Bridge Facility as determined by the Arranger, including any renewals or refinancings of any existing debt facility or debt security (other than (a) the Bridge Facility, (b) the Notes Offering, (c) any indebtedness permitted to remain outstanding or to be incurred by the Acquired Business after the date hereof but prior to the Closing Date under the Acquisition Agreement (and extensions, refinancings and renewals thereof prior to the Closing Date to the extent permitted under the Acquisition Agreement; *provided*, that the aggregate commitments thereunder shall not be increased), (d) extensions, refinancings and renewals of the Existing Credit Agreement (as defined in Annex B) and other existing credit facilities (*provided*, that (x) the aggregate commitments thereunder shall not be increased and (y) any such extension, refinancing or renewal shall be coordinated and managed by Goldman Sachs on mutually agreeable terms), (e) commercial paper issuance and (f) ordinary course bilateral working capital facilities and ordinary course capital leases, letters of credit and purchase money and equipment financings), without the prior written consent of Goldman Sachs (such consent not to be unreasonably withheld, delayed or conditioned).

Until the Syndication Date, the Borrower agrees to cooperate with Goldman Sachs and agrees to use commercially reasonable efforts to cause the Acquired Business to cooperate with Goldman Sachs (but in all instances subject to, and not in contravention of, the terms of the Acquisition Agreement), in connection with (i) the preparation of one or more customary information packages for the Bridge Facility regarding the business, operations, financial projections and prospects of the Borrower and the Acquired Business (collectively, the **“Confidential Information Memorandum”**) including, without limitation, all information relating to the transactions contemplated hereunder prepared by or on behalf of the Borrower deemed reasonably necessary by Goldman Sachs to complete the syndication of the Bridge Facility, (ii) using commercially reasonable efforts to obtain prior to the launch of general syndication updated ratings of the Borrower’s senior unsecured indebtedness from Moody’s Investor Services, Inc. (**“Moody’s”**), and from Standard & Poor’s Ratings Group, a division of The McGraw Hill Corporation (**“S&P”**), in each case taking into account the transactions contemplated hereby, (iii) the presentation of one or more customary information packages for the Bridge Facility acceptable in format and content reasonably acceptable to Goldman Sachs and the Borrower (collectively, the **“Lender Presentation”**) in meetings and other communications with prospective Lenders or agents in connection with the syndication of the Bridge Facility and (iv) arranging for direct contact between senior management and representatives, with appropriate seniority and expertise, of the Borrower with prospective Lenders (and the use of commercially reasonable efforts to ensure direct contact between senior management and representatives, with appropriate seniority and expertise, of the Acquired Business with prospective Lenders (consistent with the terms of the Acquisition Agreement)) and participation of such persons in meetings at reasonable times and locations mutually agreed upon. The Borrower further agrees to afford Goldman Sachs a period of at least 30 consecutive days following the launch of the general syndication of the Bridge Facility to syndicate the Bridge Facility prior to the Closing Date; *provided*, that such period shall (x) exclude the period from and including November 26, 2014 through and including November 30, 2014 and (y) either conclude on or prior to December 19, 2014 or commence no earlier than January 5, 2015. Without limiting your obligations to assist with syndication efforts as set forth herein, it is understood that each Commitment Party’s commitments hereunder are not subject to or conditioned upon syndication of, or receipt of commitments in respect of the Bridge Facility, and notwithstanding anything to the contrary contained in this Commitment Letter, the Fee Letter or the Loan Documents neither the commencement nor completion of the syndication of the Bridge Facility nor the obtaining of ratings shall constitute a condition to the availability of the Bridge Facility on the Closing Date or at any time thereafter. It is also understood that the Borrower will not be required to provide any information to the extent that the provision thereof would violate (i) any attorney-client privilege or (ii) law, rule or regulation applicable to the Borrower, the Acquired Business or you and their respective affiliates or (iii)

any obligation of confidentiality from a third party binding on you, the Acquired Business or your or their respective affiliates (so long as (x) such confidentiality obligation was not entered into in contemplation of the Transactions, (y) you use commercially reasonable efforts to obtain a waiver of such confidentiality obligation and (z) you provide the Commitment Parties notice of such confidentiality obligation). The Borrower will be solely responsible for the contents of any such Confidential Information Memorandum and Lender Presentation (other than, in each case, any information contained therein, that has been provided for inclusion therein by the Commitment Parties solely to the extent such information relates to the Commitment Parties) and all other information, documentation or materials delivered to the Commitment Parties in connection therewith (collectively, the “**Information**”) and acknowledges that the Commitment Parties will be using and relying upon the Information without independent verification thereof. The Borrower agrees that Information regarding the Bridge Facility and Information provided by the Borrower, the Acquired Business or their respective representatives to any Commitment Party in connection with the Bridge Facility (including, without limitation, draft and execution versions of the Loan Documents, the Confidential Information Memorandum, the Lender Presentation, publicly filed financial statements, and draft or final offering materials relating to contemporaneous or prior securities issuances by the Borrower or the Acquired Business) may be disseminated to potential Lenders and other persons through one or more internet sites (including an IntraLinks, SyndTrak or other electronic workspace (the “**Platform**”)) created for purposes of syndicating the Bridge Facility or otherwise, in accordance with Goldman Sachs’ standard syndication practices, and you acknowledge that neither the Commitment Parties nor any of their affiliates will be responsible or liable to you or any other person or entity for damages arising from the use by others of any Information or other materials obtained on the Platform (except to the extent arising out of the gross negligence, bad faith or willful misconduct of a Commitment Party or the gross negligence, bad faith or willful misconduct of such Commitment Party’s controlled affiliates or any of its or their directors, officers, employees or partners, as determined in a final non-appealable decision of a court of competent jurisdiction; *provided, however*, that in no event will any party hereto or the Acquired Business or any of their respective affiliates have any liability for indirect, consequential, special or punitive damages other than as set forth in Annex A).

The Borrower acknowledges that certain of the Lenders may be “public side” Lenders (i.e. Lenders that do not wish to receive material non-public information with respect to the Borrower, the Acquired Business or their respective affiliates or any of their respective securities) (each, a “**Public Lender**”). At the request of Goldman Sachs, the Borrower agrees to prepare an additional version of the Confidential Information Memorandum and the Lender Presentation to be used by Public Lenders that does not contain material non-public information concerning the Borrower, the Acquired Business, or their respective affiliates or securities. The information to be included in the additional version of the Confidential Information Memorandum will be substantially consistent with the information included in any offering memorandum for the offering for the Notes. It is understood that in connection with your assistance described above, you will provide a customary authorization letter to Goldman Sachs authorizing the distribution of the Information to prospective Lenders and containing a representation to the Commitment Parties, in the case of the public-side version, that such Information does not include material non-public information about the Borrower, the Acquired Business, or their respective affiliates or their respective securities (with respect to information about the Acquired Business and its affiliates, to the best of the Borrower’s knowledge). In addition, the Borrower will use commercially reasonable efforts to designate as such all Information provided to any Commitment Party by or on behalf of the Borrower or the Acquired Business which is suitable to make available to Public Lenders. The Borrower acknowledges and agrees that the following documents may be distributed to all Lenders (including Public Lenders) (unless the Borrower promptly notifies Goldman Sachs in writing (including by email) within a reasonable time prior to their intended distribution (after you have been given a reasonable opportunity to review such documents) that any such document should only be distributed to prospective private Lenders): (a) drafts and final versions of the Bridge Loan Agreement and notes (if any); (b) administrative materials prepared by Goldman Sachs for prospective Lenders (such as a lender meeting invitation, allocations and funding and closing memoranda); and (c) term sheets and notification of changes in the terms of the Bridge Facility.

The parties hereto agree to negotiate in good faith and to use reasonable efforts to finalize, execute and deliver the Bridge Loan Agreement (initial drafts of which shall be prepared by counsel to the Arranger) as soon as practical following the date hereof.

4. Information.

The Borrower represents and covenants that (i) all written or formally presented Information (other than projections and other forward-looking materials and information of a general economic or industry specific nature) provided directly or indirectly by the Acquired Business or the Borrower to the Commitment Parties or the Lenders in connection with the Transactions is and will be when furnished, when taken as a whole, complete and correct in all material respects and does not and will not contain when furnished, when taken as a whole, any untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein not materially misleading in light of the circumstances under which such statements are made (in each case after giving effect to all supplements and updates provided thereto); *provided*, that such representation and covenant with respect to the Acquired Business and its representatives is made to the best of the Borrower's knowledge; and (ii) the projections and other forward-looking information that have been or will be made available to the Commitment Parties or the Lenders by or on behalf of the Acquired Business or the Borrower in connection with the Transactions have been and will be prepared in good faith based upon assumptions that are believed by the preparer thereof to be reasonable at the time such financial projections are furnished to the Commitment Parties or the Lenders, it being understood and agreed that projections and other forward-looking information are as to future events and are not to be viewed as facts, are subject to significant uncertainties and contingencies, many of which are out of the Borrower or Acquired Business' control, that no assurance can be given that any particular projections will be realized and that actual results during the period or periods covered by such projections may differ significantly from the projected results and such differences may be material. You agree that if at any time prior to the later of (i) the Closing Date and (ii) the Syndication Date, any of the representations in the preceding sentence would be incorrect in any material respect (to the best of your knowledge insofar as it applies to the information concerning the Acquired Business) if the Information and projections were being furnished, and such representations were being made, at such time, then you will promptly supplement, or cause to be supplemented (and with respect to the Acquired Business, use commercially reasonable efforts to cause the Acquired Business to supplement), the Information and projections so that such representations will be correct in all material respects in light of the circumstances under which such statements are made (to the best of your knowledge insofar as it applies to information regarding the Acquired Business). In arranging and syndicating the Bridge Facility, we will be entitled to use and rely on the Information and the projections without responsibility for independent verification thereof. We have no obligation to conduct any independent evaluation or appraisal of the assets or liabilities of you, the Acquired Business or any other party or to advise or opine on any related solvency issues. Notwithstanding the foregoing, it is understood that each Commitment Party's commitments hereunder are not subject to or conditioned upon the accuracy of the representations set forth in this Section 4, and notwithstanding anything to the contrary contained in this Commitment Letter or the Fee Letter, the accuracy of such representations shall not constitute a condition to the availability of the Bridge Facility on the Closing Date or at any time thereafter.

5. Indemnification and Related Matters.

In connection with arrangements such as this, it is our firm's policy to receive indemnification. The Borrower agrees to the provisions with respect to our indemnity and other matters set forth in Annex A, which is incorporated by reference into this Commitment Letter.

6. Assignments.

This Commitment Letter may not be assigned by you without the prior written consent of the Commitment Parties (and any purported assignment without such consent will be null and void), is intended to be solely for the benefit of the Commitment Parties and the other parties hereto and, except as set forth in Annex A hereto, is not intended to confer any benefits upon, or create any rights in favor of, any person other than the parties hereto. Each Commitment Party may assign its commitments and agreements hereunder, in whole or in part (i) to any of its affiliates (provided that, except in the case of a Commitment Party assigning its commitment to its affiliate which is also a Commitment Party, such assigning Commitment Party shall not be released from its portion of its commitment so assigned to the extent that such affiliate fails to fund the portion of the commitment so assigned to it on the Closing Date) and (ii) in the case of each of Goldman Sachs and GS Lending Partners, to any additional "Commitment Parties" who become party to this Commitment Letter pursuant to a joinder agreement or other documentation reasonably satisfactory to Goldman Sachs, GS Lending Partners and the Borrower as provided for in Section 3 above, and upon any such assignment, each of Goldman Sachs and GS Lending Partners will be released from that portion of its commitments and agreements that has been so assigned. In the event that any reduction of the commitments of the Commitment Parties is required under the terms hereof, Commitment Parties which are affiliated with each other may allocate such reduction of commitments between themselves as such affiliated Commitment Parties may agree, provided that such allocation shall not change the combined commitment reduction required under the terms hereof with respect to such affiliated Commitment Parties. Neither this Commitment Letter nor the Fee Letter may be amended or any term or provision hereof or thereof waived or otherwise modified except by an instrument in writing signed by each of the parties hereto or thereto, as applicable, and any term or provision hereof or thereof may be amended or waived only by a written agreement executed and delivered by all parties hereto or thereto.

7. Confidentiality.

Please note that this Commitment Letter, the Fee Letter and any written communications provided by the Commitment Parties in connection with this arrangement are exclusively for the information of the Borrower and may not be disclosed by you to any other person without our prior written consent except, after providing written notice to the Commitment Parties, pursuant to a subpoena or order issued by a court of competent jurisdiction or by a judicial, administrative or legislative body or committee; provided that we hereby consent to your disclosure of (i) this Commitment Letter, the Fee Letter and such communications and discussions to the Borrower's and its affiliates' respective officers, directors, employees, agents and advisors (including legal counsel, independent auditors and other experts or agents) who are directly involved in the consideration of the Transactions (including in connection with providing accounting and tax advice to the Borrower and its affiliates) on a confidential basis, (ii) this Commitment Letter, the Fee Letter or the information contained herein and therein to the Acquired Business and its officers, directors, employees, agents and advisors (including legal counsel, independent auditors and other experts or agents) in connection with the Transactions, who are directly involved in the consideration of the Transactions to the extent you notify such persons of their obligations to keep such material confidential (provided that any disclosure of the Fee Letter or its terms or substance to the Acquired Business or its officers, directors, employees, agents and advisors shall be redacted in a manner reasonably satisfactory to the Commitment Parties), (iii) this Commitment Letter and the Fee Letter as

required by applicable law or compulsory legal process (in which case you agree to inform us promptly thereof to the extent practicable and not prohibited by applicable law), (iv) following your acceptance of the provisions hereof and return of an executed counterpart of this Commitment Letter to the Commitment Parties as provided below, you may file a copy of any portion of this Commitment Letter (but not the Fee Letter other than the existence thereof) in any public record in which you are required by law or regulation on the advice of your counsel to file it, (v) you may disclose the aggregate fee amounts contained in the Fee Letter as part of projections, pro forma information or a generic disclosure of aggregate sources and uses related to aggregate compensation amounts related to the Transactions to the extent customary or required in offering and marketing materials for the Bridge Facility, Notes or in any public filing relating to the Transactions, in each case in a manner which does not disclose the fees payable pursuant to the Fee Letter (except in the aggregate), (vi) this Commitment Letter and the information contained herein and the Fee Letter in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Commitment Letter, Fee Letter or the transactions contemplated thereby or enforcement thereof or hereof, (vii) the information contained in Annex B, in any prospectus or other offering memorandum relating to the Notes, and (viii) the information contained in Annex B to Moody's and S&P; provided that such information is supplied to Moody's and S&P only on a confidential basis after consultation with Goldman Sachs. The confidentiality provisions set forth in this paragraph shall survive the termination of this Commitment Letter and expire and shall be of no further effect after the second anniversary of the date hereof.

Each Commitment Party will treat as confidential all information provided to it by or on behalf of the Borrower or the Acquired Business or any of your or its respective subsidiaries or affiliates, and shall not disclose such information to any third party or circulate or refer to publicly such information without the Borrower's prior written consent; provided, however, that nothing herein will prevent each Commitment Party from disclosing any such information (a) pursuant to the order of any court or administrative agency or in any pending legal or administrative proceeding, or otherwise as required by applicable law or compulsory legal process (in which case such person agrees to inform you promptly thereof to the extent not prohibited by law), (b) upon the request or demand of any regulatory authority purporting to have jurisdiction over such person or any of its affiliates, (c) to the extent that such information is publicly available or becomes publicly available other than by reason of improper disclosure by such person, (d) to such person's affiliates and their respective officers, directors, partners, members, employees, legal counsel, independent auditors and other experts or agents who need to know such information and on a confidential basis and who have agreed to treat such information confidentially, (e) to potential and prospective Lenders, participants and any direct or indirect contractual counterparties to any swap or derivative transaction relating to the borrower or its obligations under the Bridge Facility, in each case, who have agreed to keep such information confidential on terms not less favorable than the provisions hereof in accordance with the standard syndication processes of Goldman Sachs or customary market standards for the dissemination of such type of information, (f) to Moody's and S&P and other rating agencies or to market data collectors as reasonably determined by the Commitment Parties; provided that such information is limited to Annex B and is supplied only on a confidential basis, (g) to market data collectors, similar services providers to the lending industry, and service providers to the Commitment Parties and the Lenders in connection with the administration and management of the Bridge Facility; provided that such information is limited to the existence of this Commitment Letter and information about the Bridge Facility, (h) received by such person on a non-confidential basis from a source (other than you, the Acquired Business or any of your or their affiliates, advisors, members, directors, employees, agents or other representatives) not known by such person to be prohibited from disclosing such information to such person by a legal, contractual or fiduciary obligation, (i) to the extent that such information was already in the Commitment Parties' possession or is independently developed by the Commitment Parties or (j) for purposes of establishing a "due diligence" defense. The Commitment Parties' obligation under this provision shall remain in effect until the earlier of (i) two years from the date hereof and (ii) the execution and delivery of the Bridge Loan Agreement by the parties thereto, at which time any confidentiality undertaking in the Bridge Loan Agreement shall supersede the provisions in this paragraph.

8. Absence of Fiduciary Relationship: Affiliates; Etc.

As you know, the Commitment Parties (together with their respective affiliates, the “**Affiliated Parties**”) are full service financial institutions engaged, either directly or through their respective affiliates, in a broad array of activities, including commercial and investment banking, financial advisory, market making and trading, investment management (both public and private investing), investment research, principal investment, financial planning, benefits counseling, risk management, hedging, financing, brokerage and other financial and non-financial activities and services globally. In the ordinary course of their various business activities, the Affiliated Parties and funds or other entities in which the Affiliated Parties invest or with which they co-invest, may at any time purchase, sell, hold or vote long or short positions and investments in securities, derivatives, loans, commodities, currencies, credit default swaps and other financial instruments for their own account and for the accounts of their customers. In addition, the Affiliated Parties may at any time communicate independent recommendations and/or publish or express independent research views in respect of such assets, securities or instruments. Any of the aforementioned activities may involve or relate to assets, securities and/or instruments of the Borrower, the Acquired Business and/or other entities and persons which may (i) be involved in transactions arising from or relating to the arrangement contemplated by this Commitment Letter or (ii) have other relationships with the Borrower or its affiliates. In addition, the Affiliated Parties may provide investment banking, commercial banking, underwriting and financial advisory services to such other entities and persons. The arrangement contemplated by this Commitment Letter may have a direct or indirect impact on the investments, securities or instruments referred to in this paragraph, and employees working on the financing contemplated hereby may have been involved in originating certain of such investments and those employees may receive credit internally therefor. Although the Affiliated Parties in the course of such other activities and relationships may acquire information about the transaction contemplated by this Commitment Letter or other entities and persons which may be the subject of the financing contemplated by this Commitment Letter, the Affiliated Parties shall have no obligation to disclose such information, or the fact that the Affiliated Parties are in possession of such information, to the Borrower or to use such information on the Borrower’s behalf.

Consistent with the Affiliated Parties’ policies to hold in confidence the affairs of their customers, the Affiliated Parties will not furnish confidential information obtained from you by virtue of the transactions contemplated by this Commitment Letter to any of their other customers. Furthermore, you acknowledge that neither Affiliated Party nor any of their respective affiliates has an obligation to use in connection with the transactions contemplated by this Commitment Letter, or to furnish to you, confidential information obtained or that may be obtained by them from any other person.

The Affiliated Parties may have economic interests that conflict with those of the Borrower, its equity holders and/or its affiliates. You agree that each Affiliated Party will act under this Commitment Letter as an independent contractor and that nothing in this Commitment Letter or the Fee Letter or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Affiliated Party and the Borrower, its equity holders or its affiliates. You acknowledge and agree that the transactions contemplated by this Commitment Letter and the Fee Letter (including the exercise of rights and remedies hereunder and thereunder) are arm’s-length commercial transactions between the Affiliated Parties, on the one hand, and the Borrower, on the other, and in connection therewith and with the process leading thereto, (i) the Affiliated Parties have not assumed an advisory or fiduciary responsibility in favor of the Borrower, its equity holders or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Affiliated Party has advised, is currently advising or

will advise the Borrower, its equity holders or its affiliates on other matters) or any other obligation to the Borrower except the obligations expressly set forth in this Commitment Letter and the Fee Letter and (ii) each Affiliated Party is acting solely as a principal and not as the agent or fiduciary of the Borrower, its management, equity holders, affiliates, creditors or any other person. The Borrower acknowledges and agrees that the Borrower has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Borrower agrees that it will not claim that any Affiliated Party has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Borrower, in connection with such transactions or the process leading thereto. As you know, Goldman, Sachs & Co. has been retained by the Borrower (or one of its affiliates) as financial advisor (in such capacity, the “**Financial Advisor**”) in connection with the Acquisition. Each of the parties hereto agree to such retention, and further agree not to assert any claim it might allege based on any actual or potential conflicts of interest that might be asserted to arise or result from, on the one hand, the engagement of the Financial Advisor and, on the other hand, our and our affiliates’ relationships with you as described and referred to herein. In addition, Goldman Sachs may employ the services of its affiliates in providing services and/or performing its or their obligations hereunder and may exchange with such affiliates information concerning the Borrower, the Acquired Business and other companies that may be the subject of this arrangement, and such affiliates will be entitled to the benefits afforded to Goldman Sachs hereunder. Goldman Sachs or its affiliates are, or may at any time be a lender one or more existing credit facilities of the Borrower and/or the Target (and/or of their respective subsidiaries) (in such capacity, an “**Existing Lender**”). The Borrower further acknowledges and agrees for itself and its subsidiaries that any such Existing Lender (a) will be acting for its own account as principal in connection with such existing credit facilities, (b) will be under no obligation or duty as a result of Goldman Sachs’ role in connection with the transactions contemplated by this Commitment Letter or otherwise to take any action or refrain from taking any action (including with respect to voting for or against any requested amendments), or exercising any rights or remedies, that each Existing Lender may be entitled to take or exercise in respect of such existing credit facilities and (c) may manage its exposure to such existing credit facilities without regard to Goldman Sachs’ role hereunder.

In addition, please note that the Affiliated Parties do not provide accounting, tax or legal advice. Notwithstanding anything herein to the contrary, the Borrower (and each employee, representative or other agent of the Borrower) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the Bridge Facility and all materials of any kind (including opinions or other tax analyses) that are provided to the Borrower relating to such tax treatment and tax structure. However, any information relating to the tax treatment or tax structure will remain subject to the confidentiality provisions hereof (and the foregoing sentence will not apply) to the extent reasonably necessary to enable the parties hereto, their respective affiliates, and their respective affiliates’ directors and employees to comply with applicable securities laws. For this purpose, “tax treatment” means U.S. federal or state income tax treatment, and “tax structure” is limited to any facts relevant to the U.S. federal income tax treatment of the transactions contemplated by this Commitment Letter but does not include information relating to the identity of the parties hereto or any of their respective affiliates.

Each of the Commitment Parties hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "**Patriot Act**") each Commitment Party and each Lender may be required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow each Commitment Party and such Lender to identify the Borrower in accordance with the Patriot Act. This notice is given in accordance with the requirements of the Patriot Act and is effective for each Commitment Party and each Lender.

This Commitment Letter and the Fee Letter are the only agreements that have been entered into among the parties hereto with respect to the Bridge Facility and set forth the entire understanding of the parties with respect thereto and supersede any prior written or oral agreements among the parties hereto with respect to the Bridge Facility.

Each of the parties hereto agree that this Commitment Letter is a binding and enforceable agreement with respect to subject matter contained herein, including an agreement to negotiate in good faith the Loan Documents by the parties hereto in a manner consistent with this Commitment Letter, it being acknowledged and agreed that the commitments provided hereunder by the Commitment Parties are only subject to the conditions precedent set forth in Section 2 hereof and Annex C.

Please confirm that the foregoing is in accordance with your understanding by signing and returning to the Commitment Parties the enclosed copy of this Commitment Letter, together with the Fee Letter executed by you and a copy of the Acquisition Agreement executed by each of the parties thereto, prior to the earlier of (i) 11:59 p.m. (New York City time) on October 5, 2014 and (ii) the time of the public announcement by the Borrower of the Acquisition Agreement being entered into by the parties thereto, whereupon this Commitment Letter and the Fee Letter will become binding agreements between us. If this Commitment Letter and the Fee Letter have not been signed and returned together with a copy of the executed Acquisition Agreement as described in the preceding sentence by such earlier time, this offer will terminate at such time. In the event that any Commitment Party becomes involved in any capacity in any action, proceeding or investigation brought by or against any person, including shareholders, partners, members or other equity holders of the Borrower or the Acquired Business in connection with or as a result of either this arrangement or any matter referred to in this Commitment Letter or the Fee Letter (together, the "**Letters**"), the Borrower agrees to periodically reimburse such Commitment Party upon written demand (together with customary documentation in reasonable detail) for its reasonable and documented out-of-pocket legal and other out-of-pocket expenses (including the cost of any investigation and preparation) incurred in connection therewith (provided that any legal expenses shall be limited to one counsel for all Commitment Parties taken as a whole and if reasonably necessary, a single local counsel for all Commitment Parties taken as a whole in each relevant jurisdiction (which may be a single local counsel acting in multiple jurisdictions) and, solely in the case of an actual or perceived conflict of interest between Commitment Parties where the Commitment Parties affected by such conflict inform you of such conflict, one additional counsel in each relevant jurisdiction to each group of affected Commitment Party similarly situated taken as a whole). The Borrower also agrees to indemnify and hold such Commitment Party harmless against any and all losses, claims, damages or liabilities to any such person in connection with or as a result of either this arrangement or any matter referred to in the Letters (whether or not such investigation, litigation, claim or proceeding is brought by you, your equity holders or creditors or an indemnified person and whether or not any such indemnified person is otherwise a party thereto), except to the extent that such loss, claim, damage or liability has been found by a final, non-appealable judgment of a court of competent jurisdiction (a) to have resulted from (x) the gross negligence, bad faith or willful misconduct of such Commitment Party or its Related Commitment Party in performing the services that are the subject of the Letters or (y) a material breach of the obligations of such Commitment Party or its Related Commitment Party under this Commitment Letter, Fee Letter or the Loan Documents or (b) arising from any dispute among Commitment Parties or any Related Commitment Parties of the foregoing other than any claims against Goldman Sachs in its capacity or in fulfilling its role as an agent or arranger role with respect to the Bridge Facility and other than any claims arising out of any act or omission on the part of the Borrower or its affiliates or the Acquired Business. If for any reason the foregoing indemnification is unavailable to such Commitment Party or insufficient to hold it harmless, then the Borrower will contribute to the amount paid or payable by such Commitment Party as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect the relative economic interests of (i) the Borrower and the Acquired Business and their respective affiliates, shareholders, partners, members or other equity holders on the one hand and (ii) such Commitment Party on the other hand in the matters contemplated by the Letters as well as the relative fault of (i) the Borrower and the Acquired Business and their respective affiliates, shareholders, partners, members or other equity holders on the one hand and (ii) such Commitment Party with respect to such loss, claim, damage or liability and any other relevant equitable considerations. The reimbursement, indemnity and contribution obligations of the Borrower under this paragraph will be in addition to any liability which the Borrower may otherwise have, will extend upon the same terms and conditions to any affiliate of such Commitment Party and the partners, members, directors, agents, employees and controlling persons (if any), as the case may be, of such Commitment Party and any such affiliate, and will be binding upon and inure to the benefit of any successors, assigns, heirs and personal representatives of the Borrower, such Commitment Party, any such affiliate and any such person. The Borrower also agrees that neither any indemnified party nor any of such affiliates, partners, members, directors, agents, employees or controlling persons will have any liability to the Borrower or any person asserting claims on behalf of or in right of the Borrower or any other person in connection with or as a result of either this arrangement or any matter referred to in the Letters, except in the case of the Borrower to the extent that any losses, claims, damages, liabilities or expenses incurred by the Borrower or its affiliates, shareholders, partners or other

equity holders have been found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence, bad faith or willful misconduct of such indemnified party in performing the services that are the subject of the Letters; provided, however, that in no event will such indemnified party or such other parties have any liability for any indirect, consequential, special or punitive damages in connection with or as a result of such indemnified party's or such other parties' activities related to the Letters. Neither the Borrower nor any of its affiliates will be responsible or liable to the Commitment Parties or any other person or entity for any indirect, special, punitive or consequential damages that may be alleged as a result of the Acquisition, this Commitment Letter, the Fee Letter, the Bridge Facility, the Transactions or any related transaction contemplated hereby or thereby or any use or intended use of the proceeds of the Bridge Facility; provided, that nothing in this sentence shall limit your indemnity and reimbursement obligations set forth in this Annex A. **The provisions of this Annex A will survive any termination or completion of the arrangement provided by the Letters.**

For purposes hereof, a "**Related Commitment Party**" of a Commitment Party means (a) any controlling person or controlled affiliate of such Commitment Party, (b) the respective directors, officers, or employees of such Commitment Party or any of its controlling persons or controlled affiliates and (c) the respective agents of such Commitment Party or any of its controlling persons or controlled affiliates, in the case of this clause (c), acting at the instructions of such Commitment Party, controlling person or such controlled affiliate; provided that each reference to a controlled affiliate or controlling person in this sentence pertains to a controlled affiliate or controlling person involved in the negotiation or syndication of this Commitment Letter and the Bridge Facility.

- (c) 100% of the net cash proceeds (including cash equivalents) actually received of any sale or other disposition (including as a result of casualty or condemnation) of any assets outside the ordinary course of business on or after the date of the Commitment Letter by the Borrower or any of its subsidiaries (excluding the Acquired Business prior to the Acquisition), except for (i) sales or other dispositions

All voluntary and mandatory prepayments of Bridge Loans and reductions of Commitments with respect to the Bridge Facility as set forth above shall be allocated among the Lenders on a pro rata basis (or, as between Lenders that are affiliated with each other, allocated between them as they and the Arranger may otherwise determine).

For purposes of the forgoing, (a) if only one of Moody's and S&P shall have in effect a rating for the Rated Securities, the Rating Level Period shall be determined by reference to the available rating and (b) if the Rated Securities are rated by Moody's and S&P with ratings that would otherwise fall within different Rating Level Periods, the applicable Rating Level Period shall be determined by the rating that results in the higher Rating Level Period except that if the lower of such ratings would result in a Rating Level Period that is more than one level below the higher of such Rating Level Periods, the Rating Level Period shall be determined by reference to the rating that is one level above the lower of such ratings.

As used herein:

"Rated Securities" means, at any time, the long-term senior unsecured, unguaranteed debt securities of the Borrower outstanding at such time.

"Rating Level Change" means a change in the rating of the Rated Securities by either or both of Moody's or S&P (other than as a result of a change in the rating system of such rating agency) that results in the change from one Rating Level Period to another, which Rating Level Change shall be effective on the date on which the relevant change in the rating of the Rated Securities is first announced by Moody's or S&P, as the case may be.

"Rating Level Period" means, as of any period, the level set forth below as then in effect, as determined in accordance with the following provisions of this definition:

"Level 1 Period" means a period during which the Rated Securities are rated better than or equal to A3 by Moody's or better than or equal to A- by S&P.

"Level 2 Period" means a period that is not a Level 1 Period during which the Rated Securities are rated better than or equal to Baa1 by Moody's or better than or equal to BBB+ by S&P.

“Level 3 Period” means a period that is not a Level 1 Period or a Level 2 Period during which the Rated Securities are rated better than or equal to Baa2 by Moody’s or better than or equal to BBB by S&P.

“Level 4 Period” means a period that is not a Level 1 Period, a Level 2 Period or a Level 3 Period during which the Rated Securities are rated better than or equal to Baa3 by Moody’s or better than or equal to BBB- by S&P.

“Level 5 Period” means each period other than a Level 1 Period, a Level 2 Period, a Level 3 Period or a Level 4 Period, and shall include each period during which both Moody’s and S&P shall not have in effect a rating for the Rated Securities (other than because either such rating agency shall no longer be in the business of rating corporate debt obligations).

"**Target Material Adverse Effect**" means any effect, change, condition, fact, development, occurrence or event that, individually or in the aggregate with all other effects, changes, conditions, facts, developments, occurrences or events, has had or would reasonably be expected to have a material adverse effect on the business, results of operations or financial condition of the Target and its Subsidiaries, taken as a whole, excluding any effect, change, condition, fact, development, occurrence or event resulting from or arising out of (i) changes in the financial, securities or credit markets or general economic, regulatory or political conditions in the United States or any foreign jurisdiction, except to the extent any such effect, change, condition, fact, development, occurrence or event has a materially disproportionate effect on the Target and its Subsidiaries, taken as a whole, relative to other participants in the industries in which the Target operates, (ii) changes or conditions generally affecting the industries, markets or geographical areas in which the Target operates except to the

The Arranger hereby acknowledges that the Borrower's or the Acquired Business's public filing with the Securities and Exchange Commission of any required audited financial statements on Form 10-K or required unaudited financial statements on Form 10-Q, in each case, will satisfy the requirements under clauses (i) or (ii) as applicable, of this paragraph.

4. Payment of Fees and Expenses. All costs, fees, expenses (including, without limitation, legal fees and expenses) to the extent invoiced at least two business days prior to the Closing Date and the fees contemplated by the Fee Letter payable to the Arranger, the Administrative Agent or the Lenders shall have been paid on or prior to the Closing Date, in each case, to the extent required by the Fee Letter or the Loan Documents to be paid on or prior to the Closing Date.

BD TO ACQUIRE CAREFUSION FOR \$12.2 BILLION

Combination of Complementary Portfolios Creates Global Leader in Medication Management and Patient Safety Solutions

Accelerates BD's Strategy to Improve Quality of Care and Reduce Healthcare Costs; Enhances Emerging Market Growth Opportunities

Generates Significant Value for Shareholders; Accretive to Cash EPS on a Double-Digit Percentage Basis in the First Full Year

Franklin Lakes, NJ and San Diego, CA (October 5, 2014)– BD (NYSE: BDX) and CareFusion (NYSE: CFN) announced today a definitive agreement under which BD will acquire CareFusion for \$58.00 per share in cash and stock, or a total of \$12.2 billion, to create a global leader in medication management and patient safety solutions. The agreement has been unanimously approved by the Boards of both companies.

The combination of the two companies' complementary product portfolios will offer integrated medication management solutions and smart devices, from drug preparation in the pharmacy, to dispensing on the hospital floor, administration to the patient, and subsequent monitoring. The combination will improve the quality of patient care and reduce healthcare costs by addressing unmet needs in hospitals, hospital pharmacies and alternate sites of care to increase efficiencies, reduce medication administration errors and improve patient and healthcare worker safety. In addition, the Company will have solid positions in patient safety to maximize outcomes in infection prevention, respiratory care, and acute care procedural effectiveness.

Under the terms of the transaction, CareFusion shareholders will receive \$49.00 in cash and 0.0777 of a share of BD for each share of CareFusion, or a total of \$58.00 per CareFusion share based on BD's closing price as of October 3, 2014. The transaction is subject to regulatory and CareFusion shareholder approvals and customary closing conditions, and is expected to close in the first half of calendar year 2015. Upon closing, BD shareholders will own approximately 92 percent of the combined company and CareFusion shareholders will own approximately 8 percent.

Vincent A. Forlenza, BD's Chairman, Chief Executive Officer and President, said, "BD's acquisition of CareFusion allows us to align our highly complementary technologies and products to address unmet needs in the growing \$20 billion global medication management industry, which leverages BD's world-wide infrastructure. It accelerates BD's transition from a product-focused company to a customer-centric provider of innovative healthcare solutions with leading scale across the medication management value chain and expanded solutions for patient safety. With the targeted cost savings we have identified and the growth opportunities we see in bringing CareFusion products to more patients and healthcare workers around the world, we expect this transaction to create meaningful value for our shareholders, customers, employees and other stakeholders. We've long admired CareFusion's strong franchises and look forward to welcoming their talented team to BD."

Kieran T. Gallahue, CareFusion Chairman and Chief Executive Officer, said, "As part of BD, we see new growth opportunities for our products in global markets, new value we can create for our customers and new opportunities for our employees as part of what will become one of the largest, global leaders in med-tech. The transaction delivers attractive value for CareFusion shareholders, and represents a powerful endorsement of our strong positions in medication management, informatics across our device platforms and leading products to help improve the effectiveness of acute-care procedures."

Financial Highlights

The transaction is expected to provide double-digit cash EPS accretion to BD in the first full year, and is also expected to be accretive to GAAP EPS in fiscal year 2018. The transaction is also expected to expand EBITDA margins, and deliver strong cash flow generation and ROIC. The Company has identified \$250 million of pre-tax cost synergies. These savings are expected to be fully realized in fiscal year 2018, resulting from reduced overhead expenses and efficiencies from the combined operational and manufacturing footprint. The estimate excludes any benefit from potential revenue synergies resulting from the combination of the two organizations.

BD has secured \$9.1 billion of fully committed bridge financing from Goldman Sachs and expects to put in place permanent financing in the form of available cash and unsecured notes. BD is committed to maintaining a solid investment grade credit rating and its current dividend per share will grow in line with its expectations for long-term earnings, and expects to suspend the share buyback program in the near-term to focus on deleveraging and the dividend. BD also reaffirms its previously announced guidance for fiscal year 2014. CareFusion reaffirms its fiscal year 2015 financial guidance of 5 to 7 percent revenue growth and adjusted earnings per share of \$2.60 to \$2.75.

Integration Plans

BD has put in place a detailed execution plan to ensure a seamless integration. A designated integration team, comprised of senior members of both organizations, will be led by BD Chief Operating Officer William A. Kozy. BD is confident in its ability to achieve identified cost synergies as it builds a dynamic organization that brings together two world class companies and offers opportunities for employees as part of a global leader.

CareFusion will operate as part of BD's Medical segment, and BD is committed to maintaining an active presence in San Diego where CareFusion is headquartered.

Conference Call and Webcast Information

BD and CareFusion will conduct a live conference call and webcast on October 6, 2014, at 8:00 a.m. (ET). The webcast of the conference call, along with related slides, will be accessible through BD's and CareFusion's websites. Subject: BD Announces Agreement to Acquire CareFusion

Dear BD Associates:

I am very pleased to share with you an exciting milestone in BD's history. Today, we announced an agreement to acquire CareFusion, a leading medical technology company with products and services that help hospitals measurably improve safety and patient care. This transaction will enable BD to become a global leader in the growing \$20 billion medication management industry.

We've long admired CareFusion's strong franchise and leading positions, and look forward to welcoming their talented team to the BD family. CareFusion, with about \$4 billion in annual revenues, is based in San Diego, California, with 25 manufacturing facilities and nearly 17,000 employees. While most of CareFusion's sales are in the U.S., it has a stable customer base of hospitals, ambulatory surgery centers, clinics, long-term care facilities and physician offices in approximately 130 countries. Some of CareFusion's products that may be familiar to you include drug dispensing technologies (Pyxis®), drug administration devices utilizing infusion pumps (Alaris®), medication management informatics (CareFusion SmartWorks), as well as a broad portfolio for acute care including infection prevention (ChloraPrep®).

Importantly, this combination will accelerate our strategy to transition from a product-focused company to a customer-centric provider of complete healthcare solutions across the medication management value chain. In addition, the Company will have solid positions in patient safety to maximize outcomes in infection prevention, respiratory care, and acute care procedural effectiveness. We think this will create value for our customers and shareholders and also open up exciting new opportunities for employees.

The transaction is expected to close in the first half of calendar year 2015 following regulatory and other required approvals. A comprehensive integration plan, designed by a team led by BD COO Bill Kozy and including senior members of both BD and CareFusion, will be communicated to both organizations at the appropriate time to help ensure a smooth and seamless transition. In the meantime, it is important to remember that we are just at the beginning of a long process. Until the transaction closes, it is business as usual, and both BD and CareFusion will continue to operate as separate companies. I ask that you remain focused on doing the jobs you do so well and on delivering the highest quality products and services our customers and partners have come to expect from us.

I know you will want to learn more about this announcement, so we will **behosting two town hall meetings. Details are below.**

We will keep you informed as we move toward completing this transaction and provide updates on integration details.

Thank you for all of your continued hard work.

Sincerely,
Vince
